Dear Sir/ Ma'am,

Please take note of a major flooding incident that took place at one of our manufacturing plants located at Plot No. 406, Umbergaon Industrial Estate, Umbergaon, Valsad on July 24, 2026. The extent of the damage to the plant and machinery, inventory and other assets is presently being assessed. As access to certain areas of the said manufacturing facilities remains restricted due to waterlogging, the financial impact, if any, cannot be ascertained at this stage.

Fortunately, there has been no casualty or injury to life. The said site is fully covered under insurance, and the actual extent of the damage is not ascertainable at this stage.

Production operations at the said plant have been temporarily suspended until further assessment and necessary restoration activities are completed. Operations at our other manufacturing plants continue to function normally without any likely impact.

The Information as required under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Schedule III is enclosed as Annexure A.
