INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF INFOMEDIA PRESS LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Infomedia Press Limited ('the Company')**, which comprise the Balance Sheet as at 31st March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of the material accounting policies and other explanatory information. (herein after referred to as "the Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act, of the financial position of the Company as at 31st March 2026, and its financial performance including other comprehensive income, its Statement of Cash Flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013, our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to the Note 31 to the Financial Statement which indicates that the Company had discontinued its operations and has incurred a net loss of Rs. 300.20 lakh during the year ended 31st March, 2026 and as of that date the Company's accumulated losses amount to Rs. 11,287.28 lakh resulting in negative net worth of the Company. The management of the Company is evaluating various options, including starting a new line of business. These conditions, along with other matter as set forth in the aforesaid note, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Network 18 Media & Investments Limited, the Parent Company, has given a support letter to extend, for the foreseeable future, any financial support which may be required by the Company. In lieu of the support letter from the Parent Company, the management has assessed that the Company continues to be going concern. Our opinion is not modified in respect of the said matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Material Uncertainty Related to Going Concern Section*, we have determined the matters described below to be the key audit matters in our report.

S. No.	Key Audit Matter	How Our Audit Addressed The Key Audit matter
1.	Contingent liabilities As at 31st March, 2026 Company having contingent liabilities in respect of Income tax and Sales tax matters. The determination of the contingencies and the level of disclosure required involve a high degree of judgement resulting in contingent liabilities being considered as a key audit matter. (Refer Note no 24)	Discussed significant matters and their probability with management. Reviewed the assessment and appeal letter as presented by management before us. We assessed the appropriateness of the related disclosures and considered it to be reasonable.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in annual report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, Statement of Cash Flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Act read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain Professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statement in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's

ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have audited the internal financial controls **with reference to the aforesaid Financial Statements** of Infomedia Press Limited (“the Company”) as of 31st March, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company’s internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 CORPORATE INFORMATION

Infomedia Press Limited (“the Company”) is a listed entity incorporated in India. The registered office of the Company is situated at First Floor, Empire Complex, 414 - Senapati Bapat Marg, Lower Parel, Mumbai - 400013, Maharashtra. In the earlier years, the Company has discontinued its business of printing operations and the management is in the process of evaluating various options, including starting a new line of business.

2 MATERIAL ACCOUNTING POLICIES

2.1 Basis of Preparation and Presentation

The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which have been measured at fair value amount.

The financial statements of the Company have been prepared to comply with the Indian Accounting standards (‘Ind AS’), including the rules notified under the relevant provisions of the Companies Act, 2013, (as amended from time to time) and presentation and disclosure requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS Compliant Schedule III) as amended from time to time. The Company follow indirect method prescribed in Ind AS 7 - Statement of Cash Flows for presentation of its cash flows.

The Company’s Financial Statements are presented in Indian Rupees (₹), which is its functional currency and all values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

2.2 Summary of Material Accounting Policies

(a) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification considering an operating cycle of 12 months being the time elapsed between deployment of resources and the realisation in cash and cash equivalents there-against.

(b) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any.

Depreciation on property, plant and equipment is provided using straight-line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Leasehold improvements are depreciated over the period of lease agreement or the useful life whichever is shorter.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(c) Provisions and Contingent Liabilities

The Company exercises significant judgement in identification of and estimation of the amounts of provisions and contingent liabilities. These provisions and contingent liabilities are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

(d) Current Tax and Deferred Tax

The tax expense for the period comprises of current and deferred tax. The Company exercises judgment in computation of current tax considering the relevant rulings and reassesses the carrying amount of deferred tax assets at the end of each reporting period.

(e) Financial instruments

A. Initial recognition and measurement

(i) Financial Assets and Financial Liabilities

All financial assets and liabilities are initially recognised and measured at fair value and in case of borrowings, net of directly attributable cost. Purchase and Sale of Financial Assets and Financial Liabilities are recognised using trade date accounting.

Notes to the Financial Statements for the year ended 31st March, 2026

B. Subsequent measurement

(i) Financial Assets

a) Measured at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets measured at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets measured at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at fair value through profit or loss.

C. Impairment of financial assets

The Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables, the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. Further, the Company uses historical default rates to determine impairment loss on the portfolio of the trade receivables. At every reporting date, these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) Financial Liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method other than those measured at Fair Value through Profit or Loss (FVTPL). For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts are determined to approximate fair value due to the short maturity of these instruments.

(f) Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these judgements, estimates and assumptions could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Notes to the Financial Statements for the year ended 31st March, 2026

(a) Depreciation/ Amortisation and useful lives of Property, Plant and Equipment

Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management. Property, Plant and Equipment are depreciated over their estimated useful lives, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

(b) Provisions

The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

Level 1: Inputs are Quoted prices (unadjusted) in active markets or Net Assets Value (NAV) for identical assets or liabilities.

Level 2: Inputs are other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

28.2 Valuation Methodology

All financial instruments are initially recognised and subsequently re-measured at fair value as described below:

- a. The fair value of investment in quoted Equity Shares and Mutual Funds is measured at quoted price or Net Asset Value (NAV), as applicable.
- b. The fair value of the remaining financial instruments is determined based on adjusted quoted price of underlying assets, information about market participants, assumptions and other data that are available including using discounted cash flow analysis, as applicable.
