INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

THE BOARD OF DIRECTORS OF
PUROHIT CONSTRUCION LIMITED,

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of PUROHIT CONSTRUCTION LIMITED (the "Company") for the Quarter ended September 30, 2026 (the "Statement') attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the Listing Regulations").

2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind As 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express conclusion on these Financial Statements based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Financial Results, prepared in accordance with applicable Indian Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. **Emphasis of Matter**:

   We draw attention to Note 3 to the financial results, which describes the GST demand for the financial year 2017-18, the rejection of the Company's appeal by the Commissioner (Appeals)

vide order dated June 24, 2026, the appeal filed by the Company before the Goods and Services Tax Appellate Tribunal ("GSTAT") on September 29, 2026 along with the pre-deposit of ₹20.84 lakh, and the provision of ₹69.45 lakh recognised by the Company in respect of the matter, representing its current best estimate of the liability. The ultimate outcome of the matter is dependent upon the decision of the appellate authorities.

Our conclusion is not modified in respect of this matter.

Notes:

1 The Above Financial Results have been reviewed by the Audit committee and approved by the Board of Directors of the Company at their respective meetings held on 06.11.2026

2 The above result for the quarter and half year ended on 30.09.2026 has been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 (Ind AS), prescribed under section 133 of the Companies Act 2013 and other recognized accounting practices and policies to the extent applicable.

3 During the quarter ended March 31, 2025, the Company received an order from the Goods and Services Tax (GST) Department for the financial year 2017-18, raising a demand of ₹4.16 crore, comprising ₹2.08 crore towards disallowance of Input Tax Credit ("ITC") and ₹2.08 crore towards penalty, along with applicable interest. Based on internal evaluation and legal advice, the Company had considered that it had a strong case on merits and expected a favourable outcome and, accordingly, no provision was recognised. However, the Company's appeal before the Commissioner (Appeals) was rejected vide order dated June 24, 2026, upholding the disallowance of ITC along with consequential interest and penalty. Consequently, considering the outcome of the appeal, the Company has recognised a provision of ₹69.45 lakh in the financial results for the quarter ended June 30, 2026.

The Company has subsequently filed an appeal before the Goods and Services Tax Appellate Tribunal (GSTAT) on September 29, 2026, challenging the order of the Commissioner (Appeals), and has deposited an additional pre-deposit of ₹20.84 lakh, representing 10% of the disputed tax amount, in accordance with the applicable provisions. The appeal has been provisionally acknowledged by the GSTAT and is subject to scrutiny by the Registry/Bench.

Based on the reassessment of the matter, including the developments in the appellate proceedings and legal advice obtained, the Company continues to believe that it has strong grounds on merits. However, considering the adverse order of the Commissioner (Appeals), the Company continues to recognise a provision of ₹69.45 lakh, representing its current best estimate of the liability arising from the matter. The ultimate outcome of the matter is dependent upon the decision of the appellate authorities. The Company will continue to reassess the provision based on developments in the proceedings and other relevant information available in future periods.

4 During the quarter, the Company entered into a Limited Liability Partnership Agreement dated July 15, 2026, in respect of PEB PCL INFRACON LLP, wherein the Company's initial capital contribution is ₹51,000, representing 51% of the total capital contribution, with a 51% share in the profits and losses of the LLP.

5 The Limited Review of Unaudited Financial Results for the Quarter and half year ended September 30, 2026 as required in terms of Clause 33 of SEBI (LODR) Regulations, 2015 has been carried out by Statutory Auditors.

6 The Company primarily engaged only in the business of real estate development. As the Company operates in a single business geography, the disclosure of such segment-wise information as defined in "IND AS108 - Operating Segments" is not required and accordingly not provided.

7 The above financial results are available on the Company's website www.purohitconstruction.com and also on the website of BSE (www.bseindia.com)

INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL RESULTS

THE BOARD OF DIRECTORS OF PUROHIT CONSTRUCTION LIMITED,

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **PUROHIT CONSTRUCTION LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the net profit after tax and total comprehensive income of its associate, for the Quarter ended September 30, 2026 ("the Statement") being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Sr No	Name of Entities
A	**Parent**
1	Purohit Construction Limited
B	**Subsidiary**
1	PEB PCL Infracon LLP.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. **Emphasis of Matter:**

We draw attention to Note 5 to the financial results, which describes the GST demand for the financial year 2017-18, the rejection of the Parent's appeal by the Commissioner (Appeals) vide order dated June 24, 2026, the appeal filed by the Parent before the Goods and Services Tax Appellate Tribunal ("GSTAT") on September 29, 2026 along with the pre-deposit of ₹20.84 lakh, and the provision of ₹69.45 lakh recognised by the Parent in respect of the matter, representing its current best estimate of the liability. The ultimate outcome of the matter is dependent upon the decision of the appellate authorities.

Our conclusion is not modified in respect of this matter

2 The above results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34), "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The accounting policies and methods of computation followed are consistent with those followed in the most recent annual financial statements, except as otherwise stated.

3 PEB PCL INFRACON LLP (LLPIN: ACZ-8157) was incorporated on July 6, 2026, with the objective of carrying on the business of construction, fabrication, erection and execution of Pre-Engineered Building (PEB) structures and allied infrastructure activities. The Holding Company has contributed ₹0.51 lakh, representing 51% of the total initial capital contribution of ₹1.00 lakh, and is entitled to 51% share in the profits and losses of the LLP. Based on management's assessment of the rights and decision-making arrangements under the LLP Agreement, the LLP has been consolidated as a subsidiary of the Holding Company. The remaining 49% interest of the other partner is recognised as Non-Controlling Interest. The LLP has not commenced operations and has had no transactions other than receipt of capital contributions. Accordingly, no revenue or profit/loss has been recorded by the LLP during the period.

4 As the subsidiary was incorporated during the current quarter, the consolidated financial results are being presented for the first time. Accordingly, the comparative figures for the previous periods represent the standalone financial results of the Holding Company, as the subsidiary was not part of the Group during those periods.

5 During the quarter ended March 31, 2025, the Holding Company received an order from the Goods and Services Tax (GST) Department for the financial year 2017-18, raising a demand of ₹4.17 crore, comprising ₹2.08 crore towards disallowance of Input Tax Credit ("ITC") and ₹2.08 crore towards penalty, along with applicable interest. Based on internal evaluation and legal advice, the Holding Company had considered that it had a strong case on merits and expected a favourable outcome and, accordingly, no provision was recognised. However, the appeal before the Commissioner (Appeals) was rejected vide order dated June 24, 2026, upholding the disallowance of ITC along with consequential interest and penalty.

Subsequently, the Holding Company filed an appeal before the Goods and Services Tax Appellate Tribunal (GSTAT) on September 29, 2026, which has been provisionally acknowledged and is subject to scrutiny by the Registry/Bench. The Holding Company has also made an additional pre-deposit of ₹20.84 lakh towards the disputed tax. Based on its reassessment of the matter and legal advice obtained, the Holding Company has recognised a provision of ₹69.45 lakh towards the estimated liability. The ultimate outcome of the matter is dependent upon the decision of the appellate authorities, and the Holding Company will continue to reassess the provision based on further developments in the proceedings.

6 The Group has a single operating segment, namely construction and related activities, based on the manner in which its business activities and financial performance are reviewed by the Chief Operating Decision Maker (CODM). Accordingly, the Group has a single reportable operating segment. The Group operates in a single geographical area, i.e., India.
