Sub. : Clarification for Financial Results – For the Quarter and Year ended 31st March, 2026

Dear Sir/ Madam,

Please refer to your mail dated 27th June, 2026 wherein it was observed by the Exchange that there are discrepancies and the figures mentioned in the XBRL are not matching with the pdf file submitted with the Exchange. In this regard the pdf of financial results submitted was analysed and it was found that there were as such no discrepancies noted or observed. However, the difference in figures as alleged is either due to second decimal space calculations or due to prescribed format in the XBRL mode.

Later, it was discussed and found that the “Level of Rounding” in General Information sheet of Integrated Filing (Finance) has been inadvertently mentioned as “Millions” instead of “Lakhs”.

Accordingly, the same has been corrected and filed again today around 1:30 pm.

The inconvenience caused in this regard is highly regretted and we assure you that we will be more careful in future as we are committed to good Corporate Governance at all times.

You are requested to kindly take the above on your records.

Thanking you,

Yours sincerely,

For RANA SUGARS LIMITED
