Sub:- Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Petchem & Chemical Leadership Connect held on 9th May 2026

Dear Sir / Madam,

Pursuant to Regulation 30 read with Schedule III and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that Axis Solutions Limited ('the Company') has organized an invitation-only industry engagement event titled "Petchem & Chemical Leadership Connect" on Saturday, 9th May, 2026 at Ahmedabad.

The event was organised for senior industry participants from the petroleum, petrochemical, chemical, refinery, EPC and allied industrial sectors, with a focus on plant optimisation, reliability, compliance, analytical systems, smart instrumentation, automation, IIoT, analyser shelters and lifecycle services.

The event included a visit to the Company's plant / engineering facility, live demonstrations, expert presentations and technical interactions on solutions offered by the Company for chemical and petrochemical industries. Senior technical leaders, CTOs and representatives from approximately 30 companies across Gujarat attended the event, including representatives from leading industrial and engineering groups such as L&T, Adani Group and other petrochemical and chemical sector participants.

Mr. Bijal Dineshchandra Sanghvi, Managing Director, along with the senior leadership team of Axis Solutions Limited, addressed the august gathering and presented the Company's capabilities, engineering solutions and vision for smart and reliable industrial plant transformation.

The Company believes that such industry engagement initiatives help deepen customer outreach, strengthen technical dialogue with industry leaders and showcase the Company's

Brief Note on Petchem & Chemical Leadership Connect

Axis Solutions Limited successfully hosted its "Petchem & Chemical Leadership Connect" on Saturday, 9 May 2026 at Ahmedabad.

The event was curated as an exclusive immersion programme for leadership and technical decision-makers from Gujarat's petroleum, petrochemical, chemical, refinery, EPC and allied industrial sectors. The central theme of the event was "Plant Optimisation, Reliability, Compliance and Smart Plant Transformation."

Particulars	Details
Event Title	Petchem & Chemical Leadership Connect
Date	Saturday, 9 May 2026
Location	Ahmedabad
Nature of Event	Invitation-only industry engagement and plant immersion event
Key Focus Areas	Analytical systems, automation, IIoT, smart instrumentation, analyser shelters, lifecycle services and plant reliability
Participants	Senior technical leaders, CTOs and representatives from approximately 30 companies from Gujarat
Senior Management Address	Address by Mr. Bijal Dineshchandra Sanghvi, Managing Director, along with the Axis leadership team
Activities	Plant visit, live demonstrations, expert presentations and technical discussions

Event overview

The event enabled company to showcase its engineering and solution capabilities for the chemical and petrochemical industries, particularly in the areas of industrial automation, analytical systems, smart plant solutions and lifecycle services.

The interaction also provided a platform for technical exchange with industry leaders on emerging requirements relating to reliability, compliance, operational efficiency and smart plant transformation.

This engagement forms part of the Company's continuing efforts to strengthen its presence in the industrial automation and analytical solutions space and to build deeper relationships with key industry participants.
