**NOTES TO THE STATEMENT OF CONSOLIDATED AUDITED FINANCIAL RESULTS OF QUICK HEAL TECHNOLOGIES LIMITED AND ITS SUBSIDIARIES FOR THE QUARTER AND YEAR ENDED MARCH 31, 2026**

**Notes to financial results:**

- The Audited consolidated financial results have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standard Rules), 2015 (as amended) and in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015. The above financial results for the quarter and year ended March 31, 2026 have been subjected to audit by the statutory auditors of the Holding Company and reviewed by the Audit Committee and approved by the Board of Directors of the Holding Company at the meeting held on May 21, 2026. Figures for the quarter ended March 31, 2026 and March 31, 2025 are the balancing figures between the audited figures in respect of the full years and published year to date figures of nine months ended December 31, 2025 and December 31, 2024 respectively.
- During the year ended March 31, 2025, the Regional P.F. Commissioner ("RPFC") passed an order under Section 7A & 7Q of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 ("Act") demanding ₹ 5.01 (including interest of ₹ 2.49) on the grounds that it failed to remit Provident Fund ("PF") on wages for its employees for the period from September 2014 to March 2019 for certain allowances of salary. The Holding Company filed an appeal before the Central Government Industrial Tribunal Cum-Labour Court ("CGIT") challenging the Employees' Provident Fund Organisation's ("EPFO") order along with the application under Section 7O of the Act seeking a waiver from pre-deposit of the alleged Provident Fund Contributions till the final disposal of the Appeal. The CGIT, after hearing the submissions made, passed an Order and directed RPFC, not to proceed with the recovery against the Holding Company on depositing 30% of the total amount assessed. The Holding Company, based on the legal counsel's opinion, is of the view that the claim made by the RPFC is not probable, and accordingly no provision is recorded in the financial results of the period ended March 31, 2026.
- On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws (collectively referred to as the "New Labour Codes").  
  
Based on the requirements of the New Labour Codes and the relevant Accounting Standards, the Holding Company has assessed the impact of these changes and recognised an incremental expense of ₹1.33 crores under "Employee benefit expense" in the financial results for the quarter ended December 31, 2025 and the year ended March 31, 2026, primarily on account of recognition of past service cost relating to employee benefit obligations for compensated absences payable to employees.  
  
The Holding Company continues to monitor the finalisation of Central/State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect as and when such clarifications are issued/rules are notified.
- As at March 31, 2026, the Holding Company has the following subsidiaries :  
a) Quick Heal Technologies America Inc.  
b) Seqrte Technologies DMCC.
- The Group is primarily engaged in the business of cyber security software products and related services, including other services. The Chief Operating Decision Maker (CODM) reviews the information pertaining to revenue of each of the target customer group (segments) viz. consumer, enterprise and government. However, based on similarity of activities/products, risk and reward structure, organisation structure and internal reporting systems, the Group has structured its operations into one operating segment viz. cyber security platform and as such there is no separate reportable operating segment as defined by Ind AS 108 "Operating segments". Entity wide segment disclosures pursuant to Master circular for compliance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 by listed entities as amended from time to time.

NOTES TO THE STATEMENT OF STANDALONE AUDITED FINANCIAL RESULTS OF QUICK HEAL TECHNOLOGIES LIMITED FOR THE QUARTER AND YEAR ENDED MARCH 31, 2026

Notes to financial results:

- 1 The Audited standalone financial results have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standard Rules), 2015 (as amended) and in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015. The above financial results for the quarter and year ended March 31, 2026 have been subjected to audit by the statutory auditors of the Company and reviewed by the Audit Committee and approved by the Board of Directors of the Company at the meeting held on May 21, 2026. Figures for the quarter ended March 31, 2026 and March 31, 2025 are the balancing figures between the audited figures in respect of the full years and published year to date figures of nine months ended December 31, 2025 and December 31, 2024 respectively.
- 2 During the year ended March 31, 2025, the Regional P.F. Commissioner ("RPFC") passed an order under Section 7A & 7Q of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 ("Act") demanding ₹ 5.01 (including interest of ₹ 2.49) on the grounds that it failed to remit Provident Fund ("PF") on wages for its employees for the period from September 2014 to March 2019 for certain allowances of salary. The Company filed an appeal before the Central Government Industrial Tribunal Cum-Labour Court ("CGIT") challenging the Employees' Provident Fund Organisation's ("EPFO") order along with the application under Section 7O of the Act seeking a waiver from pre-deposit of the alleged Provident Fund Contributions till the final disposal of the Appeal. The CGIT, after hearing the submissions made, passed an Order and directed RPFC, not to proceed with the recovery against the Company on depositing 30% of the total amount assessed. The Company, based on the legal counsel's opinion, is of the view that the claim made by the RPFC is not probable, and accordingly no provision is recorded in the financial results of the year ended March 31, 2026.
- 3 On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws (collectively referred to as the "New Labour Codes").  
  
Based on the requirements of the New Labour Codes and the relevant Accounting Standards, the Company has assessed the impact of these changes and recognised an incremental expense of ₹1.33 crores under "Employee benefit expense" in the financial results for the quarter ended December 31, 2025 and the year ended March 31, 2026, primarily on account of recognition of past service cost relating to employee benefit obligations for compensated absences payable to employees.  
  
The Company continues to monitor the finalisation of Central/State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect as and when such clarifications are issued/rules are notified.
- 4 The Company is engaged in providing cyber security software solutions. The Chief Operating Decision Maker (CODM) reviews the information pertaining to revenue of each of the target customer group (segments) viz. consumer, enterprise and government. However, based on similarity of activities/products, risk and reward structure, organisation structure and internal reporting systems, the Company has structured its operations into one operating segment viz. cyber security platform and as such there is no separate reportable operating segment as defined by Ind AS 108 "Operating segments".
- 5 Previous period's figures have been regrouped / reclassified wherever necessary to make them comparable with the current period's classification / disclosure.

## Quick Heal Technologies Limited Reports Q4 FY26 Results

**Pune, 21<sup>st</sup> May 2026:** Quick Heal Technologies Limited, a global provider of cybersecurity solutions, today announced its audited financial results for the quarter and year ended on March 31, 2026.

### Key Financial Highlights:

**Dr. Kailash Katkar, Chairman and Managing Director of Quick Heal Technologies Limited,** commented, *“This year has been a mixed one for us. While the consumer vertical faced headwinds due to broader market challenges, our enterprise vertical delivered consistent growth and strong momentum. The industry continues to evolve amid rising geopolitical tensions, an increasingly dynamic AI-driven threat landscape, and changing regulatory environments. At the same time, data privacy regulations have unlocked a significant market opportunity for us. As the industry shifts from reactive to predictive and pre-emptive cybersecurity, we remain committed to transforming ourselves into a full-stack, AI-native, and AI-driven cybersecurity company. Our focused efforts on the enterprise vertical are helping us overcome the challenges faced in the consumer vertical. Based on the progress we are seeing, we believe we should be able to navigate these challenges over the next three to four quarters, with the enterprise business contributing a major share of our revenue.”*

**Ankit Maheshwari, Chief Financial Officer, Quick Heal Technologies Limited,** added, *“The enterprise business continued to deliver healthy growth during the year, supported by strong execution and customer traction. Within the Enterprise vertical, we have seen greater success through government and international teams. The consumer business already facing industry headwinds got further impacted due to rising hardware prices. Hence, we have tightened our control on the credit cycles with the partners, thereby impacting the topline. At the same time, costs remained stable, reflecting continued operational discipline. The strategic order announced last year for implementation of Cyber Literacy program was successfully executed, and we secured another significant order for implementation of Integrated Cyber Security Solutions worth 64 Crs during the year. Deferred revenue continued to witness growth, providing improved visibility and confidence in our future performance.”*

## Key Highlights of Q4/FY26 include:

- Consumer vertical faced headwinds due to industry degrowth and increase in hardware prices; focused efforts remain on credit control with the partners.
- Bagged contract for implementation of Integrated Cyber Security Solutions worth INR 64 Cr.
- Successfully executed order for implementation of Cyber Literacy Program.
- Deferred revenue continued to witness significant growth during the year.
- International & Government verticals delivered healthy growth and strong business momentum.
- Continued strategic investments in key international markets including SEA, MEA, and LATAM to drive long-term expansion.
- Seqrite partnered with Terrabyte Group, further strengthening its footprint across SEA.
- Integrated sales CRM, customer support, marketing automation platforms, and siloed IT applications into a unified digital ecosystem, enabling a single source of visibility across the organisation.
- Quick Heal Foundation celebrated 10<sup>th</sup> anniversary, setting a new benchmark of touching beyond 90+ lakh lives to date.

As the Company enters FY27, it will continue to focus on advancing its AI-driven innovations, strengthening strategic partnerships, and building a more predictable and scalable business. Supported by a strong order pipeline and a well-diversified revenue base, the Company remains confident of delivering sustainable growth and long-term shareholder value.

## Management's and Board of Directors' Responsibilities for the Consolidated Financial Results

This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of this Statement that gives a true and fair view of the net loss, and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in accordance with the applicable Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India and is in compliance with the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

## Auditors' Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group to express an opinion on the Statement. ## **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

accepted in India and is in compliance with the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of

appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Board of Directors are responsible for overseeing the financial reporting process of the Company.

## **Auditors' Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Other Matter:

The Statement includes the results for the quarter ended March 31, 2026 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year ended March 31, 2026 prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" which were subject to limited review by us.
