Dear Sir/ Madam,

Subject: Update on Capacity Enhancements and Expansion Plans for Aeroflex Industries Limited, the Material Subsidiary of the Company

Pursuant to Regulation 30 read with Schedule III of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the Board of Directors of Aeroflex Industries Limited, the Material Subsidiary of the Company, at its meeting held today, i.e., Wednesday, October 14, 2026, inter alia, noted and approved the capacity enhancements and expansion plans as follows:

1. Noted completion of SS Hose & Braiding Division capacity enhancement to 20 million meters per annum.
2. Noted completion of Liquid Cooling SFN Skid Assemblies Division capacity enhancement to 12,000 pieces per annum; the remaining 3,000 pieces per annum is expected by December 2026.
3. Approved enhancement of SS Hose & Braiding Division capacity from 20 million to 30 million meters per annum and a setting up of a new State of the Art Assemblies Plant to convert 70%–75% of hoses and braids into assemblies, at an estimated investment of ₹124 crores which is expected to be completed in phased manner by March 2028.
4. Approved enhancement of Liquid Cooling SFN Skid Assemblies Division capacity from 15,000 to 30,000 pieces per annum and setting up of an additional facility, at an estimated investment of ₹78 crores which is expected to be completed in phased manner by March 2028.

The aggregate investment of ₹202 crore for SS Hose & Braiding and liquid cooling SFN Skid Assemblies expansions will be financed through Internal Accruals, Equity and Bridge Loan Financing.

Subject : Outcome of the Board Meeting held on October 14, 2026

Dear Sir/Ma'am,

Pursuant to the provisions of Regulations 30 with Schedule III of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), we wish to inform you that the Board of Directors of the Company at its meeting held today i.e., **Wednesday, October 14, 2026**, *inter-alia*:

1. Noted that the Company has successfully completed capacity enhancement in the SS Hose & Braiding Division to 20 million meters per annum.
2. Noted that the Company has successfully completed capacity enhancement in liquid cooling SFN Skid Assemblies to 12,000 pieces per annum and the remaining 3,000 pieces will be completed till December 2026.
3. Considered and approved the Company's further expansion plans, including the capacity enhancement in SS Hose & Braiding Division from 20 million meters per annum to 30 million meters per annum, i.e., an increase of 10 million meters annually and setting up of a new State of the Art Assemblies Plant to convert 70% to 75% of Hoses and Braid into Assemblies. The investment for this expansion is projected to be ₹ 124 Crores. The project is expected to be completed in a phased manner by March 2028.

4. Considered and approved the Company's further expansion plans, including the capacity enhancement in Liquid Cooling SFN Skid Assemblies Division from 15,000 pieces per annum to 30,000 pieces per annum, i.e., an increase of 15,000 pieces annually including setting up of an additional facility. The investment for this expansion is projected to be ₹ 78 Crores. The project is expected to be completed in a phased manner by March 2028.

The combined total investment for the SS Hose & Braiding and liquid cooling SFN Skid Assemblies expansions is estimated at ₹ 202 Crores, which will be financed through Internal Accruals, Equity and Bridge Loan Financing.

The detailed disclosure as required under Regulations 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Master Circular No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, is enclosed as **Annexure-A**.

The meeting of the Board of Directors commenced at 10:30 a.m. and concluded at 11:04 a.m.

You are requested to take the same on record.

Thanking you

Yours faithfully,

FOR AEROFLEX INDUSTRIES LIMITED
