PANKAJ POLYMERS LIMITED PARTNERS WITH SIS INDIA LIMITED TO DELIVER EXPENSE MANAGEMENT SOLUTION WITH ADVANCED TECH

Noida, Uttar Pradesh – October 08, 2026: Pankaj Polymers Limited ("Pankaj Polymers" or the "Company") has entered into a partnership with **SIS India Limited** ("SIS") to provide an **Expense Management solution with advanced tech** through its technology platform.

Under this partnership, the Company, through its Rupiafin platform, will provide SIS with its Expense Management System (EMS) to digitise and streamline expense submission, approvals, policy controls, reimbursements and reporting across its organisation.

The solution is designed to give SIS greater visibility and control over spending, reduce manual effort and turnaround time, and improve compliance with internal policies.

This partnership adds to the Company's growing portfolio of technology-led solutions for enterprises and strengthens its presence in the B2B fintech and expense management space.

Key Highlights

- **Partner:** SIS India Limited
- **Provider:** Pankaj Polymers Limited, through its Rupiafin platform
- **Solution:** Expense Management System (EMS) with advanced tech
- **Scope:** Expense submission, approvals, policy controls, reimbursements and reporting
- **Focus:** Visibility, control, speed and compliance in enterprise spending

The Company intends to continue building partnerships with leading enterprises and expanding the range of technology-enabled solutions available through its platform.

About Pankaj Polymers Limited

Pankaj Polymers Limited is transitioning towards a technology-led business model with a focus on **fintech, digital commerce and technology-enabled solutions**.

The Company is developing its capabilities across digital payment and commerce-related solutions, including expense management, digital vouchers, e-commerce and other technology-enabled services, with an emphasis on creating scalable platforms that connect businesses and consumers.
