**Sub: Corporate Announcement / Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Misrepresentation, Cyber Fraud, and Unauthorized Creation of Fraudulent Domain/Email ID**

**Dear Sir / Madam,**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to bring to the notice of the Exchange, stakeholders, and the public at large an incident of cyber fraud, impersonation, and unauthorized domain creation targeting the Company.

**A. Nature of the Incident:** The Company has detected that an ex-employee, Mr. Devendra Jha, in collusion with Mr. Kamlesh, the head of our outsourced IT AMC vendor, M/s Ocean IT Solutions, has fraudulently registered an unauthorized and deceptive domain name: [www.cressandarailway.com](http://www.cressandarailway.com).

Further, they have created a fictitious email ID, [info@cressandarailway.com](mailto:info@cressandarailway.com), which is being deliberately used to impersonate the Company and misrepresent facts to our key government clients, including Eastern Railway and a Government Department of Maharashtra.

**B. Impact and Risk Assessment:**

The fraudulent domain and email ID are entirely unauthorized and do not belong to Cressanda Railway Solutions Limited. Any correspondence, invoices, representations, or commitments made from the email ID [info@cressandarailway.com](mailto:info@cressandarailway.com) or the domain [cressandarailway.com](http://cressandarailway.com) are fraudulent, non-binding, and completely disowned by the Company.

### **C. Immediate Corrective Actions Taken by the Company:**

#### **Client Alerts:**

The Company has issued urgent official communications to Eastern Railway and the relevant Maharashtra Government departments to alert them of this impersonation and advise them to disregard any communication from the fraudulent domain.

#### **IT System Security:**

The Company has immediately terminated all administrative and network access provided to M/s Ocean IT Solutions and Mr. Kamlesh. A comprehensive, independent cybersecurity audit of our official IT infrastructure has been initiated.

#### **Legal Action:**

The Company is in the process of filing a formal complaint with the Cyber Crime Cell against the perpetrators under the Information Technology Act, 2000, and Indian Penal Code, alongside initiating strict legal proceedings for trademark infringement and corporate identity theft.

We request you to take the above information on record and disseminate it on the BSE website to protect investors and the general public from any potential fraudulent misrepresentation.
