Appeal No. 7001 of 2026

Prakash Singh : Appellant

Vs

CPIO, SEBI, Mumbai : Respondent

ORDER

1. The appellant had filed an application dated July 11, 2026 (received by SEBI through RTI MIS portal) under the Right to Information Act, 2005 (“**RTI Act**”). The respondent, by a letter dated July 27, 2026 responded to the application filed by the appellant. The appellant filed an appeal dated July 27, 2026 (Reg. No. SEBIH/A/E/26/00278). I have perused the application, the response of the respondent and the appeal and find that the matter can be decided based on the material available on record.
2. **Queries in the application** - The appellant, in his application dated July 11, 2026 sought the following information:

“1) How many positions are vacant in SEBI for Grade A Legal Officer?

2) Will examination be conducted in 2026 for Grade A Legal Stream? if yes, then when the notification will be released?

3) How many vacancies will be released for recruitment in SEBI Grade A Legal Stream?

4) Will there be any change in the pattern and syllabus of Grade A Legal Stream?”
3. **Reply of the Respondent** – The respondent, in response to the application, informed that the queries are in the form of seeking clarification/opinion. Accordingly, the same cannot be construed as “information”, as define u/s 2(f) of the RTI Act. However, respondent also informed that vacancies arise due to promotions, resignation and retirements of employees and SEBI undertakes recruitment and promotion exercises

periodically to fill up the vacancies. The details regarding recruitment exercises are published on SEBI website.

4. **Ground of appeal** – The appellant has filed the appeal on the ground that he was provided incomplete, misleading or false information.
5. I have perused the application and the response provided thereto. On consideration, I find that the appellant's queries are in the nature of seeking clarification/opinion/confirmation from the respondent. I find that the said queries cannot be construed as seeking 'information' as defined under section 2(f) of the RTI Act. Consequently, the respondent did not have an obligation to provide such clarification or opinion or confirmation under the RTI Act. In this context, reliance is placed on matter of *Azad Singh vs. CPIO, Oriental Insurance Company Limited* (order dated March 23, 2021) wherein Hon'ble Central Information Commission observed that *"7. The Commission, after hearing the submissions of both the parties and after perusal of records, observed that some queries of the appellant are in the nature of seeking explanation/opinion/advice/confirmation/clarification from the CPIO and he has expected that the CPIO firstly should analyze the documents and then provide information to the appellant. But the CPIO is not supposed to create information; or to interpret information; or to compile information as per the desire of the appellant under the ambit of the RTI Act. As per Section 2(f) of the RTI Act, the reasons/opinions/advices can only be provided to the applicants if it is available on record of the public authority. The CPIO cannot create information in the manner as sought by the appellant. The CPIO is only a communicator of information based on the records held in the office and hence, he cannot be expected to do research work to deduce anything from the material therein and then supply it to him."* Accordingly, I do not find any deficiency in the response of the respondent.
6. In view of the above observations, I find that there is no need to interfere with the decision of the respondent. The appeal is accordingly dismissed.
