HOME LOANS ♦ DEPOSITS
Translating Dreams into Reality

DELIVERING DREAMS.
DRIVING GROWTH.

Q2FY27
Investor Presentation

About Us

Legacy

- 38 year old institution registered as a deposit taking HFC with NHB
- Promoted by Canara Bank in the year 1987 (shareholding of 30% approx.)
- Can Fin Homes is a part of the Canara Group Financial Conglomerate led by Canara Bank
- Listed in 1989. Carries a legacy of uninterrupted dividend payment since inception

Focus

- To promote home ownership across India, with a motto of friendship finance and good service
- To focus on Housing loans to Individuals
- To have strong fundamentals with ethical & transparent practices and prudent underwriting

Reach

- Headquartered in Bengaluru
- Pan-India presence with 274 branches / offices as on Sept 30, 2026
- Spread across 21 States / Union Territories

Vision

- To increase lending to new home aspirants, enhance value for our stakeholders, uphold our ethics and good corporate governance

Journey So Far

Journey So Far

Reinforce

- Company will continue its thrust on growth, asset quality, profitability and liquidity
- Unwavering focus on good governance and due diligence
- No deviation from the fundamental ethos of the company
- Utmost adherence to ethics, fair play, team work and the pursuit of excellence
- As always, priority will be given for compliance, audit and risk

Rebuild

- Company intends to evolve further with the help of technology, duly keeping abreast with the changes in digitalization
- Seamless integration of new processes with the tried and tested ones for better, improved customer service
- Thrust on direct sourcing to enhance the Company's loan portfolio

Reach Higher

- Expansion of sourcing channels to attract different segments of borrowers, thus facilitating the Company's upward trajectory
- Ensure that the products and services offered by the Company are environment friendly and in tune with the rationale of ecological conservation

Our Strengths

- Consistent management support and guidance from the sponsor - Canara Bank
- Expertise gained over 38 years in housing finance
- Eminent personalities with rich experience on the Board
- Quick, hassle-free and customer-friendly lending process
- Transparent and timely updation to stakeholders
- Risk based evaluation of borrowers on merit
- Single Window branch led loan process
- Consistent and stable liquidity position
- Increased dividend year after year

Roadmap - 2028

Geographical Concentration (Incremental Disbursement)

Product Mix (AUM)

Roadmap - 2028

Segment Mix (AUM)

Sourcing Mix (Incremental Disbursement)

Digital Acceleration & Strategy

Responsible Lending Practices

On Boarding

Lead Generation

Through Website, Customer Referral, Direct Marketing and DSA Channel.

Due Diligence

- CKYC UIDAI linked verification
- Bank account verification through PERFIOS
- Field verification of residence, employment, property in each proposal
- Online PAN verification
- Online ITR verification
- Online CERSAI verification

Outsourcing

Legal verification

Through empanelled Advocate, Cross verification through State Govt. Land portal.

Valuation

- Through professional Valuers, validation of rates through market linked web sites
- Mobile-based app for all valuers
- Tie-up with Valocity

Sanction

- Single Window - At branch level for loans up to delegated power of Branch Head
- Head Office / Zonal Office for loans beyond sanctioning powers of branch heads

CRM

Review of all branch loan sanctions by central credit review monitoring team at Head Office

Disbursement

Centralized Disbursement post verification of documents

Responsible Lending Practices

Transforming the homeownership journey with the brilliance of automation

PROJECT TEJAS

It gives me immense pleasure to announce the successful completion of the IT Transformation Program at Can Fin Homes Limited, a landmark initiative that represents a significant milestone in our journey towards becoming a more agile, customer-centric, and digitally enabled organization.

In an increasingly dynamic financial services landscape, the ability to leverage technology effectively is critical to delivering superior customer experiences, enhancing operational efficiency, strengthening governance, and supporting sustainable growth. Recognizing this imperative, Can Fin Homes embarked on a comprehensive IT transformation journey aimed at modernizing our technology ecosystem and building a future-ready digital foundation. The successful completion of this program is a testament to our unwavering commitment to innovation and excellence. The transformed platform equips our organization with enhanced operational capabilities, improved scalability, stronger security frameworks, streamlined business processes, and enriched digital experiences for our customers, employees, and business partners.

I would like to place on record my sincere appreciation for the dedication and hard work demonstrated by our employees, leadership team, and project stakeholders who contributed tirelessly to the success of this strategic initiative. Their commitment, resilience, and collaborative spirit ensured that this complex transformation was executed effectively while maintaining our focus on customers and business continuity. I would also like to extend our heartfelt gratitude to IBM, our System Integration partner, for their valuable expertise, professionalism, and steadfast support throughout the transformation journey. IBM's deep domain knowledge, technological capabilities, and collaborative approach played a pivotal role in helping us realize our vision and successfully deliver this large-scale program.

This achievement is not merely the completion of a project; it marks the beginning of a new chapter for Can Fin Homes. The modern technology foundation we have established today will enable us to accelerate innovation, respond more effectively to evolving customer needs, strengthen risk management practices, and pursue growth opportunities with greater confidence and agility.

As we move forward, we remain committed to leveraging technology as a strategic enabler to create long-term value for all our stakeholders and to further strengthen our position as a trusted housing finance institution. On behalf of the Board of Directors, I congratulate everyone involved in this remarkable accomplishment and look forward to the continued success of Can Fin Homes Limited in the years ahead.

**Shri. Hardeep Singh
Ahluwalia**

Shareholding Pattern

Environmental, Social and Governance (ESG)

Environment

The Company has undertaken several sustainability initiatives to strengthen its commitment to environmental responsibility. Some of the key efforts include:

- The Company has installed a 25-kW rooftop solar system at the registered office. During FY 2025-26, the system generated approximately 8,140 kWh of clean energy, contributing to the Company's sustainability and carbon reduction goals.
- Launched the Rooftop Solar Loan Scheme, aimed at empowering customers by offering financial support for the purchase and installation of rooftop solar photovoltaic systems ranging from 3 KW to 10 KW.
- The Company has successfully recycled 0.88 tonnes of e-waste generated from its operations in FY 2025-26 through authorized and certified vendor, ensuring environmentally responsible disposal and recovery in compliance with applicable environmental regulations.
- All offices have successfully switched to LED lighting, significantly cutting electricity usage while fostering sustainable practices. Additionally, the Company's Registered Office and 16 branches operate with solar-backed UPS systems, further reinforcing eco-friendly initiatives.
- The Company has implemented motion-sensor lighting systems at its Registered Office to optimize energy usage and reduce unnecessary electricity consumption.

- The Company has also conducted a climate risk assessment to identify and evaluate both physical and transition risks associated with climate change.
- The Company has phased out all old two-wheelers with higher emission levels through disposal or selling initiatives contributing to the reduction of its environmental footprint.
- The Company has strengthened its waste management practices by installing waste segregation bins at its Registered Office, promoting responsible waste disposal and recycling. During the FY 2025-26, the Company recycled 0.40 tonnes of paper waste and utilized recycled paper for approximately 30% of its total paper consumption, reflecting its commitment to resource conservation and environmental sustainability.
- The Company is actively minimizing single-use plastic consumption across all offices and branches. Initiatives include eliminating plastic bottles and straws for beverages while encouraging the adoption of eco-friendly alternatives.
- A rainwater harvesting system has been installed at the Registered Office Building, supporting sustainable water management efforts. Additionally, water-efficient taps have been implemented to reduce water wastage.

Social

The Company has undertaken several sustainability initiatives to strengthen its commitment to social responsibility. Some of the key efforts include:

- The Company organized a Blood Donation Camp at its Registered Office, fostering employee participation in community health and welfare initiative. This reinforced the Company's commitment to community well-being, creating a positive social impact and supporting healthcare needs within the community.
- The Company organized weekly ESG awareness quiz to promote employee engagement and strengthen understanding of sustainability-related concepts and responsible business practices.

- The Company circulated ESG awareness posters via email on various sustainability themes, including environmental conservation, social responsibility, workplace well-being, and ethical governance. This initiative enhanced employee awareness of sustainability across the organization.
- The Company organized a Badminton Tournament to promote employee wellness, teamwork, and a healthy work-life balance, contributing to a positive and engaging workplace environment.
- The Company conducted the “State Spotlight – Many States, One India: Building Dreams, Celebrating Diversity” campaign to celebrate the cultural richness and diversity of India. Through this initiative, the Company promoted inclusivity, cultural appreciation, and employee engagement, reinforcing its commitment to fostering a diverse, respect-ful, and cohesive work environment.
- The Company urged employees aged 40 years and above to undergo preventive health check-ups as part of its employee wellness initiatives. The initiative aimed to promote proactive healthcare, facilitate early identification of potential health risks, and foster a culture of health awareness and well-being across the organization.
- The Company also organized Health & Wellness awareness sessions focused on employee well-being, preventive healthcare, and healthy lifestyle practices. These sessions encouraged employees to adopt a proactive approach towards their health and well-being, reinforcing the Company's commitment to building a healthy, engaged, and productive workforce.
- The Company is committed to promoting fair employment practices by ensuring equal opportunities, diversity, and non-discrimination across all levels of the organization. In line with this commitment, the number of female employees increased from 315 to 336, representing a 6.67% increase as of 31st August 2026 compared to the previous financial year, further strengthening gender diversity and fostering an inclusive workplace culture.
- The Company successfully conducted training programs covering a diverse range of topics, reaching approximately 89% of its workforce during the FY 2025-26. Further, the Company reported zero complaints relating to sexual harassment, workplace discrimination, forced labour, human rights violations, data privacy, and cyber security incidents, reflecting its commitment to fostering a safe, inclusive, and ethically governed workplace.
- The Company undertook various CSR initiatives across key focus areas including animal welfare, waste management, clean energy, safe drinking water, sanitation, water management, education, healthcare, tree plantation, women's empowerment, and support for vulnerable underserved communities.
- The Company remains committed to employee well-being and engagement by providing comprehensive benefits, including life insurance, parental insurance, medical insurance, accident insurance, and maternity and paternity leave. Additionally, the Company conducted an Employee Satisfaction Survey across the organization to assess employee engagement, gather structured feedback, and identify opportunities for enhancing the overall employee experience.
- The Company introduced a QR code-based customer feedback mechanism across its branches, to enable customers and other stakeholders to conveniently share their feedback, concerns and service experience.
- The Company conducted Customer Meet programmes across branches nationwide to strengthen direct customer engagement, better understanding customer expectations, and foster trust through transparent and meaningful interactions.
- The Company introduced Can Fin Vishwas, a housing loan product designed for marginalized and vulnerable groups, with the objective of enhancing financial inclusion and improving access to affordable housing finance for underserved sections of society.

- The Company introduced “PMAY Lantern Nights”, a community outreach initiative under PMAY-U 2.0, leveraging the ‘Golden Hour’ (6:30 p.m. to 9:00 p.m.) to engage with working households and enhance awareness of the Interest Subsidy Scheme, thereby promoting greater access to affordable housing finance.
- The Company has established a comprehensive Data Privacy and Cyber Security Policy to protect sensitive information and maintain operational resilience. Employees undergo regular security awareness training to enhance vigilance and preparedness. Customer privacy is rigorously safeguarded in accordance with the Digital Personal Data Protection Act.
- The Company ensures all employees actively participate in fire drill demonstrations. This mandatory initiative equips staff with essential fire safety protocols, reinforcing workplace security and preparedness in emergency situations.

Governance

The Company has undertaken several sustainability initiatives to strengthen its commitment to governance responsibility. Some of the key efforts include:

- The Company has implemented Project Tejas, a Rs. 297-crore, seven-year enterprise digital transformation programme aimed at enhancing operational efficiency, strengthening governance frameworks, improving data-driven decision-making, and building a secure, scalable, and future-ready technology ecosystem to support sustainable business growth.
- The Company continued to strengthen its cybersecurity framework to safeguard information assets, customer data, and digital infrastructure against evolving cyber threats and emerging technology risks.

- The Company has established a robust risk management framework and internal financial controls system to identify, assess, monitor, and mitigate material risks, while supporting sound governance and business continuity.
- The Company has constituted an ESG Sub-Committee to provide oversight on sustainability related initiatives, monitor ESG performance, and support the integration of environmental, social, and governance considerations into business decision-making processes.

Sustainability Initiatives under CSR

Can Fin Homes Powers Government Schools with Bigas and Organic Composting

Organic Waste Composting and Biogas Systems have been installed at three residential schools in Doddaballapur, Bengaluru: Morarji Desai Residential School, Kitturu Rani Chennamma Residential School and Dr. B.R. Ambedkar Girls' Residential School. While creating self-sufficient campuses, it has benefitted over 910 residential students. Daily 15-20 kg of organic food waste is converted into:

1. Biogas – used for cooking (Contributing to UN SDG 7: Affordable and Clean Energy)
2. Nutrient-rich compost used for gardening (Supporting UN SDG 12: Responsible Consumption and Production)

Building Champions, Fostering Futures!

Can Fin Homes has sponsored two brand new multi-purpose sports courts in Indore, Madhya Pradesh at

1. Government Higher Secondary School, Bajrang Nagar (empowering approx. 650 students)
 2. Panchayat Maa Kankeshwari Devi Government College, Nanda Nagar (benefitting approx. 1750 students)
- This initiative contributes to UN SDG 3 (Good Health and Well-being) & UN SDG 4 (Quality Education)

Sustainability Initiatives under CSR

Honoured with the CSR Excellence Award by the Governor of Telangana for powering the Hyderabad Blood Centre with solar infrastructure. This project ensures uninterrupted, sustainable energy for critical, life-saving blood banking operations.

Sustainability Initiatives under CSR

Play = Progress!

Can Fin Homes has sponsored a play arena at the Spastic Society of Karnataka (SSK) in Bengaluru. This space is dedicated to helping children with developmental disabilities, enhance their physical skills and social connection.

A step towards a more inclusive future!

Can Fin Homes has provided hearing aids to 150 hearing-impaired students across five Government residential schools in Mysore. This effort supports SDG10 (Reduced Inequalities)

**Your home loan questions,
Answered with Vishwas - #3**

MYTH | FACT

MYTH
I want to construct my home, but I heard the **Can Fin Vishwas Home Loan** is only for ready-to-move-in houses.

FACT
This isn't just for 'ready' homes. You can use it for construction, buying a RERA-approved flat, or a finished house. But it should be your first home!

HOME LOANS • DEPOSITS
Translating Dreams into Reality

MYTH
Everyone gets a loan subsidy automatically?!

TRUTH
Only eligible beneficiaries (EWS/LIG/MIG with certain income limits and without a pucca house) qualify for **Interest Subsidy**. You can apply by logging into portal https://pmaymis.gov.in/PMAYMIS2_2024/PMAY_SURVEY/EligibilityCheck.aspx and follow step-by-step process. However, simply applying doesn't guarantee awarding of the benefit.

Information and Cybersecurity Initiatives

- Conducted company-wide phishing simulations, new-joiner branch inductions, and annual information security refresher training to foster a security-conscious culture.
- Initiated a comprehensive review and updating of information security policies, aligning them with CBS implementation changes and evolving regulatory standards.
- Conducted information security risk assessments for IT vendors to strengthen third-party cyber risk management.
- Developed and distributed a comprehensive Information Security Guidelines Handbook to all employees across pan-India locations.
- Enhanced customer cyber awareness through targeted WhatsApp/ SMS campaigns and engaging cybersecurity content on company social media channels.
- Boosted on-premise security awareness by strategically placing cybersecurity signboards and collateral in prominent office locations.
