Sub: Intimation Regarding Delay in Submission of Financial Results for the Quarter and Half Year Ended September 30, 2026

Dear Sir/Madam,

Pursuant to Regulation 30 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the Company is in the process of finalising its Unaudited Financial Results (Standalone and Consolidated) for the quarter and half year ended September 30, 2026.

During the month of July 2026, the Company completed the acquisition of SNA Milk and Milk Products Limited and DFSU Farmer Connect Private Limited pursuant to share swap arrangement. With regards to the completion of the aforesaid acquisitions, both the entities became subsidiaries of the Company, thereby necessitating the preparation of consolidated financial statements for the first time.

Since the aforesaid entities were previously operating as separate entities and are now being consolidated into the financial statements of the Company for the first time, the process involves additional accounting and consolidation procedures. These include collation and verification of financial information, reconciliation of inter-company transactions and balances, identification and elimination of intra-group transactions, evaluation of the relevant acquisition accounting aspects and incorporation of necessary consolidation adjustments in accordance with the applicable Accounting Standards.

The first-time consolidation of the financial statements of the newly acquired subsidiaries, with the additional reconciliation and verification procedures involved, has resulted in additional time being required for finalisation of the consolidated financial results for the quarter and half year ended September 30, 2026.

The Company is making all reasonable efforts to finalise and submit the financial results at the earliest, while ensuring accuracy, completeness and compliance with the applicable accounting and regulatory requirements.

The Company regrets the delay and assures the Stock Exchange and its stakeholders that the matter is being accorded due priority and all necessary steps are being undertaken for expeditious completion of the financial reporting process.

We request you to kindly take the above intimation on record.

Thanking you,

For Desi Farms India Limited
(Formerly known as SER Industries Limited)
