(Hybrid Mode)

This is an application to extend the time granted for curing the defects.

The facts giving rise to present IA (re-filing) are that the Appellant e-filed the Memo of Appeal on 27.05.2026. The Office after scrutiny of the Memo of Appeal on 01.07.2026, intimated the defects to the Appellant on the same day. The Appellant re-filed the Appeal on 06.10.2026. It is stated in the IA that the defects raised by the Registry were promptly discussed with the local advocates in Pune and subsequently cured and re-filed by the advocates for the Applicant on 07.08.2026. Thereafter, the defects were again marked in the appeal, but due to a portal glitch the file was not visible to the registry until the NCLAT IT team resolved the issue again on 28.08.2026 and the same defect was remarked on 22.09.2026, and the same defect marking has persisted to date. Hence, there is delay of 90 days in re-filing the Memo of Appeal, so the same may be condoned.

Heard Ld. Counsel appearing for the Appellant and perused the averments made in the IA as well as Office report.

The Appellant was required to re-file the Memo of Appeal within seven days from the date of intimation of the defects. However, the Appellant re-filed the Memo of Appeal with a delay of 90 days, hence, the case be placed before the Hon'ble Bench with defect for appropriate orders.

It is submitted by Ld. Counsel for the Appellant that connected Appeal i.e. Company Appeal (AT) No.313 of 2026 is coming up before the Hon'ble Bench on 26.10.2026 and, therefore, it is requested that this matter may also be listed along with the connected Appeal. In view of the submission of Ld. Counsel for the Appellant, let this Appeal be also listed along with the connected Appeal before the Hon'ble Bench under the heading 'for admission (fresh case)' on 26.10.2026.
