Company Code: LOKESHMACH

Dear Sir/Madam,

Sub: Clarification regarding significant increase in volume of security across Exchanges

This is with reference to your letter dated October 01, 2026 regarding the significant increase in the volume of our security across exchanges.

In this regard, we wish to clarify that the company has been prompt, regular, and diligent in making all necessary disclosures and intimations to the Stock Exchanges pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 from time to time, ensuring that all material information is shared on a timely basis.

To the best of our knowledge and information, there is no pending material information, announcement, or corporate development, including any impending announcements of a price-sensitive nature, that is required to be disclosed under the aforementioned regulations and which might have a bearing on the volume or movement of the security.

Therefore, the recent significant increase in the volume of the security of the company is entirely market-driven and a function of prevailing market conditions. The management of the company has no control over the same, nor is there any undisclosed material information known to us that would explain this movement.

The company remains fully committed to maintaining transparency and complying with all regulatory requirements under the SEBI LODR Regulations and will continue to keep the exchanges informed of any material developments as required by law. We request you to take the above clarification on record.

This is for your information and record.

Thanking You,

For Lokesh Machines Limited
