About Shyam Metals & Energy Ltd.

Shyam Metals is one of India's fastest growing and most trusted integrated metal producers, with a diversified portfolio spanning carbon steel, stainless steel, ferro alloys, aluminium foil, and long steel products. Headquartered in Kolkata and driven by the ethos of "Made in India, Made for Bharat," we are committed to shaping the nation's infrastructure and industrial future through sustainable and scalable growth.

As a diversified metal conglomerate, Shyam Metals operates with a fully integrated ore-to-metal manufacturing model, supported by 83% captive power generation and state-of-the-art facilities strategically located across India's key industrial hubs. Our operations are anchored in engineering excellence, operational efficiency, and robust forward and backward integration, ensuring unmatched product quality, consistency, and cost competitiveness.
