Sub: Clarification on movement in price/volume of the security of Sanstar Limited

Ref: Letter from NSE vide its Ref. No.: NSE/CM/Surveillance/17168

Dear Sir/Ma'am,

With reference to your above-mentioned letter seeking clarification regarding the significant movement in the price/volume of the security of Sanstar Limited ("the Company"), we wish to submit the following:

The Company has always ensured timely dissemination of all material information and events to the Stock Exchanges in strict compliance with the applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations") and other applicable laws and regulations.

The Company confirms that all material events, information and disclosures required to be intimated to the Stock Exchanges, including those under Regulation 30 of the SEBI LODR Regulations, have been duly disclosed within the prescribed timelines.

Further, the Company wishes to clarify that during the recent period, it has undertaken a preferential issue of equity shares resulting in the allotment of shares to investors. The Company believes that the increase in the issued and paid-up share capital pursuant to such allotment and the consequent market activity may have contributed to the movement in the price and/or volume of its securities. The Company confirms that all requisite disclosures and intimations in relation to the preferential issue and allotment of shares have been duly made to the Stock Exchanges within the prescribed timelines in compliance with the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable SEBI regulations.

The Company further confirms that there is no unpublished price sensitive information ("UPSI"), pending announcement, proposal, event or other material information which, in the opinion of the Company, requires disclosure under the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and which could have a bearing on the recent movement in the price or volume of the Company's securities. The Company is also not aware of any other information that has not already been disclosed to the Stock Exchanges in accordance with the applicable regulatory requirements.
