Sub: Update - Revision in Timeline for Commencement of Commercial Production at the proposed Manufacturing Facilities.

Ref: Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements Regulations), 2015 (the 'SEBI Listing Regulations')

With reference to earlier intimations bearing reference nos. Prostarm/Secretarial/2025-26/20 dated July 08, 2025 and Prostarm/Secretarial/2025-26/75 dated December 30, 2025, wherein it was informed about the establishment of its 1.2 GWh Battery Energy Storage System (BESS) Manufacturing Facility at Reliance MET, Jhajjar, Haryana and establishment of manufacturing facility at Bakrol, Gujarat, respectively.

In continuation of the aforesaid disclosures, we wish to inform you that the factory building of aforesaid manufacturing facilities are substantially ready. However, the commencement of commercial production at the aforesaid manufacturing facilities has been delayed due to certain unavoidable circumstances, including external factors and prevailing geopolitical conditions, impacting the timely availability of required resources and completion of the necessary activities for commencement of operations.

Accordingly, the Company now expects to commence commercial production at both the aforesaid manufacturing facilities on or before September 30, 2026.

The Company continues to closely monitor the situation and is taking all necessary steps to expedite procurement and commence commercial production at the earliest.

Kindly take the above information on record.

Thanking you,

For **Prostarm Info Systems Limited**
