HCLTech named Citrix GSI of the Year

NEW YORK and NOIDA, India, May 21, 2026—[HCLTech](#), a leading global technology company, has been named Citrix GSI of the Year for supporting enterprise digital workplace transformation and cloud adoption using Citrix technologies.

The award recognizes HCLTech’s close collaboration with Citrix, spanning early-stage product co-development, solution validation and enterprise-wide transformation programs. HCLTech’s unified virtual workspace solution, combined with Citrix virtualization technologies, enables enterprises to modernize end-user environments, enhance employee experience and support hybrid and cloud-first operating models.

“Our partnership with Citrix is built on a deep strategic alignment and a shared vision for the modern digital workplace,” said Ravi Yeddanapudi, EVP, Digital Foundation Services, HCLTech. “By bringing together Citrix’s platform leadership and HCLTech’s industry expertise, global delivery scale and outcome-driven solutions, we are helping enterprises modernize end-user environments at speed, with consistency and positive business impacts.”

“Partners are fundamental to how Citrix shows up for customers every day. What makes this community so powerful is the diversity of organizations supporting our work - from global leaders to regional experts, each bringing unique strengths to the table. We’re incredibly proud to recognize HCLTech as an award winner this year,” said Hector Lima, Co-President, Citrix.
