Sub: Intimation in terms of Regulation 30 (read with Schedule III - Part A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir/Madam,

In terms of the provisions of Regulation 30 (read with Schedule III - Part A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 we wish to inform you that the Company has received an amended Consolidated Consent and Authorisation (CCA) order from the Gujarat Pollution Control Board (GPCB) for receiving, collecting, storing and recycling industrial packaging waste generated by third parties.

Please find enclosed a copy of the Press release, which is self-explanatory.

Thanking you,

Yours faithfully,
For **Pyramid Technoplast Limited**,

Press Release

Pyramid Technoplast Limited received GPCB Authorisation to Recycle Third-Party Industrial Packaging Waste

Authorised to receive and recycle up to 960 MT of hazardous-waste contaminated barrels, containers and liners annually

Pyramid Technoplast Limited has received an amended **Consolidated Consent and Authorisation (CCA) from the Gujarat Pollution Control Board (GPCB)**, enabling the Company to **receive, collect, store, transport and recycle industrial packaging waste generated by other companies**, including empty barrels, containers and liners contaminated with hazardous chemicals/wastes.

Under the amended authorisation, the Company is permitted to handle and recycle **up to 960 MT of such waste annually**, creating an opportunity to expand its recycling operations by serving **third-party industrial customers** and providing an end-to-end solution for responsible packaging waste management.

The authorisation also permits the Company to manufacture **up to 9,000 cleaned barrels/drums and containers per month for industrial use or granules**, complementing its existing **1,000 MT per month capacity for plastic re-processed granules**.

This development strengthens Pyramid Technoplast's integrated industrial packaging platform by extending its capabilities beyond manufacturing to **collection, recycling, reprocessing and reuse of industrial packaging waste**. The initiative is aligned with the Company's focus on building a more circular and resource-efficient packaging ecosystem.

Commenting on the development, Mr. Bijaykumar Agarwal, MD & Chairman, Pyramid Technoplast Limited, said:

"The amended authorisation marks an important step in expanding our recycling business. By enabling us to receive and recycle contaminated industrial packaging from third-party customers, we can offer a more integrated solution for packaging waste management while creating an additional avenue for growth in our recycling and reprocessed products business."

The CCA Amendment Order No. **AWH-103781** was issued on **September 18, 2026**, with the consent fee paid up to **November 5, 2030**.

With this expanded authorisation, Pyramid Technoplast can further scale its **third-party recycling platform**, strengthen customer relationships and contribute to the recovery and reuse of industrial packaging materials.

Kindly take the above information on record.
