DIWALI MESSAGE FROM THE CHAIRMAN

Celebrating Performance, Trust and a Shared Vision

Dear Shareholders, Investors and Partners,

As we celebrate Diwali, the festival of light, hope and new beginnings, I extend my warmest wishes to you and your families.

This Diwali is particularly meaningful for iStreet Network Limited. Our recently announced H1 financial results reflect encouraging performance and business progress. Alongside this, we have once again announced a dividend, reaffirming our commitment to sharing the fruits of our progress with our shareholders.

A dividend is more than a financial distribution; it reflects our commitment, confidence and respect for shareholder trust. We want our shareholders to participate in our journey, experience our progress and share in the long-term value we aspire to create.

The past year has witnessed significant global and domestic events, economic transitions and unprecedented technological change. Through these times, our focus remains firm: build with conviction, communicate with transparency and deliver with responsibility.

Sanjeevani of AI™: Bharat's Collective Intelligence, Serving the World

We believe Bharat's greatest strength lies in its 1.4 billion people, their collective intelligence, creativity, knowledge and entrepreneurial potential. Through Sanjeevani of AI™, our ambition is to connect this extraordinary human potential with technology, research, innovation and capital to create meaningful, scalable solutions that serve Bharat and the world.

Our focus spans critical sectors:

- Banking: Intelligent, inclusive and resilient financial ecosystems.
- Agriculture: AI solutions supporting farmers and strengthening the agricultural economy.
- National Security: Sovereign, trusted and responsible AI capabilities.
- Medical AI: More accessible and intelligent healthcare solutions.

Our philosophy remains: Rooted in Bharat. Engineered for the World.

I sincerely acknowledge our Marketing and Finance teams for their steadfast commitment, discipline and efforts in strengthening market communication, financial reporting and timely shareholder updates. My appreciation also goes to our employees, customers, mentors and technology partners who continue to strengthen this journey.

A Message to the Youth of Bharat

The youth of Bharat are not just our future; they are active contributors to shaping the present. Their energy, ideas, creativity and entrepreneurial spirit will be vital in building tomorrow's economy.

We encourage young people to pursue knowledge, create enterprises, embrace innovation and develop financial literacy. We also invite them to understand capital markets and participate responsibly in the growth of enterprises. Even their first few dollars, invested thoughtfully with knowledge and patience, can begin a meaningful journey in wealth creation and nation-building.

At iStreet, we believe in bringing talent, technology, entrepreneurship and capital together to build a stronger Bharat.

Our Commitment

We believe shareholder confidence is earned through consistent performance, transparent communication, responsible capital allocation and long-term value creation. As Chairman, my commitment is to build iStreet as an institution that earns the trust of shareholders, customers and partners for generations to come.

We are not just building an AI company; we are working to convert Bharat's collective intelligence sinto solutions that serve the world, while creating sustainable value for everyone who places their trust in us.

May this Diwali bring renewed light, prosperity and purpose to all our lives.

Wishing you and your families a very Happy and Prosperous Diwali!

Warm regards,

UTTAM ISHWARLAL DAVE
