Dear Sir/ Madam,

Stock Code - **KOTHARIPET**

Sub: Update on earlier intimation submitted under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

1. This is with reference to our earlier intimation dated 11th March 2026, submitted pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, regarding constraints in the availability of raw materials for the Company, arising from the geopolitical situation in the Middle East region and the consequent diversion of supplies for domestic LPG requirements and suspension of feedstock supplies to downstream industries.
2. We wish to inform you that, pursuant to the Government directions to the refineries relaxing the supply restrictions, the temporary constraints faced by the Company in the availability of raw materials have eased, and the supply position has been restored to normal levels. Accordingly, the Company's operations are expected to continue normally.
3. During the period of constrained availability of raw materials, the Company managed its operations prudently. Except for certain variations in raw material prices, the said constraints did not have any material adverse financial impact on the Company.

Kindly acknowledge and take this in your records.

Thanking You,

Yours faithfully

for **Kothari Petrochemicals Limited**
