Hon'ble Union Home Minister and Cooperation Minister Shri Amit Shah Inaugurates New 400 Beds Tower at Max Smart Super Speciality Hospital, Saket

New Delhi, September 03, 2026: Max Smart Super Speciality Hospital, Saket, today marked a significant milestone in its journey of advancing tertiary and quaternary healthcare in the National Capital Region with the inauguration of its new 400 beds tower by **Hon'ble Union Home Minister and Minister of Cooperation Shri Amit Shah**. The state-of-the-art tower will enhance the hospital's capacity to deliver advanced, technology-enabled care to patients across Delhi-NCR and beyond, meeting the growing demand for specialised healthcare.

The event was graced by the **Hon'ble Chief Minister of Delhi, Smt. Rekha Gupta**, as **Guest of Honour**. **Hon'ble Minister for Health & Family Welfare, Transport and Information Technology, Delhi Government, Dr Pankaj Kumar Singh** and **Hon'ble Member of Parliament, South Delhi, Shri Ramvir Singh Bidhuri** also attended the event.

With this expansion, **Max Hospital, Saket will have a total capacity of approximately 1,200 beds**, making it the **largest private hospital in Delhi by bed capacity**. The hospital brings together comprehensive tertiary and quaternary healthcare capabilities across **22+ specialties**, strengthening access to advanced and specialised medical care in the National Capital.

Max Saket is a key pillar of Max Healthcare's integrated healthcare and medical education ecosystem, backed by 42,000+ employees. As part of its commitment to accessible healthcare, Max Healthcare provided free treatment worth ₹244 crore to 3.60 lakh patients last year. Through the Max Institute of Medical Sciences, the organisation has also supported 1.62 lakh students to date through higher education, training and professional learning programmes. In the last financial year, Max Healthcare treated over 40 lakh patients from 800+ cities and 180+ countries, including those seeking specialised and advanced medical care.

Commenting on the inauguration, **Mr. Abhay Soi, Chairman and Managing Director, Max Healthcare Institute Limited**, said: "This state-of-the-art new facility brings together cutting-edge technology, world-class infrastructure and exceptional Indian clinical talent to deliver advanced, high-quality patient care to people from India and across the globe. It also contributes to the broader vision of building a stronger and inclusive healthcare ecosystem in India and supporting the nation's journey towards a Viksit Bharat."

The new facility is equipped with advanced medical technologies, including the **Da Vinci Xi Surgical Robot and Mako Total Knee Replacement Robot**, supporting precision-driven, minimally invasive procedures across specialties.

With this expansion, Max Healthcare continues to strengthen its healthcare infrastructure in Delhi-NCR, with a focus on delivering advanced clinical care, improving access to specialised treatment and creating an integrated ecosystem for specialised medical care for people from India and across the globe.
