MSAFE Equipments Performs Dhanteras Puja at Upcoming Mathura Integrated Manufacturing Facility

Noida, India | 06 November 2026 – MSAFE Equipments Limited (BSE: 544695), an integrated scaffolding, access and structural equipment solutions company, today celebrated the auspicious occasion of Dhanteras by performing a puja ceremony at its upcoming integrated manufacturing facility in Mathura, Uttar Pradesh, where civil construction work is already underway.

The facility is being developed to support the Company's capacity expansion, growth of its rental business and introduction of new product categories. It is expected to commence operations by May 2027, in line with the timeline previously communicated by the Company.

As part of its expansion plans, the Company intends to enhance its manufacturing capacity for aluminium scaffolding and MS scaffolding, in line with the plans outlined in its Initial Public Offering(IPO).
