Press Release

NIIT Learning Systems Limited Ranked Among Training Industry's Top 20 Experiential Learning Technologies Companies, 2026

Atlanta, GA, September 23, 2026: NIIT Learning Systems Limited (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced that it has been named to the 2026 Top 20 Companies in Experiential Learning Technologies by Training Industry, Inc., for the sixth consecutive year.

Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

Selection to the 2026 Training Industry Top Experiential Learning Technologies Companies lists was based on the following criteria:

- Scope and quality of features, capabilities and analytics.
- Market presence, brand visibility, innovation and impact.
- Strength of client portfolio and customer relationships.
- Business performance and growth trajectory.

"The organizations recognized on this year's Top 20 Experiential Learning Technologies list are pushing the boundaries of how workplace learning is designed and delivered. By leveraging immersive technologies, interactive simulations and experiential learning environments, these companies are helping learners develop critical skills through practice and application while enabling organizations to improve training effectiveness, reduce risk and

support long-term workforce development,” said **Jalen Banks, market research analyst at Training Industry, Inc.**

"We are proud to be recognized by Training Industry as one of the Top 20 Experiential Learning Technologies Companies. This honor underscores the distinctiveness of our approach to experiential learning: we start not with technology or the experience itself, but with the business outcomes our customers aim to achieve. Our award-winning Critical Mistake Analysis methodology pinpoints the decisions and behaviors with the greatest impact on performance, enabling us to design targeted experiences measured by real business metrics. The combination of performance-led design, measurable results, and scalable immersive learning across the enterprise is what truly sets us apart," said **DJ Chadha, Chief Customer Officer, NIIT Learning.**
