Report on the Audit of the Financial Results

Opinion

We have audited the accompanying Statement of financial results of Muthoot Microfin Limited ("the Company"), for the quarter and year ended 31 March 2026 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"), including relevant circulars issued by the Securities and Exchange Board of India ("SEBI") from time to time.

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- a) is presented in accordance with the requirements of Regulation 33 and 52 read with Regulation 63(2) of the Listing Regulations; and
- b) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind AS") under section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, the relevant circulars, guidelines and directions issued by the Reserve Bank of India ("RBI") from time to time ("RBI Guidelines") and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter and year ended 31 March 2026 and the notes that include the Statement of Assets and Liabilities as at March 31, 2026 and the Statement of Cash Flows for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the "Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the financial results section of our report. We are

independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial results.

Responsibilities of Management and those charged with Governance for the Financial Results

This Statement has been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder, RBI Guidelines to the extent applicable, other accounting principles generally accepted in India and is in compliance the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board of Directors.
- Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the Audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matter

The Statement includes the financial results for the quarter ended 31 March 2026 being the balancing figures between audited figures in respect of the full financial year ended 31 March 2026 and the published unaudited year to date figures upto 31 December 2025, being the date of the end of the third quarter of the current financial year, which were subject to limited review by us, as required under the Listing Regulations.

Our opinion is not modified in respect of above matter.

Commenting on the performance:

Mr. Thomas Muthoot, Chairman & Non-Executive Director of Muthoot Microfin, said

“We are seeing a clear and broad-based improvement in the operating environment, with collection trends strengthening across geographies and borrower segments. The sector is benefiting from tighter underwriting, calibrated disbursement strategies, and a more disciplined approach to growth. At the same time, credit demand remains resilient, particularly in income-generating segments, which is supporting a healthier and more sustainable growth cycle for the microfinance industry.

Across the industry, there is a visible shift underway, from high-velocity, unsecured group lending towards more diversified, higher-ticket and cashflow-backed products. Lenders are increasingly focusing on portfolio quality, risk-adjusted growth, and customer-level underwriting, which is leading to improving asset quality metrics and better stability in the system.

At Muthoot Microfin, our performance reflects these improving trends as well as the strength of our execution. Our AUM grew by ~13% year-on-year to Rs. 14,005.6 crore, supported by a strong pickup in disbursements, which increased by 47% year-on-year and 15% sequentially. Importantly, this growth is coming alongside a clear improvement in portfolio quality, collection efficiency (X-bucket) strengthened to 99.82%, while GNPA declined by 95 basis points year-on-year to 3.89%, reflecting tighter portfolio control and better on-ground behaviour.

A key highlight for us has been the ongoing shift in our portfolio mix. We are consciously pivoting towards higher-ticket, business-oriented and secured lending, which is not only enhancing yields but also improving portfolio resilience and customer stickiness. Our newer products, particularly the Muthoot Small Enterprise Loan, have scaled up well, with their share in the portfolio increasing to ~17%, while continuing to exhibit strong collection performance.

Overall, the business is structurally stronger today, more diversified in its product mix, sharper in its risk management, and more efficient in its cost structure. With improving industry conditions and our strategic shift towards higher-quality growth, we believe we are well positioned to deliver consistent growth with stronger and more stable risk metrics going forward.”

Mr. Sadaf Sayeed, CEO, Muthoot Microfin, said

“We are pleased to report a strong performance in Q4 FY26, underpinned by healthy growth in our loan portfolio, improved profitability, and continued strengthening of asset quality. Our GLP growth of over 13% YoY, coupled with a sharp expansion in PPOP and stable margins, reflects the resilience of our business model and disciplined execution.

The broader microfinance and MSME lending ecosystem continues to see steady demand, supported by improving rural cash flows, increased formalization, and deeper financial inclusion. At the same time, we remain mindful of evolving credit dynamics and have maintained a prudent approach to underwriting and provisioning, which is reflected in our declining NPAs and controlled credit costs.

Our continued focus on diversification, with the non-JLG portfolio gaining traction, along with strong digital adoption across collections and disbursements, positions us well for sustainable growth. With a robust capital base and strong liquidity, we are confident of navigating the evolving environment while delivering consistent value to all stakeholders”
