**Sub.: Announcement: Venus Remedies Limited Secures Renewal of Prestigious DSIR in-house R&D Recognition.**

Dear Sir/ Madam,

Venus Remedies Limited has secured renewal of in-house Research & Development recognition from the Department of Scientific and Industrial Research (DSIR), Government of India, for its R&D unit, Venus Medicine Research Centre (VMRC).

DSIR recognition is granted to organisations that operate a dedicated in-house R&D unit with defined research objectives, qualified scientific staff, and separately accounted R&D expenditure. The renewal confirms that VMRC continues to meet these conditions.

The recognition supports VMRC's ongoing work in antimicrobial resistance, including the development of VRP-034, a novel polymyxin B formulation that holds USFDA Qualified Infectious Disease Product (QIDP) designation, and the GASAR resistance surveillance study.

Kindly take it on your record.

**Yours faithfully,**  
**for VENUS REMEDIES LIMITED**

**Neha**  
**(Company Secretary)**
