Review Report

To

The Board of Directors
Siemens Energy India Limited
Birla Aurora, Level 21, Plot No. 1080,
Dr. Annie Besant Road,
Worli, Mumbai,
Maharashtra, India, 400030

1. We have reviewed the Unaudited Financial Results of Siemens Energy India Limited (the "Company") for the quarter ended June 30,2026 and the year to date results for the period October 1, 2025 to June 30, 2026, which are included in the accompanying Statement of Unaudited Financial Results for the quarter and nine months ended June 30, 2026 (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been digitally signed by us for identification purposes.

2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

1 a) The Scheme of Arrangement between the Company and Siemens Limited and their respective shareholders and creditors, was approved by the Board of Directors of the Company and Siemens Limited on 14 May 2024, at their respective meetings, providing for the demerger of Siemens Limited’s Energy Business to the Company in compliance with Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (the "Scheme").

b) During the quarter ended 31 March 2025, the Scheme has been approved by the Hon’ble National Company Law Tribunal, Mumbai Bench (“NCLT”) vide its Order dated 25 March 2025. The Scheme was made effective on 25 March 2025; in terms of the Scheme, the Appointed Date of the Scheme is 01 March 2025.

2 On 25 March 2025, the Board of Directors of the Company and Siemens Limited, took on record the sanction of the Scheme by the NCLT and mutually fixed the record date as 07 April 2025 for the purpose of determining the shareholders of Siemens Limited who shall be entitled to receive the equity shares of the Company.

3 During the nine months ended 30 June 2025 and year ended 30 September 2025, pursuant to the Scheme and applicable laws of India, stamp duty, transfer fees and other registration charges are payable by the Company on the transfer of the title of immovable properties / leasehold land from Siemens Limited to the Company. Accordingly, the Company had recorded a provision of Rs. 546 million towards these expenses.

4 On 14 April 2025, the Company has allotted 356,120,505 equity shares having face value of Rs. 2 (Rupees Two) each to the shareholders of Siemens Limited as on the record date, pursuant to the Scheme. Further, upon the aforesaid allotment of equity shares by the Company, the entire pre-Scheme paid-up share capital of the Company of Rs.100,000 consisting of 50,000 equity shares having face value of Rs. 2 (Rupees Two) each held by Siemens Limited stands cancelled and reduced, without any consideration, as an integral part of the Scheme.

5 The equity shares of the Company were listed on BSE Limited and the National Stock Exchange of India Limited on 19 June 2025.

6 On 21 November 2025, the Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws, collectively referred to as the 'New Labour Codes'. In accordance with Ind AS 19 ‘Employee Benefits’, changes to employee benefit plans arising from legislative amendments are treated as plan amendments, requiring immediate recognition of past service cost in the Statement of Profit and Loss. The Company has assessed and disclosed the incremental impact of these changes on the basis of best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India.

The implementation of new Labour Codes has resulted in an incremental impact of Rs. 353 million and Rs. 166 million on the provision for gratuity and compensated absences, respectively, which is due to the changes in the wage definition. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact under “Exceptional Items” in the Statement of Unaudited Financial Results for the quarter and nine months ended 30 June 2026.

The Company continues to monitor the finalization of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

7 The above Unaudited Financial Results were reviewed and approved by the Audit Committee and Board of Directors at their meetings held on 06 August 2026.

SIEMENS energy

Press release

Mumbai, August 06, 2026

Siemens Energy India Limited Q3 FY2026: Revenue up 39.3% YoY to INR 2,486 crore; PAT up 67.8% YoY to INR 441 crore

- Profit from operations (%) improves by 430 bps YoY to 21.9%
- Order backlog up 16.4% YoY to INR 19,331 crore

Financial Summary

Particulars (INR crore, unless otherwise stated)	**Quarter ended**			**Nine months ended**		
	June '26	**June '25**	**Change (%)**	**June '26**	**June '25**	**Change (%)**
Order backlog	19,331	16,601	*16.4*	19,331	16,601	*16.4*
Revenue from operations	2,486	1,785	*39.3*	6,791	5,181	*31.1*
Profit from operations (EBIT)	545	314	*73.6*	1,437	963	*49.2*
Profit from operations (%)	*21.9*	*17.6*		*21.2*	*18.6*	
Profit after tax	441	263	*67.8*	1,128	741	*52.2*
EPS (INR per share)	12.38	7.38		31.70	20.80	

Revenue witnessed solid growth increasing 39.3% to INR 2,486 crore primarily supported by robust order backlog and execution. Profit from operations (%) also improved by 430 bps year-on-year to 21.9%, primarily driven by better operating leverage, higher export contributions, and disciplined order execution.

Commenting on the Q3 FY2026 results, Guilherme Mendonca, Managing Director and Chief Executive Officer, Siemens Energy India Limited (SEIL), said: *"Our strong Q3 FY2026 performance underscores the resilience of our business model and the disciplined execution of our strategy. Healthy revenue growth, expanding profitability, and a robust order backlog provide a solid foundation for sustained value creation. With India adding more than 30 GW of renewable energy capacity in the first half of CY2026 and power demand rising globally – driven by electrification, industrial growth, and AI-enabled data centers – the need for stronger, smarter, and more flexible energy infrastructure has never been greater. As a company committed to helping realize the Viksit Bharat vision, Siemens Energy India Limited is uniquely positioned to support this transformation through its innovative grid technologies, grid flexibilization solutions, and advanced power generation portfolio. Backed by technology leadership, local manufacturing capabilities, and execution excellence, we remain committed to enabling our customers' energy transition journeys, while delivering profitable and sustainable growth."*

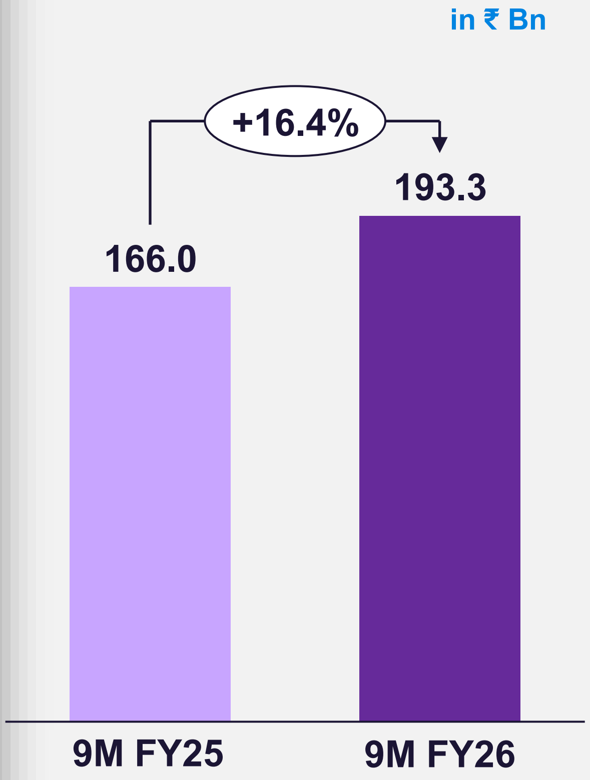
We continue to strengthen our position in a transforming energy landscape

We further **increased** our **Order Backlog…**

Order Backlog 9M FY26



Major Orders – Q3 FY26

Power Generation

Large Industrial Steam Turbine Supply to a prominent Metals company
Powering the Industry

WHR solution (3x45 MW) for a metal company in Eastern part of India
Industrial Decarbonization

Large Industrial Steam Turbine Service order for global project
Diversifying through exports

Power Transmission

420 kV GIS products and substation – for one of world's largest solar parks
Strengthening of renewable penetration in national grid

±300MVAr STATCOM in Southern part of India
Supporting grid stability and balancing

400 kV GIS Substation in Western part of India
Supporting grid strengthening

...and we have **continued to deliver projects** on ground

Major Deliveries – Q3 FY26

Powering Datacenters
220 kV GIS S/s for a datacenter in Maharashtra

Enabling reliable and clean energy
245 kV GIS for a large hydro power plant in Himachal Pradesh

Supporting Giga factories
Commissioned 220 kV GIS S/s in Gujarat

Diversification through Exports - GIS
Supplied and charged 220 kV GIS for export metro project in Africa

Diversification through Exports - Transformers
Supply of 240 MVA transformer to an energy company in USA

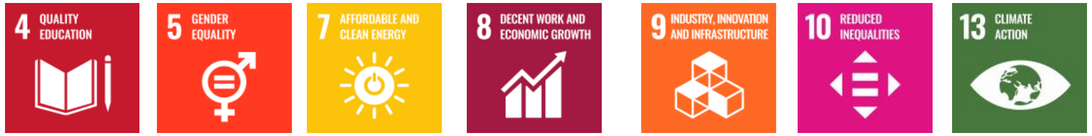
Driving Industrial Decarbonization
Supplied complete 57 MW Steam Turbine Generator (STG) set to an Indian steel company

All pictures for illustration only

We continue to execute our **ESG agenda** driven by our ambition to become a **sustainability leader** in the industry

Committed to…

A Sustainable World	Climate neutral in own operation by 2030 Scope 1+2 - 44% reduction (against 2019 baseline); Scope 3 upstream - 30% reduction[1]
A thriving work environment	Vibrant workforce with 15.6% (till Q3 end) diversity and a strong engagement score of 81%[2]
Zero harm	Zero Fatality and Zero Lost Time Injury (till Q3) Leading safety performance in the industry
Social Responsibility	Energy4Good – STEM Education Program launched for 20 Govt. Schools in Rajasthan | Energy Access and Transition Program underway in Ladakh (5 villages,100 households and 6 community centers)



Watch Out for SEIL Business Responsibility and Sustainability Report for FY26[3]

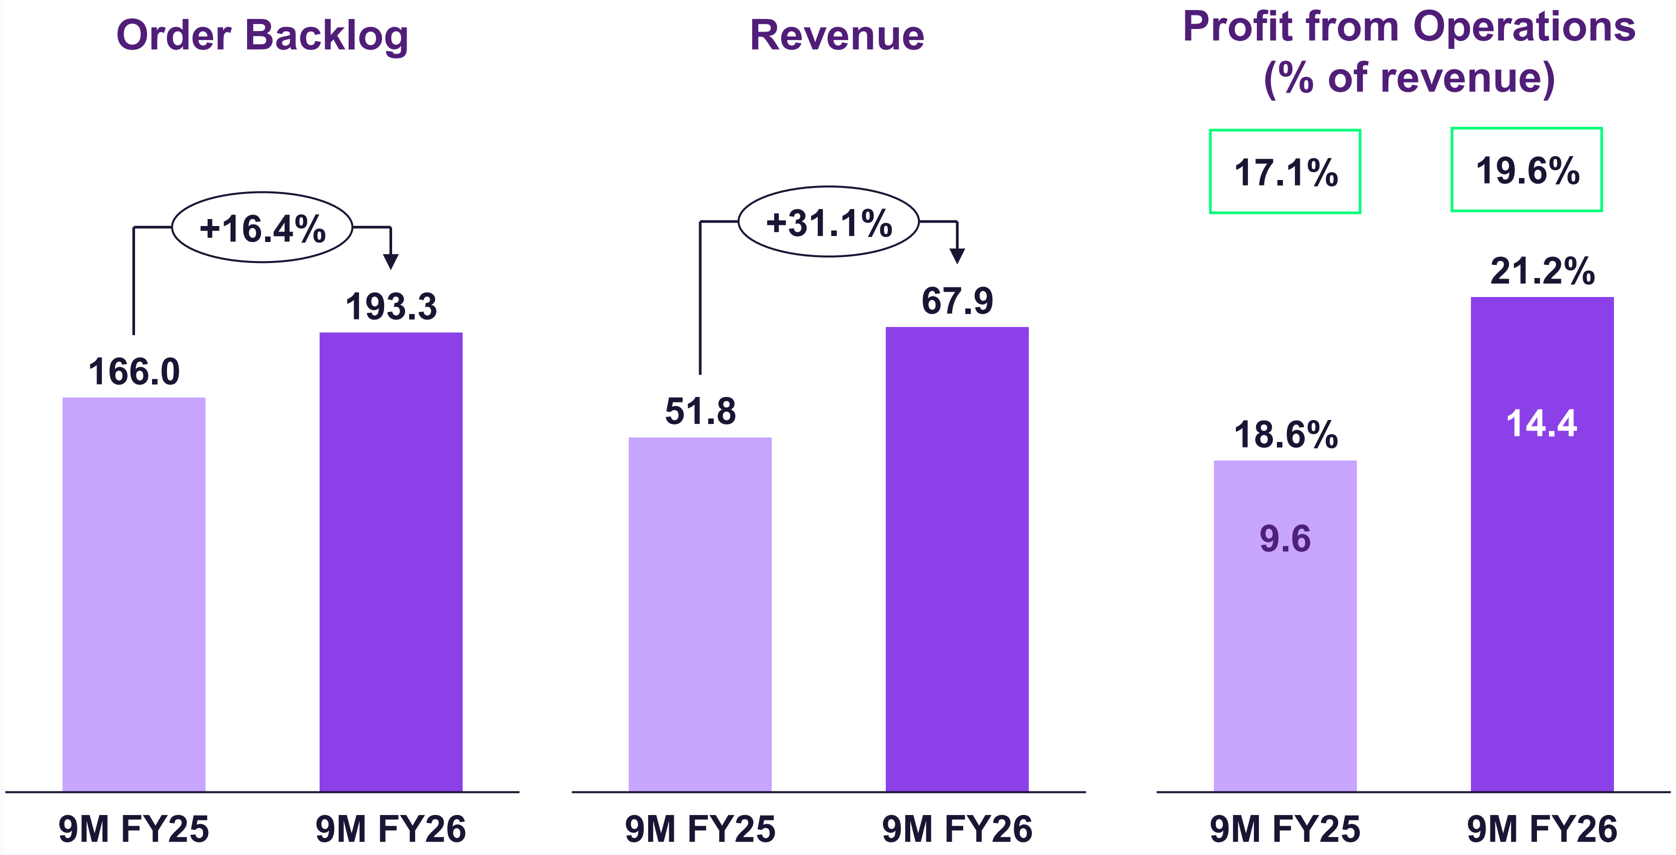
1 | Unaudited Results **2 |** Score from VOICEs (SEIL Employee Engagement Survey); Engagement Factor is based on average results of following items: Pride, Willingness to Stay, Motivation, and Action Taking **3 |** Voluntary Disclosure

…we have delivered strong financial results

We delivered **robust revenue** and **profit growth** with **strong order pipeline** providing future visibility

Overall Financial Performance

in ₹ Bn



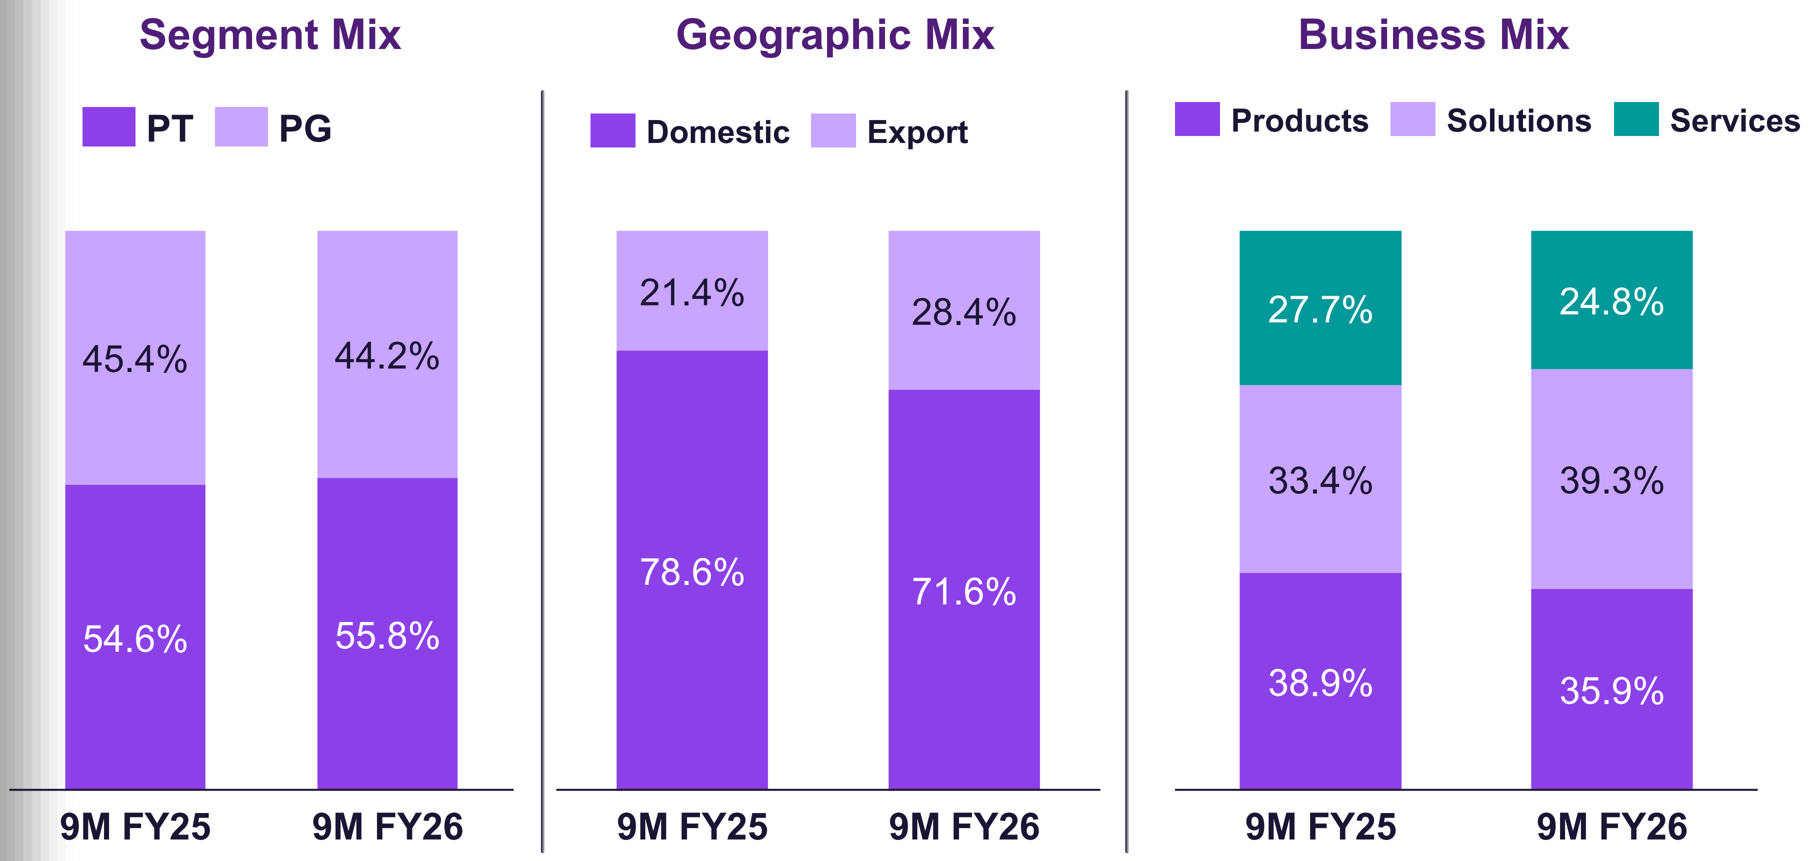
Robust Revenue growth:
- Healthy order backlog
- Strong order execution

+260bps YoY Profit from operations:
- Operational excellence
- Higher export contribution

Operational profit margin excluding FX/Commodity gains, and one-time impacts

We continue to maintain a **well-diversified revenue mix** across business segments, geographies and offerings; **Export contribution moves up**.

Revenue Mix



PT: Power Transmission
PG: Power Generation

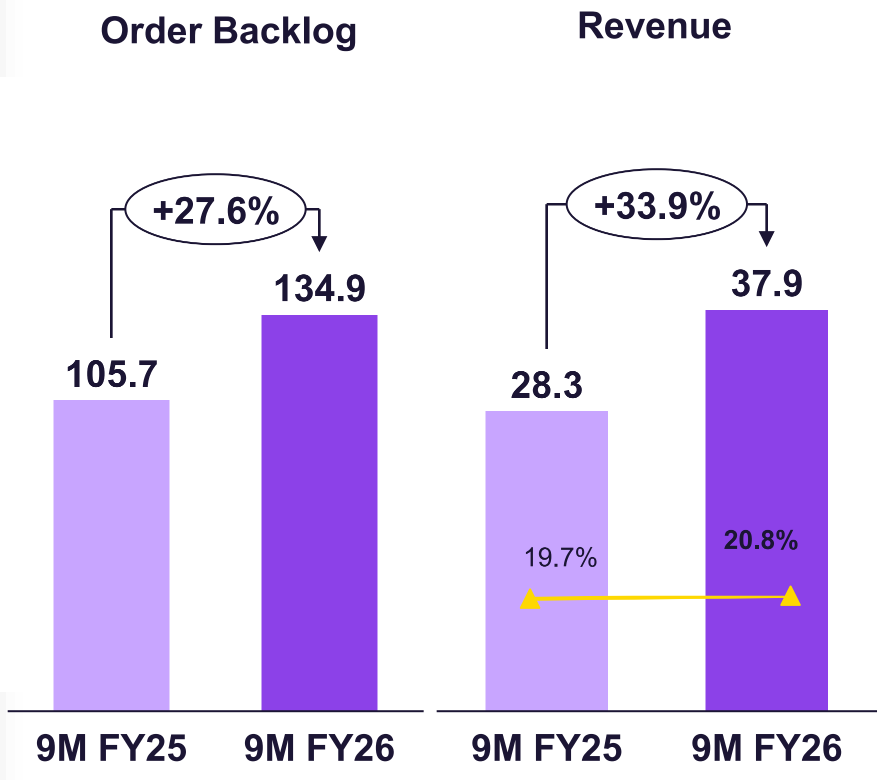
Power Transmission segment exhibits **robust growth in revenue and order pipeline** with strong long-term outlook.

Power Generation segment exhibits **robust growth in revenue** with relatively stable order pipeline.

Segment wise Financial Performance

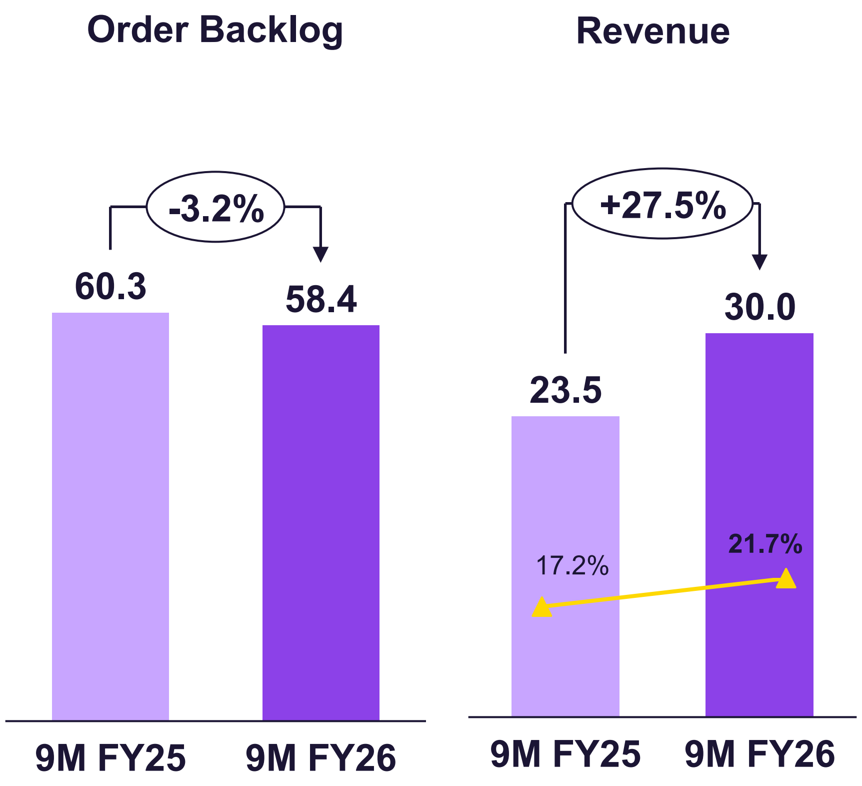
in ₹ Bn

Power Transmission



Robust revenue growth with stable margins:
- Healthy order backlog
- Strong order execution

Power Generation



Steady revenue growth & improved margins:
- Steady demand from utilities and industries
- Operational excellence & export of services

Profit from Operations (% of Revenue)
