Subject: Disclosure of Social Media Communication by the Promoter and Chairman & Managing Director.

Dear Sir/ Madam,

With reference to the captioned subject, we would like to inform you that the Promoter and Chairman & Managing Director ("CMD") of Ola Electric Mobility Limited ("**Company**") has posted on the social media platform stating, ***As India's electrification ramps, today we're setting a new benchmark for the industry. More than just a metal body with a fancy name. Introducing S1Z! 46160 LFP Bharat Cell. 301 km IDC range. Intro price of ₹79,999! Book here: <https://book.olaelectric.com>***

Deliveries in Dec. The industry has always treated affordable scooters as stripped-down products: less range, less technology, more compromise. We've done the opposite.

We built the cell, motor, vehicle, software, every critical component inhouse. And we're passing that tech advantage to the Indian customer.

The new benchmark is here.

The above intimation will also be hosted on the website of the Company i.e., www.olaelectric.com.

We request you to take the above on your record.

Thanking you,
For **Ola Electric Mobility Limited**
