## **Dynacons listed in TIME's India's Fastest-Growing Companies of 2026**

### **Mumbai, India- June 04, 2026**

Dynacons, a leading name in technology solutions and digital transformation services, is proud to announce its inclusion in TIME's prestigious India's Fastest-Growing Companies of 2026 ranking, where it has secured Rank 63. This recognition marks a significant milestone for the company, reinforcing its strong growth trajectory and continued leadership in India's evolving technology landscape.

Time is an iconic American news magazine founded in 1923 that provides global coverage of politics, culture, and business.

The prestigious annual ranking by Time Magazine identifies the top 100 Indian companies based on strong revenue growth, business expansion, and consistent financial performance over the evaluation period. The ranking highlights organizations that have demonstrated exceptional scalability, resilience, and innovation in a competitive and rapidly changing business environment.

The study covers thousands of companies across India spanning key sectors such as engineering and manufacturing, IT and software services, financial services, healthcare, e-commerce, and consumer businesses. It reflects India's strong economic momentum and recognizes companies that continue to drive transformation through innovation and operational excellence.

Dynacons' inclusion in this distinguished list is a testament to its ability to consistently deliver value-driven solutions, scale operations efficiently, and empower enterprises through future-ready digital infrastructure and services. The recognition further underscores Dynacons' commitment to innovation, customer-centricity, and sustained business excellence in a fast-evolving technology ecosystem.

As Dynacons celebrates this achievement, the company remains focused on strengthening its capabilities, expanding its service offerings, and delivering cutting-edge technology solutions that enable organizations to accelerate their digital transformation journey.
