MESSAGE FROM CHAIRMAN, BOARD OF DIRECTORS, MR. ABHISHEK KOTULKAR

Dear Shareholders,

It is a privilege to welcome you to the 26th Annual General Meeting of First Fintec Limited.

The Notice convening this meeting, alongside the Board's Report, the Audited Financial Statements for the financial year ended March 31, 2026, and the Auditors' Report, have been duly circulated to you. With your permission, I shall take them as read.

Year in Review: Consolidation & Resilient Growth

The past year has been defined by strategic consolidation and measured growth. While we maintain a lean operational scale, our determination remains unwavering as we steadily reinforce our market presence in the high-potential FinTech and EdTech sectors.

- **In the FinTech Sector:** We continue to design simple, practical, and highly accessible solutions specifically engineered to empower small businesses and individual users.
- **In the EdTech Sector:** Our team is developing affordable, impactful digital learning tools tailored for schools and institutions implementing technology in a phased manner.

Building a Sustainable Foundation

Although our current scale is modest, we have successfully established a robust foundation for long-term growth. We are taking calculated steps to expand our product offerings, optimize operational efficiencies, and forge strategic partnerships. This approach allows us to scale effectively while maintaining absolute financial discipline, focusing on small-scale innovation, prudent resource management, and customer-centric value.

Strategic Priorities Moving Forward

As we look ahead, our immediate focus centers on three key growth pillars:

- **Targeted Expansion:** Penetrating niche markets where our specialized solutions deliver clear, competitive value.
- **Strategic Alliances:** Deepening collaborations with small and medium enterprises (SMEs) to accelerate product marketing and distribution.
- **Diversification:** Gradually entering adjacent domains, specifically digital skilling platforms and basic financial literacy tools.

Expressions of Gratitude

I would like to express my sincere appreciation to our shareholders for your enduring patience, trust, and support as we steer the Company forward. I also extend my gratitude to our customers, business partners, suppliers, advisors, and bankers for their continued collaboration and alliance.

Furthermore, I am deeply grateful to my colleagues on the Board for their invaluable guidance, and to our management team and employees, whose dedication and hard work remain the true cornerstone of this organization.

Looking to the Future

While we operate as a lean enterprise today, I am confident that our unwavering focus, consistent efforts, and the shared trust of our stakeholders will enable First Fintec Limited to convert market challenges into sustainable opportunities for steady, long-term growth.

Thank you,

Mr. Abhishek Kotulkar
Chairman

The company has a transparent disclosure announcement mechanism in place as and when such changes occur.

DIVIDEND:

Your Directors do not recommend any dividend due to losses during the year under review.

BUSINESS OUTLOOK, ECONOMIC & REGULATORY SCENARIO AND OPPORTUNITIES:

The company is exploring various strategic initiatives to strengthen its operations in order to enhance its performance. Due to the COVID-19 and its impact on Edtec's operations due to the closure of schools, the company's operations have been adversely impacted. This is due to the fact that the company has reframed its focus in its business offerings during these challenging times, and the company's main focus is on Fintec and Edtec solutions during these times. As the business scenario is gradually and steadily improving in the Post Covid 19 scenario, we are of the opinion that the Company will definitely come out of all the current hurdles with flying colors as the company is expected to overcome all the challenges with flying colors.

The scepter of uncertainty continues to cast its shadow resulting in a lack of predictability about how demand will pan out. We astutely monitor the developments through constant dialogue with our customers to help us modulate how we use our resources to invest in addressing the growth opportunities expected as normalcy returns. We have extended all help possible from a humanitarian lens to ensure our employees benefit from working in a safe environment and providing precautionary measures, including vaccinations. Our Emergency Response Team remains vigil and has ensured that we are ready for any contingency; be it work from any location - home or office.

BOARD OF DIRECTORS REPORT

Your Directors are of the opinion that there is a need to remain cognizant of the looming uncertainty. Keeping this in mind, we have strengthened our business on multiple fronts, including infrastructure to enable remote delivery of work and security by bolstering our digital infrastructure. Our people practices & policies reflect the changed dynamic and have evolved to engage & motivate our widely dispersed talent pool who take pride in the fact that they are with an upcoming company.

SHARE CAPITAL:

The present authorized share capital of your Company stands at Rs. 25,00,00,000 comprising of 2,50,00,000 equity shares of face value of 10 each.

There is no change in the issued, subscribed and paid-up capital of the Company in this financial year and it stands at Rs. 10,40,27,550 comprising of 1,04,02,755 equity shares of 10 each as of March 31, 2026.

Global Economic Review:

The global economy appears to be on track for a slow yet steady recovery from COVID-induced challenges and the Russia-Ukraine war. Global economic output is likely to grow gradually, owing to a stabilising inflation trajectory that is reviving consumer sentiment and investor confidence. Emerging market and developing economies (EMDEs) are also witnessing growth across multiple sectors, fuelled by government expenditures in infrastructure and manufacturing sectors.

The global economy is anticipated to rebound synchronously in 2025, as major election uncertainties are resolved, and Western central banks possibly implement rate cuts as inflation concerns subside. India is likely to experience improved capital flows, boosting private investment and exports. Inflation concerns remain, but we expect them to ease in the latter half of the next fiscal year, barring any surprises from rising oil or food prices.

Outlook

Despite mounting inflationary pressures, the global economy is buoyed by a strong labour market, higher domestic spending, an influx of foreign capital and a prudent response to the energy crisis in Europe. Many EMDEs have already recovered, which has bolstered real incomes. An optimistic global outlook would also be determined by the pace and effectiveness of fiscal and monetary policy actions implemented to boost economic expansion. Going forward, the governments and central banks of the world are expected accelerate economic growth through targeted, need-based measures.

Indian Economy :

Overview:

India took a big economic leap this leap year: The country ended fiscal year 2024 to 2025 with a big bang, surpassing all market estimates of GDP, with 6.50% year-over-year (YoY) growth. For three consecutive years, India's economy has exceeded growth expectations despite global uncertainties, driven by strong domestic demand and continuous government efforts toward reforms and capital expenditure.

To foster economic growth, the Indian government has rolled out several initiatives, such as the PM Gati Shakti (National Master Plan), the National Monetisation Plan (NMP) and the Production Linked Incentive (PLI) plan. Moreover, with declining inflation, rising disposable incomes and continued investment in infrastructure development, economic growth is anticipated in the future.

Outlook

Strong credit growth, stable financial markets and the government's greater focus on infrastructure and capex are expected to crowd in substantial investments. Although the global economic outlook is challenging, the fact that the Government of India and the Reserve Bank of India have been able to safeguard the Indian economy from an impending global recession underscores India's robust economic fundamentals. India is showing signs of recovery, and pent-up demand during the last two years offers hope for new growth opportunities in the domestic market.

Market Size of Fintec

Financial technology is one of the most widespread terms used for research in the finance industry in present time. Financial Technology (FinTec) is the use of modern innovative technology in the field of finance. It is basically used for innovative and disruptive technology for providing financial services. Fintech catered to the need of more security for the investors by providing innovative and secure financial services. The other reason for the emergence of Fintech could be attributed to the need for financial services at a more affordable cost which provides mobility and faster pace. Owing to these factors in acceptance, fintech domain is gaining huge importance on a global market.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The India Fintech Market was valued at USD 121.4 billion in 2024, and is expected to reach USD 550.9 billion by 2033, growing at a CAGR of 17.40% during the forecast period (2024-2033). The Global Fintech Market size is expected to reach USD 332.5 Billion by the year 2028 and is expected to grow exhibiting a Compound Annual Growth Rate (CAGR) of 19.8% during the forecast period.

The Indian fintech industry has shown massive growth over the past few years. India is gradually becoming a hub for many Fintech startups. The prominent names in the list are Paytm, Pine Labs, PayU, and Faircent. SoftBank has been actively investing in many potential fintech startups. Government initiatives toward promoting the digitization of financial systems and a cashless economy have helped shift consumer focus toward digital alternatives for financial transactions and services.

Market Size of Edtec

The India edtech market size was valued at \$2.80 billion in 2024. The Indian edtech market recorded strong growth in 2023 due to the rise in internet penetration and digital literacy. Several factors such as the availability of reasonably priced online education, increased technology adoption via the use of mobile devices, availability of high-speed internet, and flexible learning modules have influenced growth in the market. Going forward, the market will grow at a CAGR of more than 28.7% during 2025-2033.

Business Verticals as Opportunities at First Fintec

Fintec: Fintec is the new marriage of financial services and information technology. However, this inter linkage is evolving through Investec, and SPAC at First Fintec.

Fintec SPAC

Special purpose acquisition company (SPAC) transactions may be considered as a capital-raising alternative to initial public offerings (IPO). SPAC transactions result in the private operating Company (Target) becoming a public company. As a result, SPAC transactions require Target to devote substantial time and resources to technical accounting and reporting matters and other De-SPAC considerations.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Although SPACs have been used for decades as alternative investment vehicles, they have recently come into vogue as seasoned investors and management teams have turned to SPACs to mitigate the increased market volatility risk of traditional IPOs. As a result, 2020-21 has been a record-breaking year for SPAC IPOs. This surge has been driven by the influx of high-profile investors and management teams entering the SPAC space, coupled with an abundance of uninvested capital that had been mainly sitting out the first half of 2020.

SPAC risks

SPAC transactions come with their unique challenges. As a result, entities need to have (1) an understanding of the risks associated with these investment vehicles and (2) a comprehensive project management plan to meet the demands of an accelerated merger timeline.

Recent market volatility, combined with the arrival of seasoned sponsors and management teams, has created a modern-day SPAC revolution. In addition, the abundance of funds held in trusts and the increased appetite for private investment in public equity (PIPE) transactions have thrust SPACs beyond the fringe of capital markets and into the mainstream as significant players for potential sponsors, investors, and target operating companies.

We also undertake projects in IT/ITES applications relating to Fintec as an offering.

Our Future Offerings

Our future offerings include Fintec relating to regtech, realtec, cloud platform, p to P Platform technologies, etc.

SWOT Analysis:

The term Fintech probably has not escaped you. It has emerged as the new 'disruptive market force' and is challenging the traditional means of providing financial services.

The overall estimation of the FinTech market in 2021 for India has come out to be \$50 billion as mentioned in a report by FIA Global. In 2024, India ranked third globally in FinTech sector funding.

But what exactly is Fintech? Simply put, Fintech stands for Financial Technologies. It refers to technological innovation in the financial sector, including anything and everything in financial services in terms of value addition and ease of use.

A short SWOT Analysis below highlights the many advantages and challenges of these new and emerging technologies.

Strengths

The advantages of Fintech are manifold. By making the interaction between consumers and financial services as well as between financial service providers easier and simpler, Fintech offers significant potential to enhance efficiencies, reduce costs, modernise financial infrastructure, enable more effective risk management and expand access to financial services across a range of different areas including lending, payments, personal finance, money transfer, and insurance.

Weaknesses

The privacy of personal information provided by consumers online is under the spotlight these days. The recent data breach at Facebook is a case in point. This issue is particularly relevant for the Fintech sector as is the risk of fraud or financial risks associated with consumers not fully understanding the new financial products.

Opportunities

The 'de-risking' phenomenon has become an existential threat to many small states in the Commonwealth, especially in the Caribbean and the Pacific. Fintech could potentially offer solutions to some of the key drivers of de-risking such as 'Know Your Customer' policy or eliminate the need for corresponding banking relationships altogether.

The declining cost of internet services and growing mobile and smartphone penetration in small and developing countries also provide an excellent opportunity to leverage Fintech to promote financial inclusion amongst the estimated two billion people who remain without access to formal financial services. Kenya's M-Pesa is one commonly cited example.

While many Central Banks are actively promoting Fintech through 'sandbox' approaches, the existing regulatory barriers are helping banks to maintain the status quo. The Fintech and the traditional banking sector, however, need not always compete but can also complement and learn from each other, forging new partnerships for the efficient delivery of financial services (Fintech, Commonwealth, 2018).

Threats

Cybercrime can potentially undermine the integrity of the entire financial system. This is perhaps the main reason why some Central Banks are reluctant to embrace Fintech more broadly. In the Commonwealth, many small and developing countries lack the capacity and infrastructure to safeguard cybersecurity. There are also concerns that many Fintech start-ups are too focussed on launching their product quickly, without paying due attention to security measures.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Then, there is a potential abuse of Fintech. Without proper regulation, easy access to finance can encourage risky behaviours like excessive borrowing and high personal debt accumulation. There is also some legitimate concern about market competition. A few early entrants in the market can get too large too soon and can wield considerable monopolistic power. On the other hand, too many entrants providing similar services can also crowd the market and make supervision more difficult. This is especially true for many small and developing countries where the rise of the sector can stretch already limited regulatory and supervisory capacity.

We do not think that Fintech is just a buzzword, rather it is here to stay. The wide range of technologies and their possible use under the Fintech umbrella means that all countries can benefit from the technological innovations in financial services in a way that suits their needs. This can lead to more sustainable growth by enhancing productivity and creating new markets and jobs. The main challenge is striking the right balance between regulation and promotion of this rising sector.

First Fintec's Key Strengths are

Strong local and international presence Uniquely qualified and complementary team Focus and experience in the industry sectors Entrepreneurial experience Financial and M&A capabilities Strong and active investor base

THREATS & RISKS

Part i: External Risks relating to the Business of the Company:

1. Changes in Government policies could adversely affect the Company's business, results of operations and financial condition.
2. A decline in India's foreign exchange reserves may affect liquidity and interest rates in the Indian economy, which could have an adverse impact on the Company. A rapid decrease in reserves would also create a risk of higher interest rates and a consequent slowdown in growth.
3. If inflation were to rise in India, the Company might not be able to increase the prices of its services and products in order to pass costs on to its customers and the Company's profits might decline.
4. A significant change in the Central and State Governments' economic liberalization and deregulation policies could disrupt the Company's business.
5. If regional hostilities, terrorist attacks or social unrest in India increase, the Company's business could be adversely affected, and the price of the Shares could decrease.
6. A slowdown in economic growth in India could cause the Company's business to suffer
7. Natural calamities could have a negative impact on the Indian economy and could cause the Company's business to suffer and the price of the Shares to decrease.
8. Covid -19 leading to continuous lock down and non- committal of clients due to schools being shut.

Part ii : Risks Associated with the Expansion of the Company's Business

1. The Company faces risks and uncertainties associated with the implementation of its expansion projects.
The Company plans to expand its brand and product portfolios and its service and distribution networks in India and abroad in the near future, both organically and inorganically via strategic acquisitions. In taking these and any other such expansion initiatives, the Company faces risks and uncertainties, including funding anticipated to be deployed towards the cost of the project will not become available in a timely manner or at all.
2. The company has various education modules, to sell them the company requires specialized marketing force which also needs huge expenditure, paucity of funds may delay aggressive marketing of its e-learning products.
3. IT/ITES, Education and Healthcare services have become very competitive, and margins are under pressure due to varied kinds of assignments.
4. E-learning offerings are subject to syllabus changes from time to time.

Risks and Risk Mitigation

The IT Industry thrives under a dynamically changing and highly competitive business environment. The Company too faces several business risks, of which some prominent ones are discussed hereunder alongside the risk mitigation approach followed by the Company:

Concentration risks

The Company has taken significant steps to ensure that it does not become too dependent on a few clients or any particular geography.

Considerable efforts are being made to generate business from new geographies.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Investment portfolio related risks

In order to deal with surplus cash, the Company, as a policy, does not prefer to invest in high-risk assets such as equities and low liquidity assets like real estate etc. The primary area of risk for the Company's market exposure is related to its investment in securities. To mitigate risk, surplus funds, if any, are invested in appropriate avenues upon a review by the investment committee. All investment decisions are driven by certain guiding principles like safety of investments, liquidity and returns.

Employee-related risks

Attrition: Human Resource functions and initiatives of the Company are driven by a strong set of values and policies. The Company has maintained a competitive, healthy, and harmonious work environment at all levels. The Company has taken new initiatives to strengthen its recruitment processes, values and vision programs, leadership, and performance management programmes to retain the best talent.

Constraints in availability of skilled resources

The Company offers a competitive salary constantly benchmarked by the market, world class infrastructure, excellent work culture, high class training and career development and long-term growth prospects, to remain an employer of choice. The Company's development centers are in cities which have good availability of skilled manpower.

Competition-related risk

Indian IT services market remains a very competitive space. The Company is facing competition from large Indian IT vendors and global vendors which are increasing their India presence by setting up offshore delivery centers.

The Company is managed by locally recruited professionals and talents across all geographies. They have established strong interaction with various analyst firms worldwide through participation in IT conferences and industry specific events attended by CIO's and executives of major corporations. The sales & marketing and delivery infrastructure of the Company is world class. This helps the Company to maintain its competitive edge over other players.

Exchange rate risk: Hedge Accounting

The company has policies and measures in place to mitigate Exchange rate risk.

Geo-political risks

The ability of Indian IT services companies to secure offshore projects from client organisations abroad is often subject to threat perceptions as regards the Indian subcontinent. Current civil situations in neighboring countries of India may have negative implications for the operations of the Company. To mitigate these risks and to ensure continued delivery of services to clients irrespective of any geo-political disturbances, the Company has been taking appropriate measures in respect of disaster recovery and business continuity, at different locations.

Internal Control Systems And Their Adequacy

The Company has a well-defined and documented internal audit & control system, which is adequately monitored. Checks & balances and control systems have been established to ensure that assets are safe guarded, utilized with proper authorization and recorded in the books of account. The Internal control systems are improved and modified continuously to meet the changes in business conditions, statutory and accounting requirements. Your Company has an Audit Committee consisting of three Directors of whom all are Non-Executive and two are independent Directors. The Audit Committee of the Board of Directors and Statutory Auditors are periodically apprised of the internal audit findings and corrective actions taken. The Audit Committee of the Board of Directors reviews the adequacy and effectiveness of internal control system and suggests improvements if any for strengthening them.

Whistle Blower Policy

1. Spirit and Scope of the Policy

(a) This policy aims to:

Provide avenues for Employees and Directors to raise concerns and receive feedback on

- Any action taken;
- Provide avenue for Employees and Directors to report breach of Company's policies
- Reassure Employees and Directors that they will be protected from reprisals or
- Victimization for Whistle Blowing in good faith.

(b) There are existing procedures in place to enable employees to lodge a grievance relating to their own employment. This Whistle Blowing Policy is intended to cover concerns that fall outside the scope of other procedures. That concern may be about an act or omission that:

- is unlawful or in breach of any law;
- is against the Company's Policies;
- Falls below established standards or practices; or
- Amounts to improper conduct, unethical behavior, or suspected fraud

2. Safeguards

(a) Harassment or Victimization the Company recognizes that the decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the malpractice or from superiors. The Company will not tolerate harassment or victimization and will take action to protect an individual when they raise a concern in good faith. In case a Whistle Blower is already the subject of any disciplinary action those procedures will not be halted as a result of their Whistle Blowing.

(b) Confidentiality: The Company will do its best to protect an individual's identity when s/he raises a concern and does not want their name to be disclosed. It must be appreciated that a statement from the Whistle Blower may be required as part of the evidence in the investigation process.

(c) Anonymous Allegations: This Policy encourages individuals to put their names to allegations. However, individuals may raise concerns anonymously. Concerns expressed anonymously will be evaluated by the Company for investigation. In exercising this discretion, the factors to be taken into account would include:

- ▶ The seriousness of the issue raised;
- ▶ The credibility of the concern; and
- ▶ The likelihood of confirming the allegation from attributable sources.

(d) Untrue Allegations If the Whistle Blower makes an allegation in good faith, which is not confirmed by the investigation, no action will be taken against the Whistle Blower. If a complaint is malicious or vexatious, disciplinary action will be taken.

CORPORATE GOVERNANCE

3. Raising a Concern

- (a) Operational concerns shall be raised with the Line Manager or Skip Line Manager. Whistle blowing mechanism should be used for potentially serious or sensitive issues.
- (b) The first step should be to approach the relevant Business Head. In case the Business Head or Senior Management is the subject of a complaint, the employees can directly reach out to HR Director or Legal Director. If the Business Head finds the Whistle Blower complaint to be substantiated, s/he will consult with the HR Director or Legal Director about referring it to the appropriate body formed by the Company for such purposes. Employees of the HR/ Legal Director's Services should raise their concerns with the Finance Director.
- (c) Employees may send in written communications to Manager – Corporate Policies and Compliances, C/o Legal Department at HO.
- (d) The background and history of the concern, giving names, dates, and places where possible, should be set out and the reason why the individual is particularly concerned about the situation. Those who do not feel able to put their concern in writing can telephone or meet the appropriate officer (immediate superior or Legal Director).
- (e) The complainant is not expected to prove the truth of the allegation but should be able to demonstrate that there are sufficient grounds for concern. Employees must raise concerns immediately. This will support the investigation process and enable faster implementation of corrective actions, if any.
- (f) Advice and guidance on how matters of concern may be pursued can be obtained from the Code Officer.
- (g) In case of any serious concerns, the Whistle Blower may also directly approach the Chairperson of the Audit Committee.

4. How The Complaint Will Be Dealt With

- (a) The concerns raised may be dealt in following ways:
 - ▶ form the subject of an independent inquiry;
 - ▶ be investigated internally;
 - ▶ be referred to the external Auditor; or
 - ▶ be referred to the police; if required.
- (b) Upon receipt of a concern, an initial enquiry will be made to decide whether an investigation is appropriate and, if so, what form it should take. Some concerns may also be resolved by an agreed action without the need for investigation. (c) After the concern has been evaluated, the Company will write to the complainant: acknowledging that the concern has been received;
 - ▶ indicating how it is proposed to be dealt with;
 - ▶ Informing us whether further investigations will take place, and if not, why not.
- (d) The amount of contact between the body considering the issues and the complainant will depend on the nature of the matters raised, the potential difficulties involved, and the clarity of the information provided. If necessary, further information will be sought from the complainant.
- (e) The Company will take steps to protect the Whistle Blower from victimization and minimize any difficulties which a person reporting under Whistle Blowing may experience as a result of raising a concern.
- (f) The Company accepts and will take such steps as may be required to assure the Whistle Blower that the matter has been appropriately addressed.

5. Reporting

The concerns raised under Whistle Blowing shall be reported periodically to the Management Committee and Audit Committee of the Company.

1. The Compliance Officer

The Company Secretary acting as the Compliance Officer of the Company shall also act as the Compliance Officer under the Whistle Blowing Policy.

2. Address for reporting and communication:

AUDITORS REPORT

To the Members of First Fintec Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of First Fintec Limited (**"the Company"**), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements including summary of the significant accounting policies and other explanatory information (hereinafter referred to as **"the financial statements"**).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the matter so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (**"Ind AS"**) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Recognition, measurement, estimation, presentation and disclosures in view of adoption of new Ind AS 115 on 'Revenue from contracts with Customers. The application of the new Ind AS 115 from current year involves certain key judgment's, estimation, identification of distinct performance obligations, determination of transaction price, measurement of revenue recognition and disclosures including presentations of balances in the financial statements. Revenue Recognition: Refer Notes 3 to the Financial Statements	We assessed the Company's internal process for adoption and evaluating the impact of new Ind AS. Our audit approach comprised of design and testing of effectiveness of internal controls and procedures, which was as follows: - Evaluated the process of implementation of the new Ind AS on revenue recognition and effectiveness of controls over the preparation of information that is designed to ensure completeness and accuracy. - Selected a sample of existing continuing contracts and new contracts, and tested the operative effectiveness of the internal control, relating to identification of the distinct performance obligations and determinations of transaction price and procedures, verified that adequate accounting being followed, and accounted for in respect of onerous contracts. - Tested the relevant information, accounting systems and change relating to contracts and related information used in recording and disclosing revenue and presentation of contract balances and trade receivables in accordance with the Ind AS. Verified that the adequate disclosure has been made in respect of revenue from contracts with customers, contract assets (unbilled revenue) and contract liabilities (unearned revenue), etc. - Performed analytical procedures for reasona-

		bleness of revenue including the consideration of comparisons of the financial information, population, relationship and applying concept of materiality in assessing the basis of revenue recognition.
2	Recognition, measurement, estimation, presentation and disclosures in view of adoption of Ind AS 38 on Intangible assets.	Intangible assets purchased including acquired in business combination, are measured at cost as at the date of acquisition, as applicable, less accumulated amortization and accumulated impairment if any. Intangible assets consist of Goodwill: Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount. The management of the company has not measured the useful life of the Intangible Asset i.e., Goodwill during the year and consequently no amortization has been made. Therefore, the carrying cost of the Goodwill continues to be the same and we are unable to quantify the amortization amount hence.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management report and Chairman's statement but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITORS REPORT

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order.

AUDITORS REPORT

Annexure – A:

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in our report of even date.)

“Report on Other Legal and Regulatory Requirements” referred to in paragraph 1 of our report of even date.

- (I) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) the Company has maintained proper records showing full particulars of intangible asset.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, Company has a regular program of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified in a phased manner. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, our reporting on holding of the title deeds of immovable properties is not required as the Company does not own any immovable property.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment or Intangible assets or both during the year.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory of the Company held during the year by the Company consisted of shares and securities which have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate of inventory. The Company did not have any inventories during the year.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company **has not been sanctioned any working capital limits** from banks or financial institutes on the basis of security of current assets. Therefore, the provisions of clause 3(ii) (b) of the said Order are not applicable to the Company.
- iii) As at the year end, there are no outstanding loans granted by the Company to parties covered in the Register maintained under Section 189 of the Act. As there are no outstanding loans as of March 31, 2026. Paragraph 3(iii) (a) to (c) of the Order are considered inapplicable.
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act with respect to loans, investments and guarantees and security.
- v) The Company has not accepted any deposits to which provisions of section 73 to 76 and other relevant provisions of the Act are applicable.
- vi) We have broadly reviewed books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- vii) (a) In our opinion and according to the information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Employees State Insurance, Provident Fund, Professional Tax, Income Tax, Goods And Service Tax, Customs Duty, Cess and other statutory dues with appropriate authorities to the extent applicable to it. There are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Taxes, Wealth Tax Customs Duty, Cess and other material statutory dues were in arrears as at 31 March, 2026 for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us, there are not any statutory dues referred in sub-clause (a) which have not been deposited on account of dispute. Therefore, the provisions of Clause (vii)(b) of paragraph 3 of the Order are not applicable to the Company.
- viii) In our opinion and according to the information and explanations given to us, there is no any transaction not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

AUDITORS REPORT

- ix) (a) According to information and explanations given to us and based on examination of the records, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any financial institutions and banks during the year.
- (b) According to information and explanations given to us and on the basis of our audit procedures, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In opinion and according to the information and explanations given to us, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- (d) According to information and explanations given to us and on the basis of our audit procedures performed by us, and on an overall examination of the financial statements of the Company, no funds raised on short-term basis have, prima facie, been used during the year for long-term purposes by the Company.
- (e) According to information and explanations given to us and on an overall examination of the financial statements of the Company, the Company does not have any subsidiary company and therefore the provisions of Para ix (e) & ix(f) are not applicable.
- x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments). Therefore, the provisions of Clause (x)(a) of paragraph 3 of the Order are not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not made preferential allotment or private placement of shares during the year and the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised.
- xi) (a) We have not noticed any case of fraud by the Company or any fraud on the Company by its officers or employees during the year. The management has also not reported any case of fraud during the year.
- (b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As auditor, we did not receive any whistle-blower complaint during the year.
- xii) The Company is not a Nidhi Company. Therefore the provisions of clause 3(xii) of the Order are not applicable to the Company.
- xiii) As per the information and explanations received to us all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act where applicable, and the details have been disclosed in the financial statements, etc., as required by the applicable accounting standards. Identification of related parties were made and provided by the management of the Company.
- xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv) Company is not covered by section 138 of the Companies Act, 2013, related to appointment of internal auditor of the Company. Therefore, the Company is not required to appoint any internal auditor. Therefore, the provisions of Clause (xiv) of paragraph 3 of the Order are not applicable to the Company.
- xvi) The Company has not entered into any non-cash transactions with directors or persons connected with him for the year under review. Therefore, the provisions of Clause (xv) of paragraph 3 of the Order are not applicable to the Company.
- xvii) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (d) As per the information and explanations received, the group does not have any CIC as part of the group.
- xviii) The Company has not incurred cash loss in current financial year as well as in immediately preceding financial year.
- xix) There has been no resignation of previous statutory auditors during the year.
- xx) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further

AUDITORS REPORT

state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xxi) In our opinion and according to the information and explanations given to us, there is no unspent amount towards Corporate Social Responsibility (CSR) under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

AUDITORS' REPORT

Annexure – B:

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in our report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of First Fintec Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the unit has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS

Note No. 1:

A. Significant Accounting Policies:

These financial statements are prepared in accordance with Indian Accounting Standards ("Ind AS"), the provisions of the Companies Act, 2013 ("the Companies Act"), as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI"). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Accounting policies have been applied consistently to all periods presented in these financial statements.

1. Basis of Accounting and Preparation of Financial Statements:

These standalone financial statements have been prepared on a historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortized cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and realization in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months. The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents. The significant accounting policies used in preparation of the standalone financial statements have been discussed in the respective notes.

The financial statements correspond to the classification provisions contained in Ind AS 115, "Presentation of Financial Statements". For clarity, various items are aggregated in the statements of profit and loss and balance sheet. These items are disaggregated separately in the notes to the financial statements, where applicable.

All amounts included in the financial statements are reported in Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures. Previous year figures have been regrouped/re-arranged, wherever necessary.

- a. The standalone financial statements have been prepared under the historical cost conversion and in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India and relevant, presentational requirements of the Companies Act, 2013 except for certain financial instruments and defined benefit plans which are measured at fair value or amortized cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.
- b. Accounting policies not specifically referred to are consistent and in consonance with Generally Accepted Accounting Principles followed by the Company. The company has prepared these financial statements to comply in all material respects with the Companies (Accounts) Rules 2014 and the relevant provisions of the Companies Act, 2013.

The Preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make estimates and losses on going software projects, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Such estimates are made for expected contract cost to be incurred to complete software development and the useful life of fixed assets. Actual could differ from these estimates.

2. Use of estimates and judgements:

The preparation of the standalone financial statements in conformity with the recognition and measurement principles of Ind-AS requires management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of the standalone financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on all ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected. The Company uses the following critical accounting estimates in preparation of its standalone financial statements.

3. Revenue Recognition:

The Company derived its revenues primarily from software services, educational software in the form of e-content and software products.

Revenue for fixed-price contract is recognized using percentage-of completion method. The Company uses judgement to estimate the future cost-to-completion of the contracts which is used to determine degree of completion of the performance obligation.

Revenue from time and material contract is recognized on the basis of software developed and billed in accordance with the terms of the contract, under the percentage of completion method.

NOTES TO FINANCIAL STATEMENTS

4. Segments :

The Company is engaged primarily in the business of Software Development IT/ITES (E-education/Healthcare) and accordingly there are no separate reportable segments as per Accounting Standard - AS 17 - Segment Reporting issued by ICAI.

5. Foreign Currency Transactions :

The Company has earned a Foreign Exchange of Rs. Nil (Previous Year – Rs. Nil) during the year. The Company has incurred an expenditure of Rs. Nil (Previous Year – Rs. Nil)

6. Audit Fees for the year is Rs. 125,000 and Previous year Rs. 125,000.

7. Earnings per Share :

Basic and Diluted Earnings per share is calculated by dividing the net profit attributable to the ordinary shareholders by the weighted average number of ordinary shares outstanding during the year and shown in the Profit and loss account. The company has no potentially dilutive equity shares

8. Related Party' Disclosures as per Accounting Standard 18 :

1. Nature of related party and its relationship: There are no related party transactions during the year.
2. Nature and Volume of transactions carried out with the above related parties in the ordinary course of business for the year ended 31st March 2026.

Sr. No	Particulars	Related Party
1	Salaries & Other Amenities	Nil

9. Provision for Income tax and Deferred tax assets:

Taxation is accounted on the basis of the Liability Method which is generally followed in India. Provision is made for income tax based on computations after considering rebates, relief(s) and exemptions under the Income Tax Act, 1961.

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

1. The Provident Fund and Superannuation Schemes are defined contribution plans for which contribution accruing each year as per the scheme is expensed as applicable.

2. Retirement Benefits :

The Company has not provided for gratuity amount. It will be paid and accounted as and when the liability arises.

Salaries and all allowances include amount paid to employees.

B. Impact of COVID-19 (pandemic):

The Company has taken into account all the possible impacts of COVID-19 in preparation of these standalone financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue recognition owing to changes in cost budgets of fixed price contracts, impact on leases and impact on effectiveness of its hedges. The Company has carried out this assessment based on available internal and external sources of information up to the date of approval of these standalone financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the standalone financial statements may differ from that estimated as at the date of approval of these standalone financial statements owing to the nature and duration of COVID-19.

10. Quantitative details :

The company is engaged in the business of development of Software and Software Products which includes E-education content. The production and sale of Software is not capable of being expressed in any generic unit. Hence it is not possible to give the quantitative details of such sale and the information required under the relevant provisions of the Companies Act, 2013.

11. Fixed Assets and Depreciation :

Fixed Assets are stated at cost after providing the depreciation in the Hardware & Software and other fixed assets.

Depreciation has been provided on WDV Basis.

NOTES TO FINANCIAL STATEMENTS

12. Investments:

Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as non-current investments. Non-current investments are carried at cost less, any other temporary diminution in value, determined separately for each individual investment. The reduction in carrying amount is reversed when there is an increase in the value of the investment or if the reason for the reduction no longer exists. Current investments are carried at the owner of the cost and fair value.

13. Cash and Cash equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

14. Provisions and contingencies:

Provisions involving substantial degree estimation in measurement are recognized when there is a present obligation as a result of past events, and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in notes. Contingent assets are neither recognized nor disclosed in the standalone financial statements.

A provision is recognized if, as a result of a past event, the company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

First Fintec Limited's Corporate Identification Number is (CIN) L72200MH2000PLC239534 and its registration number is 239534. Its Email address is info@firstfintec.com and its registered address is 3rd Floor, The Bureau Chambers Above State Bank of Patiala, Chembur Naka, Chembur Mumbai Mumbai City, MH 400071 India.

2. Significant accounting policies

2.1 Statement of compliance

The financial statements are prepared in accordance with and in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read along with Companies (Indian Accounting Standards) Rules, 2015 (as amended), other provisions of the Act & Rules made thereunder and guidelines issued by the Securities and Exchange Board of India (SEBI).

2.2 Basis of preparation and presentation of financial statements

These financial statements have been prepared on the historical cost basis except for certain financial assets and defined benefit plans which are measured at fair values at the end of each reporting period. Historical cost is generally based on the fair value of consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the company takes into account the characteristics of the asset or liability that market participants would take into account when pricing the asset or liability at the measurement date.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.3 Functional and presentation currency:

The financial statements are presenting in Indian Rupees, which is the Company's functional and presentation currency and all amounts are rounded off to the nearest Rupee thereof, except for share data or otherwise stated.

2.4 Classification of assets and liabilities as current and non-current:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or

NOTES TO FINANCIAL STATEMENTS

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.5 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for net realizable value in Ind AS 2 or value in use in Ind AS 36 that has some similarities to fair value but are not fair value.

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

2.6 Inventories

Inventories which comprise raw materials, finished goods and stock-in-trade are carried at the lower of cost and net realizable value. Cost of inventories comprises cost of purchases, cost of conversion, all non-refundable duties & taxes and other costs incurred in bringing the inventories to their present location and condition. In determining cost "First in First out" method is used.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and other costs necessary to make the sale.

Raw material and other supplies held for use in production of inventories are not written down below cost, except in cases where material price have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

2.7 Cash and cash equivalents

Cash comprises cash on hand, in bank and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.8 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

NOTES TO FINANCIAL STATEMENTS

2.9 Significant accounting judgements, estimates and assumptions

The preparation of the Company's separate financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Difference between actual results and estimates are recognised in the periods in which the results are known / materialised.

Estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

The areas involving critical estimates or judgement are:

a. Useful lives of Tangibles and Intangible including Property, Plant & Equipment if any,

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset / component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of the assets.

b. Inventory write down

The Company reviews the allowance for defective and obsolete items of inventory, wherever necessary at the end of each reporting period

c. Estimation of tax expenses, utilisation of deferred tax assets (including MAT credit) and tax payable

The Company reviews the carrying amount of tax expenses, deferred tax assets (including MAT credit) and tax payable at the end of each reporting period.

d. Probable outcome of matters included under Contingent Liabilities

Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

e. Allowance for doubtful trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Under Ind AS, impairment allowance has been determined based on Expected Credit Loss (ECL) model. Estimated irrecoverable amounts are based on the ageing of the receivable balance and historical experience. Individual trade receivables are written off if the same are not collectible.

2.10 Taxes

Current tax

Current income taxes are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted by the end of the reporting period.

Current income tax relating to items recognised outside profit or loss are recognised outside profit or loss (i.e. in other comprehensive income). Current tax items are recognised in correlation to the underlying transaction. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred

NOTES TO FINANCIAL STATEMENTS

tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilised.

Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction in OCI or equity.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and/or deferred tax for the year

Current and/or deferred tax as applicable are recognised in statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.11 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment loss of continuing operations, including impairment on inventories is recognised in the Statement of Profit and Loss.

2.12 Provisions, contingent liabilities and contingent assets

Provisions for legal claims, service warranties, volume discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Provisions for restructuring are recognised by the Company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the Company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

NOTES TO FINANCIAL STATEMENTS

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the Company.

Contingent liabilities are disclosed when there is a possible obligation arising from past events the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets are disclosed, where an inflow of economic benefits is probable.

2.13 Financial instruments

Financial instruments include Financial assets and financial liabilities that are recognized when an entity becomes a party to the contractual provisions of the instrument. All financial assets are recognized as per the accounting standards as applicable to each of those instruments.

2.14 Discontinued operations

During the year, there are no transactions relating to Discontinued operations, hence disclosure under Ind AS 105 notified under the Accounting Standards is not applicable for the current and previous financial year.

2.15 Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

2.16 Sales other than power

Revenue from sale of goods and services in the course of ordinary activities is measured at the fair value of the consideration receivable, net of trade discounts and volume rebates also excludes taxes or amount collected from customers in its capacity as agent. Revenue is recognized when significant risks and rewards of their ownership are transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods and services, and the amount of revenue can be measured reliably.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

This has been relied upon by the auditors.

2.19 Financial risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established a Risk Management Framework which is reviewed and monitored by the Risk Management Committee. The Committee reports regularly to the board of directors on its activities. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate limits and controls and to monitor risks and adherence to limits. The Company, through its training and established procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's activities expose it to Liquidity risk, and Business risks.
