Dear Sir / Madam,

We refer to our letter dated July 21, 2025, regarding material civil proceedings before the arbitration court of St. Petersburg, Russia ('Arbitration Court'), transferred to the Company pursuant to the Scheme.

In this connection, please note that the Company on October 8, 2026, at around 16:53 hrs has received the following update:

The Chairman of the Supreme Court of Russia vide its decision dated October 7, 2026, has rejected the appeal filed by the Company against the order dated July 17, 2025, passed by the Arbitration Court.

Accordingly, all court proceedings in the matter in Russia stand concluded and the said order of the Arbitration Court remains in effect [i.e. the Company is directed to pay an aggregate amount of ₹ 443.76 million<sup>1</sup> (USD 5,165,129.62) along with additional interest 8% p.a. to be paid from May 30, 2025 till the date of actual payment of the principal amount.]

*Note: (1) based on FOREX conversion numbers as on July 17, 2025.*

The Company continues to believe that the said arbitral order is unsustainable in law and contract. The Company is evaluating further legal remedies available to protect its rights and interests in the matter and will accordingly resist any potential attempt to enforce the arbitral order before the Indian courts, should the counter party pursue execution of the arbitral order in India.

Kindly take the same on record.

Yours faithfully,  
For **Siemens Energy India Limited**
