KARBONSTEEL PARTICIPATES IN INDIA INDUSTRIAL FAIR AND STEEL CONSTRUCTION EXPO ASIA 2026

Mumbai, October 29, 2026 – **Karbonsteel Engineering Ltd** (BSE SME: 544511) successfully participated in two exhibitions in October 2026: the **15th India Industrial Fair (IIF) 2026**, organised by Laghu Udyog Bharti, Gujarat, held from **23rd to 26th October 2026** at the Helipad Exhibition Centre, Gandhinagar, Gujarat (**Stall No. 112**); and **Steel Construction Expo Asia 2026**, held from **27th to 29th October 2026** at the Jio World Convention Centre, Mumbai (**Stall No. 1307**).

Karbonsteel at the Fairs

Karbonsteel participated in both exhibitions to connect with industry leaders, explore new business opportunities and build meaningful partnerships. At the India Industrial Fair in Gandhinagar and at Steel Construction Expo Asia in Mumbai, the Company showcased its **structural steel engineering and fabrication** capabilities.

The fairs provided platforms to present the Company's capabilities to visitors from across the industry, engage with industry leaders, and explore opportunities for collaboration and growth. Karbonsteel looks forward to building on the connections made during these events.

Participating in two exhibitions held back to back, in Gandhinagar and Mumbai, allowed Karbonsteel to engage with a wider set of visitors across regions and industry segments. The Company's stalls at both venues gave visitors an opportunity to learn about its structural steel engineering and fabrication offerings and to discuss their requirements with the team.

Taking part in these exhibitions reflects the Company's approach of engaging directly with the industry. The interactions at the stalls allowed the Karbonsteel team to share details of the Company's engineering and fabrication capabilities with visitors, and to understand their requirements and expectations.

Management Commentary

Commenting on the Company's participation in the exhibitions, **Mr. Shrenik Kirit Shah, Managing Director**, stated:

"We are pleased to have participated in the 15th India Industrial Fair 2026 in Gandhinagar and Steel Construction Expo Asia 2026 in Mumbai. Both events gave us an opportunity to connect with industry leaders, explore new business opportunities and build meaningful partnerships. We presented our structural steel engineering and fabrication capabilities at both exhibitions, and we are grateful to everyone who visited our stalls. We look forward to continuing to collaborate and grow together."

About Karbonsteel Engineering Ltd

Karbonsteel Engineering Limited is engaged in the design, manufacturing, and assembly of heavy and precision steel structures for industrial and infrastructure applications. The Company operates manufacturing facilities at Umbergaon, Gujarat and Khopoli, Maharashtra, with a combined installed capacity of 36,000 MTPA, which is being expanded to 60,000 MTPA. The Umbergaon facility is RDSO approved by the Ministry of Railways, enabling participation in railway bridge and structural projects.

The Company serves sectors including railways, steel plants, refineries, oil and gas facilities, industrial complexes, and high-rise structures.
