Press Release

## NIIT Learning Systems Limited Named Global Authorized Training Partner of the Year by Databricks, 2026

**Atlanta, GA, June 16, 2026:** NIIT Learning Systems Limited (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced that it has been named the **2026 Global Authorized Training Partner of the Year** at the annual [Databricks Data + AI Summit](#).

Databricks, the Data and AI company, enables enterprises to build data and AI applications, analytics, and agents at scale. Its global Partner Ecosystem, over 7,000 strong, plays a pivotal role in delivering premier data and AI solutions. Each year, Databricks recognizes these collaborative efforts through the Databricks Partner Awards presented at the Data + AI Summit across 56 categories to honor outstanding partner achievements. NIIT earned the Databricks Global Authorized Training Partner of the Year award for its relentless focus on quality, responsiveness, and excellence in training delivery. Over the past year, NIIT built a robust pool of certified instructors, maintained consistently high customer satisfaction scores, and serviced training requests across formats and geographies. This recognition reflects the mutual commitment and excellence in execution that made this achievement possible.

*"As the race to productionize AI accelerates, customers consistently ask us how they can better manage their data in order to build AI apps and agents that make a real impact on their business,"* said **Stephen Orban, SVP, Product Ecosystem & Partnerships at Databricks**. *"As a key Databricks partner, NIIT Learning Systems Limited helps our joint customers do exactly that. We're proud to recognize them as 2026 Databricks Authorized Training Partner of the Year."*

*"We are proud to see our partnership with Databricks continue to strengthen and gain global recognition. Being named the Global Authorized Training Partner of the Year recognizes NIIT's commitment to quality, agility, and excellence in delivering impactful Databricks training across to enterprises worldwide. The award reinforces our leadership in instructional excellence and highlights our role in preparing the next generation of AI-driven data professionals for the evolving demands of modern enterprises. Through a strong instructor ecosystem and a continued focus on customer-aligned, high-quality learning, we remain dedicated to helping organizations build future-ready data and AI capabilities at scale,"* said **Devenderjit Chadha, Chief Customer Officer at NIIT Learning Systems Limited**.
