UPON hearing the counsel the Court made the following
O R D E R

1. Pursuant to the order dated 30.07.2026 passed by this Court, the contemnor has filed an affidavit under which she has tendered unconditional apology and to demonstrate her *bona fides*, she has stated in her affidavit that she would abide by the settlement agreement entered into between the parties and she would unequivocally and unconditionally withdraw FIR No.561/2025 dated 18.04.2025 registered at Police Station : Sarkanda, District : Bilaspur, Chhattisgarh and she has further deposed that she will take all steps as may be necessary in law for withdrawal of the said FIR and all proceedings arising

therefrom and connected thereto. She has also prayed for protection from this Court being extended to her by contending that parties bound by the settlement agreement should not pursue or initiate any civil or criminal proceedings whatsoever viz., arising out of Memorandum of understanding / Settlement Agreement dated 31.12.2024 and recorded thereunder; and the petitioner should withdraw the legal notice dated 26.05.2025 sent to her and her mother on behalf of the company whereunder they have intimated the contemnor that they would initiate civil and criminal action against them.

2. At this stage, it would suffice to state that this litigation seems to be an ongoing and continuous litigation without there being an end as could be seen from the conduct of the parties. Be that as it may, it would be suffice to state that in view of the categorical undertaking given that the FIR filed by the contemnor would be withdrawn, any further litigation arising out of the said FIR either at the instance of the contemnor herself or at the instance of the complainant(s) would not be warranted and we make it clear that neither the complainant(s) nor their predecessors nor their assignees would proceed further against the contemnor as indicated in the legal notice dated 26.05.2025. However, we make it clear that the complainant(s) would be at liberty to seek for enforcement of the Memorandum of Understanding / Settlement Agreement dated 31.12.2024 and the settlement recorded thereunder in accordance with law and we make no further order in that regard in these proceedings. The closure of the contempt proceedings will arise only after FIR No.561/2025 dated 18.04.2025 being withdrawn. Hence, list this matter after four weeks for passing further orders including award of cost of the present contempt proceedings.
