KVS Castings Limited Secures ₹20 Crore Railway Components Order for Russian Railways

Kashipur, August 07, 2026:

KVS Castings Limited, the Foundry Division of the KVS Premier Group and a trusted manufacturer of high-quality ferrous castings, including Cast Iron and Ductile Iron, has secured a **₹20 Crore order** from **SAMM Corporation, Delhi (Merchant Exporter)** for the **manufacture and supply of railway parts to be used in the Russian Railways**.

The order is scheduled to be executed **from August 2026 onwards** and is expected to contribute approximately **₹8 Crore in FY27** and **₹12 Crore in FY28**.

Strengthening Export Footprint Through Railway Components

The order marks a significant step in KVS Castings efforts to expand its presence in export markets and strengthen its participation in the global railway supply chain. The supply of railway components for deployment in the Russian Railways network underscores the Company's manufacturing capabilities and commitment to delivering quality products for critical infrastructure applications.

Execution of the order is scheduled to commence from August 2026, with deliveries to be undertaken in a phased manner based on customer requirements and project timelines.

The order reinforces the confidence placed by customers in KVS Castings manufacturing expertise, operational reliability, and product quality. It is expected to contribute to the Company's revenue visibility over the next two financial years while further strengthening its export portfolio and positioning in international markets.
