Subject: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 Signing of Letter of Intent with Connplex Cinemas

Pursuant to Regulation 30 the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that Nanta Tech Limited has executed a Letter of Intent (LOI) with Connplex Cinemas for long-term Robot-as-a-Service (RaaS) engagement involving the deployment and operation of 100 Allbotix AT10 Marketing & Delivery Robots across Connplex's cinema network.

The Company believes that the proposed business arrangement reflects continued confidence in its product offerings and is expected to strengthen position of the Company. Actual revenues arising from the arrangement shall depend upon purchase orders issued by the buyer from time to time, market demand and fulfilment of agreed commercial terms.

This disclosure is being made for the information of shareholders and stakeholders of the Company.

We hereby enclosed the press release of the Company for the aforesaid matter.

Nanta Tech Limited Secures Letter Of Intent From Connplex Cinemas

Robot-as-a-Service (RaaS) Engagement for Deployment of 100 Allbotix AT10 Robots Across Connplex Cinema Network; Indicative Total Contract Value of ₹14.40 Crore over the period of 3 years

Ahmedabad, 8th June 2026 - Nanta Tech Limited incorporated in 2023, today announced that the Company received a **LOI from Connplex Cinemas** for a long-term Robot-as-a-Service (RaaS) engagement involving the deployment and operation of 100 Allbotix AT10 Marketing & Delivery Robots across Connplex's cinema network.

About the Engagement :

Under the RaaS model, Nanta Tech will manufacture, supply, deploy, and operate the Allbotix AT10 robots as a managed service. Full ownership of all hardware, embedded software, AI models, branding, and underlying intellectual property shall at all times remain with Nanta Tech Limited. Connplex Cinemas will avail service usage rights on a subscription basis.

Key Commercial Terms :

| Parameter | Details |
|---|--|
| Robot Model | Allbotix AT10 - Marketing & Delivery Robot |
| Total Units | 100 (One Hundred) Robots |
| Service Model | Robot-as-a-Service (RaaS) - Service Subscription Only |
| Deployment Plan | 10 Phases × 10 Units; one batch p.m commencing June 2026 |
| Monthly RaaS Fee | ₹40,000 per robot per month |
| Contract Tenure | 36 months from go-live of each unit |
| Run-rate at Full Deployment | ₹40,00,000 per month |
| Indicative Total Contract Value | ₹14,40,00,000 (₹14.40 Crore) excl. GST |
| Payment Terms | Quarterly Advance - 3 months' fees for all deployed units, payable by 1st of each calendar quarter |
| Quarterly Advance at Full Deployment | ₹1,20,00,000 per quarter |

Note: The deployment schedule is indicative. Final dates will be confirmed in the definitive Master Service Agreement (MSA) and Purchase Order (PO). Initial deployment activities may commence in parallel based on mutual written consent.

Commenting on this, Mr. Mayank Jani, Managing Director of Nanta Tech Ltd, said *“This Letter of Intent with Connplex Cinemas marks a significant step in our RaaS commercialisation journey and validates the scalability of the Allbotix platform in high-footfall customer environments. The proposed deployment of 100 Allbotix AT10 robots reinforces the growing acceptance of our zero-capex, subscription-based model, under which Nanta Tech retains full ownership of the hardware, software, and IP. The engagement also provides strong revenue visibility and strengthens our recurring revenue base. We look forward to executing the definitive agreements and commencing Phase 1 deployment in line with the agreed timeline.”*

NANTA

Nanta Tech Limited

About Nanta Tech Limited

Incorporated in June 2023, **Nanta Tech Limited** is an integrated technology solutions company operating through two core verticals: **Audio-Visual (AV) and Robotics**. The AV vertical encompasses AV integration services, along with product deployment and support, while the Robotics vertical focuses on service robotics solutions, complemented by software and AI-driven capabilities.

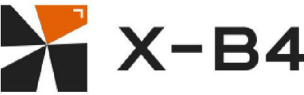

The Company provides end-to-end AV solutions including design, supply, installation, commissioning, and annual maintenance, primarily catering to B2B clients across corporate, education, hospitality, and manufacturing sectors.

Through its **ALLBOTIX** brand, Nanta Tech delivers customized service robots for cleaning, delivery, greeting, and logistics applications, supported by in-house software development, automation, and AI capabilities.

With strong in-house technical expertise, the Company focuses on delivering integrated digital and physical solutions that enhance operational efficiency, productivity, and customer experience.

Safe Harbour Statement

Any forward-looking statements about expected future events, financial and operating results of the Company are based on certain assumptions which the Company does not guarantee the fulfilment of. These statements are subject to risks and uncertainties. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the industry, global or domestic or both, significant changes in political and economic environment in India or key markets abroad, tax laws, litigation, labor relations, exchange rate fluctuations, technological changes, investment and business income, cash flow projections, interest, and other costs. The Company does not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date thereof.
