Limited Review Report on unaudited consolidated financial results of Symphony Limited for the quarter ended 30 June 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**To the Board of Directors of Symphony Limited**

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Symphony Limited (hereinafter referred to as "the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter ended 30 June 2026 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities mentioned in Annexure I below.
5. Attention is drawn to the fact that the figures for the three months ended 31 March 2026 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 8 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. The consolidated financial results of the Group for the corresponding quarter ended 30 June 2025 were reviewed by the predecessor auditor whose report dated 01 August 2025 had expressed an unmodified conclusion.

Limited Review Report (Continued)

Symphony Limited

8. We did not review the interim financial information of six subsidiaries included in the Statement, whose interim financial information reflect total revenues (before consolidation adjustments) of Rs. 151.32 Crores, total net profit after tax (before consolidation adjustments) of Rs. 48.92 Crores and total comprehensive income (before consolidation adjustments) of Rs. 48.13 Crores, for the quarter ended 30 June 2026, as considered in the Statement. This interim financial information has been reviewed by other auditors whose reports have been furnished to us by the Parent's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion is not modified in respect of this matter.

9. The Statement includes the interim financial information of one subsidiary which has not been reviewed, whose interim financial information reflects total revenues (before consolidation adjustments) of Rs. 0.30 Crores, total net loss after tax (before consolidation adjustments) of Rs. 2.42 Crores and total comprehensive loss (before consolidation adjustments) of Rs. 2.42 Crores, for the quarter ended 30 June 2026, as considered in the Statement. According to the information and explanations given to us by the Parent's management, this interim financial information is not material to the Group.

Our conclusion is not modified in respect of this matter.

NOTES:

- The above unaudited consolidated financial results have been reviewed by the Audit Committee in its meeting held on August 03, 2026 and approved by the Board of Directors in their meeting held on August 04, 2026.
- The Statutory auditors of the Parent Company have carried out limited review of the unaudited consolidated financial results for the quarter ended June 30, 2026. The Statutory auditors have expressed an unmodified conclusion.
- The unaudited consolidated financial results are prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim financial reporting" as prescribed under Section 133 of the Companies Act 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rule, 2015, as amended.
- The Board of Directors in their meeting held on August 04, 2026 declared 1st interim dividend of ₹ 1/- (50%) per equity share of ₹ 2/- each amounting to ₹ 6.87 crores.

[Handwritten Signature]

5. (i) During the quarter ended June 30, 2025 and year ended March 31, 2026 the Parent Company has recovered ₹ 4.50 crores and ₹ 8.50 crores respectively against the write-off of ₹ 50.22 crores (during FY 2024-25) towards receivable from M/s Pathways Retail Pvt Ltd, Delhi and this amount is presented as an exceptional item.
- (ii) The Parent Company has provided an incremental liability of ₹ 1.40 crores as past service cost on post-employment defined benefits for its employees due to change in definition of wages in 'New Labour Codes' and has been presented as an exceptional item during year ended March 31, 2026.
- (iii) During the quarter ended June 30, 2025 and year ended March 31, 2026, the Group has incurred severance cost ₹3.75 crores payable to few employees and incurred loss of ₹2.30 crores on sale/disposal of certain assets due to closure of manufacturing site of Climate Technologies Pty Limited, Australia.
- (iv) During the quarter and year ended March 31, 2026, the management decided to impair the goodwill attributable to Climate Holdings Pty Limited (Formerly known as Symphony AU Pty. Limited or "SAPL") by ₹ 173.09 crores as the performance and profitability of the CGU was deteriorating with the business significantly underperforming vis-à-vis the business plan and the business synergies envisaged from the investment could not be realised despite best efforts of the management. Further, the Company has also impaired its property, plant & equipment and intangible assets by ₹ 35.47 crores. The impairment has been first allocated to goodwill balance to reduce it to zero and balance impairment has been allocated towards property, plant & equipment and other intangible assets within the CGU on a pro-rata basis, based on the carrying amount of each asset. The individual assets have not been written down below their respective recoverable values. The deferred tax liabilities/ (assets) amounting to ₹ 44.32 crores in its books pertaining to brought forward losses and impairment of non-current assets have been reversed due to recognition of impairment losses.
6. The Board of Directors, in their meeting held on April 12, 2025, decided to explore the divestment of its stakes in wholly owned subsidiaries: (i) Climate Holdings Pty Limited, Australia ("CHPL") (Formerly known as Symphony AU Pty. Limited), and (ii) IMPCO S de R.L. de C.V. (IMPCO), Mexico by appointing investment bankers. Since, CHPL and Imoco were separate lines of operations which were held for sale by the Group, they were considered as "Discontinued operations" in accordance with Ind AS 105 and their respective financial results were presented separately as "Profit or loss from discontinued operations", in interim financials results published for the quarter ended June 30, 2025. Further, the assets and liabilities held by the aforesaid subsidiaries were classified as 'Assets held for Sale' and 'Liabilities associated with Assets held for sale' in the Interim Consolidated Statement of Assets and Liabilities published during the previous year.
- Despite sustained efforts by the management, no formal proposal was received as per the expectation of the Group or strategic considerations. Considering the rapidly evolving geopolitical landscape, the Board in its meeting dated January 28, 2026, decided to roll back the divestment process for these subsidiaries. Accordingly, CHPL and IMPCO are no longer considered as "Discontinued Operations" as the divestment in these subsidiaries is no longer considered highly probable within a period of 12 months, the management is no longer committed to a plan to divest the said investments and the said investments are not actively marketed for sale. Accordingly, in the comparative Consolidated Financial Results for the quarter ended June 30, 2025, the operations of the said subsidiaries have been reclassified and presented as part of "Profit/(Loss) before tax". The assets and liabilities of the said subsidiaries, previously classified as "Assets held for sale" and "Liabilities associated with Assets held for sale", have been reclassified to their respective original line items in the Consolidated Statement of Assets and Liabilities. The said reclassification has no impact on the total profit/loss, total comprehensive income, or the net assets of the Group for quarter ended June 30, 2025.
7. On May 15, 2026, the Board of Directors approved an internal restructuring whereby Climate Technologies Pty Limited's ("CTPL") transferred its entire shareholding in its step down subsidiary, Bonaire USA LLC ("Bonaire"), to the Ultimate Parent Company, Symphony Limited. The said transfer was completed during the quarter ended June 30, 2026.
- This transaction is a common control transaction and an internal reorganization within the Group and accordingly, it does not result in any change in the ultimate ownership or control over the CTPL (through Climate Holdings Pty Limited) and Bonaire.
8. The figures for the quarter ended March 31, 2026 are balancing figures between audited figures in respect of the full previous financial year and year to date figures upto the third quarter of the previous financial year, which were subjected to limited review.

9. Segment Results

As per recognition criteria mentioned in Ind AS-108, Operating Segments, the Group has identified Air Cooling and Other Appliances Business as operating segment. However substantial portion of Corporate Funds remained invested in various financial instruments. The Group has considered Corporate Funds as a separate segment so as to provide better understanding of performance of Air Cooling and Other Appliances Business.

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Symphony Limited (hereinafter referred to as "the Company") for the quarter ended 30 June 2026 ("the Statement").

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. (iii) During the year ended March 31, 2026, the Company's management calculated the value in use of its investment in Climate Holdings Pty Limited, Australia ("CHPL") (Formerly known as Symphony AU Pty. Limited) to determine the recoverable value, in line with Ind AS 36 - Impairment of Assets. After careful consideration of various factors, the management believes that the value of its investment in CHPL (gross carrying amount of ₹ 348.27 crores) shall be fully impaired resulting in an impairment loss for the quarter and year ended March 31, 2026 ₹ 298.12 crores (in addition to ₹ 50.15 crores which was impaired in FY 2024-2025) and presented as an exceptional item.

6. The Company's Board of Directors, in their meeting held on April 12, 2025, announced a strategic initiative to explore the divestment of its stakes in wholly owned subsidiaries: (i) Climate Holdings Pty Limited ("CHPL") (Formerly known as Symphony AU Pty. Limited), and (ii) IMPCO S de R.L. de C.V. ("IMPCO") in Mexico. Accordingly, investments made by the Company in CHPL and IMPCO were classified as 'Assets held for Sale' amounting to ₹ 133.76 crores (Net of impairment provision of ₹ 50.15 crores) in the Interim unaudited standalone financial results of the Company published for the quarter ended June 30, 2025.

Despite sustained efforts by the management, no formal proposal was received as per the expectation of the Company or strategic considerations. Considering the rapidly evolving geopolitical landscape, the Board in its meeting dated January 28, 2026, decided to roll back the divestment process for these subsidiaries. Accordingly, the investments in wholly owned subsidiaries no longer meet the 'Held for sale' criteria as the divestment in these subsidiaries is not highly probable within a period of 12 months and the management is not committed to a plan to sell the investment and it is not actively marketed for sale, hence the investments are reclassified at its carrying amounts.

7. (i) On May 15, 2026, the Board of Directors approved an internal restructuring whereby Climate Technologies Pty Limited's ("CTPL") transferred its entire shareholding in its step down subsidiary, Bonaire USA LLC ("Bonaire"), to the Ultimate Parent Company, Symphony Limited. The said transfer was completed during the quarter ended June 30, 2026.

This transaction is a common control transaction and an internal reorganization within the Group and accordingly, it does not result in any change in the ultimate ownership or control over the CTPL (through Climate Holdings Pty Limited) and Bonaire.

(ii) On May 15, 2026, the Board of Directors approved the transfer of certain intellectual properties ("IP") i.e. patents, trademarks and commercial designs owned by Climate Technologies Pty Limited ("CTPL") to the Ultimate Parent Company, Symphony Limited. The agreement is executed and the related payment was completed during the quarter ended June 30, 2026.

8. The figures for the quarter ended March 31, 2026 are balancing figures between audited figures in respect of the full previous financial year and year to date figures upto the third quarter of the previous financial year, which were subjected to limited review.
