**PRESS RELEASE**

**Tata Motors Passenger Vehicles Ltd. to increase prices of its cars & SUVs from 1st July 2026**

**Mumbai, June 12, 2026:** Tata Motors Passenger Vehicles Ltd. (TMPV), India's leading manufacturer of cars and SUVs, today announced that it will increase prices of its passenger vehicle portfolio, including both internal combustion engine (ICE) and electric vehicles (EV), by up to 1.5%, effective 1 July 2026.

This price revision is being undertaken to partially offset the impact of rising input costs and sustained inflationary pressures. While TMPV continues to absorb a significant portion of these increases, a part of the impact is being passed on to customers through this adjustment.

The extent of the price increase will vary across models and variants, ensuring that the overall value proposition of each offering is maintained.
