b. INSTRUCTIONS FOR REMOTE EVOTING: VOTING THROUGH ELECTRONIC MEANS

Pursuant to the provisions of section 108 of the Companies Act, 2013, Rule 20 and Rule 21 of Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members facility to exercise their right to vote by electronic means and the business may be transacted through e-voting services provided by Central Depository Services Limited (CDSL). Voting Rights are reckoned on the basis of the shares registered in the names of the members/ beneficial owners as on the record date fixed for this purpose i.e. 17/09/2026.

It is hereby clarified that it is not mandatory for a member to vote using the e-voting facility, and a member may avail of the facility at his/her/it discretion, subject to compliance with the instructions prescribed below:

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:(i)

- (i) The voting period begins on September 21, 2026 at 9 A.M. and ends on September 23, 2026 at 5 P.M. During this period shareholders of the Company, holding shares either in

physical form or in dematerialized form, as on the cut-off date (record date) of September 17, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would be entitled to attend the meeting.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders'/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

ANNEXURE 2:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Development:

The global smartphone market size was valued at USD 457.18 billion in 2021 and is projected to grow from USD 484.81 billion in 2022 to USD 792.51 billion by 2029, exhibiting a CAGR of 7.3% during the forecast period. Based on our analysis, the global market had exhibited a decline of - 7.8% in 2020 as compared to 2019. The global COVID-19 pandemic has been unprecedented and staggering, with smartphones experiencing lower-than- anticipated demand across all regions compared to pre-pandemic levels.

A smartphone is a mobile handset that empowers advanced access to internet-based facilities and other digital functions. Platforms including, iOS, Android, Windows Phone and others, support a broad range of applications created by third-party originators. Factors such as the governmental support to develop telecom infrastructure, budget-centric product launch, growing 5G technology, Artificial Intelligence (AI) and other technologies and importantly, the increasing disposable income are contributing to the market growth.

In the current era, 5G is a trending feature in mobile phones, specifically across the U.S., India, China, South Korea, U.K., Japan and others. The 5G-compatibility is anticipated to replace the existing handset within the next five years. This trend is due to their ease of shift towards embedded services such as cloud storage, content subscription and access to the high-speed network.

For instance, Global System for Mobile Communications (GSMA) stated that, by 2026, 20% of global connections would have 5G connections with strong development across North America, Asia Pacific and Europe. Internet of Things (IoT) would be an integral part of the 5G era.

The amplified demand for virtual and augmented reality is also improving the market presence of 5G-compatible mobile handsets. In addition, the availability of low-cost, low- power consumption with fast charging capability is creating top spot across the globe.

It is, therefore, brightening the smartphone market growth across developing and developed countries.

2. Segment-Wise Performance:

The company is currently operating in a single segment i.e selling and distribution of mobile phones and accessories.

3. Future Plans and Outlook:

The Company will establish unit to assemble power bank and battery pack as the overall sale of power bank has substantially gone up after covid -19 slowdown.

4. Business Operations:

Your Company has made sales of Rs.9,50,000 for the year ending 31st March 2026 and no sales for the year ended 31st March 2025.

Further the Company has made loss of Rs. 49,17,420 for the year ending 31st March 2026 as against Rs. 39,48,180 for the year ending 31st March 2025.

5. Strengths and Weaknesses:

The demand for handset market is huge and the government support to domestic manufacturing industry will strengthen the industry. Mobile device adoption amongst youth population in the country and continual decline of prices of mobile phones, smart phones and tablets are impetus to

the growth of mobile accessory market in India. Online retailing also plays a big part. It offers the convenience of cash on delivery payment option and cheaper offers for various products as compared to physical stores.

The mobile handset industry is facing problems relating to high service cost, expensive infrastructure and government regulations. There is a huge disparity in the mobile accessory market with several players competing for market share owing to Chinese manufacturing infrastructure.

6. Opportunities and Threats:

Mobile accessories are also considered a style statement today and brands are focusing on making them trendy and attractive and there is no single brand available in India which manufactures all mobile phone accessories.

Low cost manufacturing and parallel imports have led to the advent of a huge unorganized market, the size of which is estimated at about 60 percent.

7. Outlook, Risks and Concerns:

Rise in disposable income has revolutionized customers buying and spending trend, especially in the urban areas. Mobile device adoption amongst youth population in the country and their spending patterns provide strong stimulus for growth in adoption. The following are the Key trends shaping up the outlook of the global mobile phone accessories market:

Key Trends in India's Mobile Phone Accessories Market:

- ◆ Irregular electricity & power distribution infrastructure in India serves as a catalyst for consumption of power banks. In some cases, mobile phone users in India lack proximity to suitable power source, which further necessitates use of accessories such as power banks. Buying power banks that could charge multiple devices in a go, is trending in mobile phone accessories market in India. In the span of next ten years, sales of power banks in India will account for over \$350 million in terms of revenues.
- ◆ Demand for modular smart phones and mobile phones are likely to increase in India, providing an opportune scope for mobile phone accessories that are limited to compatibility with specific device connectors. Furthermore, various products sold as mobile phone accessories in India have been able to attain compatibility with computers and laptops and vice-a-versa, broadening scope of end-use among consumers.
- ◆ Technological advancements are openhandedly welcomed by Indian consumers, triggering an opportunity for sales of other mobile phone accessories such as keyboard attachments, cameras, dongles, selfie sticks, thermal imaging cameras, VR headsets, protective screens and wireless ear buds, among others. With surge in sales of other related products, the mobile phone accessories market in India is likely to generate over \$150 million revenues.
- ◆ Multi-brand stores are trending as the most-preferred distribution channel for buying mobile phone accessories in India. States in North India will continue to dominate by accounting for over 30% of the market revenues, while states in South and West India will collectively account for half of India's mobile phone accessories revenues in the span of next ten years.

8. Human Resources/Industrial Relations:

Your Company considers its Human Resources as its most valuable asset among all their assets of the Company. It has been the policy of the company to promote the talent by providing opportunities to develop themselves within the organisation. The Company continued to maintain a cordial and harmonious relation with its employees.

9. Internal Control System and Adequacy:

Your Company lays emphasis on integrated control systems and accountability and has been maintaining adequate system in place commensurate with its size and nature of business.

ANNEXURE 3
Form No MR-3
Secretarial Audit Report

For the Financial Year ended 31st March 2026

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]*

To,

The Members,

Munoth Communication Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by MUNOTH COMMUNICATION LIMITED. (Hereinafter called the company). Secretarial Audit was conducted in a manner that provided me/us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my/our opinion, the company has, during the audit period covering the financial year ended on March 31, 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by ("the Company") for the financial year ended on March 31, 2026 according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act');
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - (e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

- (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (h) The Securities and Exchange Board of India (Delisting of Equity Shares) regulations, 2009; and
- (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

I have also examined compliance with the applicable clauses of the following:

- Secretarial Standards issued by The Institute of Company Secretaries of India.
- The Listing Agreements/ Listing Regulations entered into by the Company with BSE.

I/we further report that, based on the information provided by the company, its officers and authorised representatives during the conduct of audit, and also on review of quarterly compliance reports submitted by the officers, in my opinion, adequate systems and processes and control mechanism exists in the Company to monitor and ensure compliance with other applicable laws such as labour laws, etc.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above. The Company has appointed secretarial auditor as per the secretarial standards issued by The Institute of Company Secretaries of India.

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has not issued /carried out

- (i) Public/Right/Preferential issue of shares / debentures/sweat equity, etc.
- (ii) Redemption / buy-back of securities
- (iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013
- (iv) Merger / amalgamation / reconstruction, etc.
- (v) Foreign technical collaborations.

I further report that during the audit period, there were no other specific events/ actions in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc, having a major bearing on the Company's affairs.

INDEPENDENT AUDITOR'S REPORT

To

The Members of Munoth Communication Limited

Report on the audit of the Standalone Financial Statements

Opinion :

We have audited the Standalone financial statements of Munoth Communication Limited ("the Company"), which comprise the Stand alone Balance sheet as at 31st March 2026, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of changes in equity and Standalone Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its Loss, including other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matter(s)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and sustainability report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report(s) thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Responsibilities of Management and those charged with governance for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors
- Conclude on the appropriateness of the Management and Board of Director's use of the going concern basis of accounting in preparation of Standalone Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter(s) or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

-
2. As required by Section 143(3) of the Act, based on our audit we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive Income, Statement of Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,
 - e) On the basis of the written representations received from the Directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B." Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
 - g) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act, as amended, in our opinion and according to the information and explanations given to us, no remuneration is paid by the Company to its Directors during the year and hence the reporting of matters as required under Section 197(16) does not arise.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - 1. The Company has no pending litigations which would have a material impact on its financial position.
 - 2. The Company has not entered into any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - 3. There has not been an occasion in case of the Company during the year under report to transfer of any sums to the Investor Education and Protection Fund by the Company. The question of delay in transferring such sums does not arise.
 - 4.
 - i. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall,

whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- ii. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or aggregate) have been received by the Company from any person(s) or entity(ies) , including foreign entities (Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - iii. Based on audit procedures carried out by us, that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of the Rule 11 (e), as provided under (i) and (ii) above, contain any material misstatement.
5. The Company has not declared or paid any dividends during the year and accordingly reporting on the compliance with section 123 of the Companies Act, 2013 is not applicable for the year under consideration.
 6. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 applicable from April 1, 2023. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which have a feature of recording audit trail (edit log) facility.

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the member of M/s. Munoth Communications Limited)

(i)

- (a) (A) In our opinion and according to the information and explanation given to us, the Company maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
- (B) The Company does not have any intangible asset hence reporting under clause 3(i)(a)(B) is not applicable
- (b) The Company has a program of physical verification of property, plant and equipment so to cover the material assets on a periodical basis which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and based on our examination of the property tax receipts in respect of self-constructed buildings and the registered sale deeds / transfer deeds in respect of other immovable properties disclosed in the financial statements under Property, Plant and Equipment, we report that the title deeds of such immovable properties are held in the name of the Company as at the balance sheet date, except that certain title deeds are continuing in the erstwhile name of the Company pursuant to change in the name of the Company. The Company is in the process of updating its name in the relevant revenue / registration records. The erstwhile named entity represents the same legal entity and is not a promoter, director, relative or employee.
- (d) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant, and Equipment during the year. Hence reporting under clause 3 (i) (d) of the order is not applicable. The Company does not have right of use assets or intangible asset.
- (e) According to the information and explanation given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, and Rules made thereunder.

(ii)

- (a) The inventories have been physically verified by the management during the year at reasonable intervals and in our opinion the coverage and procedure of such verification by the management is appropriate. No material discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such physical verification.

- (b) The Company has not been sanctioned working capital limits in excess of Rs.5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii) of the Order is not applicable.
- (iii) According to the information and explanations given to us and based on our examination of the records of the Company, although the Company holds investments as at the balance sheet date, the Company has not made any fresh investments during the year and has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, reporting under clause 3(iii) of the Order is not applicable to such transactions for the year under audit.
- (iv) . According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not granted any loans or provided any guarantees or securities to parties covered under Sections 185 and 186 of the Companies Act, 2013 during the year. Further, the Company has not made any fresh investments during the year. In respect of investments held by the Company as at the balance sheet date, the provisions of Section 186 of the Act, to the extent applicable, have been complied with. Accordingly, reporting under clause 3(iv) of the Order does not call for any adverse comment.
- (v) According to the information and explanation given to us and on the basis of our examination of the records of the Company, has neither made investments nor has given loans or security and therefore the relevant provisions of Section 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company.
- (vi) In our opinion and according to information and explanation given to us, the Company has not accepted any deposits or amount which are deemed to be deposits during the year. Hence reporting under clause 3 (v) of the Order is not applicable.
- (vii) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act. Hence reporting under clause 3 (vi) of the Order is not applicable.
- (viii)
 - (a) In our opinion the Company has generally been regular in depositing undisputed statutory dues, including goods and Services Tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and any other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of goods and Services Tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of customs, duty of excise, Value Added Tax, Cess, and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they become payable.
 - (b) There are no statutory dues referred to in sub clause(a), which have not been deposited on account of dispute.
 - (ix) In our opinion and according to the information and explanation given to us, there are no transactions not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act,1961. Hence reporting under the clause 3 (viii) is not applicable.

(x)

- (b) According to the information and explanations given to us, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender
- (c) On the basis of our examination of the Books of Accounts, the term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its associate. The Company does not have any subsidiary or joint venture. Hence reporting under the clause 3 (ix) (e) of the Order with regard to subsidiary or joint venture is not applicable.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its associate. The Company does not have any subsidiary or joint venture. Hence reporting under the clause 3 (ix) (f) of the Order with regard to subsidiary or joint venture is not applicable.

(xi)

- (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Hence reporting under the clause 3 (x) (a) of the Order is not applicable.
- (b) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Hence reporting under the clause 3 (x) (b) of the Order is not applicable.

(xii)

- (a) According to the information and explanations given to us, and on the basis of the audit procedure performed for the purpose of reporting the true and fair view of the Standalone Financial Statements, we report that no fraud by the Company or any fraud on the Company has been noticed or reported during the year. Hence, reporting under the clause 3 (xi) (a) of the Order is not applicable.
- (b) No report under sub-section (12) of section 143 of the companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year up to the date of this report.
- (c) According to the information and explanations given to us, no whistle-blower complaints have been received by the Company during the year. Hence, reporting under the clause 3 (xi) (c) of the Order is not applicable.

- (xiii) According to the information and explanation given to us, The Company is not a Nidhi Company, hence reporting under paragraph 3(xii) of the Order is not applicable.
- (xiv) In our opinion and according to the information and explanations given to us, the transactions with the related parties are in compliance with the section 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the Standalone financial statements as required by the applicable accounting standards.
- (xv)
- (a) According to the information and explanations given to us, and audit procedures performed by us, in our opinion the Company has an internal audit system, commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xvi)
- In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with them. Hence reporting under clause 3 (xv) of the Order is not applicable.
- (xvii)
- (a) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934).
- (b) According to the information and explanations given to us, and in our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities.
- (c) According to the information and explanations given to us, and in our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence reporting under clause 3 (xvi)(c) of the Order is not applicable.
- (d) In our opinion and according to the information and explanations given to us, there is no CIC (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) within the group. Hence, reporting under clause 3 (xvi) (d) of the Order is not applicable.
- (xviii) The Company has incurred cash losses of Rs. 32,82,695 during the financial year ended 31st March 2026 and Rs. 33,03,771 in the immediately preceding financial year. Hence, reporting under clause 3 (xvii) (d) of the Order is applicable.
- (xix) There has been no resignation of statutory auditors in the Company during the year. Hence reporting under clause 3 (xviii) of the Order is not applicable.
- (xx) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumption, nothing has come to our attention, which causes us to believe

that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of audit report and we neither give any guarantee nor any assurance that all liabilities falling due within the period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xxi) In our Opinion and according to the information and explanations given to us, the Company has no requirement to comply with the section 135 of the Act. Hence reporting under clause 3(xx) is not applicable.

(xxii) Since this audit report is on the standalone financial statements, the provisions of the clause 3(xxi) of the Order are not applicable to the Company and hence not commented upon.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE
STANDALONE FINANCIAL STATEMENTS OF MUNOTH COMMUNICATION
LIMITED FOR THE YEAR ENDED 31 MARCH 2026**

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 (“the Act”)

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **MUNOTH COMMUNICATION LIMITED** of even date)

We have audited the internal financial controls with reference to Standalone Financial Statements of **Munoth Communication Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management and Board of Directors’ Responsibility for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to the Standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Standalone Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements.

A Company's internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements.

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal control with reference to Standalone Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial reporting issued by the ICAI.

Nature and purpose of reserves

(A) Securities premium

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.

(B) Revaluation reserve

This reserve represents the cumulative gains and losses arising on the revaluation of Property, Plant & Equipments, measured at market value certified by valuer, net of amounts reclassified to retained earnings / profit and loss when those assets have been disposed off.

(C) Retained Earnings

Retained Earnings represent the amount of accumulated earnings/Losses of the Company.

**1. NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2026****CORPORATE INFORMATION**

Munoth Communication Limited ('the Company') is a public limited company domiciled in India and incorporated under the provisions of Companies Act, 1956, with CIN No. L65991TN1984PLC010816 having its registered office at Munoth Centre, Suite No. 48 3rd Floor, 343, Triplicane High Road, Chennai - 600 005. The Company's shares are listed and traded in the Bombay Stock Exchange (BSE). The Company is primarily engaged in the business of trading in mobile phones and accessories

1. BASIS OF ACCOUNTING AND MATERIAL ACCOUNTING POLICIES IN PREPARATION OF FINANCIAL STATEMENTS**1.1 BASIS OF ACCOUNTING****(i) Statement of Compliance:**

The financial statements comprising Balance Sheet, Statement of Profit and Loss, Cash flow Statement and Statement of changes in Equity, together with notes as at and for the year ended March 31, 2026 have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules 2015 and other relevant provisions of the Companies Act 2013 as amended from time to time. The Company has consistently applied accounting policies to all periods.

(ii) Historical Cost convention

The Financial Statements have been prepared under historical cost convention on accrual basis except for certain assets and liabilities as stated in the respective accounting policies, which have been measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

(iii) Use of Estimates

The preparation of financial statements in conformity with with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 ("the Act"), and other relevant provisions of the Act requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

These financial statements for the year ended 31st March 2026 have been approved and authorized for issue by the board of directors at its meeting on 29th May 2026.

(iv) Fair Value

Fair value is the price that would trade be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date assuming that market participants act in their economic best interest

Fair value for measurement and/or disclosure purposes in these financial statements is determined on above basis, except for lease transactions that are within the scope of Ind AS 116 - Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 - Inventories or value in use in Ind AS 36 - Impairment of Assets

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole

- Level 1 - inputs are quoted market prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 - inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 - inputs are unobservable inputs for the asset or liability.

(v) Current / Non-Current classification

The assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

As the operating cycle cannot be identified easily in normal course, the Company has assumed its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(vi) Functional and Presentation currency

Items included in the Financial Statements of the Company are measured and presented using the standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2026, MCA has notified amendments to Ind AS 1,7,12,21 applicable to the Group w.e.f. April 1, 2025. The amended standards are not applicable for the company.

(vii) New Accounting Standards/Amendments notified and adopted by the Company

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2026, MCA has notified amendments to Ind AS 1,7,12,21 applicable to the Group w.e.f. April 1, 2025. The amended standards are not applicable for the company.

**1.2 MATERIAL ACCOUNTING POLICIES****1.2.1 Revenue Recognition**

Revenue is measured at the fair value of the Consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, volume discounts and Goods and Service Tax (GST). Accumulated experience is used to estimate and provide for the sales returns.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the company's revenue items. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

(i) Sale of goods

Revenue is recognized upon transfer of control of promised goods to customers in an amount that reflects the consideration expected to be received in exchange for those goods. The arrangements with the customers generally create a single performance obligation which is satisfied at a point of time when the obligation is discharged i.e. on sale of goods.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duties. Expected defective stock returns, volume-based discounts, turnover based discounts and other pricing incentives are accounted as reduction of revenue basis the estimate of customers' future purchases / customers' future sales to downstream customers in the value-chain. Any changes in the estimated amount of obligations for discounts /incentives are recognized prospectively in the period in which the change occurs.

The Contract with customers involves performance of a single obligation, the amount stated in the contract is the transaction price allocated to the performance obligation.

CONTRACT BALANCES**CONTRACT ASSETS**

A contract asset is the right to consideration in exchange for goods or services transferred to the customer when that right is conditioned on something other than the passage of time. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

CONTRACT LIABILITIES

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

(ii) Dividend Income

Dividend income from investments is recognized when the Company's right to receive payment has been established.

(iii) Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition

**(iv) Other operating Revenue**

Other operating revenue comprises of income from ancillary activities incidental to the operations of the Company and is recognized when the right to receive the income is established as per the terms of the contract

1.2.2 EMPLOYEE BENEFITS**RETIREMENT BENEFIT COSTS AND TERMINATION BENEFITS****➤ Defined Contribution Plans**

Payments to defined contribution plans i.e., Company's contribution to provident fund, employee state insurance wherever applicable and other funds are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

➤ Defined benefit Plans

The Company presents the provision of defined benefit costs in Statement of profit and loss in the line item 'Employee benefits expense'.

No additional liability is created during the year. The cost will be determined based on actuarial valuations only if the additional liability is required to be made as per The Payment of Gratuity Act, 1972.

1.2.3 Borrowing costs

Borrowing costs directly attributable to the acquisition or construction of an asset (Qualifying Asset) that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset until such time that the assets are substantially ready for their intended use.

Where funds are borrowed specifically to finance a project, the amount capitalized represents the actual borrowing costs incurred. Where surplus funds are available out of money borrowed specifically to finance project, the income generated from such current investments is deducted from the total capitalized borrowing cost.

Where the funds use to finance a project form part of general borrowings, the amount capitalized is calculated using a weighted average of rates applicable to relevant general borrowings of the company during the period/year. Capitalization of borrowing costs is suspended and charged to profit and loss during the extended periods when the active development on the qualifying assets is interrupted.

Borrowing cost includes interest expense as per Effective Interest Rate (EIR). Borrowing cost that are not directly attributable to a qualifying asset is recognized in the statement of Profit-/Loss using the EIR method.

EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial liability or a shorter period, where appropriate, to the amortized cost of a financial liability after considering all the contractual terms of the financial instrument.

1.2.4 Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in Statement of profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

**CURRENT TAX**

Current Income Tax expenses comprise taxes on income from operations in India. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961.

Current Tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

DEFERRED TAX

Deferred Tax is recognized on temporary differences between the carrying amounts of assets and a liability in the financial statements and the corresponding tax base used in the computation of taxable profit and is accounted for using the balance sheet method. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

1.2.5 Property, Plant and Equipment.

Freehold land is carried at historical cost and not depreciated.

All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses. Historical cost includes purchase price and any attributable cost of bringing the asset for its intended use. It also includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Property, Plant and equipment which are not ready for intended use as on the balance sheet date are disclosed as Capital Work in progress.

Stores and Spares- Valued at moving average cost

Due allowance is estimated and made by Management for slow moving / non- Moving items of inventories, wherever necessary, based on the technical assessment and such allowances are adjusted against the closing inventory value.

1.2.7 Provisions, Contingent Liabilities and Contingent Assets.

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefit and the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the receivable can be measured reliably.

CONTINGENT LIABILITIES

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

CONTINGENT ASSETS

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

1.2.8 Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

1.2.9 Earnings per Share

Basic earnings per share are computed by dividing the net profit after tax attributable to equity shareholders of the Company by the weighted average number of Equity Shares outstanding during the period.

Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of Equity Shares considered for deriving basic earnings per share and the weighted average number of Equity Shares that could have been issued upon conversion of all dilutive potential Equity Shares.

Potential shares are considered as antidilutive when their conversion to ordinary shares would increase earnings per share or decrease loss per share from continuing operations

**1.2.10 Financial Instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

A. Financial Assets**(i) Initial recognition and Measurement**

At initial recognition, the company measures a financial asset at its fair value and in the case of a financial asset not recorded at fair value through profit or loss, fair value plus transaction costs that are directly attributable to the acquisition of the financial asset.

Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss

(ii) Classification

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

INVESTMENT IN EQUITY OF ASSOCIATES

The Company records the investments in Associates at cost less impairment loss, if any

FINANCIAL ASSETS - OTHER THAN INVESTMENT IN ASSOCIATES

Financial assets other than investment in associate comprise of investments in equity (including investments in equity oriented mutual funds) and, trade receivables, cash and cash equivalents and other financial assets.

(iii) Classification and subsequent measurement

The company classifies its financial assets in the following measurement categories:

- Financial assets measured at amortised cost and
- Financial assets measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and

The classification depends on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the Financial Assets

• Financial assets measured at amortized cost:

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of profit and loss.

The Company while applying above criteria has classified the following at amortized cost

(a) Trade receivable

(b) Other financial assets

• **Financial asset at Fair value through Profit or Loss (FVTPL)**

Financial assets are measured at fair value through Profit and loss if it does not meet the criteria for classification as measured at amortized cost or at fair value through other comprehensive income. All fair value changes are recognized in the Statement of Profit and loss.

INVESTMENTS IN EQUITIES AND EQUITY MUTUAL FUNDS

FAIR VALUE THROUGH OTHER COMPREHENSIVE INCOME (FVOCI)

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL.

comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument -by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the management has elected to present fair value changes (gains and losses) on equity investments in other comprehensive income, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the 'Fair value changes for equity instruments through other comprehensive income'.

There is no subsequent reclassification / recycling of fair value gains and losses to Statement of Profit or Loss even on derecognition / sale of the Investments. However, the Company may transfer the cumulative gain or loss within equity

Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

FAIR VALUE THROUGH PROFIT OR LOSS (FVTPL)

Equity instruments held for trading are classified as FTVPL and are measured at fair value with all changes recognised in the Statement of Profit or Loss.

(iv) De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety (except for equity instruments designated as (FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss

(v) Impairment of financial assets

Trade receivables under IND AS 109, investments in debt instruments that are carried at amortized cost, investments in debt instruments that are carried at FVTOCI are tested for impairment based on the expected credit losses for their respective financial asset

➤ **Trade Receivable**

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or another financial asset.

For trade receivables or any contractual right to receive cash or another financial asset that results from transactions that are within the scope of Ind AS 115, the Company follows 'simplified approach' and measures the loss allowance at an amount equal to lifetime expected credit losses. This impairment allowance is computed based on historical credit loss experience and management assessment.

➤ **Other financial assets**

Other financial assets are tested for impairment and expected credit losses are measured at an amount equal to 12 month expected credit loss. If the credit risk on the financial asset has increased significantly since initial recognition, then the expected credit losses are measured at an amount equal to life-time expected credit loss

B. Financial liabilities and equity instruments

(i) Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(ii) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

(iii) Financial Liabilities - Initial recognition and measurement

All financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of financial liability except financial liabilities at fair value through profit and loss which are initially measured at fair value.

(iv) Subsequent measurement

The financial liabilities are classified for subsequent measurement into following categories

- at amortized cost
- at fair value through profit and loss

AMORTISED COST - LOANS AND BORROWINGS

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognised. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

This category generally applies to interest-bearing loans and borrowings.

**FINANCIAL LIABILITIES AT FAIR VALUE THROUGH PROFIT OR LOSS**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. The Company has not designated any financial liability as at fair value through profit and loss

(v) De-recognition of financial liabilities

A financial liability is derecognized when and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or have expired

An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognized and the consideration paid / payable is recognized in statement of profit and loss.

1.2.11 EQUITY AND RESERVES

Share Capital represents the nominal (par) value of shares that have been issued and fully paid-up. Retained earnings include all current and previous period retained profit

1.3 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

A. INCOME TAXES

The calculations of income taxes required judgement in interpreting tax rules and regulations. Management judgment is used to determine the amounts of deferred tax assets and liabilities and future tax liabilities to be recognized.

B. RECOGNITION OF DEFERRED TAX

The Company estimates the possible utilization of unabsorbed losses while recognizing deferred tax asset considering the future business plan and economic environment.

C. USEFUL LIVES OF PROPERTY, PLANT AND EQUIPMENT AND INTANGIBLE ASSETS

The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the carrying amount of property, plant and equipment and Intangible assets at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

D. IMPAIRMENT TESTING

Property, plant and equipment and Intangible assets are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of fair value less costs of disposal and its value-in-use. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

28: Retirement and Other Benefits to the Employees :-

The number of persons employed by the Company falls below the limits prescribed under the Payment of Gratuity Act, 1972 and hence not covered under the Payment of Gratuity Act. Hence the Company has not provided for Gratuity Liability based on actuarial Valuation. The Company made provision for Gratuity Liability (unfunded) on the basis of estimates made by the Company (Refer note no 14). However, in the opinion of the Management the impact of Non Provision of Gratuity Liability under Actuarial Valuation will not be material considering the minimal number of Employees employed by the Company. In respect of Leave Salary, the company as such does not have any scheme and the same will be accounted for as and when the liability for the same is admitted. Though the employees Provident Fund & Miscellaneous Provisions Act, 1952 is not applicable to the company, the company has complied with the provisions voluntarily.

Note 29: Going Concern :-

The financial statements have been prepared on a going concern basis.

The Company has incurred losses during the year and has accumulated losses as at the balance sheet date. However, management has considered the following while evaluating the going concern assumption:

- (a) continued support from promoters/directors for operational and financial requirements of the Company;
- (b) continuation of existing banking arrangements without any adverse developments;
- (c) availability of investments and other assets held by the Company; and
- (d) business opportunities under evaluation including possible trading activities relating to lithium battery and allied products through group business arrangements.

Based on the above and considering the support available from promoters/directors, management is of the view that the Company would be able to continue its operations and meet its liabilities in the normal course of business.

Note 30: Prior period item :-

During the current year, the company has identified expenses totalling 168.76 (in thousand) that belong to previous financial years. It relates to internal audit fees that were not recorded in the previous financial year. In line with Indian Accounting Standard (Ind AS) 8, the same is adjusted against opening retained earnings.

Additionally, certain prior period income of Rs. 20.71 (in thousand) have been identified and based on materiality, it has been recorded directly in the current Statement of Profit and Loss.

Note 31 Income tax refunds During the year, based on management's assessment of recoverability and available income-tax records, old income-tax refund / TDS receivable balances aggregating Rs(in thousands). 419.60 have been written off. Accordingly, no income-tax asset is carried as at 31 March 2026. Any subsequent recovery shall be recognised in the period of receipt / when recovery becomes virtually certain

Note 32: Unquoted share valuation :-

Unquoted equity investments designated at FVOCI have been measured at fair value based on valuation reports obtained from an independent Chartered Accountant. The valuation has been performed using [adjusted net asset value / market approach / income approach], having regard to the nature of investee, available financial information and relevant assumptions. Such instruments are categorised within Level 3 of the fair value hierarchy wherever significant unobservable inputs are used

Note 33: Capital advance :-

During the year, certain amounts earlier shown under Capital Advances have been reclassified to Building / Building Improvements based on management assessment that the related construction/development activity had been completed in earlier years and the premises continue to be used by the Company.

Note 34 : Other non-current assets and old advances written off : During the year, the Company has reviewed recoverability of old advances/deposits and balances with parties. Based on management's assessment and available confirmations/correspondence, non-recoverable balances have been written off and the closing balance represents amounts considered recoverable. Loans and advances outstanding from earlier years aggregating Rs(in thousands). 500.00 were written off during the year based on management's assessment of recoverability and approval obtained
