Business Update Release

Strong Opening to the Financial Year with Q1 FY27 Delivering 24.1% YoY Revenue Growth and Sustained Operational Performance Healthy Order Book Supports Future Growth

Mumbai, July 28th, 2026: Unified Data Tech Solutions Ltd ("Udtechs"), among fastest growing system integrators in India, that engages in the business of Data Centre and Cloud system integration. The company had a healthy quarter and remains focused on enhancing its execution capabilities, strengthening customer relationships and maintaining a healthy order pipeline to drive long-term growth.

Key Business Developments:

- Revenue for Q1 FY27 stood at **₹106.23 crore**, compared with **₹85.59 crore** in Q1 FY26, marking a robust YoY growth of **24.11%** driven by continued execution excellence.
- The Company maintained a healthy executable order book of approximately **₹100 crores +** as of July-end and continues to actively bid for new orders, providing a strong foundation for execution through the remainder of FY27.
- Successfully, executed and billed projects for six new enterprise customers during Q1 FY27, including **Sun Pharma, Parle Agro and Apsara Plastic Pvt. Ltd.**, demonstrating continued momentum in customer acquisition and project delivery.
- Executed strategic projects across key customers, including Sap data centre refresh for Apsara Plastic Pvt. Ltd., cybersecurity solutions for Parle Agro and service contracts from leading banks and a leading pharma company.
- Further strengthened the partner ecosystem by adding two new OEM partners, including **Barracuda and Lightstorm Telecom Connectivity**, to expand the Company's technology offerings and market reach.

Speaking on this, Mr. Hiren Mehta, Managing Director of Unified Data-Tech Solutions Limited, said:

"We are pleased to announce a strong start to FY27, with revenue growing 24.1% year-on-year to ₹106.23 crore, reflecting the strength of our execution capabilities, customer relationships and disciplined approach to business. Our performance during the quarter underscores our ability to consistently deliver complex technology solutions while expanding our presence across enterprise customers and strengthening our partner ecosystem.

With a healthy executable order book and an encouraging business pipeline, we remain confident in our growth trajectory. The continued acceleration of enterprise investments in digital infrastructure, cloud, networking and cybersecurity presents significant opportunities, and we are well positioned to capitalise on this demand. Going forward,
