Suresh Kumar R, Managing Director, Allcargo Terminals Limited, said: *“FY26 was a year of strong progress and purposeful groundwork toward ATL’s three-year ambition. Supported by India’s growing EXIM momentum and our focused capacity expansion at key ports, PAT grew 46% over the previous year. Our continued emphasis on operational excellence further strengthened customer confidence across markets and enabled us to achieve our highest-ever annual volumes.*

In line with our strategic priorities, we enhanced capacity at one of our two JNPT facilities and secured a ten-year extension for the other. Construction of the PFT-ICD at Farukhnagar also commenced in Q4, marking another important milestone in our growth journey.

We are well positioned for the future and remain committed to contributing meaningfully to India’s expanding EXIM ecosystem and logistics infrastructure development.”
