	1.	Turnover / Total income	6,127.89	6,127.89
	2.	Total Expenditure	5,721.66	5,829.72
	3.	Net Profit/(Loss)	406.23	298.17
	4.	Earnings Per Share	1.68	1.23
	5.	Total Assets	15,191.63	15,083.57
	6.	Total Liabilities & Equity	15,191.63	15,083.57
	7.	Net Worth	10,913.78	10,805.72
	8.	Any other financial item(s) (as felt appropriate by the management)		

II. **Audit Qualification (each audit qualification separately):**

a. **List of Qualification:**

1. The Current Financial Assets: Trade Receivables reported in the financial results include trade receivable of Rs. 308.06 Lacs outstanding in respect of which the company has initiated legal procedure for recovery. The company has considered these outstanding trade receivables as good for recovery at the value at which they have been stated in the financial results. In our opinion, the necessary provision for doubtful debts should have been made by the company. Non-provision of such doubtful debts amounting to Rs. 108.06 Lacs has resulted in an overstatement of profit and an overstatement of the outstanding balance of current trade receivables and shareholder's fund by Rs. 108.06 Lacs.

2. The monetary items denominated in foreign currencies outstanding as at the end of the reporting period, have not been restated by the company at the exchange rates prevailing as at the end of the reporting period in accordance with Ind-AS-21 "The Effects of Changes in Foreign Exchange Rates. Non-restatement of foreign currencies denominated financial items have resulted into overstatement/understatement of respective foreign currency denominated financial items as at the end of the financial year and consequent profits for the year and accumulated balances of profits as at the end of the financial year.

b. **Type of Audit Qualification:** Qualified Opinion

c. **Frequency of qualification:** 7th time

d. **For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:** The company has taken appropriate measures for recovery from respective parties and taken legal recourse. However, no amount could be recovered from the party. Considering the efforts made for recovery and legal action taken the management is hopeful of recovery in coming financial year. However, if it becomes reasonably certain that it is not possible to recover from the parties then management will consider to make appropriate provision for doubtful debt or may write off as bed debts.

e. **For Audit Qualification(s) where the impact is not quantified by the auditor: Not Applicable**

(i) **Management's estimation on the impact of audit qualification:** Unable to estimate

(ii) **If management is unable to estimate the impact, reasons for the same:**

The net effect of restatement of foreign currency denominated assets and liabilities as at the end of the year was not material enough to have a significant effect on profitability for the year and net worth of the company as at the end of the year. And hence management deemed it appropriate not to restate outstanding balance of foreign currency denominated assets and liabilities. However, the management has considered non-compliance and will take appropriate action in the coming year to restate foreign currency denominated assets and liabilities in compliance with Ind-AS-21

(iii) **Auditors' Comments on (i) or (ii) above:**

Though management has not restated foreign currency denominated assets and liabilities in compliance with Ind-AS-21 on the assumption of material effect on profitability and net worth in our opinion. The Foreign currency denominated assets and liabilities should have been restated.

Independent Auditor's Review Report on Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

Review Report to,
The Board of Directors of,
Deep Polymers Limited

1. We have reviewed the accompanying Statement of Unaudited Financial Results of Deep Polymers Limited ("the Company"), for the quarter ended on 30th September, 2026 ("the Statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.

2. This Statement is the responsibility of the Company's Management and is approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), as amended, read with relevant rules issued thereunder, SEBI Circular CIR/CFD/FAC/62/2016 dated 5 July 2016, (hereinafter referred to as 'the SEBI Circular'), and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India (the ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical

procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. We draw attention to The Current Financial Assets: Trade Receivables reported in the financial results include trade receivable of Rs. 308.06 Lacs outstanding in respect of which the company has initiated legal procedure for recovery. The company has considered these outstanding trade receivables as good for recovery at the value at which they have been stated in the financial statement. In our opinion, the necessary provision for doubtful debts should have been made by the company. Non-provision of such doubtful debts of Rs. 108.06 Lacs has resulted in an overstatement of profit and an overstatement of the outstanding balance of current trade receivables and shareholder's fund by Rs. 108.06 Lacs.

5. The monetary items denominated in foreign currencies outstanding as at the end of the reporting period, have not been restated by the company at the exchange rates prevailing as at the end of the reporting period in accordance with Ind-AS-21 "The Effects of Changes in Foreign Exchange Rates. Non-restatement of foreign currencies denominated financial items have resulted into overstatement/understatement of respective foreign currency denominated financial items as at the end of the reporting period and consequent profits for the period and accumulated balances of profits as at the end of the reporting period.

6. Based on our review conducted as above, except for the matter specified in para 4 and 5, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Financial Results, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind-AS) specified under section 133 of the Companies Act, 2013, read with applicable

rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations,2015 read with circular No. CIR/CFD/FAC/62/2016 dated July 05, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Statement on Impact of Audit Qualifications - Consolidated

(Amount Rs. in Lakhs)

Statement on Impact of Audit Qualifications for the Quarter ended September 30, 2026 [See Regulation 33 / 52 of the SEBI (LODR) (Amendment) Regulations, 2016]				
I.	Sl. No.	Particulars	Unaudited Figures (as reported before adjusting for qualifications)	Adjusted Figures (unaudited figures after adjusting for qualifications)
	1.	Turnover / Total income	6,131.82	6,131.82
	2.	Total Expenditure	5,721.66	5,829.72
	3.	Net Profit/(Loss)	410.16	302.10
	4.	Earnings Per Share	1.70	1.25
	5.	Total Assets	15,207.52	15,099.46
	6.	Total Liabilities	15,207.52	15,099.46
	7.	Net Worth	10,929.68	10,821.62
	8.	Any other financial item(s) (as felt appropriate by the management)	-	-

II. **Audit Qualification (each audit qualification separately):**

a. **List of Qualification:**
The Current Financial Assets: Trade Receivables reported in the financial results include trade receivable of Rs. 308.06 Lacs outstanding in respect of which the company has initiated legal procedure for recovery. The company has considered these outstanding trade receivables as good for recovery at the value at which they have been stated in the financial results. In our opinion, the necessary provision for doubtful debts should have been made by the company. Non-provision of such doubtful debts amounting to Rs. 108.06 Lacs has resulted in an overstatement of profit and an overstatement of the outstanding balance of current trade receivables and shareholder's fund by Rs. 108.06 Lacs.

b. The monetary items denominated in foreign currencies outstanding as at the end of the reporting period, have not been restated by the company at the exchange rates prevailing as at the end of the reporting period in accordance with Ind-AS-21 "The Effects of Changes in Foreign Exchange Rates. Non-restatement of foreign currencies denominated financial items have resulted into overstatement/understatement of respective foreign currency denominated financial items as at the end of the financial year and consequent profits for the year and accumulated balances of profits as at the end of the financial year.

b. **Type of Audit Qualification:** Qualified Opinion

c. **Frequency of qualification:** 6th Time

d. **For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:** The company has taken appropriate measures for recovery from respective parties and taken legal recourse. However, no amount could be recovered from the party. Considering the efforts made for recovery and legal action taken, the management is hopeful of recovery in the coming financial year. However, if it becomes reasonably certain that it is not possible to recover from the parties then management will consider to make appropriate provision for doubtful debt or may write off as bed debts.

e. **For Audit Qualification(s) where the impact is not quantified by the auditor: Not Applicable**

(i) **Management's estimation on the impact of audit qualification:** Unable to estimate

(ii) **If management is unable to estimate the impact, reasons for the same:**

The net effect of restatement of foreign currency denominated assets and liabilities as at the end of the year was not material enough to have a significant effect on profitability for the year and net worth of the company as at the end of the year. And hence management deemed it appropriate not to restate the outstanding balance of foreign currency denominated assets and liabilities. However, the management has considered non-compliance and will take appropriate action in the coming year to restate foreign currency denominated assets and liabilities in compliance with Ind-AS-21

(iii) **Auditors' Comments on (i) or (ii) above:**

Though management has not restated foreign currency denominated assets and liabilities in compliance with Ind-AS-21 on the assumption of material effect on profitability and net worth in our opinion. The Foreign currency denominated assets and liabilities should have been restated.
