Business Update (Apr – Jun 2026)

AccelerateBS India Limited · For the period April 1, 2026 to June 30, 2026

REVENUE UPDATE

₹3.9 crore

Consolidated Revenue (Apr – Jun 2026)

~50%

of total FY26 revenue, already achieved

A strong start to the financial year, providing positive business momentum at the beginning of FY27.

Operational Highlights

Following the acquisition of **Beanstalk Web Solutions LLC.** in March, the Company has focused on integrating its teams and service offerings to strengthen its digital capabilities. As a result, the Company's service portfolio has expanded to include Hosting services, Programmatic Marketing, Marketing Automation, Search Engine Optimization (SEO) and other complementary digital solutions.

Product Update

The Company's proprietary platforms, **Beanstalk Governance Studio** and its upcoming SaaS product, **Getivity**, are in the final stages of development and are expected to be launched in the due course.

Outlook for FY27

While the Company remains focused on executing its growth strategy, the strong start to the financial year provides a solid foundation for sustained business performance over the remaining quarters of FY27.

Note: The financial information presented represents the consolidated performance of the Company for the period from April 1, 2026, to June 30, 2026. As no subsidiaries existed during the corresponding period of the previous financial year, the above mentioned consolidated financial information is not directly comparable with the previous year's reported financial performance.

About AccelerateBS India Limited

AccelerateBS India Limited is a technology-led, full-service digital agency providing end-to-end digital solutions across DXP Platforms, web development, digital marketing, AI-powered applications, accessibility compliance, enterprise platforms, and managed services. With a Global Capability Center in Mumbai and an expanding presence in the United States, the Company combines onshore client engagement with offshore delivery to serve businesses across multiple industries.

Following its strategic expansion into the U.S. market, AccelerateBS has evolved into a full-stack digital agency offering integrated technology, marketing, and digital transformation services under one platform. The Company remains focused on delivering scalable, innovation-driven solutions while pursuing sustainable growth through strategic acquisitions, operational excellence, and long-term value creation.

Safe Harbour Statement

Any forward-looking statements about expected future events, financial and operating results of the Company are based on certain assumptions which the Company does not guarantee the fulfilment of. These statements are subject to risks and uncertainties. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the industry, global or domestic or both, significant changes in political and economic environment in India or key markets abroad, tax laws, litigation, labor relations, exchange rate fluctuations, technological changes, investment and business income, cash flow projections, interest, and other costs. The Company does not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date thereof.
