## NIS Management Limited Secures ₹11.90 Cr Security Services Work Order in West Bengal

Kolkata, – 6<sup>th</sup> July 2026: NIS Management Limited, (BSE – 544495), One of the leading integrated services platforms specializing in security services, facility management, electronic security, and skill development, is pleased to announce that **it has been awarded a work order by West Bengal State Electricity Distribution Company Limited (WBSEDCL)** for the deployment of security personnel across various site offices within its jurisdiction.

**The total value of the work order is ₹11.90 Cr**, inclusive of Goods and Services Tax (GST). The contract will be executed over a period of two years, commencing from August 01, 2026.

Under the scope of the work order, the **Company will deploy approximately 250 security personnel to provide safety, security, and guarding services** for WBSEDCL's installations and equipment across various site offices within its jurisdiction. The work order also provides for a service charge of 10% on the applicable gross amount, excluding bonus, in accordance with the contractual terms.

The order further strengthens the Company's established presence in West Bengal, where it has built strong operational capabilities and experience in delivering security and integrated facility management services. The engagement also reinforces the Company's position in the region and supports its continued focus on expanding relationships with institutional and public-sector clients.

With its established workforce, on-ground execution capabilities, and integrated service portfolio, the Company remains focused on delivering reliable and process-driven services across diverse client locations.

**Commenting on the Development Mr. Debajit Choudhury Chairman & Managing Director, of NIS Management Limited** said, "We are pleased to have secured this work order from WBSEDCL, which further strengthens our presence in West Bengal, a key market where we have built strong operational capabilities over the years. We are happy to further expand our engagement in the state and contribute to the safety and security of critical installations and equipment across various locations.

With our experienced workforce, established on-ground presence, and strong execution capabilities, we remain focused on delivering reliable and high-quality security services while continuing to strengthen our position across West Bengal and other key markets."

### About NIS Management Limited

NIS Management Limited, founded in Kolkata in 1985 as a security and investigative services provider, became a corporate entity in 2006. Over the years, the company expanded into facility management, electronic security, and skill development. Today, it manages a workforce of about 18,000 personnel, including back-office staff, across 14 states, supporting operations at approximately 1,500 sites.

Its clientele includes corporates, banks, hospitality groups, manufacturing units, healthcare institutions, public sector enterprises, airports, and retail companies. The company also operates NIS

Facility Management Services Private Limited for electronic security solutions and Keertika Academy Private Limited, an NSDC-recognised training partner.

Looking ahead, the company plans to strengthen its position in integrated facility management through targeted service expansion, greater technology adoption, and a shift towards higher-value, margin-accretive offerings, complemented by strategic partnerships or acquisitions. Its long-term vision and mission underline professional service delivery, sustainable growth, and workforce empowerment.

The company was listed on the BSE SME platform on 2 September 2025.
