Dear Madam/ Sir,

Subject: Update under Regulation 30- additional disclosure in relation to the proposed acquisition of land

With reference to the Corrigendum to the Notice of the Extra-Ordinary General Meeting ("EGM") issued by the Company on 20th August 2026, and the objects of the proposed preferential issue as set out therein, one of the identified objects of the preferential issue is acquisition/purchase of land, for which an amount of up to ₹10 crore has been earmarked from the proceeds of the preferential issue.

In this regard, the Company wishes to provide the following additional disclosure in relation to the proposed acquisition of land:

The Company proposes to utilise an amount of up to ₹10 crore out of the proceeds of the preferential issue towards the purchase/acquisition of suitable land, subject to identification of suitable land, completion of requisite legal and technical due diligence, applicable approvals and permissions, and compliance with all applicable laws and regulations.

In the event that the land proposed to be acquired is classified as agricultural land, the Company shall undertake the necessary process for obtaining the requisite permission/conversion of such land for non-agricultural ("NA") use, as may be applicable under the relevant laws. The Company shall make the necessary application for such NA conversion within the applicable prescribed period.

The proposed acquisition of Agricultural land shall accordingly be undertaken subject to the applicable restrictions and requirements. In the event the requisite NA permission/conversion is not obtained or the Company is otherwise not legally permitted to continue holding such agricultural land, the Company shall take necessary steps to dispose of/sell the said land in accordance with applicable laws.

Any material development in relation to the proposed acquisition of land as applicable, shall be disclosed by the Company in accordance with the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
