Towards sustainable growth

Building. Transforming. Shaping Infrastructure for an Evolving World.

Infrastructure is being reshaped by rapid urbanisation, water security, resource circularity, environmental sustainability, and the rise of new industrial and digital ecosystems.

For Ramky Infrastructure, this transformation represents both an opportunity and a responsibility – to evolve with changing needs while building on the strengths developed over decades.

Our journey forward is rooted in **purposeful growth, stronger execution, technology-led capability and sustainable value creation**. We are embracing new possibilities, strengthening our core businesses and building the capabilities required for the infrastructure of tomorrow.

Evolving with purpose. Building with strength. Creating sustainable value for what's next.

About The Company

Ramky Infrastructure Limited (RIL) is one of India's established infrastructure development and project execution company, with over three decades of experience delivering complex, high-impact infrastructure solutions.

RIL's evolution has been shaped by a clear belief: **infrastructure must continuously respond to the needs of a growing economy.**

From its early strengths as a solution provider in **environmental infrastructure, water and wastewater management**, the Company has steadily expanded into **industrial parks including infrastructure solutions, water and wastewater and urban infrastructure including integrated project development.**

Today, RIL operates through its **Construction and Developer businesses**, bringing together capabilities across **design, engineering, financing, procurement, construction and project development.** This

sustainable integrated approach enables the Company to address complex infrastructure requirements across diverse sectors and geographies.

Over the years, RIL has evolved from being primarily an **EPC Contractor to a Developer, Developer to an Investor-Operator and long-term Infrastructure Solutions Partner.** Increasingly, the Company brings capital, assumes lifecycle performance responsibility and remains accountable for assets and services beyond construction.

This evolution reflects the broader transformation of RIL – **building on proven capabilities, expanding selectively into higher-value opportunities and positioning the Company for continuing the sustainable growth.**

From executing infrastructure projects to developing, investing in and sustaining it – RIL is building for what comes next.

Vision, Mission & Values

Vision

We shall be a leading global enterprise in world-class infrastructure development and environment management through sustainable growth.

Mission

We shall ensure quality, timely and budgetary deliverances through continuous technology upgradation, thereby enhancing the value of all our stakeholders.

Values

Ramky Infrastructure Limited, in achieving its vision, shall promote high standards of:

- Integrity
- Quality, Timely and Budgetary Deliverance
- Customer Satisfaction
- Safety, Health and Environment
- Innovation
- Social Commitment
- Best Governance

Our Journey

Built Over Decades. Evolving With India.

Transformation Journey

1994 – 2005

EPC Contractor

Civil & environmental engineering
 Water, buildings, roads & irrigation
 Execution credentials across India

2004 – 2015

Developer

DBFO industrial parks (Visakha Pharma City)
 BOT/DBFOT road concessions
 2010 public listing fuels asset growth

2015-Today

Investor-Operator

HAM & PPP water infrastructure at scale
 Balance-sheet commitment to assets
 Decades-long O&M revenue visibility

Core Areas Of Expertise

RIL's strengths are built on experience, execution capability and a diversified infrastructure portfolio.

Industrial Parks

Capabilities across industrial parks, SEZs and sector-specific infrastructure.

Roads & Bridges

Experience across expressways, highways, bridges, flyovers, rural roads and dedicated service corridors.

Water & Wastewater

Strong experience in water treatment, water transmission and distribution, sewage treatment, effluent treatment and related infrastructure.

Render Image

Urban Infrastructure-Buildings

Execution experience across commercial, residential, institutional, healthcare, academic and public infrastructure.

Our Strategic Focus

RIL's strategy is anchored in **building on our core strengths while creating disciplined pathways for future growth.**

We will continue to deepen our capabilities in **Industrial Parks, Water & Wastewater, Urban Infrastructure and complex EPC solutions**, while selectively expanding into adjacent opportunities where our engineering, execution and project-development strengths can create sustainable value.

Our priorities are clear: **stronger execution, disciplined capital allocation, technology-led productivity, improved cash generation and enhanced organisational capability.**

By combining domain expertise with digital tools, sharper risk management and greater execution discipline, we aim to deliver complex infrastructure projects with **greater predictability, stronger returns and sustainable value creation for our stakeholders.**

Building on what we know. Executing with discipline.

Growing sustainably for what's next.

Our Landmark Projects

Jawaharlal Nehru Pharma City | Visakhapatnam

An integrated industrial park built over 2400 acres to provide world-class infrastructure and amenities for pharmaceutical manufacturing. JNPC is home to more than 100 industries, including leading global pharmaceutical companies.

- » 100+ Industries
- » PPP Model | 20Years Concession | Project Completed 2010 | O&M ongoing

Srinagar-Banihal Expressway | NH-1A, Jammu & Kashmir

DBFOT (Annuity) | NHAI

Rehabilitation, strengthening and four-laning of the Srinagar-Banihal section of NH-1A, including the Banihal Bypass approx 67.76 km road stretch. The project was executed by Ramky Infrastructure under a DBFOT (Annuity) model, strengthening a key highway corridor in Jammu & Kashmir.

- » 20 Years Concession | Project Completed in 2018 | O&M ongoing

Legacy Leachate Treatment & Disposal Project | Jawahar Nagar, Hyderabad

BOO Model | India's First-of-its-kind Large-scale Leachate Treatment Plant | 1 MW Solar Power Plant

2 MLD Treatment Capacity and disposal of legacy leachate from the Jawahar Nagar landfill, along with restoration and stabilisation of adjoining ponds. The project addresses long-standing risks to groundwater, soil and surrounding communities through advanced leachate treatment and resource recovery.

- » Concession 15 Years | Ongoing.

Hyderabad STPs Project | Hyderabad

SBR Technology | Musi River Rejuvenation

Development of five decentralised sewage treatment plants along the Musi River to treat wastewater and reduce untreated sewage discharge, 480 MLD Total Treatment Capacity. The project combines wastewater treatment with long-term operation and maintenance.

- » 15-Year O&M
- » HAM Model | Concession 17 Years | Project completed in 2025 | O&M Ongoing

An Integrated Water Infrastructure System

The project brings together large-diameter transmission pipelines, water treatment plants, pumping systems, balancing reservoirs and clear-water storage infrastructure, supported by long-term operation and maintenance.

Long-Term Infrastructure Delivery

Executed under the Hybrid Annuity Model, the project combines infrastructure development with 10 years of operation and maintenance, supporting sustained performance beyond construction.

A large-scale water infrastructure initiative for a more resilient Hyderabad and the rejuvenation of the Musi River.

Project Spotlight 4

3 MLD SWRO Desalination Plant | V.O. Chidambaranar Port

Turning Seawater into a Reliable Source of Water

At V.O. Chidambaranar Port, through Ramky JV is developing a 3 MLD desalination plant that will turn seawater into a dependable source of high-quality water. The project reduces reliance on limited freshwater sources and is designed to serve the port through a complete intake, treatment and water supply system.

Project at a Glance

3 MLD
Water production capacity

450 mm
Seawater intake pipeline

5 Years
Operation & Maintenance

250 mm
Water discharge pipeline

From Sea to Supply.

More Than a Desalination Plant

The project creates an independent water source for the port, helping address the limitations of seasonal freshwater availability. It brings the seawater intake, treatment and safe discharge systems together as one integrated facility.

Built to Keep Delivering

The project is being delivered under a Design–Build–Operate model, with Ramky JV responsible for five years of operation and maintenance after commissioning.

Message From The Managing Director

It gives me great pleasure to present the Annual Report for FY 2025-26 and share with you the progress made by your Company during the year. //

Yancharla Rathnakara Nagaraja
Managing Director

Ramky Infrastructure has been built over decades through perseverance, execution and the trust of its stakeholders. This year is significant in that journey. It represents not just another year of operations, but a period of transformation as we look to build the next phase of Ramky Infrastructure. Our consolidated turnover for the year stood at INR 18,464.78 million, compared with INR 20,445.38 million in FY 2024-25, while Profit After Tax stood at INR 2,827.77 million, against INR 2,017.46 million in the previous year.

Our legacy has reflected in our spirit of continuity; despite market challenges, the company persevered. Our focus remained firmly on completing ongoing projects and meeting our contractual and financial commitments. Having successfully emerged from this process, we now have greater room to look ahead. For me, this is an important part of our transformation. The coming year will reflect our experience, capabilities and relationships developed over the years and applying them to a new set of opportunities.

Our strengths remain clear. Our expertise in urban infrastructure, industrial parks, environmental infrastructure and, particularly, water and wastewater management continues to deliver impact. Our experience ranges from large-scale wastewater treatment plants to industrial effluent treatment to strengthen the company's legacy. These are areas where execution experience matters, and where we have built that experience over many years.

India's infrastructure requirements are also changing. Rapid urbanisation, growing industrial activity, water stress and increasing environmental requirements are creating a larger need for

sustainable infrastructure solutions. We believe our experience places us well to participate in this growth, particularly in water, wastewater and environmental infrastructure.

At the same time, we are looking to broaden the Company's capabilities. We are evaluating opportunities for strategic partnerships and acquisitions that can add new capabilities, expand our portfolio and create alignment with our existing businesses. We are also strengthening our R&D and compliance capabilities to support the industries developing around the infrastructure ecosystems.

Transformation, therefore, is about both continuity and change. We will retain the values and execution discipline that have carried Ramky through the years, while becoming more selective, more focused and better prepared to respond to the opportunities ahead.

I would like to express my sincere appreciation to our shareholders, bankers, employees, customers, suppliers and business partners for standing by the Company through its journey. Their support and confidence have helped us reach this point. We now look ahead with renewed confidence. The foundation has been built over many years. Our responsibility is to build on it wisely and take Ramky Infrastructure into its next chapter.

Warm regards,

Yancharla Rathnakara Nagaraja
Managing Director

Message from the Chief Executive Officer

“

It is a privilege to join Ramky Infrastructure at an important stage in its journey and to present the Annual Report for FY 2025–26.

”

Sunil Sukumaran Nair
Chief Executive Officer

It is a privilege to have joined Ramky Infrastructure Limited at an important stage in its journey and to present the Annual Report for FY 2025–26.

The RIL reflects decades of long-term vision, entrepreneurial spirit, resilience and commitment to nation-building. Infrastructure businesses are built through persistence, learning, adaptability and the ability to navigate economic cycles. Today, Ramky Infrastructure is entering an important new chapter.

Over the past several months, our priorities have been clear: **stabilise, strengthen and accelerate**.

Our first priority has been to reinforce **financial and operational discipline**. We are strengthening the balance sheet, governance, project and cash-flow monitoring, cost controls and accountability across the organisation. For an infrastructure company, execution discipline and financial discipline must go hand in hand. Our principle is simple: **every project we pursue must be bankable, executable and profitable**. Growth without adequate returns and cash-flow visibility cannot create sustainable value.

The second pillar is **focused execution and responsible growth**. We are sharpening our focus on sectors where Ramky has established engineering capabilities, execution experience and the ability to create differentiated value — particularly **water and wastewater infrastructure, environmental solutions, urban infrastructure and complex EPC projects**. Our message is clear: **Ramky Infrastructure will grow, but it will grow responsibly**, supported by disciplined capital allocation, prudent risk management and a clear focus on profitability.

The third pillar is **digitisation and data-driven management**. Greater visibility into project progress, costs, procurement, cash flows and risks will enable faster decisions, earlier intervention, tighter

working-capital control and greater predictability in project delivery.

Equally important is the **renewal of the organisation itself**. We are strengthening professional management, empowering the next generation of leaders, bringing greater clarity to roles and responsibilities, and building a culture of accountability, ownership and performance.

Looking ahead, our objective is to deliver **profitable and sustainable growth**, maintain healthy margins, improve the quality of our order book and cash flows, and enhance returns on capital. Growth will remain structured, aligned with our capabilities and supported by financial discipline.

We are also evaluating new markets and adjacent sectors where Ramky's engineering, environmental and project-development capabilities can create long-term value. Rapid urbanisation, water security, resource circularity, environmental sustainability and emerging digital and industrial infrastructure are creating significant opportunities that align naturally with Ramky's strengths.

I believe the next phase of Ramky Infrastructure's journey can be both exciting and value-creating. Our commitment is clear: **execute with integrity, grow with discipline and build sustainably**.

I thank our employees for their commitment, our customers and partners for their trust, and our shareholders and stakeholders for their continued support.

Warm regards,

Sunil Sukumaran Nair
Chief Executive Officer

Message from the Chief Financial Officer

“

I am pleased to present the financial performance of Ramky Infrastructure Limited for FY 2025–26.

”

Rayapudi Sravanth
Chief Financial Officer

It is a privilege to join Ramky Infrastructure at such a pivotal moment in its journey, and an even greater privilege to share with you a defining chapter in the company's transformation – FY 2025–26.

This year was not merely about numbers; it was about strengthening the foundation on which we continue to build a more resilient, future-ready organization. The disciplined execution and strategic choices that have shaped this journey. EBITDA reached INR 4,253.12 Millions, translating into a margin of 21%, while Profit After Tax stood at INR 2,827.77 Million – outcomes of a deliberate shift towards stronger cash flows, sharper working capital discipline, and a more thoughtful approach to capital allocation.

We enter the new financial year with real momentum behind us and a business pipeline stronger than it has ever been. Our order book, now at approximately INR 13,000 Crores, is far more than a figure on a page – it is a powerful signal of the trust our clients continue to place in us as we grow and evolve together.

This year's milestones: the INR 2,085 Crore water transmission project awarded by the Hyderabad Metro Water & Sewerage Board, the INR 1,401 Crore infrastructure works at Dighi Port Industrial Area awarded by the Maharashtra Industrial Township Limited, and the landmark INR 3,000 Crore Life Sciences City project awarded by the Maharashtra Industrial Development Corporation. Together, these wins mark decisive strides across water and wastewater, urban infrastructure, and industrial parks.

These are not just contracts – they are proof of a company that keeps reinventing the way it creates value, through a balanced mix of EPC, development, and long-term operating opportunities that will define our next phase of growth.

As we look ahead, our transformation stays anchored to clear priorities: strengthening cash conversion, deepening working capital discipline, evaluating every opportunity through the lens of risk-adjusted returns, and deploying capital with intent and precision. We will continue to pursue only those opportunities where our execution strength and deep domain expertise give us a genuine edge.

On the financial architecture side, we have a strong treasury function that is agile and forward-looking, steadily widening our access to low-cost funds and structuring project-specific financing that matches the risk and return profile of each opportunity we pursue. We are equally prepared to handle

increasingly complex financing requirements, including insurance surety bonds, as an alternative to conventional bank guarantees, freeing up capital while meeting our obligations to clients. This financial discipline has been recognised through improved credit ratings from external rating agencies and stronger, deeper banking relationships, both of which lower our cost of capital and expand our headroom for growth. Underpinning all of this is a robust annual strategic planning process that keeps our capital, risk, and growth priorities in constant alignment, along with a clear-eyed approach to structured exits and restructuring wherever they help us sharpen focus and unlock value.

No account of our transformation would be complete without acknowledging the distance we have travelled to arrive here. In 2015, the Company took the difficult but necessary decision to enter into restructuring. By 2019, we had repaid our debts in full, a milestone that spoke to the discipline and resolve of everyone who stood behind this organization through that period. In 2026, we completed the full circle by executing our exit from restructuring, with ROC charge filings and security release from banks now underway. This is more than a financial milestone; it is the story of an organization that chose the harder path of discipline over shortcuts, and emerged stronger, cleaner, and more credible for it.

The finance function is not just a custodian of capital – it is a builder of sustainable value. Every financing decision we make is weighed not only against near-term returns but against the strength it lends to our balance sheet, our resilience through cycles, and the confidence it inspires in the partners who back us for the long haul. It is this philosophy – value that compounds responsibly, rather than value chased at any cost – that connects our numbers this year to the enduring institution we are building for tomorrow.

Our journey is not defined by growth alone – it is defined by growth that is profitable, sustainable, and built on the bedrock of disciplined execution.

To our shareholders, lenders, employees, customers, and business partners: thank you for walking this journey with us, and for the trust and support that continue to drive us forward.

Warm regards,

Rayapudi Sravanth

Our Governance Framework

At Ramky Infrastructure, governance is built on accountability, transparency, responsibility and fairness. These principles guide the way we make decisions, manage risks and engage with our stakeholders.

The Board provides oversight and strategic direction, supported by dedicated committees that focus on audit and financial reporting, remuneration, stakeholder interests and risk management. Clearly defined policies, internal controls and compliance processes support responsible business conduct across the organisation.

Ramky is committed to maintain high standards of ethical conduct, regulatory compliance and disclosure, while ensuring that business decisions are taken with due regard to the interests of shareholders and other stakeholders.

Our CSR Endeavours: Creating Meaningful Impact

CSR Contribution through the Ramky Foundation and Telugu People Foundation, Ramky Infrastructure Limited continued to support communities through focused initiatives across healthcare, education, skill development, rural development, natural resource management and women empowerment. During FY 2025–26, the Company undertook 50+ CSR activities, impacting 45,000+ lives.

FY 2025–26 at a Glance

50+

CSR Activities

45,000+

Lives Impacted

₹58.30 Mn

Amount Spent

Thrust Areas

Health

Medical aid, awareness programmes, medical camps, blood donation and cancer screening initiatives supported community health and access to care.

Education

Scholarships, higher education support and infrastructure augmentation in government schools helped strengthen access to learning opportunities.

Skill Development

Training programmes spanning IT-ITeS, BFSI, competitive examinations and other skill areas focused on improving employability and career opportunities.

Rural Development

Community-focused interventions supported local infrastructure, livelihoods and development needs in rural and underserved communities.

Natural Resource Management

Initiatives including climate-resilient agriculture and Miyawaki Dense Forest plantation promoted sustainable practices and environmental resilience.

Women Empowerment

Initiatives such as Project Jeevika focused on livelihood support, dignity and opportunities for women from vulnerable communities.

We strive to create infrastructure and opportunities that deliver lasting value to communities.

NOTICE

Notice is hereby given that the 32nd Annual General Meeting of the members of Ramky Infrastructure Limited is scheduled to be held on Saturday, 26th day of September, 2026 at 11.30 AM through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”) to transact the following businesses.

The proceedings of the 32nd Annual General Meeting (“AGM”) shall be deemed to be conducted at the Registered Office of the Company situated at 15th Floor, Ramky Grandiose, Survey No. 136/2 & 4, Gachibowli, Hyderabad - 500032, Telangana, India which shall be the deemed venue of the AGM.

ORDINARY BUSINESS:

1. Adoption of the Annual Audited Financial Statements and Reports thereon:

To receive, consider and adopt the Audited Standalone Financial Statements of the Company for the financial year ended 31st March 2026, together with the Reports of the Board of Directors and the Statutory Auditor thereon and the Audited Consolidated Financial Statements of the Company for the financial year ended 31st March 2026, together with the Report of the Statutory Auditor thereon.

To consider and, if thought fit, to pass the following Resolution as an **Ordinary Resolution**:

“**RESOLVED THAT** the Audited Standalone Financial Statements of the Company for the financial year ended 31st March 2026, together with the Reports of the Board of Directors and the Statutory Auditor thereon, be and are hereby received, considered and adopted.”

“**RESOLVED FURTHER THAT** the Audited Consolidated Financial Statements of the Company for the financial year ended 31st March 2026, together with the Report of the Statutory Auditor thereon, be and are hereby received, considered and adopted.”

2. Declaration of Dividend

To declare a dividend on equity shares for the financial year ended 31st March 2026, as recommended by the Board of Directors.

To consider and, if thought fit, to pass the following Resolution as an **Ordinary Resolution**:

“**RESOLVED THAT** as recommended by the Board of Directors, a dividend at the rate of ₹1.00 per equity share of face value of ₹10 each for the financial year ended 31st March 2026, be and is hereby declared and the said dividend be paid out of the profits of the Company to the eligible Members.”

3. Re-appointment of Dr. Anantapuram Guggela Ravindranath Reddy (DIN: 01729114) who retires by rotation and being eligible, offers himself for re-appointment as a Director of the Company

To appoint a Director in place of Dr. Anantapuram Guggela Ravindranath Reddy (DIN: 01729114) who retires as a Director by rotation at this Annual General Meeting and, being eligible, offers himself for re-appointment.

To consider and, if thought fit, to pass the following Resolution as an **Ordinary Resolution**:

“**RESOLVED THAT** in accordance with the provisions of Section 152 and other applicable provisions, if any, of the Companies Act, 2013, (including any statutory modification or re-enactment thereof, for the time being in force), Dr. Anantapuram Guggela Ravindranath Reddy (DIN: 01729114), who retires as a Director by rotation and, being eligible, offers himself for re-appointment, be and is hereby re-appointed as a Director of the Company, liable to retire by rotation.”

SPECIAL BUSINESS:

4. Ratification of Remuneration of Cost Auditor for the Financial Year 2026-27

To consider and if thought fit, to pass the following resolution as an **Ordinary Resolution**:

“**RESOLVED THAT** pursuant to the provisions of Section 148(3) and all other applicable provisions of the Companies Act, 2013, read with the Companies (Audit and Auditors) Rules, 2014 and Companies (Cost records and Audit) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), the remuneration payable to M/s. S.R. and Associates, Cost Accountants (Firm Reg. No: 000540) who were appointed by the Board of Directors of the Company to conduct the audit of the cost records of the Company for the financial year 2026-27, amounting to Rs. 2,00,000/- (Rupees Two lakhs only) plus all applicable taxes and reimbursement of out-of-pocket expenses incurred by them in connection with the aforesaid audit be and is hereby confirmed, ratified and approved.”

“**RESOLVED FURTHER THAT** the Board of Directors of the Company be and are hereby severally authorized to do all such acts, deeds, things and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

5. Re-appointment of Mr. Eshwar Reddy Purmandla (DIN: 01892327) as an Independent Director of the Company:

To consider and, if thought fit, to pass the following resolution as a **Special Resolution**:

“**RESOLVED THAT** pursuant to the provisions of Sections 149, 150 and 152 and other applicable provisions of the Companies Act, 2013 (the “Act”), read with Schedule IV to the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014, and such other rules, as may be applicable, Regulation 17 and other applicable regulations of SEBI (LODR) Regulations, 2015 as amended from time to time and pursuant to the provisions of Articles of Association of the Company and based on the recommendations of the Nomination and Remuneration Committee and the approval of the Board of Directors, the consent of the members of the Company be and are hereby accorded for the re-appointment of Mr. Eshwar Reddy Purmandla (DIN: 01892327) as an Independent Director for the second term of 5(five) consecutive years w.e.f. 09th November 2026 to 08th November 2031 (both days inclusive).

RESOLVED FURTHER THAT pursuant to Regulation 17(1A) of SEBI (LODR) Regulations, 2015, and other applicable provisions, if any, of the Companies Act, 2013, on approval and recommendation of the Nomination and Remuneration Committee and the Board of Directors of the Company, the consent of the members be and is hereby accorded for continuation of the directorship of Mr. Eshwar Reddy Purmandla as a non-executive Independent Director of the company beyond the age of 75 years till the expiry of his current term on 08th November, 2031.

“**RESOLVED FURTHER THAT** the Board of Directors of the Company be and are hereby severally authorized to do all such acts, deeds, things and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

6. Re-appointment of Mr. Yancharla Rathnakara Nagaraja, Managing Director of the Company:

To consider and, if thought fit, to pass the following resolution, as an **Ordinary Resolution**:

“**RESOLVED THAT** pursuant to the provisions of Sections 196, 197, 198, 203 read with Schedule V, and other applicable provisions if any, of the Companies Act, 2013 (“the Act”), read with Rule 3 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, (‘Rules’), framed thereunder [including any statutory modification(s) or amendment(s) thereto or re-enactment(s) thereof for the time being in force], and Regulation 17 of the SEBI (LODR) Regulations, 2015, (including any statutory modification or re-enactment(s) thereof for

the time being in force), and the Articles of Association of the Company, and based on the recommendation of the Nomination and Remuneration Committee and approval of the Board of Directors of the Company, the consent of the members of the company be and is hereby accorded for the re-appointment of Mr. Yancharla Rathnakara Nagaraja (DIN: 00009810), as Managing Director of the Company to hold office for a period of 5 (five) consecutive years effective from April 01, 2027 to March 31, 2032 (both days inclusive) and whose office shall not be liable to retirement by rotation, on such terms and conditions including remuneration payable by the Company as set out in the Explanatory Statement annexed to the Notice, with liberty to the Board of Directors (hereinafter referred to as “the Board” which term shall include the Nomination and Remuneration Committee of the Board) to alter and vary the terms and conditions of the said reappointment and / or remuneration as it may deem fit and as may be acceptable to Mr. Yancharla Rathnakara Nagaraja, subject to the same not exceeding the overall ceiling of the total managerial remuneration as provided under Section 197 and Schedule V of the Companies Act, 2013 or such other limits as may be prescribed.”

“**RESOLVED FURTHER THAT** the Board of Directors of the Company be and are hereby severally authorized to do all such acts, deeds, things and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

7. To consider and approve the Related Party Transactions for Issue of NCDs by Maha Integrated Life Sciences City Limited to Ardha Holding Private Limited.

To consider and, if thought fit, to pass the following resolution as an **Ordinary Resolution**:

“**RESOLVED THAT** pursuant to Regulations 2(1)(zc) and 23 of SEBI (LODR) Regulations, 2015 read with Section 185, 188 and other applicable provisions of the Companies Act, 2013 and rules made thereunder, if any, (including any statutory modification(s) or amendment(s) thereto or re-enactment(s) thereof, for the time being in force), Policy on Related Party Transactions, based on the recommendations of the Audit Committee and the Board, and subject to such other necessary registrations, consents, permissions, approvals and sanctions, as may be required from lenders and any other statutory / regulatory authorities under any applicable laws or regulations or guidelines, approval of the members of the Company be and is hereby accorded to enter into a related party transaction between Ardha Holding Private Limited, Promoter Group Company and

NOTES:

Maha Integrated Life Sciences City Limited, Wholly Owned Subsidiary of the Company in relation to the issue and subscription of such number of secured, unlisted, redeemable non-convertible debentures upto an Aggregate amount of Rs. 7,000 Millions in one or more tranches Maha Integrated Life Sciences City Limited to Ardha Holding Private Limited, on such terms and conditions, including coupon rate, tenure, redemption, security and other terms, as may be mutually agreed between the parties, as set out in the Explanatory Statement annexed to the Notice.

RESOLVED FURTHER THAT the consent of the members be and are hereby accorded to the provision of a shortfall undertaking by Ramky Infrastructure Limited in favour of Ardha Holding Private Limited in connection with the aforesaid NCDs by way of pledge of 51% equity shares held by Ramky Infrastructure Limited in Maha Integrated Life Sciences City Limited to cover any shortfall in the repayment of principal, payment of interest or any other amounts payable in respect of the NCDs, on such terms and conditions as may be mutually agreed between the parties and

as set out in the Explanatory Statement annexed to the Notice.

RESOLVED FURTHER THAT the Board be and is hereby authorised to do all such acts, deeds, matters and things as it may deem fit at its absolute discretion and to take all such steps as may be required in this connection including finalising and executing necessary contract(s), scheme(s), agreement(s) and such other documents as may be required, seeking all necessary approvals to give effect to this resolution, for and on behalf of the Company and settling all such issues, questions, difficulties or doubts whatsoever that may arise and to take all such decisions with regard to the powers herein conferred to, without being required to seek further consent or approval of the members or otherwise to the end and intent that the members shall be deemed to have given their approval thereto expressly by the authority of this resolution.

RESOLVED FURTHER THAT all acts, deeds and things already undertaken by the Board in connection with the aforesaid matter be and are hereby approved and confirmed.

For and on behalf of the Board of
Ramky Infrastructure Limited

Sd/-

Yancharla Rathnakara Nagaraja
Managing Director
DIN: 00009810

Place: Hyderabad
Date: 10.08.2026

1. The Ministry of Corporate Affairs, Government of India ("MCA") vide its General Circular No. 03/2025 dated September 22, 2025 (In continuation with the Circulars issued earlier in this regard) read with SEBI vide Circular No. SEBI/HO/DDHS/DDHS-PoD-1/P/CIR/2025/83 dated 05.06.2025 (hereinafter collectively referred to as the "Circulars") inter-alia, allowed conducting AGMs through Video Conferencing/ Other Audio-Visual Means ("VC/OAVM") facility. In compliance with aforesaid Circulars, provisions of the Companies Act, 2013 ("Act") and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the 32nd AGM of the Company is being conducted through VC/OAVM facility, which does not require physical presence of Members at a common venue. The deemed venue for the 32nd AGM shall be the Registered Office of the Company.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxy by the Members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed to this notice.
3. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.
4. An Explanatory Statement under Section 102 of the Companies Act, 2013 in respect of item No. 4, 5, 6 & 7 of the Notice is annexed hereto.
5. Information as required under Regulation 36 of the SEBI Listing Regulations and Secretarial Standard on General Meetings (SS-2) with respect to Director(s) seeking appointment/re-appointment at this AGM, are provided in the Annexure to the explanatory statement attached to this Notice.
6. The Company has appointed M/s. KFin Technologies Limited, Registrars and Transfer Agents, to provide VC/OAVM facility for the Annual General Meeting and the attendant enablers for conducting of the AGM.
7. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairperson of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc., who are allowed to attend the AGM without restriction of first come first served basis.
8. The attendance of Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
9. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and aforementioned Circulars issued by the Ministry of Corporate Affairs, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners (in case of electronic shareholding) maintained by the Depositories as on the cut-off date i.e Friday, 18th September 2026 only shall be entitled to avail the facility of remote e-voting / e-voting at the AGM. For this purpose, the Company has entered into an agreement with KFin Technologies Limited for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by KFin Technologies Limited.
10. In line with the MCA Circulars, the Notice of the 32nd AGM along with the Annual Report for 2025-26 will be available on the Company's website www.ramkyinfrastructure.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also available on the website of KFin Technologies Limited ("KFinTech"/"RTA") at www.kfintech.com.
11. The Notice of AGM and Annual Report are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participant(s). Members (Physical / Demat) who have not registered their email addresses with the company can get the same registered with the company by requesting in member updation form by sending an email to einward.ris@kfintech.com. Please submit duly filled and signed member updation form to the abovementioned email. Upon verification of the Form the email will be registered with the Company till the date of AGM.
12. Corporate Members intending to authorize their

representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company by an email at investors@ramky.com and to the Scrutinizer by an email at csnvss@gmail.com, a certified copy of the relevant Board Resolution together with their respective specimen signatures authorizing their representative(s) to attend and vote on their behalf at the Meeting.

13. Members desirous of seeking any information on the accounts or operations of the Company are requested to write to the Company at investors@ramky.com from 23rd September 2026 (09:00 A.M.) (IST) up to 24th September 2026 (05:00 P.M.) (IST), so that the required information can be made available at the Meeting.

14. In terms of Section 72 of the Companies Act, 2013, a member of the company may nominate a person on whom the shares held by him/her shall vest in the event of his/her death. Members desirous of availing this facility may submit nomination in prescribed Form-SH-13 to the company/RTA in case shares are held in physical form, and to their respective depository participant, if held in electronic form.

15. Members holding shares in physical form are requested to advise any change of address immediately to the Company's Registrar & Share Transfer Agent, KFin Technologies Limited. Members holding shares in electronic form must send the advice about the change of address to their respective Depository Participants (DPs) and not to the Company. Non-resident Indian shareholders are requested to inform us immediately the change in the residential status on return to India for permanent settlement.

16. Members holding shares under multiple folios are requested to consolidate their holdings, if the shares are held in the same name or in the same order of names.

17. The equity shares of the Company have been notified for compulsory trading in demat form. The Company has signed a tripartite agreement with National Securities Depository Limited (NSDL), Central Depository Services (India) Limited (CDSL) and KFin Technologies Limited to facilitate dematerialisation of shares. Members are requested to avail of this facility and have their shareholding converted into dematerialised form.

18. Considering the sustainability initiatives of the company and the save tree and preserve environment, all Documents referred to in the accompanying notice and the Explanatory Statement will be sent to the respective shareholder upon receiving the request at

the e-mail id investors@ramky.com of the Company for inspection of the members of the Company.

19. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection by giving a prior notice to the Company. Members can inspect the same by sending an email to investors@ramky.com.

20. Any Director himself or any member intending to propose any person as a Director other than a retiring director, has to give a notice as to his intention to propose him/her as a candidate for that office not less 14 (fourteen) days before the meeting.

21. Shareholders who would like to express their views/ask questions during the meeting should register themselves as a speaker by sending a request mentioning their name, demat account number/folio number, email id, mobile number to investors@ramky.com during the period starting from 23rd September 2026 (09:00 A.M.) (IST) up to 24th September 2026 (05:00 P.M.) (IST).

22. Shareholders who have queries may send their questions in advance mentioning their name, demat account number/folio number, email id, mobile number at investors@ramky.com during the period starting from 23rd September 2026 (09:00 A.M.) (IST) up to 24th September 2026 (05:00 P.M.) (IST).

23. Those shareholders who have registered themselves as a speaker and confirmed by Company will only be allowed to express their views/ask questions during the meeting. The Company reserves the right to restrict the speakers at the AGM to only those Members who have registered themselves, depending on the availability of time for the AGM.

24. The Company has fixed Friday, 18th September 2026 as the "Record Date" for determining entitlement of Members to final dividend for the financial year ended 31st March 2026, if approved at the AGM.

25. Pursuant to the Finance Act 2020, dividend income is taxable in the hands of Members and the Company is required to deduct tax at source at the prescribed rates from the dividend paid to Members. For the prescribed rates for various categories, Members are requested to refer to the Finance Act, 2020, as amended. Members are requested to update their Permanent Account Number (PAN) with their respective Depository Participant(s) (DP) (in case

of shares held in a dematerialised form) and with Kfintech (in case of shares held in physical form).

26. To avail the benefit of non-deduction of tax at source / avail beneficial rates, Members were requested to submit the requisite declarations / documents, as applicable, at <https://ris.kfintech.com/form15>.

27. In accordance with Regulation 12 of the Listing Regulations read with SEBI Master Circular No. HO/38/13/(4)2026 – MIRSD - POD/I/4298/2026 dated February 6, 2026, all the payments to shareholders with respect to dividend shall be made in electronic mode only and no 'payable at par' warrants or cheques or drafts shall be issued towards dividend payouts. Therefore, the Members are requested to update their bank account details. Members who wish to change their bank account details may advise their DPs about such change with complete details of bank account, including IFSC Code. Members residing at the regions where NECS / NEFT / Direct Credit / RTGS / Swift Facility is available are advised to avail of the option to collect dividend by way of these electronic modes.

28. Members holding shares in physical form are requested to send their duly filled Form ISR-1, available on the website of the Kfintech at <https://ris.kfintech.com/clientservices/investors/isrs.aspx>, under the signature of the Sole / First joint holder, to Kfintech. For Members holding shares in physical form and whose folio(s) are not updated with the KYC details (any of the details viz., PAN; Choice of Nomination; Contact Details; Mobile Number and Bank Account Details and signature, if any) shall be eligible for payment of dividend, in respect of such folios, only through electronic mode with effect from 1st April, 2024. Therefore, Members are requested to update the necessary details at the earliest failing which, all payments will be withheld till the KYC details are updated.

29. In terms of Sections 124 of the Companies Act, 2013 the amount of dividend remaining unclaimed or unpaid for a period of seven years from the date of transfer to the unpaid dividend account is required to be transferred to the Investor Education and Protection Fund (IEPF). Shareholders are requested to ensure that they claim the dividend(s) from the Company before transfer of the said amounts to the IEPF.

30. The Securities Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit the PAN to their Depository Participant with whom they are

maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company's Registrar and Transfer Agent.

31. Members holding shares in the company and who have not registered their mail id with the company or the depository and wish to avail e voting may write to the registrar or the company quoting their client id/folio no and DP id so as to send the password for e voting.

32. With the aim of curbing fraud and manipulation risk in physical transfer of securities, SEBI has notified the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 on 8-Jun-2018 to permit transfer of listed securities only in the dematerialized form with a depository. In view of the above and the inherent benefits of holding shares in electronic form, we urge the shareholders holding shares in physical form to opt for dematerialization.

33. The Ministry of Corporate Affairs has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and has issued circulars stating that service of notice/ documents including Annual Report can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of dematerialised holdings with their respective Depository Participants. Members who hold shares in physical form are requested to fill and send the required details to the Registrar and Share Transfer Agent, KFin Technologies Limited at Karvy Selenium, Tower B, Plot No 31 & 32, Gachibowli, Financial District, Nanakramguda, Hyderabad – 500032, Telangana.

1. Voting through electronic means:

i. In compliance with the provisions of section 108 of the Companies Act, 2013, the Companies (Management and Administration) Rules, 2014, amended by the Companies (Management and Administration) Amendment Rules, 2014 and Regulation 44 of the SEBI (LODR) Regulations, 2015, shareholders are provided with the facility to cast their vote electronically, through the Remote e-voting services provided by KFin Technologies Limited, in respect of all resolutions set forth in this Notice.

ii. Mr. N.V.S.S. Suryanarayana Rao, Practising Company Secretary, has been appointed as the Scrutinizer to scrutinize the Remote e-voting process and venue voting process in a fair and

transparent manner.

iii. A person whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date i.e., Friday, 18th September 2026 only shall be entitled to avail the facility of remote e-voting.

iv. The remote e-voting period commences on Wednesday, 23rd September 2026 at 9.00 A.M. (IST) and ends on Friday, 25th September 2026 at 5.00 P.M. (IST) The remote e-voting module shall be disabled for voting thereafter. Once the vote on resolution is cast by the member, the member shall not be allowed to change it subsequently.

v. Members, who are present in meeting through video conferencing facility and have not casted their vote on resolution through remote e-voting, shall be allowed to vote through e-voting system during the meeting.

vi. The results of the electronic voting shall be declared to the Stock Exchanges after the AGM within 2 working days. The results along with the Scrutinizer's Report, shall also be placed on the website of the Company.

PROCEDURE FOR REMOTE E-VOTING

- i. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of the SEBI Listing Regulations and in terms of SEBI vide circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 9-Dec-2020 in relation to e-Voting Facility Provided by Listed Entities, the Members are provided with the facility to cast their vote electronically, through the e-Voting services provided by KFin Technologies Limited, on all the resolutions set forth in this Notice. The instructions for e-Voting are given herein below.
- ii. However, in pursuant to SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9-Dec-2020 on "e-Voting facility provided by Listed Companies", e-Voting process has been enabled to all the individual demat account holders, by way of single login credential, through their demat accounts / websites of Depositories / DPs in order to increase the efficiency of the voting process.
- iii. Individual demat account holders would be able to cast their vote without having to register again with the e-Voting service provider (ESP) thereby not only facilitating seamless authentication but also ease and convenience of participating in e-Voting process. Shareholders are advised to update their mobile number and e-mail ID with their DPs to access e-Voting facility.

iv. The remote e-Voting period commences on Wednesday, 23rd September 2026 at 9.00 A.M. (IST) and ends on Friday, 25th September 2026 at 5.00 P.M (IST)

v. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date i.e. Friday , 18th September 2026

vi. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at einward.ris@kfintech.com However, if he / she is already registered with KFin Technologies Limited for remote e-Voting then he /she can use his / her existing User ID and password for casting the vote.

vii. In case of Individual Shareholders holding securities in demat mode and who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date may follow steps mentioned below under "Login method for remote e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode."

viii. The details of the process and manner for remote e-Voting and e-AGM are explained herein below:

Step 1: Access to Depositories e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access to KFinTech e-Voting system in case of shareholders holding shares in physical and non-individual shareholders in demat mode.

Step 3: Access to join virtual meetings (e-AGM) of the Company on KFin system to participate e-AGM and vote at the AGM.

l) Procedure for Login for E-voting and Attending AGM through VC/OAVM for Individual Shareholders holding securities in Demat mode.

In terms of SEBI circular dated December 09, 2020, on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their Demat accounts to access e-Voting facility.

Login method for Individual shareholders holding securities in Demat mode is given below:

Individual shareholders holding securities in Demat mode with National Securities Depository Limited ("NSDL")

For OTP based login you can click on <https://eservices.nsdl.com/SecureWeb/evoting/evotinglogin.jsp>. You will have to enter your 8-digit DP ID, 8-digit Client Id, PAN No., Verification code and generate OTP. Enter the OTP received on registered email id/mobile number and click on login. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on the company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Existing Internet-based Demat Account Statement ("IDeAS") facility Users:

Visit the e-services website of NSDL <https://eservices.nsdl.com> either on a personal computer or on a mobile.

On the e-services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. Thereafter enter the existing user id and password.

After successful authentication, Members will be able to see e-voting services under 'Value Added Services'. Please click on "Access to e-voting" under e-voting services, after which the e-voting page will be displayed.

Click on company name i.e. "RAMKY INFRASTRUCTURE LIMITED" or ESP i.e. KFin.

Members will be re-directed to KFin's website for casting their vote during the remote e-voting period. Those not registered under IDeAS:

Visit <https://eservices.nsdl.com> for registering.

Select "Register Online for IDeAS Portal" or click at <https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp>

Visit the e-voting website of NSDL <https://www.evoting.nsdl.com>.

Once the home page of e-voting system is launched, click on the icon "Login" which is available under 'Shareholder / Member' section. A new screen will open.

Members will have to enter their User ID (i.e. the sixteen digit demat account number held with NSDL), password / OTP and a verification code as shown on the screen.

After successful authentication, Members will be redirected to NSDL Depository site wherein they can see e-voting page.

Click on company name i.e. RAMKY INFRASTRUCTURE LIMITED or ESP name i.e. KFin after which the Member will be redirected to ESP website for casting their vote during the remote e-voting period.

Members can also download the NSDL Mobile App "NSDL Speede" facility by scanning the QR code mentioned below for seamless voting experience.

NSDL Mobile App is available on

Individual Shareholders holding securities in Demat mode with Central Depository Services (India) Limited ("CDSL")

Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login to Easi / Easiest are requested to visit cdsi website www.cdslindia.com and click on login icon & New System Myeasi Tab.

After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly.

Click on Company Name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at 022 – 48867000
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911

II) Login method for remote e-voting for shareholders other than individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

- Initial password is provided in the body of the e-mail.
- Launch internet browser and type the URL: <https://evoting.kfintech.com> in the address bar.
- Enter the login credentials i.e. User ID and password mentioned in your e-mail. Your Folio No./DP ID Client ID will be your User ID. However, if you are already registered with KFin for e-voting, you can use your existing User ID and password for casting your votes.

iv. After entering the correct details, click on LOGIN.

v. You will reach the password change menu wherein you are required to mandatorily change your password. The new password shall comprise minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.). It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

vi. You need to login again with the new credentials.

vii. On successful login, the system will prompt you

to select the EVENT i.e. Ramky infrastructure limited.

viii. On the voting page, the number of shares (which represents the number of votes) held by you as on the cut-off date will appear. If you desire to cast all the votes assenting/dissenting to the resolution, enter all shares and click 'FOR'/'AGAINST' as the case may be or partially in 'FOR' and partially in 'AGAINST', but the total number in 'FOR' and/or 'AGAINST' taken together should not exceed your total shareholding as on the cut-off date. You may also choose the option 'ABSTAIN', in which case, the shares held will not be counted under either head.

ix. Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/demat account.

x. Cast your votes by selecting an appropriate option and click on 'SUBMIT'. A confirmation box will be displayed. Click 'OK' to confirm, else 'CANCEL' to modify. Once you confirm, you will not be allowed to modify your vote subsequently. During the voting period, you can login multiple times till you have confirmed that you have voted on the resolution.

xi. Corporate/institutional members (i.e. other than individuals, HUF, NRI, etc.) are required to send scanned image (PDF/JPG format) of certified true copy of relevant board resolution/authority letter etc. together with attested specimen signature of the duly authorised signatory(ies) who is/are authorised to vote, to the Scrutinizer through email at csnvss@gmail.com and may also upload the same in the e-voting module in their login. The scanned image of the above documents should be in the naming format "Ramky Infrastructure Limited_10125".

xii. In case of any queries/grievances, you may refer the Frequently Asked Questions (FAQs) for members and e-voting User Manual available at the 'download' section of <https://evoting.kfintech.com> or call KFin on 1800 309 4001 (toll free).

III) INSTRUCTIONS FOR all SHAREHOLDERS for attending the AGM through VC/OAVM and VOTING ON THE DAY OF THE AGM ON E-VOTING SYSTEM ARE AS UNDER:

i. Only those members/shareholders, who will be present in the e-AGM and who have not cast their vote through remote e-voting and are otherwise not barred from doing so are eligible to vote.

ii. Members who have voted through remote e-voting will still be eligible to attend the e-AGM.

iii. Members attending the e-AGM shall be counted for the purpose of reckoning the quorum under section 103 of the Act.

iv. Voting at e-AGM will be available at the end of the e-AGM and shall be kept open for 15 minutes. Members viewing the e-AGM, shall click on the 'e-voting' sign placed on the left-hand bottom corner of the video screen. Members will be required to use the credentials, to login on the e-Meeting webpage, and click on the 'Thumbs-up' icon against the unit to vote.

v. Members will be able to attend the e-AGM through VC/OAVM or view the live webcast of e-AGM provided by KFin at <https://emeetings.kfintech.com> by using their remote e-voting login credentials and by clicking on the tab "video conference". The link for e-AGM will be available in members login, where the EVENT and the name of the Company can be selected.

vi. Members are encouraged to join the meeting through devices (Laptops, Desktops, Mobile devices) with Google Chrome for seamless experience.

vii. Further, members registered as speakers will be required to allow camera during e-AGM and hence are requested to use internet with a good speed to avoid any disturbance during the meeting.

viii. Members may join the meeting using headphones for better sound clarity.

ix. While all efforts would be made to make the meeting smooth, participants connecting through mobile devices, tablets, laptops, etc. may at times experience audio/video loss due to fluctuation in their respective networks. Use of a stable Wi-Fi or LAN connection can mitigate some of the technical glitches.

x. Members, who would like to express their views or ask questions during the e-AGM will have to register themselves as a speaker by visiting the URL <https://emeetings.kfintech.com/> and clicking on the tab 'Speaker Registration' during the period starting from 23rd September 2026 (09:00 A.M.) (IST) up to 24th September 2026 (05:00 P.M.) (IST). Only those members who have registered themselves as a speaker will be allowed to express their views/ask questions during the e-AGM. The Company reserves the right to restrict the number of speakers

EXPLANATORY STATEMENT

(Pursuant to Section 102(1) of the Companies Act, 2013)

Item No 4:

M/s. S.R. and Associates have been the Cost Auditors of the Company during the last few years. They have been providing requisite inputs in evaluating the performance of the entity from the costing perspective and have been giving the requisite recommendations to the Board and the management of the Company.

Based on the recommendation of the Audit Committee, the Board of Directors of the Company has appointed M/s. S.R. and Associates, Practising Cost Accountants to conduct the audit of the cost records of the Company for the financial year 2026-27 at a remuneration of Rs. 2,00,000/- (Rupees Two Lakhs only) plus all applicable taxes and re-imbursement of out of pocket expenses incurred by them in connection with the aforesaid audit.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a) (ii) of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is to be ratified by the Members.

Accordingly, the Board recommends the resolution as set out in Item No. 04 of the Notice for approval of the members by way of an Ordinary Resolution.

None of the Directors, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 04.

Item No 5:

Mr. Eshwar Reddy Purmandla, (DIN: 01892327), was appointed as an Independent Director of the Company by the Members by way of Postal Ballot Notice dated 27th December 2023 for a period of 3 (three) consecutive years commencing from 9th November 2023 to 08th November 2026 (both days inclusive).

The Company has received a notice in writing pursuant to Section 160 of the Companies Act, 2013, from a Member signifying his intention to propose the candidature of Mr. Eshwar Reddy Purmandla as an Independent Director of the Company.

The Company has received from Mr. Eshwar Reddy Purmandla consent in writing to act as a Director, an intimation to the effect that he is not disqualified under Section 164(2) of the Companies Act, 2013 and a declaration to the effect that he meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015.

Considering the knowledge, expertise and experience of Mr. Eshwar Reddy Purmandla and based on the performance evaluation, the Nomination and

Remuneration Committee (NRC) has recommended to the Board his re-appointment as an Independent Director of the Company for a term of 5 (five) years. In the opinion of the Board, Mr. Eshwar Reddy Purmandla fulfils the conditions specified in the Act, and Rules made thereunder and SEBI (LODR) Regulations, 2015, for his appointment as an Independent Director of the Company and he is independent of the Management of the Company. The Board considers that the reappointment of Mr. Eshwar Reddy Purmandla as an Independent Director would be of immense benefit to the Company.

As per Regulation 17(1A) of SEBI (LODR) Regulations, 2015, for continuing the directorship of any person as a Non-Executive Independent Director who has attained the age of 75 years, a special resolution is required to be passed by the members at a General Meeting.

In view of the above, as Mr. Eshwar Reddy Purmandla is attaining the age of 75 years on October 10, 2028, the Shareholders' approval is specifically sought by way of Special Resolution for continuation of his directorship as Independent Director till the completion of his proposed 5 years term, i.e. till 08th November 2031.

Based on the recommendation of the Nomination & Remuneration Committee ('NRC'), the Board of Directors at their meeting held on 10th August 2026, proposed the re-appointment of Mr. Eshwar Reddy Purmandla as an Independent Director of the Company for the second term of 5 (five) consecutive years commencing from 09th November 2026, up to 08th November 2031 (both days inclusive), not liable to retire by rotation, for the approval of the Members by way of a Special Resolution and continuation of his tenure even after attaining the age of seventy five years upto 08th November 2031.

Save and except Mr. Eshwar Reddy Purmandla and his relatives, none of the Directors, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 05, except to the extent of their shareholding in the Company.

Accordingly, the Board recommends the resolution as set out in Item No. 05 of the Notice for the approval of the members by way of a Special Resolution.

Additional information in respect of re-appointment of Mr. Eshwar Reddy Purmandla as an Independent Director, pursuant to the Listing Regulations and the Secretarial Standard on General Meetings, is annexed as Annexure-A.

depending on the availability of time for the e-AGM. Only questions of the members holding shares as on the cut-off date will be considered.

xi.A video guide assisting the members attending e-AGM either as a speaker or participant is available for quick reference at URL <https://emeetings.kfintech.com/>, under the "How It Works" tab placed on top of the page.

xii.Members who need technical assistance before or during the e-AGM can contact KFin at emeetings@kfintech.com or Helpline: 1800 309 4001.

Item No 6:

Mr. Yancharla Rathnakara Nagaraja, (DIN: 00009810), was appointed as Managing Director of the Company by the Members at the 27th Annual General Meeting of the Company held on 25th August 2021 for a period of 5 (five) consecutive years commencing from 1st April 2022 to 31st March 2027 (both days inclusive).

The Company has received a notice in writing pursuant to Section 160 of the Companies Act, 2013, from a Member signifying his intention to propose the candidature of Mr. Yancharla Rathnakara Nagaraja as Managing Director of the Company.

Mr. Yancharla Rathnakara Nagaraja has given his consent to act as Managing Director. He confirmed that he satisfies all the conditions set out in Part –I of Schedule V to the Act and also conditions set out under Section 196(3) of the Act, for being eligible for re-appointment as Managing Director of the Company and he is not disqualified from being a Director in terms of Section 164 of the Act.

He has also confirmed that he is not debarred from holding the office of Director by virtue of any SEBI Order or any such authority pursuant to circulars dated June 20, 2018, issued by the BSE Limited and the National Stock Exchange of India Limited pertaining to the enforcement of SEBI Orders regarding the appointment of Directors by the listed companies.

Considering the knowledge, expertise and experience of Mr. Yancharla Rathnakara Nagaraja and based on the performance evaluation, the Nomination and Remuneration Committee (NRC) has recommended to the Board his re-appointment as Managing Director of the Company for a term of 5 (five) years. The Board considers that the reappointment of Mr. Yancharla Rathnakara Nagaraja as Managing Director would be of immense benefit to the Company.

The proposed remuneration payable to Mr. Yancharla Rathnakara Nagaraja, Managing Director of the Company, shall not exceed INR 13.95 Million per annum, along with employer’s contribution to Provident Fund and gratuity and other statutory retirement benefits, including leave encashment, as applicable, in accordance with the applicable provisions of the Companies Act, 2013 and the rules made thereunder. The aforesaid remuneration shall be subject to the limits prescribed under Section 197 of the Companies Act, 2013, as applicable.

Based on the recommendation of the Nomination & Remuneration Committee (‘NRC’), the Board of Directors at their meeting held on 10th August 2026, proposed the re-appointment of Mr. Yancharla Rathnakara Nagaraja as Managing Director of the

Company for a period of 5 (five) consecutive years commencing from 01st April 2027, up to 31st March 2032 (both days inclusive), not liable to retire by rotation, for the approval of the Members by way of an Ordinary Resolution.

Save and except Mr. Yancharla Rathnakara Nagaraja and his relatives, none of the Directors, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 6 of the Notice.

Accordingly, the Board recommends the resolution as set out in Item No. 6 of the Notice for the approval of the members by way of an Ordinary Resolution.

Additional information in respect of re-appointment of Mr. Yancharla Rathnakara Nagaraja as Managing Director, pursuant to the Listing Regulations and the Secretarial Standard on General Meetings, is enclosed as Annexure-A.

Item No. 7

Pursuant to Regulation 23 of the SEBI Listing Regulations, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds the thresholds specified in Schedule XII of SEBI Listing Regulations. Further as per Schedule XII of SEBI Listing Regulations, where the annual consolidated turnover of the Company is up to Rs. 20,000 crore, a related party transaction is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds 10% (ten percent) of the annual consolidated turnover of the Company as per its last audited financial statements. Accordingly, the materiality threshold for seeking shareholders’ approval of the Company for the related party transactions to which the subsidiary of a listed entity is a party but the listed entity is not a party is INR 1846.48 Millions. The said limit is applicable even if the transactions are in the ordinary course of business and at an arm’s length basis.

Maha Integrated Life Sciences City Limited, a wholly owned subsidiary of Ramky Infrastructure Limited, is engaged in the business of Development, Operation, Maintenance & Management of the High-Tech Pharmaceutical Park in Dighi Port Industrial Area, Maharashtra on PPP basis. Ardha Holding Private Limited, a Promoter Group Company of Ramky Infrastructure Limited is an NBFC Core Investment Company.

Maha Integrated Life Sciences City Limited proposes to raise funds for meeting its business and operational requirements, including its working capital

requirements. In this connection, Maha Integrated Life Sciences City Limited proposes to issue secured, unlisted Non-Convertible Debentures (“NCDs”), to Ardha Holding Private Limited for an aggregate amount of Rs. 7,000 Millions. The NCDs shall carry interest at the rate of 15% per annum, payable annually, and shall have a tenure of 15 years, comprising a 5-year moratorium period followed by a 10-year repayment period, with the tenure being extendable for such further period as may be agreed between Ardha Holding Private Limited and Maha Integrated Life Sciences City Limited, subject to such terms and conditions as may be mutually agreed between the parties.

The proposed provision of the aforesaid security by Ramky Infrastructure Limited, being the holding company of Maha Integrated Life Sciences City Limited, is intended to fall within the exemption provided under Section 185(3)(c) of the Companies Act, 2013, which permits a holding company to provide security in respect of a loan taken by its wholly owned subsidiary, provided the funds received pursuant to the proposed issuance of NCDs will be utilised by the Maha Integrated Life Sciences City Limited towards its business and operational requirements, including its working capital requirements. The transaction shall be undertaken in accordance with the provisions of applicable laws and subject to such approvals as may be required.

Pursuant to the general lender requirement the sponsor (i.e. Ramky Infrastructure Limited is required to give sponsor shortfall undertaking and pledge atleast 51% of the shareholding of Ramky Infrastructure Limited in

Maha Integrated Life Sciences City Limited in favour of the Ardha Holding Private Limited. For this RPT approval of the members is being sought.

The Company proposes to enter into related party transactions which will cross the applicable materiality thresholds as mentioned above and the background and details of which are as set out in the table below. Accordingly, as per the SEBI LODR Regulations, prior approval of the members is being sought for such arrangements/transactions proposed to be undertaken by the Company. The said transactions shall be in the ordinary course of business and on an arm’s length basis.

The management has provided the Audit Committee with the relevant details of proposed RPTs including material terms and basis of pricing. All Independent Directors on the Audit Committee, after reviewing all necessary information, have granted approval for entering into the RPTs with Ardha Holding Private Limited (details of which are set out in the table below). The Audit Committee has noted that the said transactions with Ardha Holding Private Limited will be in the ordinary course of business of the Company and at an arm’s length basis.

The Audit Committee has reviewed the certificate from the Managing Director & CEO and the Chief Financial Officer of the Company, as required under the RPT Industry Standards (as defined below).

Pursuant to the SEBI Circular dated June 26, 2025 the Minimum Information relating to the proposed related party transaction(s) is provided herewith:

S.No	Particulars	Details
1.	Information as placed before the Audit Committee in the format as specified in the RPT Industry Standards, to the extent applicable	Refer below table
2.	Justification as to why the proposed transaction is in the interest of the listed entity, basis for determination of price and other material terms and conditions of RPT.	Refer below table
3.	Disclosure of the fact that the Audit Committee has reviewed the certificates provided by the CEO and CFO of the Listed Entity as required under the RPT Industry Standard	The Audit Committee has reviewed the certificates issued by the CFO and the CEO of the Company, as required under the RPT Industry Standards.
4.	Disclosure that the material RPT or any material modification thereto has been approved by the Audit Committee and the Board of Directors recommends the proposed transaction to the shareholders for approval	The material RPT has been approved by the Audit Committee and the Board recommend the proposed transaction to the Members for approval.
5.	Provide web-link and QR Code, through which shareholders can access the valuation report or other reports of external party, if any, considered by Audit Committee while approving the RPT.	Not Applicable

6.	The Audit Committee and Board of Directors, while providing information to the shareholders, can approve redaction of commercial secrets and such other information that would affect competitive position of listed entity and affirm that in its assessment, the redacted disclosures still provide all the necessary information to the public shareholders for informed decision making.	We affirm that all necessary information required by the Members to make an informed decision is provided in the table below. We further affirm that no commercially sensitive information has been disclosed.
7.	Any other information that may be relevant.	No other information is considered relevant

The details as required under Regulation 23(4) of the SEBI Listing Regulations read with SEBI Circular bearing reference no. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021 (“SEBI Circular”) are as follows:

Sr.No	Particulars	Details
A(1) Basic Details of the related party		
1.	Name of the Related Party	(i) Ardha Holding Private Limited (ii) Maha Integrated Life Sciences City Limited
2.	Country of incorporation of the related party	India
3.	Nature of business of the related Party	(i) Ardha Holding Private Limited-NBFC Core Investment Company (ii) Maha Integrated Life Sciences City Limited is engaged in the business of Development, Operation, Maintenance & Management of the High-Tech Pharmaceutical Park in Dighi Port Industrial Area, Maharashtra on PPP basis
A(2) Relationship and ownership of the related party		
1.	Relationship between the listed entity/subsidiary (in case of transaction involving the subsidiary) and the related party – including nature of its concern (financial or otherwise) and the following:	Member of Promoter Group
	Shareholding of the listed entity/ subsidiary (in case of transaction involving the subsidiary), whether direct or indirect, in the related party.	Nil
	- Where the related party is a partnership firm or a sole proprietorship concern or a body corporate without share capital, then capital contribution, if any, made by the listed entity/ subsidiary (in case of transaction involving the subsidiary). - Shareholding of the related party, whether direct or indirect, in the listed entity/ subsidiary (in case of transaction involving the subsidiary).	Not Applicable Ardha Holding Private Limited holds 4.82% Shares in Ramky Infrastructure Limited.
A(3) Details of previous transactions with the related party		
1.	Total amount of all the transactions undertaken by the listed entity or subsidiary with the related party during the last financial year.	Nil
	Explanation: Details need to be disclosed separately for listed entity and its subsidiary	

2.	Total amount of all the transactions undertaken by the listed entity or subsidiary with the related party in the current financial year up to the quarter immediately preceding the quarter in which the approval is sought (i.e., April 01, 2026 to June 30, 2026).	Nil
3.	Any default, if any, made by a related party concerning any obligation undertaken by it under a transaction or arrangement entered into with the listed entity or its subsidiary during the last financial year.	None

A(4) Amount of the proposed transaction(s)		
1.	Amount of the proposed transactions being placed for approval in the meeting of the Audit Committee/ shareholders.	Issuance of Non-Convertible Debentures (NCDs), secured, unlisted by Maha Integrated Life Sciences City Limited to Ardha Holding Private Limited upto an amount of Rs. 7,000 Millions and interest rate @15% P.a on such NCD's.
2.	Whether the proposed transactions taken together with the transactions undertaken with the related party during the current financial year would render the proposed transaction a material RPT?	Yes
3.	Value of the proposed transactions as a percentage of the listed entity's annual consolidated turnover for the immediately preceding financial year	The estimated value of issue of NCDs and receipts of applicable interest rates represents 43.60% of Consolidated Turnover of the Company for FY 2025-26 (which include NCD's of Rs. 7,000 Millions + 15% Interest i.e. Rs. 1050 Millions for the FY 2026-27)
4.	Value of the proposed transactions as a percentage of subsidiary's annual standalone turnover for the immediately preceding financial year (in case of a transaction involving the subsidiary and where the listed entity is not a party to the transaction)	-
5.	Value of the proposed transactions as a percentage of the related party's annual consolidated turnover (if consolidated turnover is not available, calculation to be made on standalone turnover of related party) for the immediately preceding financial year, if available.	Not Applicable

6.	Financial performance of the related party for the immediately preceding financial year:	Financial performance for FY 2025–26 is not available as the financial statements of the related party are yet to be finalized
----	--	--

A(5) Basic details of the proposed transaction		
1.	Specific type of the proposed transaction (e.g. sale of goods/services, purchase of goods/services, giving loan, borrowing etc.)	Issuance of Non-Convertible Debentures (NCDs), secured, unlisted by Maha Integrated Life Sciences City Limited to Ardha Holding Private Limited.
2.	Details of each type of the proposed transaction	Issuance of Non-Convertible Debentures (NCDs), secured, unlisted by Maha Integrated Life Sciences City Limited to Ardha Holding Private Limited upto an amount of Rs. 7,000 Millions and interest rate @15% P.a on such NCD's.
3.	Tenure of the proposed transaction (tenure in number of years or months to be specified)	Total 15 Years (5Years moratorium period + 10 years of repayment) unless further extended by a period as may be agreed between parties.
4.	Whether omnibus approval is being sought?	No

5.	Value of the proposed transaction during a financial year. If the proposed transaction will be executed over more than one financial year, provide estimated break-up financial year-wise.	Rs. 7,000 Million + Interest @15% per annum till the tenor as mentioned in the Term Sheet.
6.	Justification as to why the RPTs proposed to be entered into are in the interest of the listed entity	The proposed transaction involves loan of Rs. 7,000 Millions from Ardha, a related party of the Company, at an interest rate of 15 % per annum, for a tenure of 15 years with 5 years moratorium, on terms that are commercially reasonable and at an arm's length basis. The rate of interest, repayment schedule, and other terms and conditions of the loan are comparable to those that would be offered to/ by an unrelated party in similar circumstances, and are not prejudicial to the interests of the Company or its shareholders. The loan is extended to support the business requirements of the Company, Adequate safeguards, including the defined rate of interest, tenure, and repayment terms, have been built into the transaction to protect the Company's interests. The Audit Committee and the Board of Directors have reviewed the proposed terms, including the loan amount of Rs. 7,000 Millions interest rate of 15% per annum, and tenure of 15 years , and are satisfied that the transaction is in the ordinary course of business, at arm's length, and in the best interest of the Company, its shareholders, and other stakeholders.
7.	Details of the promoter(s)/ director(s) / key managerial personnel of the listed entity who have interest in the transaction, whether directly or indirectly. a. Name of the director / KMP b. Shareholding of the director / KMP, whether direct or indirect, in the related party	Name of the Director: Mr. Yancharla Rathnakara Nagaraja Managing Director of Ramky Infrastructure Limited and Director in Maha Integrated Life Sciences City Limited Shareholding: Nil in Maha Integrated Life Sciences City Limited and Ardha Holding Private Limited

CSR- Corporate Social Responsibility Committee

*During the year under review, Mr. D. Lakshmana Rao resigned as the Chief Financial Officer (CFO) of the Company with effect from 30th September 2025. Consequently, he ceased to be a member of the Risk Management Committee. Mr. Rayapudi Sravanth was appointed as the Chief Financial Officer (CFO) of the Company with effect from 01st October 2025, and became a member of the Risk Management Committee in his capacity as CFO (Ex Officio).

The maximum gap between two consecutive Board Meetings held during the year under review is within the period of 120 days as prescribed under the provisions of the Companies Act, 2013.

DECLARATIONS BY INDEPENDENT DIRECTORS

The Company has received declarations from the Independent Directors under Section 149(6) of the Companies Act, 2013 and Regulation 25 of SEBI (LODR) Regulations, 2015 confirming their independence vis-a-vis the Company.

In the opinion of the Board all the Independent Directors possess integrity, expertise and experience (including the proficiency) to act as Independent Director.

BOARD EVALUATION AND ASSESSMENT

In Ramky Infrastructure Limited, since there is clear demarcation between the Board and the Management, efforts are made to ensure that the information flow from the organization to the Board in decision making is flowing without any hindrance.

This in turn helps the board in providing the external expertise opinion and feedback so that the necessary guidance is provided to the management and employees at large.

In furtherance to this, yearly the Independent Directors’ performance is evaluated as to how participative the independent directors are in providing the insights regarding various fields and areas of operation and various amendments and updates and internal functioning of the organization external of the company. The Company believes that the formal evaluation of the board and of the individual directors, on an annual basis, is a potentially effective way to respond to the demand for greater board accountability and effectiveness. For the company, the evaluation provides an ongoing means for directors to assess their individual and collective performance and effectiveness. In addition to greater board accountability, evaluation of board members helps in-

- a) More effective board process
- b) Better collaboration and communication
- c) Greater clarity with regard to members roles and responsibilities
- d) Improved the relations with Chairman, Managing

Directors and Board Members

The evaluation process covers the following aspects

- a) Self-evaluation of directors
- b) Evaluation of the performance and effectiveness of the board
- c) Evaluation of the performance and effectiveness of the committees
- d) Feedback from the non-executive directors to the chairman
- e) Feedback on management support to the board.

FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS

The Board hereby put forth that there are many experienced Independent Directors on the Board of RIL.

However, they all operate in environment external to the Company and do not involve in the day-to-day decision making of the Company.

They only provide their feedback and suggest the management further as to the various decision to be taken and the direction the entity has to take to steer the company to the path of sustainability and profitability.

Therefore, the Company through its Senior Managerial Personnel familiarizes the Independent Directors with the Business model, revenue generation model and cash flow models of the projects and the various functional hindrances faced by the Company.

In terms of Clause 25(7) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, on appointment of the Independent Directors, induction program is held to familiarize the directors with the Company’s operations and businesses. An Interaction with the key executives of the Company is also facilitated to make them more familiar with the operations carried by the company. Detailed presentations on the business of the company are also made to the Directors. Direct meetings with the Managing Director are further facilitated for the new appointee to familiarize him/her about the Company/its businesses and the group practices as the case may be and link is available at the website <http://ramkyinfrastructure.com>

Further, One Independent Directors Meeting was held on 21st March 2026 for the formal evaluation of the Board of Directors, Managing Director and other members of the management of the company for the F.Y. 2025-26 and suggestions were given by the Independent Directors.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirement under section 134 (3) and (5) of the Companies Act 2013, with respect to Directors' Responsibility Statement, your Board of Directors to the best of their knowledge and ability confirm that:

- In the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- The Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- The Directors had prepared the annual accounts on a going concern basis;
- The Directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and are operating effectively;
- The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and effective.

As required under the provisions of SEBI (LODR) Regulations, 2015 a certificate confirming that none of the Directors on the Board have been debarred or disqualified by the Board/Ministry of Corporate Affairs or any such statutory authority obtained from Mr. N.V.S.S. Suryanarayana Rao, Practicing Company Secretary, is a part of the Corporate Governance report in Annexure – VIIC.

MANAGEMENT RESPONSES TO OBSERVATIONS IN STATUTORY AUDITOR'S REPORT

With reference to observations made in Auditor's Report, the notes of account is self-explanatory and therefore do not call for any further comments. The results for the year ended 31st March, 2026 have been subjected to an audit by the Statutory Auditors of the Company without qualification.

S. No.	Attention/Emphasis of Matters in Independent Auditors' Report (Standalone)	Management Response
1	We draw attention to Note 48 to the Standalone financial statement wherein the Company has written off receivables amounting to INR 724.28 million and has written back liabilities totalling INR 383.34 million during the financial year 2025-26.	The write-off of receivables amounting to INR 724.28 million pertains to long outstanding balances which, after detailed assessment and due diligence, were considered no longer recoverable. These receivables were reviewed in accordance with the Company's credit policy, and necessary approvals were taken before effecting the write-off

S.No.	Attention/Emphasis of Matters in Independent Auditors' Report (Consolidated)	Management Response
1.	We draw attention to Note 14 to the Consolidated financial statement wherein the Group has written off receivables amounting to INR 807.71 million and has written back liabilities totaling INR 438.82 million during the financial year 2025-26.	The write-off of receivables amounting to INR 807.71 million pertains to long outstanding balances which, after detailed assessment and due diligence, were considered no longer recoverable. These receivables were reviewed in accordance with the Company's credit policy, and necessary approvals were taken before effecting the write-off
2.	Srinagar Banihal Expressway Limited (SBEL): We draw attention to note 35 in the accompanying financial statements where deductions in earlier years were made by NHAI for INR 2509.46 million from the annuities to the company against which the IE had recommended for the release of earlier year deductions to the tune of Rs. 1872.75 million. The company has initiated Arbitration/Conciliation proceedings for all the recoveries from NHAI and is confident that the entire amount is fully recoverable. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial statement.	Deductions amounting to INR 2,509.46 million were made by NHAI over past and current financial years from the annuities, primarily on account of substandard steel, deviations in high embankment, and other factors. However, the Independent Engineer has recommended the release of deductions amounting to INR 1,872.75 million after further technical review and clarification. SBEL has already initiated Arbitration proceedings against NHAI for recovery of the entire deducted amount. Based on legal advice and internal assessment, the management of SBEL is confident of a favourable outcome and full recovery of the amount. Accordingly, no adjustments have been made in the financial statements, and the amounts continue to be disclosed appropriately, we will continue to monitor the developments and make necessary adjustments, if any, based on the outcome of the arbitration or any other conclusive evidence.

3.	Hospet Chitradurga Tollways Limited (HCTL): We draw attention to note no 1 & 2B to the financial statements regarding termination of the project by the company and National Highways Authority of India (NHA) the "concession Authority" with mutual consent. Since the company is project specific company. Termination of project affects the going concern nature of the company. Our report is not qualified in respect of this matter as the consequential financial impact was provided in the financial statements during the previous year and was emphasized in the previous year audit report also.	The termination of the project by mutual consent between HCTL and NHAI has been duly considered in the financial statements of the subsidiary in the earlier financial year. Given that HCTL is a project-specific entity, the termination has impacted its status as a going concern. Accordingly, the financial statements were prepared on a realisation basis in the previous year, and necessary adjustments were made to reflect the consequential financial impact. There is no further material financial impact in the current year, and the matter has been disclosed appropriately in the notes to the financial statements. We will ensure compliance with applicable accounting standards and disclosure requirements

MANAGEMENT RESPONSES TO OBSERVATIONS IN SECRETARIAL AUDITOR'S REPORT

S No	Auditor Observation	Management Response
1	During the period under review, certain statutory forms were filed with the Registrar of Companies beyond the prescribed timelines, and the applicable additional fees were duly paid by the Company.	The Company has strengthened its compliance monitoring mechanism to ensure that all statutory filings are made within the prescribed timelines.
2	During the period under review, the Company delayed the filing of the outcome of the Annual General Meeting held on 25 September 2025 with the Stock Exchange.	The Company is required to file the outcome of the Annual General Meeting within 12hrs of the conclusion of the AGM and the same has been filed with the Stock Exchanges within 24hrs. The Company has provided the requisite clarification to the Stock Exchanges. No penalty has been levied on the Company in this regard. The Company will ensure and adhere to the timelines.
3	The Company delayed the submission of the Integrated Financial Results to NSE in respect of the financial statements approved at the Board Meeting held on 24 May 2025. The Company has paid the applicable penalty for the said delay.	The delay in submission of the Integrated Financial Results to NSE was due to an inadvertent technical error on the NSE portal. However, the Company had duly filed the Integrated Financial Results with BSE within the prescribed timelines.

WHISTLE BLOWER POLICY/VIGIL MECHANISM

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Section A: General Disclosures

I. Details of the Listed Entity

1. Corporate Identity Number (CIN) of the Listed Entity	L74210TG1994PLC017356
2. Name of the Listed Entity	RAMKY INFRASTRUCTURE LIMITED
3. Year of incorporation	1994
4. Registered office address	15th Floor, Ramky Grandiose, Sy No 136/2 & 4, Gachibowli, Hyderabad -500032, Telangana
5. Corporate address	15th Floor, Ramky Grandiose, Sy No 136/2 & 4, Gachibowli, Hyderabad -500032, Telangana
6. E-mail	info@ramky.com
7. Telephone	040-23015000
8. Website	https://ramkyinfrastructure.com/
9. Financial year for which reporting is being done	2025-26
10. Name of the Stock Exchange(s) where shares are listed	BSE Limited (BSE), National Stock Exchange of India Limited (NSE)
11. Paid-up Capital	INR 69,19,77,910 /- (6,91,97,791 equity shares of Rs.10/- each)
12. Name and contact details (telephone, e-mail address) of the person who may be contacted in case of any queries on the BRSR report	Mr. Yancharla Rathnakara Nagaraja (Managing Director) Telephone: 040-23015000 Email address: investors@ramky.com
13. Reporting boundary — standalone basis or consolidated basis	The disclosure under this report is on a standalone basis for Ramky Infrastructure Limited.
14. Name of assessment or assurance provider	M/s Madhumathidatta Sustainability Services Pvt Ltd.
15. Type of assessment or assurance obtained	Limited Assurance.

Note: Item 13 — indicate whether disclosures are made on a standalone basis (only the entity) or consolidated basis (the entity and all entities forming part of its consolidated financial statements).

II. Products / Services

16.Details of business activities (accounting for 90% of the turnover):

S. No.	Description of Main Activity	Description of Business Activity	% of Turnover of the entity
1	Construction	Engineering, Procurement, Construction, Operations & Maintenance of infrastructure Development Projects in the Sectors of Buildings, Industrial, Water and Waste Water, and Roads & Bridges	100

17.Products / Services sold by the entity (accounting for 90% of the entity's Turnover):

S. No.	Product / Service	NIC Code	% of total Turnover contributed
	Construction	41001, 41002, 41003, 42101, 42203, 42204 and 42205	100

III. Operations

18.Number of locations where plants and/or operations/offices of the entity are situated:

Location	Number of plants	Number of offices	Total
	7 (Telangana, Andhra Pradesh, Uttarakhand, Arunachal Pradesh, Jammu & Kashmir, Karnataka and Maharashtra)	1 (Telangana)	8
International	0	0	0

19. Markets served by the entity:

a. Number of locations

Locations	Number
National (No. of States)	7 (Telangana, Andhra Pradesh, Uttarakhand, Arunachal Pradesh, Jammu & Kashmir, Karnataka and Maharashtra)
International (No. of Countries)	0

b.What is the contribution of exports as a percentage of the total turnover of the entity?

Contribution of exports (% of total turnover)	NIL
---	-----

c. A brief on types of customers

Ramky operates across both the Engineering, Procurement, and Construction (EPC) sector and the infrastructure development domain.

- **Developer Business:** This division undertakes construction contracts awarded by government authorities and related agencies, typically as part of broader infrastructure and development programs.
- **EPC Business:** Ramky's EPC operations are primarily associated with government-led projects, covering the complete spectrum of engineering, procurement, and construction activities. The company delivers end-to-end solutions for large-scale infrastructure initiatives undertaken by public sector entities.

Both business segments highlight Ramky's active participation in key public sector projects, demonstrating its expertise and commitment to delivering high-quality infrastructure and development solutions.

IV. Employees

20. Details as at the end of Financial Year:

a. Employees and workers (including differently abled):

S. No.	Particulars	Total (A)	Male No. (B)	% (B / A)	Female No. (C)	% (C / A)
EMPLOYEES						
1.	Permanent (D)	1041	975	93.66	66	6.34
2.	Other than Permanent (E)	0	0	0	0	0
3.	Total employees (D + E)	1041	975	93.66	66	6.34
WORKERS						
4.	Permanent (F)	0	0	0	0	0
5.	Other than Permanent (G)	0	0	0	0	0
6.	Total workers (F + G)	0	0	0	0	0

Note: RAMKY INFRASTRUCTURE LIMITED does not employ workers directly, either permanent or contractual. Project execution is carried out through third-party contractors who manage their own workforce. Hence, worker-related disclosures do not apply to the Company.

b. Differently abled Employees and workers:

S. No.	Particulars	Total (A)	Male No. (B)	% (B / A)	Female No. (C)	% (C / A)
DIFFERENTLY ABLED EMPLOYEES						
1.	Permanent (D)	0	0	0	0	0

2.	Other than Permanent (E)	0	0	0	0	0
3.	Total differently abled employees (D + E)	0	0	0	0	0
DIFFERENTLY ABLED WORKERS						
4.	Permanent (F)	0	0	0	0	0
5.	Other than permanent (G)	0	0	0	0	0
6.	Total differently abled workers (F + G)	0	0	0	0	0

21. Participation/Inclusion/Representation of women:

	Total (A)	No. and percentage of Females	
		No. (B)	% (B / A)
Board of Directors	7	1	14.28
Key Management Personnel	3	0	0

*Board of Directors includes the Managing Director

** Key Managerial Personnel includes, CEO, Company Secretary, and Chief Financial officer.

22.Turnover rate for permanent employees and workers (Disclose trends for the past 3 years):

	FY 2025–26 (Turnover rate in current FY)			FY 2024–25 (Turnover rate in previous FY)			FY 2023–24 (Turnover rate in the year prior to the previous FY)		
	Male	Female	Total	Male	Female	Total	Male	Female	Total
Permanent Employees	28.31	29.23	28.33	18	17.46	17.73	14.33	6.67	1
Permanent Workers	0	0	0	0	0	0	0	0	0

Note: For FY 2025–26, the total number of employee separations was 295, comprising 276 male employees and 19 female employees. The average number of total permanent employees during FY 2025–26 was 1,041. Accordingly, the Total Turnover Rate was calculated as total employee separations divided by the average total permanent employee headcount and was 28.34%.

V.Holding, Subsidiary and Associate Companies (including joint ventures)

23.(a) Names of holding / subsidiary / associate companies / joint ventures:

S. No.	Name of the holding / subsidiary / associate companies / joint ventures (A)	Indicate whether holding / Subsidiary / Associate / Joint Venture	% of shares held by listed entity	Does entity (A) participate in the BR initiatives of the listed entity? (Yes/No)
1.	MDDA-Ramky ISBus Terminal Limited	Wholly Owned Subsidiary	100	No
2.	Ramky Multi Product Industrial Park Limited	Wholly Owned Subsidiary	100	No
3.	Hospet Chitradurga Tollways Limited	Wholly Owned Subsidiary	100	No
4.	Pantnagar CETP Private Limited	Wholly Owned Subsidiary	100	No
5.	Hyderabad STPS' Limited	Wholly Owned Subsidiary	100	No
6.	Ramky - MIDC Agro Processing Park Limited	Wholly Owned Subsidiary	100	No
7.	Ever Blooming Eco Solutions Limited	Wholly Owned Subsidiary	100	No
8.	Eco Carbon Engineering Solutions Limited	Wholly Owned Subsidiary	100	No
9.	Chennai Biomining Limited	Wholly Owned Subsidiary	100	No
10.	Maha Integrated Life Sciences City Limited	Wholly Owned Subsidiary	100	No
11.	Ramky Enclave Limited	Wholly Owned Subsidiary	100	No
12.	Srinagar Banihal Expressway Limited	Subsidiary	99.98	No
13.	Mallannasagar Water Supply Limited	Subsidiary	74	No
14.	Ramky Towers Limited	Subsidiary	51	No
15.	Ramdil EPC Works Limited	Subsidiary	51	No
16.	Frank Lloyd Tech Management Services Limited	Subsidiary	76	No

VI.CSR Details

Value Chain Partners	-	-	-	-	-	-	-
Other (please specify)	-	-	-	-	-	-	-

26.Overview of the entity’s material responsible business conduct issues:

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, the rationale for identifying the same, the approach to adapt or mitigate the risk, along with its financial implications, as per the following format.

S . No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (positive / negative)
Environment					
1.	Energy Management	O	Through the adoption of effective energy management practices, Ramky has identified energy management as a key opportunity and aims to achieve a subsequent reduction in energy consumption.	-	Positive

2.	Water management	R	Effective water management is essential for infrastructure companies, given their substantial dependence on a reliable and sufficient water supply for construction activities and ongoing operations. With rising environmental concerns, investors and stakeholders are increasingly scrutinizing corporate sustainability practices. Inadequate management of water-related risks may negatively affect Ramky's reputation and diminish its appeal to investors.	Ramky is dedicated to addressing water management risks through the identification and assessment of potential challenges, followed by the development of a robust water risk management plan. This initiative aims to ensure the plan's effectiveness and foster active support and participation from all stakeholders.	Negative
Social					
3.	Community development	R	Infrastructure projects often necessitate large-scale land acquisition, which may lead to the displacement and resettlement of communities. Inadequate management of this process can trigger social unrest, community protests, and legal disputes.	Ramky actively engages with local communities, addresses their concerns, and adopts sustainable and responsible practices, thereby strengthening its ability to mitigate such risks.	Negative
4.	Workforce Health and Safety	R	Infrastructure projects inherently involve high-risk activities, including construction, excavation, and the operation of heavy machinery. In the absence of adequate safety measures, these activities can significantly increase the risk of accidents, injuries, and, in severe cases, fatalities among the workforce.	Ramky is recognized for its professional management team and robust MIS operating within a SAP environment. The company places strong emphasis on employee well-being by implementing stringent safety measures and ensuring adherence to health and safety regulations.	Negative
5.	Labour Practices	R	Given the labour-intensive nature of infrastructure projects, non-compliance with labour laws, unsafe working conditions, or inadequate welfare measures can lead to strikes, accidents, legal liabilities, and project delays. This poses a reputational and operational risk.	The company ensures compliance with all applicable labour laws, offers safety training, promotes a grievance redressal mechanism, and partners with certified contractors. Regular audits and welfare initiatives are conducted to support worker well-being and ensure ethical workforce management.	Negative

6.	Human Capital Development & Engagement	O	Availability of skilled and capable employees is important for effective project execution. Training and employee engagement help improve skills, productivity and retention. Identified as an opportunity. Manage through training programmes, performance reviews, career development, employee engagement, equal opportunities and well-being initiatives	-	Positive
7.	Business Model Resilience	O	Ramky has established strong Internal Financial Controls tailored to its business and operational scale, aimed at safeguarding assets, ensuring financial accuracy, maintaining regulatory compliance, and enforcing proper approval processes. These systems are regularly reviewed and strengthened, with a comprehensive budgetary control framework in place to track revenues and expenses against the approved budget.	-	Positive
8.	Legal & regulatory compliance	R	Non-compliance with applicable laws and regulations may result in penalties, legal action, reputational damage and disruption to business operations	Proactive monitoring of applicable laws, maintain the legal and other requirements registers for each business, and regulations, regular compliance tracking, internal reviews and timely corrective action.	Negative
9.	Data Privacy and Protection	O	As Ramky's operations increasingly rely on digital platforms and stakeholder data (including employees, customers, and vendors), robust data privacy practices offer a competitive edge. Demonstrating responsible data handling builds stakeholder confidence, supports compliance with evolving data protection regulations (like India's DPDP Act), and strengthens eligibility for large infrastructure projects—especially those with stringent IT and governance requirements.	-	Positive

Section B: Management and Process Disclosures

This section is aimed at helping businesses demonstrate the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements.

2. Whether the entity has translated the policy into procedures. (Yes/No)	Yes, the Company has translated the policies into procedures and reviews periodically.								
3. Do the enlisted policies extend to your value chain partners? (Yes/No)	Yes, the Policies extend to value chain partners wherever it is relevant and necessary.								
4. Name of the national and international codes/certifications/labels/standards (e.g. Forest Stewardship Council, Fairtrade, Rainforest Alliance, Trustea, SA 8000, OHSAS, ISO, BIS) adopted by your entity and mapped to each principle.	Our Company conducts its operations in alignment with the National Guidelines on Responsible Business Conduct (NGRBC).	ISO 9001:2015 (Quality Management System).	OHSAS 18001:2007 (Health and Safety Management System), ISO 14001 and ISO 45001	Our Company carries out its operations in accordance with the National Guidelines on Responsible Business Conduct (NGRBC).	Our Company carries out its operations in accordance with the National Guidelines on Responsible Business Conduct (NGRBC).	ISO 14001:2015 (Environmental Management System).	Our Company's operations adhere to the National Guidelines on Responsible Business Conduct (NGRBC).	Our Company's operations adhere to the National Guidelines on Responsible Business Conduct (NGRBC).	Our Company's operations adhere to the National Guidelines on Responsible Business Conduct (NGRBC).

	Specific commitments, goals and targets set by entity for FY 2025-26:	Mapped NGRBC Principles
	- Expand ESG training and awareness programs to educate all employees on the Company's sustainability initiatives, policies, and responsible business practices, fostering a strong culture of sustainability across the organization. - Achieving and maintaining zero harm for RIL Operations. - Promote greater participation of women across roles and functions.	P3
	Strengthen supplier due diligence to ensure alignment with legal, ethical, and sustainability standards.	P1
5. Specific commitments, goals and targets set by the entity with defined timelines, if any.	- Conduct regular stakeholder engagement for inclusive decision-making and feedback integration - Commit to reducing energy consumption and emissions through efficiency measures and cleaner technologies. - Strengthen waste management practices, with focus on measurement, reuse, and recycling of construction materials. - Commit to support ecosystem restoration through afforestation and plantation drive initiatives	P4
	Expand strategic CSR programs through need-based assessments, aligning initiatives with the Sustainable Development Goals (SDGs) and the Company's thematic focus areas, while enhancing measurable and sustainable community impact.	P6
		P8
6. Performance of the entity against the specific commitments, goals and targets along with reasons in case the same are not met.	The performance of each principle is reviewed periodically by various management-led committees and the Board of Directors to ensure effective implementation and continuous improvement. The Company monitors progress against established objectives, evaluates key performance indicators, and takes corrective actions wherever necessary. All the goals and initiatives under Principles are aligned with the RIL's business strategy, sustainability commitments, and long-term value creation objectives.	

Governance, Leadership and Oversight

7. Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (the listed entity has flexibility regarding the placement of this disclosure).
"I am pleased to present Ramky Infrastructure Limited's Business Responsibility and Sustainability Report for FY 2025–26.
At Ramky, we believe that how we build is as important as what we build. Sustainability is embedded in our core strategy, shaping how we design, execute, and deliver infrastructure that serves the nation for generations.
This Financial year marked significant business momentum. We secured several projects across our EPC and developer portfolio, including landmark wins such as HMWSSB Water Transmission Project in Telangana, Dighi Port Industrial Area Phase I in Maharashtra (MITL), and Life Sciences park spanning 1000 hectares from MIDC in Maharashtra.
Our performance reflected the same conviction through operational discipline and resource efficiency. We reduced energy consumption by approximately 22% compared to the previous financial year, and disclosed our Scope 3 emissions under limited boundaries, laying the foundation for a credible decarbonisation pathway. Sourcing from MSMEs and small producers accounted for 13.90% of our total procurement.
On the social front, our CSR initiatives touched the lives of approximately 45,074 beneficiaries. Our people remain our strongest capital, and we are building a workplace defined by diversity, equity, and inclusion — enhancing women's representation and empowerment across all levels.
The road ahead is one of structured ambition. We are institutionalizing sustainability through a dedicated Climate & Sustainability framework, backed by measurable short-, medium-, and long-term targets and a decarbonisation pathway toward our Net Zero ambition — pursued through energy efficiency, cleaner fuels and materials, and value-chain engagement, with disclosures progressing toward assurance-ready global standards.
With the support of our stakeholders, we remain committed to building a resilient, future-ready organization that contributes meaningfully to India's sustainable development."
Mr. Yancharla Rathnakara Nagaraja
Managing Director
DIN: 00009810

8. Details of the highest authority responsible for implementation and oversight of the Business Responsibility policy (ies).

The Risk Management Committee (RMC) has been entrusted with the highest authority to oversee and implement the Business Responsibility Policies.

9. Does the entity have a specified Committee of the Board/ Director responsible for decision making on sustainability related issues? (Yes/No). If yes, provide details.

The Risk Management Committee has been delegated the responsibility to oversee all aspects of the company’s sustainability agenda. This includes the formulation and implementation of relevant policies, procedures, and programs, with a focus on environmental stewardship, social accountability, and sound governance. Additional information on the composition and functioning of the Committee is outlined in the following disclosure point.

Name	Designation
Mr. Eshwar Reddy Purmandla	Chairman (Independent Director)
Dr. Ravi Kumar Reddy Somavarapu	Member (Independent Director)
Dr. Peddibhotla Gangadhara Sastry	Member (Independent Director)
Mr. Yancharla Rathnakara Nagaraja	Member (Managing Director)
Mr. Rayapudi Sravanth	Member (CFO-Ex-officio)

10. Details of Review of NGRBCs by the Company:

Subject for Review	Indicate whether review was undertaken by Director / Committee of the Board / Any other Committee	Frequency (Annually / Half-yearly / Quarterly / Any other – please specify)
	P 1P 2P 3P 4P 5P 6P 7P 8P 9	P 1P 2P 3P 4P 5P 6P 7P 8P 9
Performance against above policies and follow-up action	The Company regularly reviews the policies governing all principles in accordance with regulatory requirements and organizational needs	Quarterly
Compliance with statutory requirements of relevance to the principles, and rectification of any non-compliances	Yes, we comply with statutory requirements relevant to the principles	Quarterly

11. Has the entity carried out independent assessment/ evaluation of the working of its policies by an external agency? (Yes/No). If yes, provide name of the agency.

	P 1	P 2	P 3	P 4	P 5	P 6	P 7	P 8	P 9
Independent assessment carried out (Yes/No) & agency	Yes. An independent assessment of the BRSR disclosures for FY 2025–26 was carried out by MadhumathiDatta Sustainability Services Private Limited.								

12. If answer to question (1) above is “No” i.e. not all Principles are covered by a policy, reasons to be stated:

Questions	P 1	P 2	P 3	P 4	P 5	P 6	P 7	P 8	P 9
The entity does not consider the Principles material to its business (Yes/No)									
The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)	This disclosure is not applicable, as Ramky has already adopted policies that address all nine prescribed principles.								
The entity does not have the financial or/human and technical resources available for the task (Yes/No)									
It is planned to be done in the next financial year (Yes/No)									
Any other reason (please specify)									

Section C: Principle-wise Performance Disclosure

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorized as “Essential” and “Leadership”. While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

Principle 1, Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage coverage by training and awareness programmes on any of the Principles during the financial year:

Segment	Total number of training and awareness programmes held	Topics / principles covered under the training and its impact	%age of persons in respective category covered
Board of Directors	1	Overview of BRSR, Discussion on SEBI (LODR) Regulations	100
Key Managerial Personnel	1	Overview of BRSR, Discussion on SEBI (LODR) Regulations	100
Employees other than BoD and KMPs	1260	The Company conducts numerous training programs throughout the year for all employees, led by internal and external Trainers and subject matter experts. Key training topics include the, induction and orientation programs for new employees, POSH, Code of Conduct, Quality, Environment, Health and Safety practices, digital technologies, and data analytics.	87.22
Workers	Not Applicable		Not Applicable

2. Details offlines / penalties / punishment / award / compounding fees / settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators / law enforcement agencies / judicial institutions, in the financial year (on the basis of materiality as specified in Regulation 30 of SEBI LODR Regulations, 2015):

Monetary

	NGRBC Principle	Name of the regulatory / enforcement agencies / judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Penalty / Fine	P1	The State Tax Officer, Enforcement South, Jammu & Kashmir	9,17,822	Penalty demand issued by the GST department towards mismatch of documents	Yes
Penalty / Fine	P1	The Deputy Commissioner of State Tax,Bhopal 5, Bhopal Division.	28,31,198	Demand issued by the GST department towards ITC mismatch for the FY 2018-19	Yes
Penalty / Fine	P1	The Deputy Commissioner of State Tax,Bhopal 5, Bhopal Division.	2,61,658	Demand issued by the GST department towards ITC mismatch for the FY 2019-20	Yes
Penalty / Fine	P1	The Superintendent of Central Tax, Sitapura Division, Jaipur	18,51,377	Demand issued by the GST department towards ITC mismatch for the FY 2018-22	Yes
Penalty / Fine	P1	The Deputy Commissioner of State Tax,STU 1, Punjagutta Division	1,20,026	Demand issued against GST inspection for the FY 2021-22	No
Penalty / Fine	P1	The Deputy Commissioner of State Tax,STU 1, Punjagutta Division	2,73,762	Demand issued against GST inspection for the FY 2022-23	No
Penalty / Fine	P1	The Deputy Commissioner of State Tax,STU 1, Punjagutta Division	1,81,546	Demand issued against GST inspection for the FY 2022-23	No
Settlement	P1	NA	0	NA	NA
Compounding fee	P1	NA	0	NA	NA

Non-Monetary

	NGRBC Principle	Name of the regulatory / enforcement agencies / judicial institutions	Brief of the Case	Has an appeal been preferred? (Yes/No)
Imprisonment	NIL	NIL	NIL	NIL
Punishment	NIL	NIL	NIL	NIL

3. Of the instances disclosed in Question 2 above, details of the Appeal / Revision preferred in cases where monetary or non-monetary action has been appealed.

Case Details	Name of the regulatory / enforcement agencies / judicial institutions
Penalty demand issued by the GST department towards mismatch of documents	The State Tax Officer, Enforcement South, Jammu & Kashmir
Demand issued by the GST department towards ITC mismatch for the FY 2018-19	The Deputy Commissioner of State Tax,Bhopal 5, Bhopal Division.
Demand issued by the GST department towards ITC mismatch for the FY 2019-20	The Deputy Commissioner of State Tax,Bhopal 5, Bhopal Division.

Demand issued by the GST department towards ITC mismatch for the FY 2018-19 to 2021-22.	The Superintendent of Central Tax, GST Range, Sitapura Division, Jaipur
---	---

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and, if available, provide a web-link to the policy.

Yes, Ramky has implemented an anti-corruption policy as part of its induction program, demonstrating the company’s commitment to transparency, integrity, and accountability.

The policy can be accessed at the given link:
https://ramkyinfrastructure.com/docs/pdf/investordesk/Anti_Bribery_Policy.pdf

5. Number of Directors / KMPs / employees / workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery / corruption:

	FY 2025–26 (Current FY)	FY 2024–25 (Previous FY)
Directors	NIL	NIL
KMPs	NIL	NIL
Employees	NIL	NIL
Workers	NIL	NIL

6. Details of complaints with regard to conflict of interest:

	FY 2025–26 (Current FY)		FY 2024–25 (Previous FY)	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issues of Conflict of Interest of the Directors	NIL	NA	NIL	NA
Number of complaints received in relation to issues of Conflict of Interest of the KMPs	NIL	NA	NIL	NA

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators / law enforcement agencies / judicial institutions, on cases of corruption and conflicts of interest.

NIL

8. Number of days of accounts payables ((Accounts payable × 365) / Cost of goods/services procured):

	FY 2025–26 (Current FY)	FY 2024–25 (Previous FY)
Number of days of accounts payables	160 Days	121 Days

9. Open-ness of business — Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along with loans and advances & investments, with related parties:

Parameter	Metrics	FY 2025–26 (Current FY)	FY 2024–25 (Previous FY)
Concentration of Purchases	a. Purchases from trading houses as % of total purchases	-	-
	b. Number of trading houses where purchases are made from	-	-
	c. Purchases from top 10 trading houses as % of total purchases from trading houses	-	-
Concentration of Sales	a. Sales to dealers / distributors as % of total sales	23	21
	b. Number of dealers / distributors to whom sales are made	-	-
	c. Sales to top 10 dealers / distributors as % of total sales to dealers / distributors	-	-
Share of RPTs in	Purchases (Purchases with related parties / Total Purchases)	-	-
	Sales (Sales to related parties / Total Sales)	77	79
	Loans & advances (given to related parties / Total loans & advances)	100	100
	Investments (Investments in related parties / Total Investments made)	100	100

* Company has not made any purchases from Trading Houses. Company has vendors in the system and the goods are procured from the respective vendors on need basis.

Total number of awareness programmes held	Topics / principles covered under the training	%age of value chain partners covered (by value of business done with such partners)
1260	Quality, Health, Safety & Environment awareness training	100% of significant value chain partners and service providers working at all project sites and operations receive Quality, Health & Safety (QHSE) awareness training.

Note: The RIL's value chain partners primarily comprise sub-Contractors and service providers. During FY 2025–26, 1,260 awareness and training programmes, including programmes conducted for employees and workers, were carried out across project and site locations. These programmes included regular Tool Box Talks (TBT), Occupational Health and Safety, Quality, Site Induction orientations and other site-specific requirements, as applicable.

The RIL has considered the relevant value chain personnel covered through these site-level awareness and training programmes as 100% coverage for the purpose of this disclosure.

2. Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same.

The Company has implemented a code of conduct for the Board of directors & senior management to avoid and manage conflicts of interest. Also, the company has an anti-bribery and anti-corruption policy, which also provides general guidance to avoid unethical business practices, including concealing conflicting interests. Also, from time to time, we conduct refresher training and awareness sessions to sensitize board members and KMP on these issues.

Principle 2, Businesses should provide goods and services in a manner that is sustainable and safe.

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	Current Financial Year	Previous Financial Year	Details of improvements in environmental and social impacts
R&D	NIL	NIL	NA
Capex	NIL	NIL	NA

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)
yes
b. If yes, what percentage of inputs were sourced sustainably? Not available.

Yes.
The Company has procedures in place for sustainable sourcing as part of its raw material procurement practices. During FY 2025–26, approximately 26% of the total quantity of raw material purchases was sourced sustainably, based on the procurement of green/carbon steel (MS). The Company considers such steel as sustainably sourced based on its applicable environmental attributes and lower-carbon production characteristics. The percentage is calculated based on the quantity of green/carbon steel purchased compared with the total quantity of raw material procured during the reporting period.
The Company integrates EHS and sustainability considerations into its supplier and contractor selection process and expects all value chain partners to comply with applicable environmental, social, and ethical standards.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

The Company has established a robust system to promote the reuse of materials and ensure responsible waste management. During the year, activities relating to the Construction & demolition and recovery of reusable materials were entrusted to external authorised agencies for safe disposal, recycling, and recovery. Accordingly, detailed quantitative data on the materials recovered and reused is tracked. Materials such as cement bags, demolition debris/waste, PVC drums, and steel recovered through the demolition process were appropriately handled and repurposed or recycled by authorised vendors/contractors. This approach reflects the Company's continued commitment to resource efficiency and circular economy practices. Further, all disposable materials generated from the Company's operations are responsibly managed and disposable through authorised vendors in the safe disposal and recycling of industrial waste.

For electronic waste (e-waste), the Company ensures compliance with applicable environmental regulations by disposing of e-waste through agencies authorised by the relevant Pollution Control Board.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes/No). If yes, whether the waste collection plan is in line with the EPR plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Not applicable

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators / law enforcement agencies / judicial institutions, on cases of corruption and conflicts of interest.

Not Applicable

8. Number of days of accounts payables ((Accounts payable × 365) / Cost of goods/services procured):

Leadership Indicators

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format:

No, Ramky Infrastructure is primarily an Engineering, Procurement, and Construction (EPC) and infrastructure development company, not a product manufacturing entity.

NIC Code	Name of Product / Service	% of total Turnover contributed	Boundary for which the LCA was conducted	Whether conducted by independent external agency (Yes/ No)	Results communicated in public domain (Yes/No) If yes, provide web-link
----------	---------------------------	---------------------------------	--	--	---

2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the LCA or through any other means, briefly describe the same along with action taken to mitigate the same.

Not applicable

Name of Product / Service	Description of the risk / concern	Action Taken
---------------------------	-----------------------------------	--------------

3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry):

Not applicable as we do not manufacture any product. However, the Company integrates environmental considerations into its project execution through sustainable construction practices, efficient resource utilization, waste management, and compliance with applicable environmental regulations.

Indicate input material	Recycled or re-used input material to total material		
	FY 2025–26 (Current FY)		FY 2024–25 (Previous FY)

4. Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled and safely disposed:

Not applicable

	FY 2025–26 (Current FY)			FY 2024–25 (Previous FY)		
	Re-Used	Recycled	Safely Disposed	Re-Used	Recycled	Safely Disposed
Plastics (including packaging)						
E-waste						
Hazardous waste						
Other waste						

5. Reclaimed products and their packaging materials (as percentage of products sold) for each product category:
Not applicable

Indicate product category	Reclaimed products and their packaging materials as % of total products sold in respective category

Principle 3, Businesses should respect and promote the well-being of all employees, including those in their value chains.

Essential Indicators

1. a. Details of measures for the well-being of employees:

Category	% of employees covered by										
	Total (A)	Health insurance		Accident insurance		Maternity benefits		Paternity Benefits		Day Care facilities	
		Number (B)	% (B / A)	Number (C)	% (C / A)	Number (D)	% (D / A)	Number (E)	% (E / A)	Number (F)	% (F / A)
Permanent employees											
Male	975	975	100	975	100	0	0	975	100	0	0
Female	66	66	100	66	100	66	100	0	0	66	100
Total	1041	1041	100	1041	100	66	6.34	975	93.66	66	6.34
Other than Permanent employees											
Male	0	0	0	0	0	0	0	0	0	0	0
Female	0	0	0	0	0	0	0	0	0	0	0
Total	0	0	0	0	0	0	0	0	0	0	0

b. Details of measures for the well-being of workers: NIL (RIL does not have Direct workers)

c. Spending on measures towards well-being of employees and workers (including permanent and other than permanent) as a % of total revenue of the company.

The Company spent 0.5% of its total revenue from operations on employee well-being activities, including health and medical check-up, recreational and sports activities, employee engagement, training and development, and applicable statutory benefits.

2. Details of retirement benefits, for Current FY and Previous Financial Year:

Benefits	FY 2025–26 (Current FY)			FY 2024–25 (Previous FY)		
	No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)	No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)
PF	70.01%	NA	Yes	62.47	NA	Yes
Gratuity	100%	NA	Yes	24.67	NA	NA
ESI	3.46%	NA	Yes	7.76	NA	Yes
Others – Medi – claim	100	NA	Yes	100	NA	Yes

PF coverage of 70.01% represents employees covered under the applicable PF provisions based on their eligibility and PF option/membership during FY 2025–26. ESI coverage of 3.46% represents employees eligible for ESI as per applicable statutory criteria; general employees with gross wages above ₹21,000 per month are not covered. Contributions for covered employees were deducted and deposited with the respective statutory authorities. Gratuity benefits are applicable to all permanent employees of RIL as per the Company's gratuity policy. In FY 2024–25, coverage was reported only for employees who had completed the required service period and were eligible to receive gratuity, resulting in reported coverage of 24.67%. For FY 2025–26, the reporting basis has been revised to consider the applicability of the gratuity policy to all permanent employees. While all permanent employees are covered under the policy, the gratuity benefit is payable to employees who complete the applicable minimum service period of five years, subject to the applicable statutory provisions.

Accordingly, the reported coverage for FY 2025–26 is 100%.The increase from 24.67% to 100% is therefore due to the change in the reporting methodology and not due to any change in the Company's gratuity policy or employee eligibility.

applicability; accordingly, 100% of permanent employees are considered covered under the gratuity benefit.

3. Accessibility of workplaces — Are the premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Yes, we have made necessary arrangements to ensure our facilities are accessible to differently abled employees and workers. Although we currently do not have any such employees or workers, these measures are in place to provide an inclusive workplace.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

Yes. The Company is committed to delivering value through equality and to nurture and promote human diversity across its operations. Web-link where the policy is available:
https://ramkyinfrastructure.com/docs/pdf/investordesk/equal_opportunity_policy.pdf

5. Return to work and Retention rates of permanent employees and workers that took parental leave:

Gender	Permanent employees		Permanent workers	
	Return to work rate	Retention rate	Return to work rate	Retention rate
Male	100 %	100%	NA	NA
Female	100 %	100%	NA	NA
Total	100 %	100%	NA	NA

Note: During FY 2025–26, 78 male and 5 female permanent employees took parental leave, and all employees returned to work after the completion of their parental leave. Accordingly, the return-to-work rate was 100% for both male and female employees, with an overall return-to-work rate of 100%.

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

Category	Yes/No (If Yes, then give details of the mechanism in brief)
Permanent Workers	Not Applicable
Other than Permanent Workers	Not Applicable
Permanent Employees	Yes, Ramky has instituted a robust Whistle Blower and Protection Policy that outlines structured procedures for employees and stakeholders to report concerns related to unethical practices, including fraud and corruption. The policy ensures protection against retaliation, guarantees confidentiality, and safeguards whistle-blower's from any form of discrimination or adverse action. This mechanism reinforces our commitment to ethical governance, transparency, and accountability across the organization
Other than Permanent Employees	Not Applicable

7. Membership of employees and worker in association(s) or Unions recognised by the listed entity:

Category	FY 2025–26 (Current FY)			FY 2024–25 (Previous FY)		
	Total employees / workers in respective category (A)	No. who are part of association(s) or Union (B)	% (B / A)	Total employees / workers in respective category (C)	No. who are part of association(s) or Union (D)	% (D / C)
Total Permanent Employees	1041	0	0	1082	0	0
- Male	975	0	0	1013	0	0
- Female	66	0	0	69	0	0
Total Permanent Workers	NA	NA	NA	NA	NA	NA
- Male	NA	NA	NA	NA	NA	NA
- Female	NA	NA	NA	NA	NA	NA

8. Details of training given to employees and workers:

Category	FY 2025–26 (Current FY)					FY 2024–25 (Previous FY)				
	Total (A)	On Health and safety measures		On Skill upgradation		Total (D)	On Health and safety measures		On Skill upgradation	
		No. (B)	% (B/A)	No. (C)	% (C/A)		No. (E)	% (E/D)	No. (F)	% (F/D)
Employees										
Male	975	908	93.12	520	53.33	1013	1013	100	0	0
Female	66	50	75.76	22	33.33	69	69	100	0	0
Total	1041	908	87.22	542	52.06	1082	1082	100	0	0
Workers										
Male	NA	NA	NA	NA	NA	NA	NA	NA	NA	NA
Female	NA	NA	NA	NA	NA	NA	NA	NA	NA	NA
Total	NA	NA	NA	NA	NA	NA	NA	NA	NA	NA

9. Details of performance and career development reviews of employees and workers:

Category	FY 2025–26 (Current FY)			FY 2024–25 (Previous FY)		
	Total (A)	No. (B)	% (B/A)	Total (C)	No. (D)	% (D/C)
Employees

Total	1041	1041	100	1082	1082	100
Workers						
Male	NA	NA	NA	NA	NA	NA
Female	NA	NA	NA	NA	NA	NA
Total	NA	NA	NA	NA	NA	NA

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/No). If Yes,

The Company has implemented an Occupational Health and Safety (OHS) Management System across its operations to identify, assess, monitor, and mitigate workplace health and safety risks. The system is designed in line with applicable statutory requirements and internationally recognized occupational health and safety standards.

- Covers all permanent employees, contractual workers, trainees, and other personnel working under the Company’s supervision.
- Implemented across all offices, project sites, and other operational locations of the Company.
- Encompasses occupational risk assessment, incident reporting and investigation, emergency preparedness and response, safety training, health surveillance, contractor safety management, and continuous improvement

initiatives.

- The OHS Management System covers 100% of employees and workers engaged in the Company’s operations yes, the coverage of such system.

b. What are the processes used to identify work-related hazards and assess risks?

The Company has established a structured process for identifying work-related hazards and assessing occupational health and safety risks across its operations. The process is designed to proactively prevent incidents, injuries, and occupational illnesses and is integrated into the Company’s Occupational Health and Safety Management System.

Key elements of the process include:

1.Hazard Identification

- Periodic workplace inspections and safety audits.
- Job Safety Analysis (JSA) for critical activities.
- Pre-startup safety reviews for new projects,

- processes, equipment, and facilities.
- Identification of physical, chemical, biological, ergonomic, psychosocial, and operational hazards.
- Reporting of unsafe conditions and near-miss incidents by employees and contractors.

2.Risk Assessment

- Evaluation of identified hazards based on likelihood of occurrence and potential severity of consequences.
- Risk ranking through a defined risk assessment matrix.
- Assessment of routine, non-routine, and emergency work activities.
- Review of risks associated with contractors, visitors, and outsourced activities.

3.Risk Control Measures

- Application of the hierarchy of controls, including elimination, substitution, engineering controls, administrative controls, and personal protective equipment (PPE).
- Implementation of standard operating procedures and safe work practices.
- Monitoring of effectiveness of control measures through inspections and audits.

4.Employee Participation and Consultation

- Involvement of employees and worker representatives in hazard identification, risk assessments, safety committees, and incident investigations.
- Regular safety meetings, awareness programmes, and training sessions to promote hazard reporting and risk awareness.

5.Monitoring and Continuous Improvement

- Investigation of incidents, accidents, and near misses to identify root causes and corrective actions.
- Periodic review of risk assessments and control measures.
- Tracking of key health and safety performance indicators and implementation of continual improvement initiatives.

The above processes are applicable across all operational locations and cover employees, contract workers, and other personnel working under the Company's supervision.

c. Whether you have processes for workers to report work-related hazards and to remove themselves from such risks (Y/N).

Yes.

The Company has established formal mechanisms that enable employees and workers to report work-related hazards, unsafe acts, unsafe conditions, near-miss incidents, and health and safety concerns through multiple channels, including supervisors, safety officers, safety committees, workplace inspections, and incident reporting systems.

All reported hazards are promptly evaluated, investigated, and addressed through appropriate corrective and preventive actions. The Company encourages proactive reporting of safety concerns and promotes a culture of openness and accountability without fear of retaliation.

The Company also empowers employees and workers to stop work and remove themselves from situations that they reasonably believe pose an imminent risk to their health and safety. Such instances are immediately escalated to the concerned supervisor and safety personnel for risk assessment and implementation of necessary control measures before work is resumed.

Regular safety training, toolbox talks, awareness programmes, and employee consultations are conducted to ensure workers understand hazard identification, reporting procedures, emergency response protocols, and their right to refuse or stop unsafe work.

These processes are applicable across all operational locations and cover permanent employees, contractual workers, trainees, and other personnel working under the Company's supervision.

d. Do the employees/ workers have access to non-occupational medical and healthcare services? (Yes/No)

Yes.

The Company provides access to non-occupational medical and healthcare services to its employees and workers as part of its commitment to employee well-being and welfare.

The healthcare support framework includes:

- Medical insurance coverage for employees and eligible dependents, as per the Company's policy.
- Access to outpatient and inpatient medical

treatment through empanelled hospitals and healthcare providers.

- Periodic health check-ups and preventive healthcare programmes.
- Wellness initiatives focusing on physical, mental, and emotional well-being.
- Employee Assistance Programmes (EAP), counselling services, and mental health support, wherever applicable.
- Emergency medical assistance and referral services.

These services are available to eligible employees and workers in accordance with applicable laws, employment terms, and Company policies. The Company periodically reviews and enhances its healthcare and wellness initiatives to promote the overall health and well-being of its workforce.

11.Details of safety-related incidents:

Safety Incident / Number	Category*	FY 2025–26 (Current FY)	FY 2024–25 (Previous FY)
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	0	NIL
	Workers	0	NA
Total recordable work-related injuries	Employees	0	NIL
	Workers	0	NA
No. of fatalities	Employees	0	NIL
	Workers	0	NA
High consequence work-related injury or ill-health (excluding fatalities)	Employees	0	NIL
	Workers	0	NA

*Including in the contract workforce.

12.Describe the measures taken by the entity to ensure a safe and healthy workplace.

RIL is committed to providing a safe and healthy workplace for employees, workers, contractors, and visitors across all project sites and offices. Safety is integrated into all business operations through a robust HSE Management System.

Key initiatives include risk assessments (HIRA/JSA), safety induction and refresher training, mandatory use of PPE, permit-to-work systems for high-risk activities, regular safety inspections and audits, and deployment of qualified HSE personnel at sites.

The Company also conducts emergency response drills, provides first-aid and medical facilities, monitors occupational health risks, and promotes employee well-being through health awareness programs and periodic health check-ups.

Incidents, near misses, and unsafe conditions are investigated, and corrective actions are implemented to drive continuous improvement and strengthen the Company's zero-harm safety culture.

13.Number of Complaints on the following made by employees and workers:

	FY 2025–26 (Current FY)			FY 2024–25 (Previous FY)		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Working Conditions	0	0	NA	0	0	NA
Health & Safety	0	0	NA	0	0	NA

14.Assessments for the year — % of your plants and offices that were assessed (by entity or statutory authorities or third parties):

	% of plants and offices assessed
Health and safety practices	100 %
Working Conditions	100 %

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

RIL continuously monitors health, safety, and working conditions through periodic inspections, audits, and risk assessments.

Based on routine assessments, the Company implemented corrective and preventive actions including enhanced hazard identification, regular safety training and toolbox talks, strengthened HSE audits and compliance monitoring, improved PPE management, additional controls for high-risk activities, timely closure of audit observations, and strengthened contractor safety management.

We remain committed to continuously improving its Health, Safety, and Environment (HSE) management system to prevent incidents and provide a safe and healthy workplace.

Leadership Indicators

1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N)?

The Company extends life insurance coverage to its employees, ensuring financial security and support to their dependents in the event of a work-related death.

2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

The company is committed to maintaining high standards of legal and regulatory compliance across its value chain. The Company incorporates relevant statutory obligations, including labour, social security, taxation, and other applicable compliance requirements, into agreements with contractors, suppliers, and other value chain partners. Through defined contractual provisions and compliance monitoring mechanisms, the Company ensures adherence to applicable laws and regulations by all parties engaged in its operations.

3. Provide the number of employees / workers having suffered high consequence work-related injury / ill-health / fatalities (as reported in Q11 of Essential Indicators above), who have been rehabilitated

and placed in suitable employment or whose family members have been placed in suitable employment:

Not Applicable. The Company did not record any high-consequence work-related injuries, cases of work-related ill-health, or fatalities involving employees or workers during the reporting period and the preceding financial year.

Total no. of affected employees/ workers		No. rehabilitated and placed in suitable employment / whose family members have been placed in suitable employment	
FY 2025-26	FY 2024-25	FY 2025-26	FY 2024-25
Employees			
Workers			

4. Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/No)

No. Ramky Infrastructure Limited does not currently have a formal transition assistance program for employees resulting from retirement or termination of employment. However, the Company ensures that all statutory obligations and final settlement processes are completed in accordance with applicable laws and organizational policies.

5. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Health and safety practices	We have not conducted a separate assessment of value chain partners on health and safety practices during the reporting period. However, we regularly conduct inspections, audits, and compliance reviews for contractors, subcontractors, and other active value chain partners as part of the Company's ISO 45001:2018 Occupational Health and Safety Management System. During the reporting period, these activities covered 100% of the active value chain partners.
Working Conditions	

6. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners.

Based on the Company's monitoring processes, no such significant risks were identified during the reporting period.

Principle 4, Businesses should respect the interests of and be responsive to all its stakeholders.

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

Ramky has developed a Stakeholder Engagement Framework for the identification of Stakeholders. In line with this framework, the stakeholder identification process at the Company considers the following scope in identifying the stakeholders:

- Dependency – groups or individuals who are directly or indirectly dependent on the organisation's activities, products or services and associated performance, or on whom the organisation is dependent in order to operate.
- Responsibility – groups or individuals to whom the organisation has, or in the future may have, legal, commercial, operational or ethical/moral responsibilities.
- Attention – groups or individuals who need immediate attention from the organisation about financial, wider economic, social or environmental issues.
- Influence – groups or individuals who can have an impact on the organisations or a stakeholder's strategic or operational decision-making.
- Diverse perspectives – groups or individuals whose different views can lead to a new understanding of the situation and the identification of opportunities for action that may not otherwise occur.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group:

Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website, Other)	Frequency of engagement (Annually / Half-yearly / Quarterly / others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
Shareholders & Investors	No	- Annual General Meeting, - Shareholder meets, - Email, - Stock Exchange (SE) intimations, - Investor/analysts meet/ conference calls, - annual report, quarterly results, media releases and - Company's website	Quarterly, Half yearly and annually	Share price appreciation, dividends, profitability and financial stability, robust ESG practices, risks, growth prospects.
Government/ Regulatory authorities	No	- Reporting / Filings. - Submissions/Applications. - Industry forum meets. - Representations in person - Attending Workshops conducted by the authorities.	On periodical basis as provided under relevant legislations	In relation to Compliances with applicable laws, Industry concerns, changes in regulatory frameworks, skill and capacity building, employment.

Employees	No	Interactive meetings, Development programmes webinar.	On regular basis	To provide open forum to employees and resolve their grievances, communicate, and keep them updated
Board of Directors	No	- Board Meetings, - Committee Meetings and briefings / familiarity programmes	On regular basis	To review the performance of the company
Employees/ Workers	No	- Emails - Team Engagement - Website - Engagement through Health Programs - Notice Board.	Periodically	- Empowered and engaged workforce drives to achieving business targets and serve as a key for successful business - Satisfied and motivated talent have higher productivity - Right Talent gives a competitive advantage. - Career management and growth prospects. - Work culture, health and safety matters.
Professional & Consultants	No	Reports Legal Opinions	On periodical basis	Compliance to legal requirements, advice on business, legal, tax and environment etc related issues.
Local communities	No	- Meetings and briefings, - Partnership in community - Training and Workshops, - Impact Assessments, Social Media.	Need basis	Need assessment for CSR, Reviews and Addressing Grievances, community development, education/skill development, and livelihood support
Contractor	No	- Email, - Telephone - Interactive Meetings	On periodical basis	To ensure that project remains on focus desired results and to make meaningful contribution to avoid the projects being derailed.

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Company has constituted a CSR Committee and other committees as required under the Companies Act, 2013 and SEBI (LODR) Regulations to oversee economic and sustainability performance. The CSR Committee is chaired by an Executive Board Member, who monitors the progress of CSR initiatives.

The respective committees conduct quarterly performance reviews and provide updates on these matters. Consolidated performance reports and key outcomes are presented to the Board during its quarterly meetings.

2. Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes/No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

The Company engages with a diverse range of stakeholders, including employees, investors, customers, suppliers and contractors, local communities, government and regulatory authorities, financial institutions, and non-governmental organizations (NGOs).

Stakeholder engagement is carried out through various channels, including regular meetings, project review discussions, site visits, training and awareness programmes, vendor interactions, customer feedback mechanisms, community engagement initiatives, grievance redressal mechanisms, and statutory consultations. These engagements enable the Company to understand stakeholder expectations, address concerns, and incorporate their feedback into its business strategies and sustainability practices.

3. Provide details of instances of engagement with, and actions taken to address the concerns of vulnerable/ marginalized stakeholder groups.

The Company engages with its CSR beneficiaries through the Ramky Foundation, its CSR implementation partner, particularly vulnerable and marginalized communities located in and around its

project areas, to assess the effectiveness and impact of its CSR initiatives.

Stakeholder engagement is undertaken through community consultations, need assessment surveys, field visits, interactions with local authorities and implementation partners, and beneficiary feedback mechanisms.

The Company also considers the inputs received from these stakeholder groups during its stakeholder engagement and materiality assessment exercises. These interactions help identify community needs and expectations and support the planning and implementation of impactful CSR and sustainability initiatives.

Principle 5. Businesses should respect and promote human rights.

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity:

Category	FY 2025–26 (Current FY)			FY 2024–25 (Previous FY)		
	Total (A)	No. of employees / workers covered (B)	% (B/A)	Total (C)	No. of employees / workers covered (D)	% (D/C)
Employees						
Permanent	1041	1041	100	1082	1082	100
Other than permanent	0	0	0	0	0	0
Total Employees	1041	1041	100	1082	1082	100
Workers						
Permanent	0	0	0	0	0	0
Other than permanent	0	0	0	0	0	0
Total Workers	0	0	0	0	0	0

2. Details of minimum wages paid to employees and workers:

Category		FY25-26 (Current Financial Year)				FY24-25 (Previous Financial Year)				
		Total (A)	Equal to Minimum Wage		More than Minimum Wage		Total (D)	Equal to Minimum Wage		More than Minimum Wage
		No. (B)	% (B/A)	No. (C)	% (C/A)		No. (E)	% (E/D)	No. (F)	% (F/D)
Employees										
Permanent										
Male	975	-	-	975	100%	1013	-	-	1013	100%
Female	66	-	-	66	100%	69	-	-	69	100%
Other than Permanent										
Male	0	-	-	0	0	0	-	-	0	0

Female	0	-	-	0	0	0	-	-	0	0
Workers										
Permanent	-	-								
Male	0	-	-	0	0	0	-	-	0	0
Female	0	-	-	0	0	0	-	-	0	0
Other than Permanent										
Male	0	-	-	0	0	0	-	-	0	0
Female	0	-	-	0	0	0	-	-	0	0

3. Details of remuneration/salary/wages:

a. Median remuneration/wages:

	Male		Female	
	Number	Median remuneration / salary / wages of respective category	Number	Median remuneration / salary / wages of respective category
Board of Directors (BoD)	6	1,39,42,321	1	
Key Managerial Personnel	4	8,55,208	0	
Employees other than BoD and KMP	1037	5,86,309	0	5,84,640
Workers	NA			

* Median remuneration has been calculated by considering only the Managing Director and Whole-Time Directors, as the other Directors receive only sitting fees. The total sitting fees paid to the other Directors amounted to INR 46, 80,000.(Male: 41,90,000 Female : 4,90,000

**Key Managerial Personnel includes CEO, Company Secretary, and Chief Financial Officer.

b. Gross wages paid to females as % of total wages paid by the entity in the following format

	FY 2025-26	FY 2024-25
Gross wages paid to females as % of total wages	3.95	4.24

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes, At Ramky, the HR Department takes on the responsibility of addressing any potential human rights issues. They play a crucial role in handling and redressing such issues within the company.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

Ramky has established internal mechanisms to effectively address grievances related to human rights issues. These mechanisms include:

- **Dedicated HR Department:** The HR Department plays a key role in handling and resolving human rights concerns. Ensuring that human rights issues receive the necessary attention and action.
- **Commitment to Human Rights:** Demonstrates Ramky’s dedication to addressing human rights issues within the company and fostering a culture of respect and fairness. The HR Department, in coordination with these processes, ensures that grievances related to human rights are promptly and appropriately addressed.

Positive Work Environment: Promotes a positive and inclusive work environment through effective grievance handling.

6. Number of Complaints on the following made by employees and workers:

	FY 2025–26 (Current FY)			FY 2024–25 (Previous FY)		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	0	0	-	0	0	-
Discrimination at workplace	0	0	-	0	0	-
Child Labour	0	0	-	0	0	-
Forced Labour/Involuntary Labour	0	0	-	0	0	-
Wages	0	0	-	0	0	-
Other human rights related issues	0	0	-	0	0	-

7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH):

	FY 2025–26 (Current FY)	FY 2024–25 (Previous FY)
Total Complaints reported under the POSH Act, 2013	0	0
Complaints on POSH as a % of female employees / workers	0	0
Complaints on POSH upheld	0	0

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

At Ramky, the HR Department is pivotal in ensuring complainants are protected from workplace discrimination. It includes:

- **Protection from Discrimination:** The HR Department safeguards the rights of individuals who raise complaints, ensuring they face no discrimination.
- **Established Mechanisms:** Mechanisms are in place to protect and support complainants
- **Commitment to Equality:** Demonstrates Ramky’s commitment to a discrimination-free work environment, fostering equality and fairness.
- **Proactive Complaint Handling:** The HR Department takes proactive steps to address complaints promptly and effectively. Provides necessary support to complainants and prevents retaliatory actions.

9. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

During the current financial year, the Company’s human rights requirements are applicable within the organization and are integrated into its HR processes. However, these requirements have not yet been formally incorporated into commercial agreements and contracts.

The Company plans to formalize the inclusion of human rights provisions in its business agreements and contracts during the next financial year.

10.Assessments for the year (% of plants and offices that were assessed):

	% of plants and offices assessed (by entity or statutory authorities or third parties)
Child labour	100% of the Company’s offices and project sites are covered under an internal assessment process to identify potential human rights risks, including those related to health and safety management systems and working conditions. The assessment is carried out by cross-functional teams comprising representatives from Administration, Project Management, Human Resources, and Environment, Health & Safety (EHS).
Forced/involuntary labour	
Sexual harassment	
Discrimination at workplace	
Wages	
Others – please specify	

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

This section is not applicable to the Company as there have been no reported incidents of such issues till date.

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/ complaints.

No complaints related to human rights were received during FY 2025–26. However, the Company has strengthened its grievance redressal mechanism for contractual workers. The details of the grievance redressal mechanism have already been discussed in the relevant section of this report.

2. Details of the scope and coverage of any Human rights due-diligence conducted.

Not applicable, as the Company did not conduct any formal human rights due diligence assessment during FY 2025–26.

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

The Company is committed to providing an inclusive workplace. Most of its offices and project sites are equipped with accessibility features, such as ramps and elevators, wherever applicable, to support differently abled employees and workers.

4. Details on assessment of value chain partners:

Not applicable, as the Company did not conduct any assessment of its value chain partners on sexual harassment and workplace discrimination during FY 2025–26.

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	Not applicable.
Discrimination at workplace	
Child Labour	
Forced Labour/Involuntary Labour	
Wages	
Others – please specify	

5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.

Not applicable as no assessment was conducted.

Principle 6. Businesses should respect and make efforts to protect and restore the environment.

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity:

Parameter	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
From renewable sources (GJ)	0	
Total electricity consumption (A)	0	0
Total fuel consumption (B)	0	0
Energy consumption through other sources (C)	0	0

Total energy consumption (A+B+C)	0	0
From non-renewable sources (GJ)		
Total electricity consumption (D)	1,33,503.87	2,08,984.90
Total fuel consumption (E)	30,779.12	1881.10
Energy consumption through other sources (F)	0	0
Total energy consumed from non-renewable sources (D+E+F)	1,64,283	2,10,866
Total energy consumed (A+B+C+D+E+F)	1,64,283	2,10,866
Energy intensity per rupee of turnover (Total energy consumed / Revenue from operations)	0.000009785	0.0000104
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed / Revenue from operations adjusted for PPP)	0.000199026	0.000214
Energy Intensity in terms of physical output	Not Applicable	-
Energy intensity (optional) – the relevant metric may be selected by the entity	-	-

Note: Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y/N). If yes, name of the external agency.

The BRSR assessment has been carried out internally by Ramky Infrastructure Limited, with limited assurance provided by MadhumathiDatta Sustainability Services Private Limited.

Note: PPP-adjusted energy intensity has been calculated using the International Monetary Fund (IMF) Purchasing Power Parity (PPP) conversion factor for India of ₹20.34 per International Dollar. Based on revenue of ₹1,678.93 crore and total energy consumption of 1, 64,283 GJ, the PPP-adjusted revenue is approximately International \$825 Million resulting in an energy intensity of approximately 0.00199 GJ per International Dollar.

Fuel consumption increased from 1,881.10 GJ in FY 2024–25 to 30,779.12 GJ in FY 2025–26. The increase is mainly due to improved data collection and wider reporting coverage. In FY 2024–25, data was collected only from limited project sites and the Corporate Office, whereas in FY 2025–26, fuel consumption data was collected from all operational sites and projects. Therefore, the increase mainly reflects better coverage and completeness of data rather than a direct like-for-like increase in fuel consumption.

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

No, the Company does not have any sites/facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India.

3. Provide details of the following disclosures related to water:

Parameter	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	-	-
(ii) Groundwater	16,170	-
(iii) Third party water	54,08,755	48,87,800

(iv)Seawater / desalinated water	-	-
(v) Others	-	-
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	54,24,925	48,87,800
Total volume of water consumption (in kilolitres)	8,10,296	48,87,800
Water intensity per rupee of turnover (Total water consumption / Revenue from operations)	0.0000482626	0.000240
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption / Revenue from operations adjusted for PPP)	0.000981662	0.0050
Water intensity in terms of physical output	-	-
Water intensity (optional) – the relevant metric may be selected by the entity	-	-

Note: Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y/N). If yes, name of the external agency.

The BRSR assessment has been carried out internally by Ramky Infrastructure Limited, with limited assurance provided by MadhumathiDatta Sustainability Services Private Limited.

Note: The significant reduction in reported water consumption during FY 2025–26 is primarily attributable to improvements in the water data reporting methodology and reporting boundaries. At one of our sites, JNPC Pharma City, Visakhapatnam, approximately 50,72,400 KL of third-party water was received during FY 2025–26. This water was largely treated/processed and supplied to industries operating within the site. As this water was not consumed in the JNPC site’s own operations or processes, it has been excluded from the Company’s reported water consumption. The actual water consumed for JNPC’s site-own operations was 4,48,044 KL during FY 2025–26. JNPC discharged wastewater from these operations to the effluent treatment system, where it was treated and subsequently recycled/reused, as applicable.

4. Provide the following details related to water discharged:

Parameter	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Water discharge by destination and level of treatment (in kilolitres) *	--	--
(i) To Surface water	--	--
- No treatment	--	--
- With treatment – please specify level of Treatment	--	--
(ii) To Groundwater	--	--
- No treatment	--	--
- With treatment – please specify level of Treatment	--	--
(iii) To Seawater	--	--
- No treatment	--	--
- With treatment – please specify the level of Treatment	12,78,097	--
(iv) Sent to third-parties	--	--
- No treatment (Sent for treatment)	2,224.6	--
- With treatment – please specify level of Treatment	--	--

(v) Others – In-house Effluent Treatment Plant (ETP) and Reuse of Treated Water.	--	--
- No treatment	--	--
- With treatment – please specify level of Treatment	4,60,882.6	--
Total water discharged (in kilolitres)	17,41,204.2	--

Note: Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y/N). If yes, name of the external agency.

The BRSR assessment has been carried out internally by Ramky Infrastructure Limited, with technical support and guidance from MadhumathiDatta Sustainability Services Private Limited

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Ramky operates at the site level, carrying out EPC and other civil construction projects. The installation of a zero liquid discharge facility is carried out according to the client’s requirements, if specified. At the company level, we are not required to have zero liquid discharge infrastructure.

6. Please provide details of air emissions (other than GHG emissions) by the entity:

Parameter	Please specify unit	FY 2025–26 (Current FY)	FY 2024–25 (Previous FY)
NOx		The Company does not currently monitor these parameters*	
SOx			
Particulate matter (PM)			
Persistent organic pollutants (POP)			
Volatile organic compounds (VOC)			
Hazardous air pollutants (HAP)			
Others – please specify			

*Note: The Company does not currently maintain consolidated quantitative data for the above air emission parameters. However, applicable site-level air quality/emission monitoring is carried out as required under the relevant Consent to Operate and regulatory requirements. The Company is evaluating measures to strengthen monitoring and reporting of relevant air emission parameters across its operations.

Note: Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y/N). If yes, name of the external agency.

The BRSR assessment has been carried out internally by Ramky Infrastructure Limited, with limited assurance provided by MadhumathiDatta Sustainability Services Private Limited.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity:

Parameter	Unit	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 Equivalent	2337.835	7,068.59
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	26,552.43	35,595.28
Total Scope 1 and Scope 2 emission intensity per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations) *	Metric tonnes of CO2 Equivalent Per ` Million	0.00000017208	0.00000210
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP)		0.000035000	0.0000434

Total Scope 1 and Scope 2 emission intensity in terms of physical output	-	-
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

The BRSR assessment has been carried out internally by Ramky Infrastructure Limited, with limited assurance provided by MadhumathiDatta Sustainability Services Private Limited.

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

Given the nature of Ramky’s business activities, the Company does not have significant direct greenhouse gas emissions. Currently, there are no specific projects dedicated to reducing these emissions.

The Company plans to develop a roadmap for greenhouse gas (GHG) emission reduction in the next financial year and identify suitable initiatives to improve its climate performance.

9. Provide details related to waste management by the entity:

Parameter (in metric tonnes)	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Total Plastic waste (A)	0.52	-
Total E-waste (B)	0	-
Total Bio-medical waste (C)	0	-
Total Construction and demolition waste (D)	1712.54	-
Total Battery waste (E)	0	-
Total Radioactive waste (F)	0	-
Other Hazardous waste. Please Specify, if any. (G)	2.4	-
Other Non-hazardous waste generated (H). Please Specify, if any. (Break-up- by Composition i.e. by Materials relevant to the sector) Food waste at sites	5.15	-
Total (A+B + C + D + E + F + G + H)	1720.615	-
Waste intensity per rupee of turnover (Total waste generated / Revenue from operations)	0.0000001025	-
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated / Revenue from operations adjusted for PPP)	0.0000020847	-
Waste intensity in terms of physical output	-	-
Waste intensity (optional) – the relevant metric may be selected by the entity	-	-
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	1694.65	-
(ii) Re-used	-	-
(iii) Other recovery operations	-	-
Total	1694.65	-
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	0	

(ii) Landfilling	0
(iii) Other disposal operations	5.15 (Food waste)
Total	5.15

Note: During FY 2025–26, the Company generated 1,720.615 MT of waste, of which 1,694.65 MT was sent to authorised vendors for recycling. 5.15 MT was disposed of through authorised waste management agencies, including 2.40 MT of used waste oil. The remaining 19 MT of scrap metal was safely stored at the respective site premises as of the reporting date and will be transferred to authorised recyclers/disposal facilities in accordance with applicable regulations.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

The BRSR assessment has been carried out internally by Ramky Infrastructure Limited, with limited assurance provided by MadhumathiDatta Sustainability Services Private Limited.

10.Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Ramky Infrastructure Limited has implemented an Environmental Management System (EMS) in line with ISO 14001:2015 across its offices, headquarters, project sites, temporary facilities, and industrial facilities, wherever applicable.

The Company follows established procedures for waste identification, segregation, collection, recycling, and disposal. Regular waste management awareness and training programmes are conducted, and waste management performance is monitored periodically. Environmental data is also verified through third-party assurance, wherever applicable.

11.If the entity has operations / offices in / around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details:

S. No.	Location of operations / offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
1	Power Grid AB2 / AB3,West Siang Arunachal Pradesh, Pin Code: 791001.	Construction of substations and transmission lines	Yes
2	Mallanna Sagar -Godavari Drinking Water Supply,Ghanpur, Raja Bollaram, Telangana 501401.	Construction of a dedicated raw water pump house and intake infrastructure at Mallanna Sagar.	Yes

The Company ensures that all applicable environmental, forest, wildlife and other statutory approvals/clearances are obtained, wherever required, for operations located in or around ecologically sensitive areas, and complies with the conditions stipulated by the relevant authorities.

12.Details of environmental impact assessments (EIA) of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No)	Relevant Web link
The Company did not conduct any Environmental Impact Assessment (EIA) during FY 2025–26, as, considering the nature of its business activities, the requirement for conducting an EIA under the applicable MoEFCC regulations is not applicable.					

13.Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment Protection Act and rules thereunder (Y/N). If not, provide details of all such non-compliances:

S. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
Yes, the Company is fully compliant with the applicable environmental laws, regulations, and guidelines in India.				

Leadership Indicators

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres): The Company has not conducted a water footprint assessment in

water-stressed areas during the reporting period, as water consumption in such areas is not considered significant. The Company continues to monitor water usage across its operations.

Parameter	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	-	-
(ii) Groundwater	-	-
(iii) Third party water	-	-
(iv) Seawater / desalinated water	-	-
(v) Others	-	-
Total volume of water withdrawal (in kilolitres)	-	-
Total volume of water consumption (in kilolitres)	-	-
Water intensity per rupee of turnover (Water consumed / turnover)	-	-
Water intensity(optional) – the relevant metric may be selected by the entity	-	-
Water discharge by destination and level of treatment (in kilolitres)		
(i) Into Surface water	-	-
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(ii) Into Groundwater	-	-
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(iii) Into Seawater	-	-
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(iv) Sent to third-parties	-	-
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(v) Others	-	-
- No treatment (Sent to in-house Effluent Treatment Plant (ETP) for treatment and reuse)	-	-
- With treatment – please specify level of treatment	-	-
Total water discharged (in kilolitres)	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

The BRSR asssment has been carried out internally by Ramky Infrastructure Limited, with limited assurance provided by MadhumathiDatta Sustainability Services Private Limited.

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Total Scope 3 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	46,750.707	-
Total Scope 3 emissions per rupee of turnover		0.000000278455	-
Total Scope 3 emission intensity (optional)– the relevant metric may be selected by the entity		-	-

Note: For FY 2025–26, the Company has initiated Scope 3 GHG emissions assessment based on the activity data available. The assessment currently covers Scope 3 Category 1 – Purchased Goods and Services (gypsum plaster, carbon/MS steel, OPC cement and PPC/SRC cement) and Category 6 – Business Travel (employee air travel).

The emissions have been calculated using the relevant activity data and applicable emission factors. FY 2024–25 Scope 3 activity data was not available; therefore, comparative Scope 3 emissions have not been reported. The Company will continue to strengthen Scope 3 data collection and coverage across relevant categories.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

The BRSR assessment has been carried out internally by Ramky Infrastructure Limited, with limited assurance provided by MadhumathiDatta Sustainability Services Private Limited.

3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Not applicable, as no ecologically sensitive areas have been identified or reported under Question 11 during the reporting period.

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

No specific initiatives or innovative technologies for improving resource efficiency or reducing environmental impacts were undertaken during the reporting period. The Company is evaluating and planning to implement suitable resource efficiency and environmental and sustainability improvement initiatives in the next financial year.

Sr. No	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative

5.Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Ramky Infrastructure Limited has established emergency preparedness and response procedures across its project sites and offices to address potential

emergencies and disaster situations. The emergency response framework includes site-specific action plans for various emergency scenarios. The effectiveness of these plans is periodically evaluated through mock drills, and observations are recorded for continual improvement. Dedicated emergency response teams have been constituted at project sites with clearly defined roles and responsibilities, which are communicated to employees and relevant stakeholders.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

however all our active partners are being audited randomly during the external management system audit for ISO 14001:2015.

8. How many Green Credits have been generated or procured:

a. By the listed entity

b. By the top ten (in terms of value of purchases and sales, respectively) value chain partners]

Not Applicable.

Principle 7. Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations.

b. List the top 10 trade and industry chambers / associations (determined based on the total members of such body) the entity is a member of / affiliated to:

S.No.	Name of the trade and industry chambers / associations	Reach of trade and industry chambers / associations (State / National)
1	Indian Chamber of Commerce	National
1	Indian Chamber of Commerce	National
2	Confederation of Indian Industry (CII)	National
3	National Safety Council Of India	National
4	British Safety council	International
5	Construction Industry Development Council (CIDC)	National
6	Infrastructure Skill Development Academy (ISDA)	National

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities:

No corrective action has been taken or is underway, as there has been no anti-competitive conduct by the Company and no adverse orders received from any regulators.

Name of authority	Brief of the case	Corrective action taken

Leadership Indicators

1. Details of public policy positions advocated by the entity: None

No significant adverse environmental impacts were reported from the Company's value chain partners during the reporting period. Ramky Infrastructure Limited expects its suppliers, contractors, and service providers to comply with applicable environmental, health and safety, and legal requirements.

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

We have not done any specific assessment to our value chain partners on environmental impacts

S. No.	Public policy advocated	Method resorted for such advocacy	Whether information available in public domain? (Yes/No)	Frequency of Review by Board (Annually / Half-yearly / Quarterly / Others – please specify)	Web Link, if available
1					
2					

Principle 8. Businesses should promote inclusive growth and equitable development.

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year:

No Social Impact Assessment (SIA) was conducted during the reporting period, as none of the CSR projects qualified for SIA based on the applicable project value threshold.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No)	Relevant Web link

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity:

This section is not applicable to Ramky, as no projects undertaken during the reporting period involved Rehabilitation and Resettlement (R&R) requirements.

S. No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (In INR)
1						
2						

3. Describe the mechanisms to receive and redress grievances of the community.

The Company has implemented a mechanism whereby local employees regularly engage with community members to identify and address their concerns. Community members can directly communicate and raise issues as needed, with site location teams serving as the primary point of contact. Grievances are primarily addressed through one-on-one interactions to ensure timely and effective resolution. In addition, stakeholders may reach out to the Investor Relations Officer for any concerns or queries through the following contact details: Email: investors@ramky.com.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

Parameter	FY 2025–26 (Current FY)	FY 2024–25 (Previous FY)
Directly sourced from MSMEs / small producers	13.90	10.30
Directly from within India	100	100

5. Job creation in smaller towns — Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost:

Location	FY 2025–26 (Current FY)	FY 2024–25 (Previous FY)
Rural	0.66%	0
Semi-urban	2.38%	0
Urban	14.07%	100
Metropolitan	82.89%	0

*All our major projects are in and around Hyderabad, Mumbai and Bangalore. So Nearly 100% of our workforce is in urban areas.

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Not applicable as the SIA requirement was not there

Details of negative social impact identified	Corrective action taken

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

S. No.	State	Aspirational District	Amount spent (In INR)
1	Andhra Pradesh	Visakhapatnam & Vijayanagaram	Approx.: 59,60,677

3. (a) Do you have a preferential procurement policy where you give preference to purchase from marginalized / vulnerable groups? (Yes/No)

The Company does not have a preferential procurement policy for sourcing from marginalized or vulnerable groups, as its procurement requirements mainly consist of specialised industrial products and bulk construction materials.

(b) From which marginalized / vulnerable groups do you procure?

Not applicable.

(c) What percentage of total procurement (by value) does it constitute?

Not applicable.

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

Not Applicable. The Company did not own or acquire any intellectual property based on traditional knowledge during the reporting period; therefore, no related benefits were derived or shared.

S. No.	Intellectual Property based on traditional knowledge	Owned / Acquired (Yes/No)	Benefit shared (Yes/No)	Basis of calculating benefit share
1				
2				

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved:

Not applicable.

Name of authority	Brief of the Case	Corrective action taken

6. Details of beneficiaries of CSR Projects:

S. No.	CSR Project	No. of persons benefitted from CSR Projects	% of beneficiaries from vulnerable and marginalized groups
1	Health Support	26095	100 %
2	Natural resources management	6808	100 %
3	Education Support	4686	100 %
4	Rural development	5320	100 %
5	Skill development	2140	100 %
6	Promotion of sports	1	100 %
7	Women empowerment	24	100 %
	Total	45074	

Principle 9, Businesses should engage with and provide value to their consumers in a responsible manner.

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

Ramky has a robust mechanism for addressing consumer complaints, emphasizing prompt and effective resolution. Complaints are assigned to a dedicated, trained team specialized in handling such issues. The company maintains open communication with customers, providing regular updates and progress reports. Ramky is committed to finding amicable solutions and ensuring high customer satisfaction.

The company engages in execution of EPC and Developer works for the clients. The project is executed as per the contractual agreement terms and conditions and any deficiency in the execution of the work is dealt through the redressal mechanism in the contract between the parties.

2. Turnover of products and / services as a percentage of turnover from all products / service that carry information about:

Not applicable, as Ramky Infrastructure Limited primarily provides infrastructure construction and development services and does not market consumer products or services with environmental or social labels.

	As a percentage to total turnover
Environmental and social parameters relevant to the product	-
Safe and responsible usage	-
Recycling and/or safe disposal	-

3. Number of consumer complaints in respect of the following:

	FY 2025–26 (Current FY)		FY 2024–25 (Previous FY)	
	Received during the year	Pending resolution at end of year	Received during the year	Pending resolution at end of year
Data privacy	0	0	0	0
Advertising	0	0	0	0
Cyber-security	0	0	0	0
Delivery of essential services	0	0	0	0
Restrictive Trade Practices	0	0	0	0
Unfair Trade Practices	0	0	0	0
Other	0	0	0	0

4. Details of instances of product recalls on account of safety issues:

	Number	Reasons for recall
Voluntary recalls	0	Not Applicable
Forced recalls	0	Not Applicable

INDEPENDENT ASSURANCE STATEMENT

To,
The Directors and Management Ramky Infrastructure Limited
15th Floor, Ramky Grandiose, Sy No 136/2 & 4,
Gachibowli, Hyderabad -500032, Telangana

Madhumathidatta Sustainability Services Private Limited (hereinafter referred to as MDSSPL) was engaged by Ramky Infrastructure Limited("RIL") to conduct an Independent Third-Party Assurance (ITPA) of the sustainability disclosures presented in RIL's Sustainability Report (hereinafter referred to as Report) for the reporting period 1st April 2025 to 31st March 2026 . The Report is developed based on SEBI Standards. MDSSPL performed a limited assurance in line with the International Standard on Assurance Engagements (ISAE) 3000 (Revised), which is specifically applied to the assurance of non-financial and sustainability reporting. The assurance statement is intended for RIL's stakeholders as stated in its "Report".

1.1. Responsibilities of the Reporting Organisation

RIL is responsible for preparing the sustainability disclosures in accordance with SEBI BRSR framework. MSDDPL is responsible for conducting an independent assurance engagement to evaluate adherence to these standards. It is binding upon RIL to ensure that the Report is free from any material RIL's statements, whether intentional or unintentional, thereby maintaining the trust and confidence of stakeholders in the disclosed information. No changes occurred in the responsibilities of either party during this engagement.

1.2.Responsibilities of the Assurance Provider

MSDDPL's responsibility for the applied assurance engagement is to perform independent assurance and to express a conclusion based on the work performed. We conducted our engagement in reference to the International Standard on Assurance Engagements (ISAE) 3000 (Revised) for identified non-financial ESG indicators. Our engagement did not include an assessment of the adequacy or effectiveness of RIL's strategy or management of sustainability-related issues or the sufficiency of the Report against the principles of SEBI BRSR framework, ISAE 3000 (Revised), other than those mentioned in the scope of the assurance. The data is verified on a sample basis, the responsibility for the authenticity of data lies with the reporting organisation. The reporting organisation is responsible for archiving the related data for a reasonable period of time.

1.3. Reference to the Use of the Assurance Standards

This assurance engagement was conducted in accordance with International Standard on Assurance Engagements (ISAE) 3000 (Revised). Additionally, GRI Standards were used as complementary criteria for assessing sustainability performance information.

1.4. Scope of work

The scope of this assurance engagement is limited to the BRSR disclosures reported by RIL within the defined organizational boundary comprising

SL NO.	PROJECT NAME	Type	Location
1	HO	Buildings	Hyderabad
2	Genext Square	Buildings	Hyderabad
3	Genext Towers	Buildings	Hyderabad
4	Odyssey	Buildings	Hyderabad
5	Astra	Buildings	Hyderabad
6	Symphony	Buildings	Hyderabad
7	Orbit	Buildings	Hyderabad
8	Krystal Villas	Buildings	Vizag
9	Krystal Towers	Buildings	Vizag
10	Skylark- Lumina	Buildings	Bengaluru
11	Skylark- Fortuna	Buildings	Bengaluru
12	Power Grid - AB2	Others	Arunachal Pradesh
13	Power Grid - AB3	Others	Arunachal Pradesh
14	Mallana Sagar	WWW	Hyderabad
15	WTE-Deonar	Industrial solution	Mumbai- Maharashtra
16	MITL	Industrial solution	Kolad, Maharashtra
17	JNPC O&M	Industrial solution	Vizag
18	JNPC-BOT	Industrial solution	Vizag
19	RIL-RECEPS	Industrial solution	Vizag

The specified information was selected based on the materiality determination and needs to be meaningful to the intended users. 1

1.5. Verification Procedures and Methodology

Assurance Procedures

Our procedures included:

- Inquiry of management and relevant personnel.

5. Does the entity have a framework / policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes, we have a comprehensive framework to manage cybersecurity and data privacy risks. The policy incorporates multiple safeguards such as access control, virus prevention, intrusion detection, regular data backups, user authentication, continuous monitoring, and periodic reviews to ensure the security of information assets. It also includes guidelines for maintaining data integrity based on data classification and securing the organization's information systems in line with best practices.

Web-link: <https://ramkyinfrastructure.com/docs/pdf/investordesk/pop.pdf>

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

None

7. Provide the following information relating to data breaches:

(a) Number of instances of data breaches - NIL

(b) Percentage of data breaches involving personally identifiable information of customers - NIL

(c) Impact, if any, of the data breaches- NIL

Leadership Indicators

1. Channels / platforms where information on products and services of the entity can be accessed (provide web link, if available).

Corporate Website: <https://ramkyinfrastructure.com/>

The primary source for comprehensive information on Ramky Infrastructure Limited's business activities is the Company's official website. Stakeholders can visit the website to explore the Company's infrastructure and construction services across various sectors, including transportation, water and wastewater, buildings, industrial, and other infrastructure projects.

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

This disclosure is not applicable to Ramky Infrastructure Limited, as the Company is engaged in infrastructure construction and development services and does not offer consumer products requiring safe and responsible usage instructions. However, the Company follows applicable safety standards and contractual requirements in the execution of its projects.

3. Mechanisms in place to inform consumers of any risk of disruption / discontinuation of essential services.

Not applicable due to the nature of the Company's operations and business model. However, the Company has site emergency plans in place to manage emergencies and minimise any disruption to essential services.

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products/services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Ramky Infrastructure Limited primarily provides infrastructure construction and development services and does not manufacture or market consumer products that require product labelling.

Wherever applicable, the Company provides relevant project-related information, technical specifications, and safety requirements to its clients in accordance with contractual and regulatory obligations.

The Company does not conduct formal consumer satisfaction surveys due to the nature of its business model. However, it maintains regular interaction with clients through project review meetings, feedback mechanisms, and stakeholder engagement processes to understand client requirements and improve service delivery.

- Walkthroughs of reporting and data collection processes.
- Review of policies and source records.
- Selective testing of evidence.
- Analytical review and consistency checks across reported metrics.
- Evaluation of reporting criteria suitability, evidence reliability, and disclosure coherence.

Based on the procedures performed and evidence obtained, nothing has come to our attention that causes us to believe that the BRSR disclosures of RIL for FY 2025–26 are materially misstated or not prepared, in all material respects, in accordance with the applicable reporting criteria and BRSR requirements.

BRSR Principle Table

BRSR Attribute	Assurance Focus	Principle / Disclosure Mapping
Green-house gas footprint	Scope 1, Scope 2, intensity, methodology	Principle 6, essential indicators
Water footprint	Consumption, intensity, discharge, treatment	Principle 6, essential indicators
Energy footprint	Total energy consumed, renewable share, intensity	Principle 6, essential indicators
Embracing circularity	Waste generation, segregation, recovery, disposal	Principle 6, essential indicators
Employee wellbeing and safety	Safety incidents, LTIFR, fatalities, wellbeing spend	Principle 3, essential indicators
Gender diversity	Female wages, POSH complaints, closure status	Principle 5, essential indicators
Inclusive development	MSME sourcing, local procurement, employment support	Principle 8, essential indicators
Customer & supplier responsibility	Data security, breach incidents, supplier fairness	Principle 9, essential indicators
Open-ness of business	Payables, concentration, related party transactions	Principle 1, essential indicators

Assurance Methods

In line with ISAE 3000 (Revised), the engagement was planned to reduce assurance risk to an acceptable level for a limited assurance assignment. The methods used were designed to gather sufficient appropriate evidence through risk assessment, process understanding, evidence inspection, analytical procedures, and selective testing rather than exhaustive verification of every data point.

The evidence reviewed was assessed for relevance, reliability, completeness, and consistency. Where management estimates or judgments were used, we considered whether the assumptions were reasonable and whether the calculation methods were consistently applied across the defined reporting boundary.

Scope for Improvements

Energy and Emissions

- Implement robust monitoring mechanisms for all process emissions, including installation of continuous emission monitoring systems (CEMS) where feasible.
- Establish site-level data collection protocols with clear responsibilities, supported by automated logging and verification to reduce manual errors.

Water Resource Management

- Water mapping shows significant gaps across sites.
- Monitoring of water usage and STP performance is weak.
- No uniform monitoring framework across facilities.

Waste Management

- Hazardous, non-hazardous, recyclable waste streams not uniformly reported.
- Lack of standardized waste management disclosure framework.

1.6. Notes on Independence and Competencies of the Assurance Provider

MSDDPL maintains independence through adherence to professional codes of practice under AA1000AS v3 Appendix D. Our team includes AccountAbility PCSAP-qualified practitioners with expertise in sustainability reporting standards such as GRI, TCFD, SASB & SEBI BRSR.

1.7. Assurance Provider Background

As a seasoned sustainability assurance professional, Mr. Ragesh Joshi in delivering independent third-party assurance services that enhance the credibility and transparency of

organizations' sustainability disclosures. With expertise in globally recognized standards such as the AA1000AS v3, ISAE 3000 revised , GRI standards and SEBI BRSR frameworks, brings a comprehensive understanding of environmental, social, governance (ESG), and economic metrics to his assurance engagements. I am also a certified Lead GHG Validator and Verifier, with extensive expertise in greenhouse gas (GHG) auditing and assurance, ensuring compliance with international climate standards.

By leveraging his expertise in sustainability assurance, GHG validation, and energy efficiency, empowers organizations to achieve their sustainability goals while fostering accountability and long-term value creation. my work supports companies in enhancing stakeholder trust, reducing environmental impacts, and aligning with global sustainability standards.

1.8. Findings and Conclusions

Inclusivity	RIL engages mechanisms. stakeholders through structured	Meets the expectations.
Materiality	Material issues are well-defined.	Meets expectations; ongoing monitoring needs to be continued for monitoring evolving material issues.
Responsiveness	Stakeholder concerns are addressed promptly.	Meets expectations.

Conclusion:

MDSSPL is of the opinion that RIL's sustainability disclosures generally meet the requirements of the BRSR frameworks. The following reporting elements have been appropriately addressed:

On the basis of the work performed, and subject to the inherent limitations of a limited assurance engagement under ISAE 3000 (Revised), we conclude that the BRSR disclosures of Ramky Infrastructure Limited (RIL) for FY 2025–26 are prepared, in all material respects, in accordance with the stated reporting criteria and the applicable BRSR framework.

- Governance topics- Information on Ascend's organizational profile, strategy, ethics and integrity, governance, stakeholder engagement, and reporting practices.

- Environmental topics- monitoring system of the energy emission , water, waste needs to be streamlined with centralised systems
- Social topics – These were applied to report the RILs impacts on relevant environmental and social issues. MDSSPL finds that the material topics and associated Topic-specific Standards are appropriately identified and addressed in Ascend's ESG disclosures.

We commend RIL's commitment to transparency through this assurance process and encourage continued efforts toward achieving its sustainability goals.

Hyderabad, India.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY AND ECONOMIC OUTLOOK

Indian Economic Environment

India's economic landscape remained resilient in FY2025–26, supported by domestic demand, investment and continued economic activity. As per the First Advance Estimates of the National Statistical Office, real GDP is estimated to grow by 7.4% in FY2025–26. Construction GVA is estimated to grow by 7.8% during the year.

The Government continued to prioritise capital expenditure to strengthen productive capacity and build long-term economic infrastructure. The Union Budget 2025–26 provided ₹11.21 lakh crore for capital expenditure, equivalent to 3.1% of GDP, while effective capital expenditure, including grants for creation of capital assets, was budgeted at ₹15.48 lakh crore, or 4.3% of GDP. Government capital outlay has increased by nearly 89%, from ₹5.92 lakh crore in FY2021–22 to the budgeted ₹11.21 lakh crore in FY2025–26, reinforcing infrastructure as an important driver of economic growth.

Infrastructure Sector

India's infrastructure sector remains inclined towards sustained public investment, urbanisation efforts, and initiatives to promote industrial expansion. The focus is increasingly shifting from creating basic infrastructure to improving the quality, capacity and efficiency of existing systems.

Data published in the Economic Survey 25-26 points towards public capital expenditure remaining central to India's growth. Initiatives such as PM GatiShakti continue to improve integrated planning and coordination efforts across infrastructure projects. Continued investments by EPC, PPP, and hybrid models within the private sector also created new opportunities across transportation, urban infrastructure, water and industrial development.

For infrastructure companies, the opportunity is increasingly moving towards projects that combine construction with long-term operation, maintenance, resource efficiency and measurable outcomes.

Water and Wastewater

Water and wastewater management are emerging as critical infrastructure for India. The Economic Survey 2025–26 estimates that India generates approximately 112 billion litres of domestic and industrial wastewater daily, making it the world's third-largest generator of wastewater. Urban areas account for around two-thirds of this volume, while only 28% of urban wastewater is currently treated.

The next phase of urban development is expected to focus on expanding coverage and improving the

performance of water supply, sanitation, drainage, solid waste management and essential urban services. This creates opportunities for integrated solutions that address multiple infrastructure needs while improving resource efficiency and resilience.

The limited treatment and reuse of wastewater points to significant long-term opportunity. The Economic Survey highlights treated used water reuse as an important part of a circular water economy and estimates that reuse of treated water for applications such as industrial cooling, construction and landscaping could create an economic opportunity of ₹2.4–3.2 lakh crore by 2047.

India's water sector is moving beyond conventional water supply and sewage treatment towards reuse, resource recovery, pollution control and circular water management. Government programmes and performance-linked models such as Hybrid Annuity Models for sewage treatment are further supporting this transition.

Government initiatives like Jal Jeevan Mission 2.0, approved in March 2026, extend the mission to December 2028 with an enhanced outlay of ₹8.69 lakh crore. The reoriented programme places greater emphasis on reliable and sustainable drinking-water services, creating continued opportunities across water supply and related infrastructure. Another highlight initiative includes AMRUT 2.0 continues to support investment in urban water supply, sewerage and septage management, water-body rejuvenation and related urban infrastructure. The programme is supporting continued investment in urban water and wastewater infrastructure across cities.

Industrial Parks

India's sector continued to gain momentum, growing 8.4% in the first half of FY2025–26, according to the Economic Survey. India's industrial parks sector continues to benefit from efforts to expand industrial parks. The development of industrial parks is driving demand for supporting infrastructure, including utilities, water supply, wastewater treatment, common facilities and other essential services.

The Government's BHAVYA scheme, approved in March 2026, provides for the development of 100 plug-and-play industrial parks with ready infrastructure to support industrial investment. This is expected to support continued demand for quality infrastructure within industrial parks.

Roads and Bridges and Transportation

Roads and Bridges transportation infrastructure continues to benefit from sustained public investment aimed at improving connectivity, reducing logistics

Indian Economic Environment

India's economic landscape remained resilient in FY2025–26, supported by domestic demand, investment and continued economic activity. As per the First Advance Estimates of the National Statistical Office, real GDP is estimated to grow by 7.4% in FY2025–26. Construction GVA is estimated to grow by 7.8% during the year.

The Government continued to prioritise capital expenditure to strengthen productive capacity and build long-term economic infrastructure. The Union Budget 2025–26 provided ₹11.21 lakh crore for capital expenditure, equivalent to 3.1% of GDP, while effective capital expenditure, including grants for creation of capital assets, was budgeted at ₹15.48 lakh crore, or 4.3% of GDP. Government capital outlay has increased by nearly 89%, from ₹5.92 lakh crore in FY2021–22 to the budgeted ₹11.21 lakh crore in FY2025–26, reinforcing infrastructure as an important driver of economic growth.

Infrastructure Sector

India's infrastructure sector remains inclined towards sustained public investment, urbanisation efforts, and initiatives to promote industrial expansion. The focus is increasingly shifting from creating basic infrastructure to improving the quality, capacity and efficiency of existing systems.

Data published in the Economic Survey 25-26 points towards public capital expenditure remaining central to India's growth. Initiatives such as PM GatiShakti continue to improve integrated planning and coordination efforts across infrastructure projects. Continued investments by EPC, PPP, and hybrid models within the private sector also created new opportunities across transportation, urban infrastructure, water and industrial development.

For infrastructure companies, the opportunity is increasingly moving towards projects that combine construction with long-term operation, maintenance, resource efficiency and measurable outcomes.

Water and Wastewater

Water and wastewater management are emerging as critical infrastructure for India. The Economic Survey 2025–26 estimates that India generates approximately 112 billion litres of domestic and industrial wastewater daily, making it the world's third-largest generator of wastewater. Urban areas account for around two-thirds of this volume, while only 28% of urban wastewater is currently treated.

The next phase of urban development is expected to focus on expanding coverage and improving the

performance of water supply, sanitation, drainage, solid waste management and essential urban services. This creates opportunities for integrated solutions that address multiple infrastructure needs while improving

Industrial Parks, Water and Wastewater form key areas of focus, supported by capabilities across EPC, Hybrid Annuity Model (HAM), PPP and Operation & Maintenance (O&M).

Business Model

The Company operates through two broad business models:

Engineering, Procurement and Construction (EPC)

The EPC business undertakes infrastructure projects across water and wastewater, industrial infrastructure, urban solutions, buildings and other infrastructure segments. Its capabilities span project planning, engineering, procurement, construction, commissioning and execution management.

Developer and Infrastructure Solutions

The Company participates in development projects and public-private partnership opportunities through project-specific requirements. These include industrial parks, water and wastewater infrastructure, transportation assets and urban infrastructure. This combination allows Ramky to participate across different stages of the infrastructure lifecycle, from project development and construction to commissioning and long-term operations.

Building Depth in Water and Wastewater and Industrial Parks

Water and Wastewater

Water and wastewater remain a core area of the Company's expertise. Its capabilities cover the development and operation of sewage treatment plants, water and wastewater treatment systems, transmission pipelines, pumping infrastructure and associated solutions.

The Company's experience spans EPC, HAM, PPP, and O&M models. During the year, the Company continued to strengthen its focus on delivery cycles, with a focus on stronger commissioning. It was treated as an important transition from construction to operations. This approach strengthens project design, equipment selection, and execution decisions, with long-term operational performance in mind.

Industrial Parks

Industrial Parks are an important business area for RIL. The Company develops and manages infrastructure within industrial park ecosystems, including internal

infrastructure, utilities and common facilities required by industrial developments.

The Company's experience includes Jawaharlal Nehru Pharma City (JNPC), Vizag, where it provides infrastructure services for industries operating within the park.

Selective Growth with Execution Discipline

The Company continues to follow a selective approach to bidding, with emphasis on project margins and contractual terms. It gives due consideration to the scope of work, execution requirements and commercial terms before taking up projects. This approach helps the Company focus its resources on projects that are commercially viable and can be executed effectively.

Project Execution

The Company's project experience includes both construction and O&M in select infrastructure projects. This includes O&M arrangements under HAM and environmental infrastructure projects, alongside its EPC projects.

Financial Overview

Ramky Infrastructure Limited remained profitable in FY2025–26, with profitability improving despite a moderation in revenue.

On a consolidated basis, revenue from operations stood at ₹1,846.48 crore, compared with ₹2,044.54 crore in FY2024–25. Total income stood at ₹2,041.54 crore, compared with ₹2,210.45 crore in the previous year. However, profit for the year increased to ₹282.78 crore, from ₹210.49 crore in FY2024–25. Basic EPS increased from ₹28.54 to ₹39.17.

On a standalone basis, revenue from operations stood at ₹1,678.93 crore, compared with ₹1,969.36 crore in FY2024–25. Total income stood at ₹1,857.44 crore, compared with ₹2,093.84 crore in the previous year. Profit for the year increased to ₹331.88 crore, from ₹265.19 crore, while basic EPS increased from ₹38.32 to ₹47.96.

The improvement in profitability, despite lower revenue, reflects the Company's financial performance during a year of changing project and business mix.

Order Book

As at March 31, 2026, the Company's order book stood at ₹13,000 crore, providing a substantial base for future execution.

Industrial projects accounted for ₹8,000 crore, followed by Water & Wastewater at ₹3,500 crore, Buildings at ₹1,250 crore, Electricals at ₹150 crore and Roads & Bridges at ₹100 crore.

Of the total order book, ₹8,400 crore relates to Capex projects and ₹4,600 crore to Opex projects. Industrial and Water & Wastewater together account for approximately 89% of the order book, highlighting their significance to the Company's future execution pipeline.

OPPORTUNITIES AND THREATS

Opportunities

Water and Wastewater

Water and wastewater remain among Ramky's strongest areas of experience. Rising urban water demand, treatment requirements and the growing need to reuse treated water are expanding the addressable market. With ₹3,500 crore of orders in this segment, it is also an important contributor to the Company's future execution.

Industrial Infrastructure

Industrial is currently the largest part of the order book at ₹8,000 crore. Growth in industrial parks is creating demand not only for core infrastructure, but also for utilities, water and wastewater systems and common facilities. Ramky's experience across these areas positions it to participate in larger, integrated projects. A larger Opex opportunity

The order book includes ₹4,600 crore of Opex work, alongside ₹8,400 crore of Capex projects. This gives Ramky exposure to contracts that extend beyond construction and can provide longer-duration engagement with infrastructure assets. The ability to execute these contracts well will be important to converting this opportunity into sustained business.

Continued infrastructure spending

Public investment in urban infrastructure, transport, water, buildings and other essential infrastructure continues to support the EPC market. Ramky's presence across several of these sectors gives it the flexibility to pursue opportunities where project terms and returns are appropriate.

Risks & Concerns

Since its inception, Ramky Infrastructure Limited has been actively involved in EPC contracts. Over the years, based on its experience across projects, the management has observed that EPC contracts, particularly those awarded by government authorities, are subject to several risks.

The Company has previously faced financial challenges arising from the simultaneous execution of multiple projects, which required significant fund outflows, delays in the release of funds by government authorities

and various legal matters. These circumstances resulted in the implementation of the Stress Resolution Mechanism notified by the RBI. Subsequently, the Company monetised its road assets to generate the required liquidity.

Considering these past experiences and the current operating environment, the Company faces the following key risks:

1. Tender Risk

A key risk arises from the nature of EPC contracts. Many government-awarded EPC contracts are fixed-price contracts without adequate provisions for cost or time overruns. This makes the bidding process challenging, as any unforeseen event or deviation during execution can adversely affect project margins and increase the overall risk.

2. Financial Risk

EPC contracts require significant financial commitments at the tendering stage, including mobilisation advances and bank guarantees. These commitments can place considerable demands on working capital. A mismatch between when financial obligations come due and when revenue is generated can create cash flow pressures.

3. Material Risk

Government EPC contracts may not provide adequate cost escalation provisions. As a result, fluctuations in raw material prices can affect project economics. The Company may face the risk of being unable to procure materials at the prices initially assumed while bidding for the contract.

4. Manpower Risk

The construction sector continues to face shortages of skilled labour. Depending on project requirements, the Company may need to mobilise labour from other states, which can create challenges related to availability, retention and deployment of skilled manpower.

5. Compliance Risk

Infrastructure project execution requires compliance with a wide range of statutory and regulatory requirements. In certain cases, the release of corresponding funds by government authorities may also depend on the completion of required compliances. The large and evolving regulatory framework increases the risk of delays or additional requirements during project execution.

6. Unforeseen Risk

Infrastructure projects, particularly those involving

underground works, may encounter unforeseen site and geological conditions. The Company has experienced situations where, despite seismological testing, ground conditions proved unsuitable for execution and resulted in high additional costs that were not accommodated by the government authorities.

7. Clearances Risk

Many government contracts require the contractor to obtain or support the process of obtaining requisite statutory and project-related clearances. Delays or challenges in securing these clearances can affect project timelines and execution. The Company has faced such challenges in the past, resulting in delays in project execution.

Selective Approach to Bidding

In view of the risks encountered over the years, the Company has adopted a more selective approach to bidding for EPC projects. The Company evaluates the commercial viability and execution risks of projects before participating in tenders. Contracts that do not provide reasonable margins or adequate provisions for cost overruns are assessed cautiously, as such conditions can adversely affect the financial performance and timely execution of projects.

The Company remains selective in taking on new projects, focusing on viability, contract terms, and execution feasibility.

INTERNAL FINANCIAL CONTROL AND THEIR ADVOCACY

The Company has adequate Internal Financial Controls consistent with the nature of its business and the size of its operations. These controls provide for the safety of its assets, the reliability of financial transactions, adequate checks and balances, adherence to applicable statutes and accounting policies, approval procedures, and the optimum use of available resources.

These systems are reviewed and improved regularly. The Company also has a comprehensive budgetary control system to monitor revenue and expenditure against approved budgets on an ongoing basis.

HUMAN RESOURCES / INDUSTRIAL RELATIONS

As on March 31, 2026, RIL had 1,000+ employees. The Company believes in creating an environment where employees derive a sense of purpose, passion and opportunities for personal growth, contributing to better organisational performance.

The Company continues to focus on four key areas: talent engagement, performance management, capability development and maintaining cordial

industrial relations. It also reviews and strengthens its HR processes and systems on an ongoing basis to improve the efficiency of its people-related processes and optimise time and costs.

The Company promotes a healthy and inclusive work culture that supports employees' mental well-being. It provides equal opportunities and promotes diversity, equity and inclusion, with employees treated with fairness, respect and dignity.

Regular training and development initiatives are undertaken to strengthen employee capabilities and equip the workforce with skills required to meet evolving business needs. The Company maintains a zero-tolerance approach towards workplace harassment and discrimination and remains committed to providing a safe, respectful and supportive work environment.

Total	10	

e)Disclosure of relationships between directors inter-se

The Directors are not related to each other in terms of the definition of “Relative” under Section 2(77) of the Companies Act, 2013 and Rules framed there under. There is only one Promoter Director on the Board of the Company who is not related to any other Board members. Hence, there is no inter-se relationship existing between the Directors of the Company.

f) Number of shares and convertible instruments held by non- executive directors; None

g) DIRECTORS FAMILIARIZATION PROGRAM:

Your Company has a system to induct the newly elected Director on board. In accordance with the details of the programmes conducted by the Company for the familiarisation of Independent Directors are posted on the website of the Company under the web-link: <https://ramkyinfrastructure.com/docs/pdf/investordesk/Familiarization-Program-for-Independent-Directors.pdf>

The matrix presenting the directors' area of expertise against their experience in the respective field is specified hereunder:

The List of core skills / expertise / competencies which are identified by the Board of Directors as required in the context of the business of the Company to function effectively are

- a.Business and Administration
- b.Finance and accounts
- c.Legal and governance
- d.Industry knowledge
- e.Analytical skills
- f.Decision making skills.
- g.Leadership skills
- h.Risk Management

Director - wise skills to be presented.

Name of the Director	Designation	Years of Experience (approx.)	Field of Expertise
Mr. Yancharla Rathnakara Nagaraja	Managing Director	42	- Operational experience - Administrative experience - Leadership Skills - Industry Knowledge
Dr. Anantapuram Guggela Ravindranath Reddy	Non-Executive Director	35	- Corporate Law Expert - Industry Exposure - Legal and governance

Mr. Isaac Wesley Vijaya Kumar	Non-Executive Director	34	- Finance - Taxation - Industry Knowledge - Risk Management
Dr. Ravi Kumar Reddy Somavarapu	Independent Director	37	- Finance - Taxation - Industry Knowledge - Risk Management
Dr. Peddibhotla Gangadhara Sastry	Independent Director	63	- Finance and accounts - Industry Experience - Risk Management - Analytical Skills
Ms. Malvieka Joshi	Independent Director	20	- Leadership Skills - Governance - Industry Knowledge - HR Professional
Mr. Eshwar Reddy Purmandla	Independent Director	46	- Industry Knowledge - Governance - Risk Management

Confirmation that in the opinion of the Board the Independent Directors fulfil the conditions specified in the Listing Regulations and are independent of the management:

The Board of Directors confirms that in their opinion the Independent Directors fulfil the conditions specified by the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and are independent of the management.

During the year under review, Ms. Rama Devi Allam term has been expired w.e.f 30.09.2025 as an Independent Director of the Company and Ms. Malvieka Joshi has been appointed as an Independent Director of the Company w.e.f 30.09.2025.

Detailed reasons for the resignation of an independent director who resigns before the expiry of his/ her tenure along with a confirmation by such director that there are no other material reasons other than those provided.

During the year under review, Ms. Rama Devi Allam term has been expired w.e.f 30.09.2025 as an Independent Director of the Company.

Independent Directors Meeting

During the Financial Year 2025-26, One Independent Directors Meeting was held on March 21, 2026 which was attended by the Independent Directors. The Independent Directors have evaluated the performance of the Non-Independent Directors, the Board as a whole for the Financial Year 2025-26. The Board was briefed on the recommendations made at the Independent Directors Meeting.

3. AUDIT COMMITTEE

The Audit Committee was constituted in terms of Section 177 of the Companies Act, 2013 and as per the SEBI (LODR) Regulations, 2015. The Audit Committee consists of a combination of Non-Executive Directors and Independent Directors and assists the Board in fulfilling its overall responsibilities. The Company Secretary acts as the Secretary of the Committee.

I) BRIEF DESCRIPTION OF TERMS OF REFERENCE

The terms of reference of the Audit Committee include the following:

- Oversight of the company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
- Recommendation for appointment, remuneration and terms of appointment of auditors of the company;
- Approval of payment to statutory auditors for any other services rendered by the statutory auditors;
- Reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the board for approval, with particular reference to:
- Matters required being included in the Director's Responsibility Statement to be included in the Board's report in terms of clause (c) of sub-section 3 of section 134 of the Companies Act, 2013
- Changes, if any, in accounting policies and practices and reasons for the same

- Major accounting entries involving estimates based on the exercise of judgment by management
- Significant adjustments made in the financial statements arising out of audit findings
- Compliance with listing and other legal requirements relating to financial statements
- Prior Approval of any related party transaction and Disclosure of any related party transactions
- Qualifications in the draft audit report
- Reviewing, with the management, the quarterly financial statements before submission to the board for approval;
- Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter;
- Review and monitor the auditor's independence and performance, and effectiveness of audit process;
- Prior Approval or any subsequent material modification of transactions of the company with related parties;
- Scrutiny of inter-corporate loans and investments;
- Valuation of undertakings or assets of the company, wherever it is necessary;
- Evaluation of internal financial controls and risk management systems;
- Reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
- Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- Discussion with internal auditors of any significant findings and follow up there on;
- Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the board;

- Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
- To review the functioning of the Whistle Blower mechanism;
- Approval of appointment of CFO (i.e., the whole-time Finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate;
- Reviewing the utilization of loans and/ or advances from/investment by the holding company in the subsidiary exceeding rupees 100 crore or 10% of the asset size of the subsidiary, whichever is lower including existing loans / advances / investments existing as on the date of coming into force of this provision.
- Consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders.
- Carrying out any other function as is mentioned in the terms of reference of the Audit Committee in compliance with Schedule II Part C of SEBI (LODR) Regulations, 2015 and Section 177 of the Companies Act, 2013.

Explanations

- The term "Related Party Transactions" shall have the same meaning as provided in Regulation 2(1) (zc) of SEBI (LODR) 2015 duly amended.

II. COMPOSITION, NAME OF MEMBERS AND CHAIRPERSON.

As on March 31, 2026, the Audit Committee comprises of the following Directors.

Name of the Member	Status
Dr. Ravi Kumar Reddy Somavarapu	Chairman
Dr. Anantapuram Guggela Ravindranath Reddy	Member
Dr. Peddibhotla Gangadhara Sastry	Member
Mr. Eshwar Reddy Purmandla	Member

III. MEETINGS AND ATTENDANCE

During the year 2025-26, Nine (9) Audit committee meetings were held i.e. on 07.05.2025, 24.05.2025, 08.08.2025, 11.10.2025, 13.11.2025, 07.02.2026,

11.03.2026, 21.03.2026 and 28.03.2026. The gap between two consecutive meetings did not exceed 120 days and necessary quorum was present at all the meetings. The details of attendance of members is given below:

Name of the Member	Meetings held during the year	Meetings attended
Dr. Ravi Kumar Reddy Somavarapu	9	9
Dr. Anantapuram Guggela Ravindranath Reddy	9	9
Dr. Peddibhotla Gangadhara Sastry	9	9
Mr. Eshwar Reddy Purmandla	9	8

The Chairperson of the Audit Committee attended the Annual General Meeting held on September 25, 2025.

4. NOMINATION AND REMUNERATION COMMITTEE

The Nomination and Remuneration Committee was constituted in terms of Section 178 of the Companies Act, 2013 and as per the SEBI (LODR) Regulations, 2015. The Committee consists of a combination of Non-Executive Directors and Independent Directors and assists the Board in fulfilling its overall responsibilities. The Company Secretary acts as the Secretary of the Committee.

a) BRIEF DESCRIPTION OF TERMS OF REFERENCE

- ✓ To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management.
- ✓ To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation of the Board.
- ✓ To recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management.
- ✓ To provide to Key Managerial Personnel and Senior Management reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations.
- ✓ To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.
- ✓ To devise a policy on Board diversity
- ✓ To develop a succession plan for the Board and to regularly review the plan;

b) COMPOSITION, NAME OF MEMBERS AND CHAIRPERSON

As on March 31, 2026, the Nomination and Remuneration Committee comprises of the following directors.

S. No	Name of the Member	Category
1	Mr. Eshwar Reddy Purmandla	Chairman
2	Dr. Peddibhotla Gangadhara Sastry	Member
3	Dr. Ravi Kumar Reddy Somavarapu	Member
4	Dr. Anantapuram Guggela Ravindranath Reddy	Member

c) MEETINGS AND ATTENDANCE DURING THE YEAR 2025-26:

During the year 2025-26, 5(Five) N&R committee meetings were held i.e. on 24.05.2025, 08.08.2025, 29.09.2025, 13.11.2025 and 07.02.2026. Necessary quorum was present at all the meetings. The details of attendance of members is given below:

Mr. Eshwar Reddy Purmandla	5	4
Dr. Peddibhotla Gangadhara Sastry	5	5
Dr. Anantapuram Guggela Ravindranath Reddy	5	5
Dr. Ravi Kumar Reddy Somavarapu	5	5

The Chairperson of the Nomination and Remuneration Committee attended the Annual General Meeting held on September 25, 2025.

D) BOARD EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Audit, Nomination and Remuneration and other Committees. Structured questionnaires were prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual Directors, who were evaluated on parameters such as level of participation in the meetings and contribution, independence of judgement, safeguarding the

interest of the Company and other stakeholders etc. The performance evaluation of the Independent Directors was carried out by the entire Board. Further, the performance evaluation of the Non-Independent Directors was carried out by the Independent Directors.

e)REMUNERATION POLICY

The Company's remuneration policy is driven by the success and performance of the individual employees and the Company. Through its compensation programme, the Company endeavours to attract, retain, develop and motivate a high performance workforce. The Company follows a compensation mix of fixed pay, benefits and performance based variable pay.

Individual performance pay is determined by business performance and the performance of the individuals measured through the annual appraisal process.

Remuneration policy of the Company is available in the following link in the website of the Company.

<https://ramkyinfrastructure.com/docs/pdf/investordesk/Remuneration-Policy.pdf>

f) DETAILS OF REMUNERATION TO THE DIRECTORS

(Rs.InMillions)			
Particulars	Executive	Non-Executive Director	
	Yancharla Rathnakara Nagaraja	Non-Independent Director	Independent Directors
Salary	13.94	0	0
Commission	0	0	0
PF Contribution	0	0	0
Sitting fees	0	1.14	2.24
Total	13.94	1.14**	2.24**

**Non-Executive Directors includes Mr. Isaac Wesley Vijaya Kumar and Dr. Anantapuram Guggela Ravindranath Reddy and Independent Directors include Dr. Peddibhotla Gangadhara Sastry, Mr. Eshwar Reddy Purmandla, Dr. Ravi Kumar Reddy Somavarapu, Ms. Rama Devi Allam and Ms. Malvieka Joshi.

Dring the year under review, Ms. Rama Devi Allam term ended as an Independent Director of the Company w.e.f

30.09.2025 and Ms. Malvieka Joshi was appointed as an Independent Director of the Company w.e.f 30.09.2025.

The Executive Directors are not paid sitting fees for any Board / Committee meetings attended by them.

The Non-Executive Independent Directors were paid the sitting fees for the meeting of the Board or Committee attended by them pursuant to the provisions of Section 2(78) & 197 of the Companies Act, 2013, and sitting fees is paid to Non-Executive Directors during the financial year 2025-26. Executive Directors are not entitled to any sitting fees.

The company has not issued any stock options to the Directors of the Company for the Financial Year ended 31st March 2026.

5. STAKEHOLDERS' RELATIONSHIP COMMITTEE

The Stakeholders Relationship Committee was constituted in terms of the Companies Act, 2013 and as per the SEBI (LODR) Regulations, 2015. The Committee consists of a combination of Executive Director and Independent Directors and assists the Board in fulfilling its overall responsibilities. The Company Secretary acts as the Secretary of the Committee.

Mr. Yancharla Rathnakara Nagaraja	1	1

The Chairperson of the Stakeholders Relationship Committee attended the Annual General Meeting held on September 25, 2025.

5A. RISK MANAGEMENT COMMITTEE

The Board of Directors of the Company has formed a Risk Management Committee to frame, implement and monitor the risk management plan for the Company. The Risk Management Policy and the charter of the Committee are available on the website of the Company at <https://ramkyinfrastructure.com/>.

A. BRIEF DESCRIPTION OF TERMS OF REFERENCE

The Committee is responsible for monitoring and reviewing the risk management plan and ensuring its effectiveness.

- To formulate a detailed risk management policy which shall include:
 - A framework for identification of internal and external risks specifically faced by the listed entity, in particular including financial, operational, sectoral, sustainability (particularly, ESG related risks), information, cyber security risks, internal financial controls, market risk, credit risk, liquidity risk, commercial risk, fraud risk and IT related risk

or any other risk as may be determined by the Committee.

b) Measures for risk mitigation including systems and processes for internal control of identified risks.

c) Business continuity plan.

- To ensure that appropriate methodology, processes and systems are in place to monitor and evaluate risks associated with the business of the Company;
- To monitor and oversee implementation of the risk management policy, including evaluating the adequacy of risk management systems;
- To periodically review the risk management policy, at least once in two years, including by considering the changing industry dynamics and evolving complexity;
- To keep the Board of Directors informed about the nature and content of its discussions, recommendations and actions to be taken;
- The appointment, removal and terms of remuneration of the Chief Risk Officer (if any) shall be subject to review by the Risk Management Committee. The Committee shall periodically assess risks to the effective execution of business strategy and review key leading indicators in this regard.
- The Committee shall annually review and approve the Enterprise Risk Management Framework of the Company.
- The Committee shall periodically review the risk management processes and practices of the Company and ensure that the Company is taking the appropriate measures to achieve prudent balance between risk and reward in both ongoing and new business activities.
- The Committee shall review the Company's compliance with legal and regulatory provisions, its Constitution and the rules established by the Board, if any, and any significant breaches thereof;
- The Committee shall evaluate significant risk exposures of the Company and assess management's actions to mitigate the exposures in a timely manner (including one-off initiatives, and ongoing activities such as business continuity planning and disaster recovery planning & testing).

11.The Committee will coordinate its activities with the Audit Committee in instances where there is any overlap with audit activities (e.g. internal or external audit issue relating to risk management policy or practice).

12.The Committee shall make regular reports to the Board, including with respect to risk management and minimization procedures.

13.The Committee shall review and reassess the adequacy of this Charter periodically and recommend any proposed changes to the Board for approval. The Board may review the performance of the Risk Management Committee periodically.

14.The Committee shall have access to any internal information necessary to fulfil its oversight role.

15.The Committee shall also have authority to obtain advice and assistance from internal or external legal, accounting or other advisors.

The Risk Management Committee shall coordinate its activities with other committees, in instances where here is any overlap with activities of such committees, as per the framework laid down by the board of directors.

I. Green Initiative for Paperless Communications:

The Ministry of Corporate Affairs (“MCA”) has taken a “Green Initiative in Corporate Governance” by allowing paperless compliances by Companies through electronic mode. In accordance with the recent circular bearing

no.17/2011 and 18/2011 dated April 21, 2011 and April 29, 2011 issued by the Ministry of Corporate Affairs, Companies can now send various notices/documents to their shareholders through electronic mode to the registered e-mail addresses of the shareholders. This is a golden opportunity for every shareholder of the Company to contribute to the Corporate Social Responsibility initiative of the Company.

This move by the Ministry is a welcome move, since it will benefit the society at large through reduction in paper consumption and contribution towards a greener environment. Additionally, it will avoid loss in postal transit, save time, energy and costs.

Pursuant to the said circular, the company has forwarded e-mail communication on June 13, 2011 to all Shareholders whose email id were registered in the Depository records that the company intends to use the said e-mail id to send various Notices/ Correspondences etc.

By Understanding the underlying theme of the above circulars, to support this green initiative of the Government in full measure, the company is sending the documents like notice convening general meetings, financial statements, directors reports, auditor’s report etc. to the email address registered with the depositories by the Shareholders holding shares in electronic form and for shareholders holding shares in physical form, the physical copy to the address registered with the Registrar and Share transfer Agents of the Company.

In this regard, we request Shareholders who have not registered their email addresses, so far to register their email addresses, in respect of electronic holding with depository through their concerned depository participants and Members who hold shares in physical form are requested to send the required details to the Registrar and Share Transfer Agent, M/s. KFin Technologies Limited at Karvy Selenium, Tower B, Plot No 31 & 32, Gachibowli, Financial District, Nanakramguda, Hyderabad – 500032.

J. Details of the Loans and Advances given by the listed entity and its subsidiaries to firms/ companies in which directors are interested.

During the year under review neither the listed entity nor any of its subsidiaries have extended any loans to entities in which the directors are interested.

CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members,
Ramky Infrastructure Limited,
Ramky Grandiose, 15th Floor,
Sy No 136/2&4, Gachibowli,
Hyderabad-500032, Telangana.

I have examined the compliance of conditions of Corporate Governance by Ramky Infrastructure Limited ("the Company") for the year ended March 31, 2026, as stipulated in Regulation 17 to 27 and clause (b) to (i) and (t) of Sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to the review of the procedures and implementation thereof, as adopted by the Company, for ensuring the compliance with

the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, and the representations made by the Directors and the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the year ended March 31, 2026.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CERTIFICATE BY A COMPANY SECRETARY IN PRACTICE

(Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To
The Members
Ramky Infrastructure Limited
Ramky Grandiose, 15th Floor,
Sy No 136/2&4, Gachibowli,
Hyderabad–500032, Telangana.

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of RAMKY INFRASTRUCTURE LIMITED (CIN: L74210TG1994PLC017356) and having registered office at Ramky Grandiose, 15th Floor, Sy No 136/2 & 4, Gachibowli, Hyderabad, Telangana, India, 500032 (hereinafter referred to as ‘the Company’), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2026 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, the Ministry of Corporate Affairs, or any such other Statutory Authority.

Ensuring the eligibility for the appointment/continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CEO AND CFO CERTIFICATE

Compliance Certificate by CEO and CFO

To,
The Board of Directors,
Ramky Infrastructure Limited

We, Mr. Sunil Sukumaran Nair, Chief Executive Officer and Mr. Rayapudi Sravanth, Chief Financial Officer of Ramky Infrastructure Limited certify that:

- a. We have reviewed financial statements and the cash flow statement for the year ended March 31, 2026 and summary of the significant accounting policies and other explanatory information of the company and the Board's report for the year ended March 31, 2026 and that to the best of our knowledge and belief:
 - i. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. These statements together present a true and fair view of the company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b. There are, to the best of our knowledge and belief, no transactions entered into by the company during the

year which are fraudulent, illegal or violative of the company's code of conduct.

- c. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- d. We have indicated to the auditors and the Audit committee
 - i. Significant changes in internal control over financial reporting during the year;
 - ii. Significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - iii. Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having significant role in the company's internal control system over financial reporting.

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
RAMKY INFRASTRUCTURE LIMITED,
CIN: L74210TG1994PLC017356
Ramky Grandiose, 15th Floor,
Sy No 136/2 & 4, Gachibowli,
Hyderabad, Telangana, India, 500032

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Ramky Infrastructure Limited (hereinafter called the "Company") for the financial year ended 31st March, 2026 ('Audit Period'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, the explanations and clarifications given to us and the representations made by the Management, for the financial year ended on March 31st 2026, I hereby report that in my opinion, the Company has during the Audit Period, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31st 2026, according to the provisions of:

- I. The Companies Act, 2013 (the "Act") and the rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of, Foreign Direct Investments, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed

under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -

- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not Applicable to the Company during the Audit period)
- d. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not Applicable to the Company during the Audit period)
- e. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (Not Applicable to the Company during the Audit period)
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not Applicable to the Company during the Audit period) and
- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not Applicable to the Company during the Audit period)
- i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

VI. I further report that, having regard to the representation made the company and its officers, compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test-check basis, the company has complied with the following laws, applicable to the company:

- a. Explosives Act 1984 and Rules 2008 framed thereunder;

Annexure-A

- b. The Air (Prevention & Control of Pollution) Act, 1981 and Rules framed thereunder;
- c. The Water (Prevention & Control of Pollution) Act, 1974 and Rules 1975 framed thereunder (amended up to 1988);
- d. The Hazardous and Other Waste (Management, Handling & Transboundary Movement) Rules, 2016;
- e. The Environment (Protection) Act, 1986 and Rules framed thereunder;
- f. Construction and Demolition Waste Management Rules, 2016;
- g. Inter-state Migrant Workmen (Regulations of employment and conditions of services) Act, 1979;
- h. The Building and other construction workers (Regulation of Employment and Conditions of Services) Act, 1996;
- i. Contract Labour Act; I have also examined compliance with the applicable clauses of the following:

(a) Secretarial Standards 1 and 2 issued by the Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All the decisions are carried out unanimously and are

captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that,

1. During the period under review, certain statutory forms were filed with the Registrar of Companies beyond the prescribed timelines, and the applicable additional fees were duly paid by the Company.
2. During the period under review, the Company delayed the filing of the outcome of the Annual General Meeting held on 25th September 2025 with the Stock Exchange.
3. The Company delayed the submission of the Integrated Financial Results to NSE in respect of the financial statements approved at the Board Meeting held on 24th May 2025. The Company has paid the applicable penalty for the said delay.
4. During the period under review, the following changes took place in the management of the Company:
 - (a) Ms. Malvieka Joshi was appointed as the Independent Director of the Company with effect from 30th September 2025.
 - (b) Ms. Allam Rama Devi ceased to hold office as the Independent Director upon completion of her term with effect from 30th September 2025.
 - (c) Mr. D. Lakshmana Rao resigned from the office of Chief Financial Officer and Key Managerial Personnel of the Company with effect from the close of business hours on 30th September 2025.
 - (d) Mr. Sravanth Rayapudi was appointed as the Chief Financial Officer of the Company with effect from 1st October 2025.
 - (e) Mr. Sunil Sukumaran Nair was appointed as the Chief Executive Officer of the Company with effect from 1st October 2025.

Note: This report is to be read with my letter of even date which is annexed as 'Annexure-A' an integral part of this report.

INDEPENDENT AUDITOR’S REPORT

To the Members of Ramky Infrastructure Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Ramky Infrastructure Limited (“the Company”), which includes 9 joint operations comprising of the Standalone Balance Sheet as at 31 March 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and Standalone Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on the separate financial statements and on the other financial information of the joint operations referred in Other matter paragraph below, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended (the “Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, its profit including other comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards

are further described in the Auditor’s Responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we and other auditors, referred in other matter paragraph below, have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Attention is invited to

Note 48 to the standalone financial statements wherein the Company has written off receivables amounting to ₹ 724.28 million and has written back liabilities totaling ₹ 383.34 million during the financial year 2025-26.

Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditors’ response
Foreseeable losses Management estimates the costs to complete the unexecuted portion of the contract and where it is probable that those costs exceed the revenue to be earned from such contracts, a provision for such probable loss is created.	Evidence and historical information is considered to decide on the rationale and appropriateness of the estimates with respect to the costs to complete the project. The relevant covenants of the contract are verified to assess the unearned revenue from the project. Considering the historical information and evidence with respect to probability of incurring losses, an appropriate provision is arrived.

Key Audit Matter	Auditors’ response
Revenue of the Company is mainly from Construction Contracts. Revenue from these contracts are recognized over a period of time in accordance with the requirements of Ind AS 115, Revenue from Contracts with Customers. Due to the nature of the contracts, revenue recognition involves survey of work performed, which involves significant judgments, separating financing component from revenue from contracts, wherever applicable, identification of contractual obligations and the Company’s rights to receive payments for performance completed till date, changes in scope and consequential revised contract price and recognition of the liability for loss making contracts/onerous obligations. Revenue recognition involves aforesaid significant judgement and estimation. We therefore determined this to be a key audit matter.	Our audit procedures included but were not limited to: • Reading the accounting policy for revenue recognition of the Company. • Obtaining an understanding of the Company’s processes and controls for revenue recognition process, evaluating the key controls around such process. • Performing tests of details, on a sample basis and inspecting the underlying customer contracts and relevant supporting documents. • Sample of revenue disaggregated by type and service offerings was tested with the performance obligation specified in the underlying contracts. Considering the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Director’s Report but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

The Board’s Report including its annexures is expected to be made available to us after the date of this auditor’s report. We have nothing to report in this regard.

Management’s Responsibility for the Standalone Financial Statements

The Company’s management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and

fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of 7 joint operations whose annual financial statements reflect total assets of ₹ 302.91 million as at March 31, 2026, revenues of ₹ 49.86 million and net cash inflows of ₹ 34.05 million for the year ended March 31, 2026 as considered in the standalone financial statements which have been audited by their respective independent auditors. The reports of such auditors on financial statements and other financial information of these joint operations have been furnished to us and our opinion on the standalone financial statements, in so far as it relates to the amounts and disclosures included in respect of these joint operations, is based solely on the report of such auditors and procedures performed by us.

The accompanying financial statements include the Company's share of total assets of ₹ 116.32 million as at March 31, 2026 revenues of ₹ 219.54 million and net cash inflows of ₹ 0.67 million for the year ended March 31, 2026, in respect of 2 joint operation, based on their annual financial information, which have not been

audited by their auditors, and have been furnished to us by the Company's management. Our opinion on the standalone financial statements and our report, in so far as it relates to the aforesaid joint operations is based solely on such unaudited management certified financial statements. According to the information and explanations given to us by the management, such annual financial statements are not material to the Company.

The standalone financial statements for the year ended March 31, 2025, have been restated pursuant to the Scheme(s) of Arrangement sanctioned by the Hon'ble National Company Law Tribunal (NCLT) as explained in Note 49 to the standalone financial statements.

(i) Amalgamation of Sehore Kosmi Tollways Limited (SKTL) ("Transferor Company-1") and Ramky Elsamex Hyderabad Ring Road Limited (REHRRL) ("Transferor Company-2"): Pursuant to the NCLT order dated February 26, 2026, the appointed date for the amalgamation of Transferor Company-1 and Transferor Company-2 with the Company is April 1, 2024. We did not audit the standalone financial statements of SKTL and REHRRL for the year ended March 31, 2025, reflecting total assets of ₹ 1,268.06 million, total revenues of NIL, loss after tax of ₹ 51.03 million, and total comprehensive loss of ₹ 49.70 million. These financial statements were audited by other auditors, whose reports have been furnished to us by the management. Our opinion, insofar as it relates to the amounts and disclosures pertaining to the amalgamation of the transferor companies, is based solely on the reports of such other auditors, as adjusted for the accounting effects of the Scheme (including those arising under Ind AS 103 'Business Combinations') and other consequential adjustments, which have been audited by us.

(ii) In accordance with Appendix C of Ind AS 103 'Business Combinations of entities under common control', the previous year's figures have been restated in these standalone financial statements to give effect to the said merger.

Our opinion is not modified in respect of above matters.

Report on Other Legal and Regulatory Requirements

1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act and the Companies (Indian Accounting Standard) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on 31 March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid / provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

Annexure A to the Independent Auditors' Report

- (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 42 to the standalone financial statements.
- (ii) The Company has made provision as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts;
- (iii) No amounts were required to be transferred to the Investor Education and Protection Fund by the Company. However, the Company should separately evaluate compliance with Section 124(6) of the Companies Act, 2013 regarding transfer of applicable shares;
- (iv)(a) the management has represented that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) the management has represented, that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11(e), as provided under iv (a) and iv (b) above, contain any material misstatement;
- (v) The Company has not declared or paid any dividend during the year. However, the Board of Directors has proposed a dividend for the financial year, which is subject to the approval of the shareholders at the ensuing Annual General Meeting; and
- (vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31st March, 2026 which has a feature of recording audit trail (edit log) facility, except for 8 Joint operations whose operations are not material to the Company, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
- Based on our audit procedures and management's representation, the Company has preserved the audit trail in accordance with applicable statutory requirements, except for the 8 joint operations mentioned above.

The Annexure A referred to in Paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditors' Report to the members of the Company for the year ended 31 March 2026, we report:

- i) (a) (A) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant, and equipment; and
- (B) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the Company has maintained proper records showing full particulars of intangible assets.
- (b) As explained to us by the management, majority of the property, plant and equipment has been physically verified by the management in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. We are informed that no material discrepancies were noticed on such physical verification.
- (c) In our opinion and according to the information and explanations given to us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company.
- In respect of immovable properties given as collateral for loans from banks and financial institutions, the respective title deeds were deposited with the said banks / financial institutions.
- (d) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year and hence, additional reporting requirements of paragraph 3 (i) (d) of the Order are not applicable.
- (e) In our opinion and according to the information and explanations given to us, there are no proceedings initiated or are

pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, paragraph 3 (i) (e) of the Order is not applicable.

- (ii) (a) The inventory has been physically verified during the year by the management at reasonable intervals. In our opinion, the coverage and procedure of such verification by the management is appropriate. There is no discrepancy of 10% or more in the aggregate for each class of inventory noticed during verification.
- (b) According to the information and explanations given to us, the Company has been sanctioned working capital limit in excess of ₹ 5 crore, in aggregate, from banks and/or financial institutions on the basis of security of current assets. The quarterly returns or statements filed by the Company with the banks or financial institutions are in agreement with the books of accounts and no material discrepancies have been observed. The Company is yet to submit the statement for the quarter ended March 31, 2026 with the banks. {Refer Note 50 (viii) to standalone financial statements}
- (iii) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has made investments in Companies and granted unsecured loans during the year. The Company has not provided guarantees nor provided any securities during the year.
- (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has provided unsecured loans to subsidiaries and others during the year and has not provided any guarantee or security to any other entity.

(₹ in million)

Particulars	Aggregate amount of loans given during the year	Balance outstanding as at the Balance sheet date
Subsidiaries	1,181.88	4,444.29
Others	2,188.20	1,499.50

- (b) According to the information and explanations given to us and based on the audit procedures performed by us, the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
- (c) According to the information and explanations given to us and based on the audit procedures performed by us, the schedule of repayment of principal and payment of interest has been stipulated and the repayment of principal and receipts of interests are regular.
- (d) According to the information and explanations given to us and based on the audit procedures performed by us, there are no amounts of loans and advances in the nature of loans granted which are overdue for more than ninety days.
- (e) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the below mentioned loan has fallen due and has been renewed or extended during the year. However, no fresh loans were granted to settle the dues of existing loans given to the same parties.

(₹ in million)

Name of the parties	Aggregate amount of loans granted during the year	Aggregate amount of existing loans renewed or extended or settled by fresh loans	Percentage of the aggregate to the total loans or advances in the nature of loans granted during the year
MDDA-Ramky ISBUS Terminal Limited	-	11.31	0.33%
Ramky Enclave Limited	-	32.24	0.96%

- (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.

- (iv) According to the information and explanations given to us and on the basis of our examination of the records, the Company has complied with the provisions of section 185 and 186 of the Act in respect of the loans given and investments made, and the Company has not extended any guarantee or security.
- (v) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that, the Company has not accepted any deposits during the year in terms of the provisions of section 73 to 76 or any other relevant provisions of the Act and the Rules framed thereunder.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the rules made by the central government under section 148 (1) of the act and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, undisputed statutory dues including Provident Fund, Employee State Insurance, Income-Tax, Sales Tax/Value added Tax, Goods and Services Tax, Duty of Customs, cess and other material statutory dues have generally been deposited regularly during the year by the Company with the appropriate authorities.
- According to the information and explanations given to us, no undisputed amounts payable in respect of statutory dues as referred to above were in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us and records of the company examined by us, particulars of dues outstanding in respect of income tax, service tax, and value added tax which have not been deposited on account of any dispute are given in **Appendix- I** to this report.

- (viii) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that there are no transactions that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and not recorded in the books of account.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and based on our audit procedures, we report that the Company is not a declared willful defaulter by any bank or financial institution or Government or any Government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures. Accordingly, clause 3 (ix) (e) of the Order is not applicable.
- (f) As per the information and explanations given to us and procedures performed by us, During the year, the Company has pledged the shares of its subsidiary to secure a loan availed by the said subsidiary. However, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries for itself.

- (x) (a) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of an initial public offer or further public offer (including debt instruments) during the year. Hence, reporting under this clause is not applicable.
- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially, or optionally convertible) during the year under review. Accordingly, the provisions of this clause of the Order are not applicable to the Company and hence not commented upon.
- (xi) (a) Based upon the audit procedures performed and the information and explanations given to us, we report that no fraud by the Company or no material fraud on the Company has been noticed or reported during the year.
- (b) Based upon the audit procedures performed and the information and explanations given to us, we report that no report under sub-section (12) of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there have been no whistleblower complaints received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Hence, the provisions of clause 3 (xii) (a), (b) and (c) of the Order are not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations provided to us, transactions with the related parties are in compliance with section 177 and 188 of the Act, to the extent applicable. The details of related party transactions as required by the applicable accounting standards have been disclosed in the notes to financial statements.

- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports issued to the Company till date, for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, and the procedures performed by us, during the year the Company has not entered any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Act, are not applicable.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (d) In our opinion, there is no core investment company within the group (as defined in the (as defined in the core investment companies (Reserve Bank of India) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) In our opinion and according to the information and explanations given to us, there has been no resignation of the statutory auditors during the year and accordingly, clause 3(xviii) of the order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We

further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) (a) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project other than ongoing projects. Accordingly, clause 3 (xx) (a) of the Order is not applicable.
- (b) According to the information and explanations given to us, there was no unspent amount in respect of ongoing projects which is required to be transferred to a special account, within a period of thirty days from the end of the financial year in compliance with section 135(6) of the said Act. Accordingly, clause 3(xx)(b) of the Order is not applicable.

Annexure B” to the Independent Auditor’s

Report of even date on the standalone financial statements of Ramky Infrastructure Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ramky Infrastructure Limited (“the Company”) as of 31 March 2026, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal

financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statements

Company Overview

Ramky Infrastructure Limited (“the Company”) is an integrated construction, infrastructure development and management Company headquartered in Hyderabad, India. The Company undertakes a range of construction and infrastructure projects in various sectors such as water and waste water, transportation, irrigation, industrial construction and parks (including SEZs), power transmission and distribution, and residential, commercial and retail property. A majority of the development projects of the Company are based on Public-Private Partnerships (PPP) and are operated by separate Special Purpose Vehicles (SPV) promoted by the Company, joint venture partners and respective Governments. The Company is a public limited company domiciled and incorporated in India under the Indian Companies Act, 1956. The Company’s registered office is located at Ramky Grandiose, 15th Floor, Sy. No. 136/2 & 4, Gachibowli, Hyderabad - 500 032, Telangana. The Company is listed on the Bombay Stock Exchange Limited (BSE) and the National Stock Exchange of India Limited (NSE).

1. Basis of preparation

(a) Statement of compliance

These standalone financial statements have been prepared in accordance with Indian Accounting Standards (“Ind AS”) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended, notified under Section 133 of the Companies Act, 2013, (the Act) and other relevant amendment rules issued there-after.

The standalone financial statements were authorised for issue by the Board of Directors on 27th May, 2026.

(b) Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (₹), which is also the Company’s functional currency. Amounts have been rounded off to nearest million.

(c) Basis of measurement

These standalone financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial instruments and defined benefit plans that are measured at fair values at the end of each reporting period, as stated in the accounting

policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Present value of defined benefit obligations less fair value of plan assets.

(d) Current and non-current classification

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act. Operating cycle for the business activities of the Company covers the duration of the project /contract / service including the defect liability period, wherever applicable, and extends up to the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project. Other than project related assets and liabilities, 12 months period is considered as normal operating cycle.

(e) Use of estimates and judgements

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions / judgements are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

(i) Evaluation of satisfaction of performance obligation for the purpose of revenue recognition

Determination of revenue under the satisfaction of performance obligation necessarily involves making estimates,

some of which are of a technical nature, concerning, where relevant, the timing of satisfaction of performance obligation, costs to completion for the project or activity and the foreseeable losses to completion. Estimates of project income, as well as project costs, are reviewed periodically. The effect of changes, if any, to estimates is recognized in the financial statements for the period in which such changes are determined.

(ii) Provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

(iii) Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

(iv) Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(v) Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting period. The management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

(vi) Impairment of investment in equity instruments of subsidiary and associate companies

The Company assessed the investment in equity instrument of subsidiary and associate companies carried at cost for impairment testing. Detailed analysis is carried out on the future projections and wherever required, necessary impairment is made.

2. Material accounting policies

(a) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets (unless it is a trade receivable

Notes to the Standalone Financial Statements (contd.)

without a significant financing component) and liabilities are initially measured at fair value. Trade receivables are initially measured at transaction value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Financial Assets

Classification and subsequent measurement

On initial recognition, a financial asset is classified as subsequently measured at:

- (i) amortised cost.
- (ii) fair value through other comprehensive income (FVOCI) – equity investment; or
- (iii) fair value through profit or loss (FVTPL).

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the financial asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the financial asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing financial liability are substantially modified, such an exchange or modification is treated as de-recognition of the original financial liability and recognition of a new financial liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net of direct issue cost.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in financial statements if there is a currently

Notes to the Standalone Financial Statements (contd.)

enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis, to realise the assets and settle the liabilities simultaneously.

(b) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(c) Property, plant and equipment

(i) Recognition, measurement and de-recognition

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is carried at cost and is not depreciated.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

Items of property, plant and equipment are derecognized from the Standalone Financial Statements, either on disposal or when no economic benefits are expected from its use or disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognised net within other income in the statement of profit and loss.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Capital work-in-progress comprises the cost of property, plant and equipment that are not ready to use at the balance sheet date and are stated at historical cost and impairment, if any.

Notes to the Standalone Financial Statements (contd.)

(ii) Subsequent expenditure

The cost of replacing a part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit and loss as incurred.

(iii) Depreciation

The Company provides depreciation on the straight-line method. The Company believes that straight line method reflects the pattern in which the asset's future economic benefits are expected to be consumed by the Company.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset Category	Management estimate of useful life	Useful life as per Schedule II
Office equipment	5 years	5 years
Furniture and fixtures	10 years	10 years
Vibrator & Needles	5 years	5 years
Vehicles – Cars	8 years	8 years
Buildings	30 years	30 years
Temporary structures	3 years	3 years
Computer equipment	3 years	3 years
Lab equipment	10 years	10 years
Shuttering materials	5 years	5 years
Vehicles - two wheelers	10 years	10 years
Pump Sets	5 years	5 years

Project specific assets are depreciated over life of the project or useful life as per Schedule II of Companies Act, 2013 whichever is lower.

Depreciation is calculated on a pro-rata basis from/upto the date the assets are purchased/sold. Useful life of assets and residual values are reviewed at each financial year end and adjusted if appropriate.

(d) Intangible assets and amortisation

(i) Computer software

Computer software is recorded at the consideration paid for acquisition. Computer software is amortised over their estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

(ii) Subsequent expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated brands, is recognized in statement of profit and loss as incurred.

(iii) Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortisation in statement of profit and loss. Computer software is amortised over their estimated useful lives not exceeding 3 years.

(e) Revenue recognition

(i) Revenue from construction contracts

The Company applies Ind AS 115 using cumulative catch-up transition method. Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods or services to the customer in an amount that reflects the transaction price to which the company expects to be entitled in exchange for those goods or services. In determining the transaction price, the promised amount of consideration is adjusted for the effects of the time value of money if the timing of payments agreed in the contract provides the customer or the company with significant benefit of financing the transfer of goods or services to the customer.

With respect to the satisfaction of a performance obligation, the Company has chosen output method to measure the value of goods or services for which control is transferred to the customer over time based on the performance / measured unit of work completed to date. Accordingly, revenue is recognised corresponding to the units of work performed and on the basis of the price allocated thereto.

In cases where the work performed till the reporting date has not reached the milestone specified in the contract, the Company recognises revenue only to the extent that it is highly probable that the customer will acknowledge the same. This method is applied as the progress of the work performed can be measured during its performance on the basis of the contract. Under this method, on a regular basis, the work completed under each contract is measured and the corresponding output is recognised as revenue.

(ii) Other income

• Dividend Income

Dividend income from Investments is recognised when the shareholder's right to receive payment has been established.

• Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

• Rental income

Rental income from short term leases/ low value assets are generally

recognised over the term of the relevant lease.

• Insurance claims

Insurance claims are accounted for on the basis of claims admitted and to the extent that there is no uncertainty in receiving the claims.

• Sub-contractor recoveries

The supply of goods or rendering of services by the Company to its sub-contractors at project sites are recognised as sub-contractor recoveries.

(f) Exceptional items

An item of income or expense which by its size, nature and incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed as such in the financial statements.

(g) Inventories

Inventories (Raw material and consumables) are valued at the lower of cost and net realisable value. Cost of inventory is determined on the weighted average basis. Scrap is valued at net realisable value. The comparison of cost and net realisable value is made on item-by-item basis.

Cost of inventories comprises of all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(h) Impairment

(i) Impairment of financial instruments

Financial assets (other than at fair value)

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments. The impairment

Notes to the Standalone Financial Statements (contd.)

methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off. However, trade receivables that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

(ii) Impairment of non-financial assets

The carrying value of assets / cash generating units (CGU) at each Balance Sheet date are reviewed for impairment. If, any such indication exists, the Company estimates their recoverable amount and impairment is recognised if, the carrying amount of these assets/cash generating units exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit & Loss.

The Company's corporate assets (e.g., central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

(i) Employee benefits

(i) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

(ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund, employee insurance scheme, superannuation fund and National pension scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the statement of profit and loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(iii) Defined benefit plans

In accordance with the Payment of Gratuity Act 1972, applicable for Indian companies, the Company provides for a lump sum payment to eligible employees, at retirement or termination

of employment based on the last drawn salary and years of employment with the Company. The Company's obligation in respect of the gratuity plan, which is a Defined Benefit Plan, is provided for based on actuarial valuation using the Projected Unit Credit Method. The Company recognizes actuarial gains and losses immediately in other comprehensive income, net of taxes. Provision for other retirement / long term compensated absences (Leave Encashment) is made on the basis of actuarial valuation.

(j) Provisions, Contingent liabilities and assets

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

(i) Onerous contracts

A contract is considered to be onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Company recognizes any impairment loss on the assets associated with that contract.

(ii) Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognized when it is probable that

a liability has been incurred and the amount can be estimated reliably.

(k) Leases

As a lessee

The Company's lease assets either consists of office premises, guest houses, machineries and equipments which are of short term leases with the term of twelve months or less or low value leases. For these short term and low value leases, the Company has recognized the lease payments as an expense in the Statement of Profit and Loss on a straight line basis over the term of lease.

(l) Income-taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date. Excess / short provision of tax relating to earlier years is separately disclosed. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes

Notes to the Standalone Financial Statements (contd.)

and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

Temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future;

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

(m) Dividend

The Company recognises a liability to pay a dividend when the distribution is authorised, and the distribution is no longer at the discretion of the Company.

In the case of interim dividends to equity shareholders, this is when declared by the Board of Directors. In the case of final dividends, this is when approved by the shareholders at the Annual General Meeting of the Company.

(n) Segment reporting

(i) Business Segment

Operating segments are identified in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The services rendered by the Company primarily consists of execution of civil contracts on turnkey basis. The Company is managed organizationally as a unified entity and not along product lines and accordingly, there is only one business segment.

(ii) Geographical Segment

During the year under report, the Company has engaged in its business primarily within India. The conditions prevailing in India being uniform, no separate geographical disclosure is considered necessary.

(o) Earnings per share

The basic Earnings Per Share ("EPS") for the year is computed by dividing the net profit / (loss) after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by dividing the net profit / (loss) for the year attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

(p) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(q) Foreign Currency Translation

On initial recognition, all foreign currency transactions are translated into the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Statement of Profit and Loss.

Notes to the Standalone Financial Statements (contd.)

(r) Trade Receivables

A trade receivable without a significant financing component is initially measured at the transaction price (net of variable consideration) as the same are recorded after decreasing rebates as per para 51 of Ind AS 115.

(s) Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise of cash and cheques in hand, bank balances, demand deposits with banks where original maturity period is three months or less and other short term highly liquid investments.

(t) Non-current assets held for sale

Non-current assets and disposal group are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

When the Company is committed to a sale plan involving disposal of an investment, the investment that will be disposed of is classified as held for sale when the criteria described above are met.

Non-current assets (and disposal group) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

(u) Events after reporting date/subsequent events

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events are adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

There were no significant events that occurred after the balance sheet date for the current reporting period.

3. Recent Accounting Pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact on its financial statements.

In August 2025, MCA notified amendments to:

Ind AS 1 - Presentation of Financial Statements:

Applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance.

The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

Ind AS 7 - Statement of Cash Flows and Ind AS 107-Financial Instruments: Disclosures

Applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

Notes to the Standalone Financial Statements (contd.)

Ind AS 12 - Income Taxes:

International Tax Reform – Pillar Two Model Rules applicable immediately. The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact on its financial statements.

Revenue from construction activities	16,789.27	19,693.63
	16,789.27	19,693.63

(i) Disaggregation of revenue

A. Based on nature of product or services

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Construction contracts	16,789.27	19,693.63
Others	-	-
	16,789.27	19,693.63

B. Based on geography

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Within India	16,789.27	19,693.63
Outside India	-	-
	16,789.27	19,693.63

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

(ii) Contract assets and contract liabilities

The following table provides information about receivables, contract assets and contract liabilities from contracts with customers.

Particulars	As at 31 March 2026	As at 31 March 2025
Contract assets (note 17)	7,510.94	8,228.75
Contract liabilities (note 24 & 28)	4,168.71	3,823.07

The contract liabilities primarily relate to the advance consideration received from customer, for which revenue is recognised on completion of contract terms.

The aggregate amount of transaction price allocated to performance obligations that are unsatisfied as at the end of reporting period is ₹ 91,497.26 Million (as at March 31, 2025 ₹ 71,062.20 Million). Most of the Company's contracts have a life cycle of three to five years. Management expects that around 35%-40% of the transaction price allocated to unsatisfied contracts as of 31 March 2026 will be recognised as revenue during next reporting period depending upon the progress on each contracts. The remaining amounts are expected to be recognised over the next two to four years. The amount disclosed above does not include variable consideration.

Note 32 : Other income

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Interest income	1,026.85	821.01
Equipment lease	22.07	19.38
Insurance claim	20.81	0.68

	1,784.42	1,222.56

Details of payments to auditors

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Included in Legal and professional charges		
(a) Statutory auditors		
Audit fees	4.80	4.80
Other services (certification)	0.60	0.60
Out of pocket expenses	0.09	0.11
(b) Cost auditors		
Audit fees	0.15	0.15
Out of pocket expenses	0.03	0.03
	5.67	5.69

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Note 37 : Earnings per share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

The calculations of basic an diluted earnings per share are as follows:

Particulars	31 March 2026	31 March 2025
i. Profit attributable to equity shareholders (basic)	3,318.80	2,600.84
ii. Weighted average number of equity shares (basic)	69,197,791	69,197,791
Basic EPS (in ₹)	47.96	37.59
i. Profit attributable to equity shareholders (diluted)	3,318.80	2,600.84
ii. Weighted average number of equity shares (diluted)	69,197,791	69,197,791
Diluted EPS (in ₹)	47.96	37.59

Note 38 : Capital management

The Company's policy is to maintain a strong capital base so as to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders and for the future development of the Company. In order to maintain or achieve an optimal capital structure, the Company may adjust the amount of dividend payment, return on capital to shareholders or issue of new shares.

The Company's net debt to equity ratio is as follows:

Particulars	31 March 2026	31 March 2025
Total borrowings including interest	3,588.78	4,339.02
Less: Cash and cash equivalents	1,240.69	391.35
Net debt (A)	2,348.09	3,947.67
Total equity (B)	18,001.56	14,673.53
Net debt to equity ratio (A)/(B)	0.13	0.27

39. Assets and liabilities relating to employee benefits

i. Defined contribution plans

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and employee state insurance, which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue. The amount recognised as an expense towards contribution to provident fund and employee state insurance for the year aggregated to ₹ 22.85 million (31 March 2025: ₹ 20.94 million) and is included in “Contribution to provident fund and others” (refer note 34).

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

ii. Defined benefit plans

The Company operates the following post-employment defined benefit plan:

In accordance with the ‘The Payment of Gratuity Act, 1972’ of India, the Company provides for Gratuity, Defined Retirement Benefit Scheme (Plan A), covering eligible employees. Liabilities with regard to such Gratuity Plan are determined by an actuarial valuation as at the end of the year and are charged to the statement of profit and loss. This defined benefit plans expose the Company to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

The Company also has Compensated absences policy (Plan B). Liabilities with regard to such Compensated absence plan are determined by an actuarial valuation as at the end of the year and are charged to the statement of profit and loss. This defined benefit plans expose the Company to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

A. Funding

Plan A

The gratuity plan is partly funded by the Company. The funding requirements are based on the gratuity fund's actuarial measurement framework set out in the funding policies of the plan. The funding is based on a separate actuarial valuation for funding purposes for which the assumptions may differ from the assumptions set out in (E). Employees do not contribute to the plan.

Plan B

Compensated absences plan is unfunded.

B. Reconciliation of the net defined benefit (asset) / liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset) liability and its components.

Reconciliation of present value of defined benefit obligation

Plan A

Particulars	As at 31 March 2026	As at 31 March 2025
Balance at the beginning of the year	112.38	91.54
Current service cost	8.33	16.61
Interest cost	7.69	6.44
Benefits paid	(4.65)	(4.64)
Left employee dues	-	-
Actuarial (gains)/ losses		
- changes in demographic assumptions	-	-
- changes in financial assumptions	(1.47)	1.09
- experience adjustments	(3.93)	1.34
Balance at the end of the year	118.35	112.38

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Plan B		
Particulars	As at 31 March 2026	As at 31 March 2025
Balance at the beginning of the year	67.23	62.37
Current service cost	13.14	11.47
Interest cost	4.58	3.76
Benefits paid	(3.40)	(20.50)
Left employee dues	-	-
Actuarial (gains)/ losses		
- changes in demographic assumptions	-	-
- changes in financial assumptions	(2.29)	0.61
- experience adjustments	(4.64)	9.51
Balance at the end of the year	74.62	67.23

Reconciliation of the present value of plan assets

Plan A		
Particulars	As at 31 March 2026	As at 31 March 2025
Fair value of plan assets at the beginning of the year	1.02	0.96
Expected return on plan assets	0.07	0.07
Balance at the end of the year	1.09	1.02

C. i. Expense recognised in statement of profit and loss

Plan A		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Service cost	8.33	16.61
Interest cost	7.69	6.44
Expected return on plan assets	(0.07)	(0.07)
	15.95	22.98

Plan B		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Service cost	13.14	11.47
Interest cost	4.58	3.76
	17.72	15.23

ii. Remeasurements recognised in other comprehensive income

Plan A		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Actuarial (gain) loss on defined benefit obligation	(5.40)	2.43
Return on plan assets excluding interest income	-	0.00
	(5.40)	2.44

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Plan B		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Actuarial (gain)/loss on defined benefit obligation	(6.93)	10.12
Return on plan assets excluding interest income	-	-
	(6.93)	10.12

D. Plan assets

Plan assets comprise of the following:

Particulars	As at 31 March 2026	As at 31 March 2025
Equity securities	-	-
Government bonds	-	-
Insurance company products	1.09	1.02
Term deposits of banks	-	-
	1.09	1.02

All equity securities and government bonds have quoted prices in active markets. All government bonds are issued by Indian governments and are rated AAA or AA, based on CRISIL ratings

E. Defined benefit obligation

i. Actuarial assumptions

Principal actuarial assumptions at the reporting date (expressed as weighted averages):

Plan A		
Particulars	As at 31 March 2026	As at 31 March 2025
Expected rate of salary increase	6.00%	6.00%
Discount rate	7.75%	6.99%
Mortality Rate (as % of IALM (2012-14) (Mod.) Ult. Mortality Table)	100%	100%
Disability Rate (as % of above mortality rate)	0.00%	0.00%
Withdrawal Rate	3.00%	3.00%
Normal Retirement Age	60 years	60 years
Adjusted Average Future Service	23.04	23.85

Plan B		
Particulars	As at 31 March 2026	As at 31 March 2025
Expected rate of salary increase	6.00%	6.00%
Discount rate	7.75%	6.99%
Mortality Rate (as % of IALM (2012-14) (Mod.) Ult. Mortality Table)	100%	100%
Disability Rate (as % of above mortality rate)	0.00%	0.00%
Withdrawal Rate	3.00%	3.00%
Leave Encashment rate during employment	10.00%	10.00%
Leave availment rate	2.00%	2.00%
Normal Retirement Age	60 years	60 years

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

ii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Plan A		
Particulars	31 March 2026	
	Increase	Decrease
Gratuity plan		
Discount rate (1% movement)	105.55	127.10
Future salary growth (1% movement)	126.02	105.96
Withdrawal rate (1% movement)	116.98	113.79
Plan B		
Particulars	31 March 2026	
	Increase	Decrease
Compensated absences plan		
Discount rate (1% movement)	61.95	67.77
Future salary growth (1% movement)	68.16	61.54
Attrition rate (1% movement)	64.97	64.45

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

The defined benefit obligations shall mature after year ended March 31, 2026 as follows:

Particulars	Plan A	Plan B
As at March 31		
2027	6.31	12.09
2028	6.68	10.27
2029	10.21	9.85
2030	7.16	7.85
2031	10.65	7.52
2032 & thereafter	249.76	52.86

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Note 40 : Financial instruments - Fair values and risk management

A. Accounting classifications and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

31 March 2026							
Particulars	Carrying amount				Fair value		
	Financial assets - amortized cost	Financial assets - at cost	Financial assets - at FVTPL	Financial liabilities - amortised cost	Total carrying amount	Level 3	Total
Financial assets							
Investment in preference shares	639.88	-	-	-	639.88	639.88	639.88

Other financial liabilities	-	-	-	245.37	245.37	245.37	245.37
	-	-	-	11,172.01	11,172.01	11,172.01	11,172.01

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- a) credit risk
- b) liquidity risk
- c) market risk

Risk management framework

The Company’s board of directors has overall responsibility for the establishment and oversight of the Company’s risk management framework. The Company’s risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company’s activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company’s audit committee oversees how management monitors compliance with the Company’s risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company’s receivables from customers and loans.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade receivables, Contract assets and Loans

The Company’s exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry and country in which customers operate.

The Company limits its exposure to credit risk from trade receivables and contract assets by establishing reasonable credit period for payment.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are individuals or legal entities, their geographic location, trading history with the Company and existence of previous financial difficulties.

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

A summary of the Company’s exposure to credit risk for trade receivables, contract assets and loans is as follows:

Particulars	31 March 2026		31 March 2025	
	Not Credit - Impaired	Credit - Impaired	Not Credit - Impaired	Credit - Impaired
Gross carrying amount				
Loans	7,305.52	-	5,127.43	-
Trade receivables	7,632.35	89.94	5,760.89	89.94
Contract assets	7,510.94	-	8,228.75	-
Loss allowance				
Loans	-	-	-	-
Trade receivables	-	(89.94)	-	(89.94)
Contract assets	-	-	-	-
Net carrying amount	22,448.81	-	19,117.08	-

Expected credit loss (ECL) assessment for corporate customers as at 31 March 2026 and 31 March 2025:

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to external ratings, management accounts and cash flow projections and available information about customers) and applying experienced credit judgement.

The Company uses an allowance matrix to measure the expected credit loss of trade receivables, contract assets and loans from customers, which comprise a very large number of small balances.

Loss rates are based on actual credit loss experience over the past five years. These rates are multiplied by scalar factors to reflect differences between current and historical economic conditions and the Company’s view of economic conditions over the expected lives of the receivables.

The movement in the allowance for impairment in respect of trade receivables, contract assets and loans is as follows:

Particulars	31 March 2026	31 March 2025
Balance at the beginning of the year	89.94	177.29
Allowance for impairment made during the year	-	-
Amounts written-off during the year	-	(87.35)
Balance at the end of the year	89.94	89.94

Cash and cash equivalents

The Company holds cash and cash equivalents of ₹ 1,240.69 million at 31 March 2026 (31 March 2025: ₹ 391.35 million). The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company’s approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company’s reputation.

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments :

31 March 2026						
Particulars	Contractual cash flows					
	Carrying amount	Total	1 year	1-2 Years	2-5 Years	More than 5 years
Non-derivative financial liabilities						
Borrowings from banks	1,316.09	1,316.09	1,316.09	-	-	-
Borrowings from related parties & FI	2,210.12	2,210.12	444.24	2.15	1,763.73	-
Interest accrued on borrowings	62.56	62.56	62.56	-	-	-
Trade payables	7,095.85	7,095.85	7,095.85	-	-	-
Others	190.47	190.47	190.47	-	-	-
	10,875.10	10,875.10	9,109.22	2.15	1,763.73	-

31 March 2025						
Particulars	Contractual cash flows					
	Carrying amount	Total	1 year	1-2 Years	2-5 Years	More than 5 years
Non-derivative financial liabilities						
Borrowings from banks	1,324.17	1,324.17	1,324.17	-	-	-
Borrowings from related parties	2,973.77	2,973.77	2,573.77	400.00	-	-
Interest accrued on borrowings	41.09	41.09	21.61	19.48	-	-
Trade payables	6,628.70	6,628.70	6,628.70	-	-	-
Others	204.28	204.28	204.28	-	-	-
	11,172.01	11,172.01	10,752.53	419.48	-	-

c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company’s income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Interest rate risk

The Company adopts a policy of ensuring that its major interest rate risk exposure is at a fixed rate. This is achieved partly by entering into fixed-rate instruments and partly by borrowing at a floating rate.

Exposure to interest rate risk

The interest rate profile of the Company’s interest-bearing financial instruments is as follows:

Particulars	Note	31 March 2026	31 March 2025
Interest bearing instruments			
Financial assets	8 & 14	1,313.54	1,015.26
Financial liabilities	21 & 25	1,766.85	1,875.29
		3,080.39	2,890.55

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Fair value sensitivity analysis for interest-bearing financial instruments

Particulars	Profit or (loss)		Equity, pre tax	
	100 bps increase	100 bps decrease	100 bps increase	100 bps decrease
31 March 2026				
Working capital loans repayable on demand from Banks	(13.21)	13.21	(13.21)	13.21
31 March 2025				
Working capital loans repayable on demand from Banks	(13.70)	13.70	(13.70)	13.70

Note 41 : Leases

Short term lease in the capacity of lessee

The Company is obligated under cancellable operating lease agreements. Total rental expense for the period under cancellable leases of ₹ 64.66 million (31 March 2025: ₹ 66.81 million) has been disclosed in Other expenses as “Rent” (refer note 36).

Note 42 : Contingent liabilities and commitments

Particulars	As at 31 March 2026	As at 31 March 2025
Claims against the Company not acknowledged as debts in respect of		
(i) Indirect tax matters*	1,129.02	1,123.74
(ii) Disputed claims from customers and vendors#	909.56	372.88
Guarantees		
(i) Bank guarantees and letter of credits	3,431.48	4,314.89
Commitments		
(i) Equity commitments towards subsidiaries	260.00	-
(ii) Estimated amount of contracts remaining to be executed on capital account and net off advances	80.54	134.52

* The Company has deposited an amount of ₹ 79.86 million (as on March 31, 2025 ₹ 79.20 million) towards indirect tax dispute matters under protest with various statutory authorities and the same is included under Other non current assets in Note 11 to the financial statements.

Also the Company has deposited ₹ 323.21 million towards disputed vendor and the same is included under Other non current financial assets in Note 8 to the financial statements.

Impact of pending legal cases

The Company is party to several legal suits on construction contract terms related disputes with vendors and contractee/clients, pending before various forums including arbitration proceedings. It is not possible to make a fair assessment of the likely financial impact of these pending disputes / litigations until the cases are decided by the appropriate authorities.

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Note 48 :

- a) During the year ended March 31, 2026, the Company made a provision against investment of ₹ 195 million.
- b) During the year ended March 31, 2026, the Company has identified certain liabilities that are outstanding for a long period of time amounting to ₹ 383.34 million. These liabilities have been written back as they are no longer considered payable.
- c) During the year ended March 31, 2026, the company has identified certain receivables and advances given amounting to ₹ 724.28 million. The Company on thorough evaluation ascertained that these amounts are no longer recoverable and hence decided to write off these balances.
- d) Exceptional item of ₹ 1,560.60 million for the year ended March 31, 2026 pertains to the gain arising on sale of 51% equity stake in the subsidiary, Visakha Pharmacity Limited.
- e) During the year ended March 31, 2026, National Company Law Tribunal (NCLT) approved the scheme of amalgamation for the merger of two wholly owned subsidiaries, namely Sehore Kosmi Tollways Limited and Ramky Elsamex Hyderabad Ring Road Limited, with the appointed date as April 01, 2024. Accordingly, the figures relating to the year ended March 31, 2025 were restated to give effect to the NCLT order dated February 24, 2026. Further, the figures relating to year ended March 31, 2026 include the amounts pertaining to the amalgamating entities as well.

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Note 49 : Business Combination

Amalgamation of Sehore Kosmi Tollways Limited and Ramky Elsamex Hyderabad Ring Road Limited with Ramky Infrastructure Limited:

The Board of Directors of Ramky Infrastructure Limited (Transferee Company), Sehore Kosmi Tollways Limited (SKTL) (“Transferor Company-1”) and Ramky Elsamex Hyderabad Ring Road Limited (REHRRL) (“Transferor Company-2”) in their meeting held on January 23, 2025 had considered and approved a scheme of amalgamation of SKTL (“Transferor Company-1”) and REHRRL (“Transferor Company-2”) into and with the Ramky Infrastructure Limited. During the current year, the scheme for amalgamation of Sehore Kosmi Tollways Limited (SKTL) (“Transferor Company-1”) and Ramky Elsamex Hyderabad Ring Road Limited (REHRRL) (“Transferor Company-2”) with the Ramky Infrastructure Limited (“Transferee Company”), has been sanctioned by the Hon’ble National Company Law Tribunal (NCLT) vide its order dated February 25, 2026. The Certified true copy of the said order sanctioning the scheme has been filed with the Registrar of Companies, Hyderabad. In accordance with the order of NCLT, the Company has given effect to the scheme in the standalone financial statements w.e.f. appointed date i.e., April 01, 2024 in accordance with the accounting treatment prescribed under the scheme and Appendix C of Ind AS 103 – “Business Combination of entities under common control”.

The comparative financial statement and other financial information for the year ended March 31, 2025 included in the standalone financial statement have also been restated in accordance with Appendix C of Ind AS 103 – “Business Combination of entities under common control”.

Notes to the Standalone Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Specific Notes relating to the amalgamated entities Sehare Kosmi Tollways Limited and Ramky Elsamex Hyderabad Ring Road Limited

Sehare Kosmi Tollways Limited

The erstwhile wholly owned subsidiary Sehare Kosmi Tollways Limited issued termination notice dated March 12, 2021, to the M.P. Road Development Corporation Limited (MPRDC) in terms of Article 37 of the Concession Agreement and calling upon MPRDC to release the aggregate amount of ₹ 968.60 million due, which is based on its internal assessment and legal advice, management is confident that it will be able to recover the entire amount from MPRDC. The Concession Agreement being the sole agreement executed by SKTL, termination of the same has now resulted into liquidation basis accounting which has been adopted in preparation of these financial statements. Under the liquidation basis of accounting, all assets and liabilities are measured at their net realisable value. However, on a prudent basis, SKTL has accounted for receivable from MPRDC to the extent of ₹ 582.00 million only i.e. Intangible and Financial asset in books as on termination date of the project. During the financial year 2021-22, SKTL has received the sum of ₹ 346.35 million form MPRDC towards full and final settlement of all dues. However, SKTL has not agreed for that and initiated arbitration proceedings against MPRDC. However, Arbitration proceedings have been dismissed by the High Court and SKTL is evaluating further legal options against MPRDC.

Ramky Elsamex Hyderabad Ring Road Limited

The erstwhile wholly owned subsidiary Ramky Elsamex Hyderabad Ring Road Limited (REHRRL) has executed the project for Hyderabad Metropolitan Development Authority (HMDA). As at 31 March 2026, the trade receivable includes the following amounts from HMDA towards various retentions:

Particulars	Amount
1. Bonus Annuity	315.00
2. Retention in First annuity	197.75
3. Retention in Fourth annuity	161.63
4. Retention in Eighth annuity	4.60
5. Retention in Twenty first annuity	121.54

During the year 2013-14, REHRRL had sent Arbitration Notice to HMDA for recovery of the receivables and both REHRRL and HMDA appointed Arbitrators. Arbitral Award is pronounced on 18.06.2018 in favour of REHRRL. HMDA filed application before District Commercial Court under section 34 & 36 of Arbitration and Conciliation Act, 1996 seeking set aside of the award pronounced by Arbitral Tribunal and for a stay on the award respectively. REHRRL filed reply for the same and argued on their application seeking stay on the award. Hon'ble Court was convinced with the arguments of REHRRL and allowed the application and granted conditional stay on the award subject to HMDA depositing 50% of the award value in the Court. With in 60 days from the date of the order i.e., 18.03.2019. HMDA did not deposit the sum as ordered and instead preferred to challenge the Order of the District court by filing an appeal in the Hon'ble High Court. Now the matter is pending before Hon'ble High Court for the state of Telangana, Hyderabad.

Challenging the Arbitral Award, Hyderabad Growth Corridor Limited (HGCL) filed an application under section 34 of the Arbitration and Conciliation Act, 1996 (A&C Act) before the District Commercial Court at Hyderabad seeking setting aside of the Award along with an application u/s 36 of the A&C Act seeking a stay on the award.

REHRRL has filed an Execution Petition before the District Commercial Court at Hyderabad seeking attachment of the moveable properties and bank accounts of the HGCL for recovery of the decretal amount. HGCL filed CRP before Hon'ble High Court and got a stay on execution proceedings. Both parties argued the matter before Hon'ble Court and Hon'ble High Court disposed the matter, directing that time for payment of the amount as per the impugned order dated 18.03.2019 passed by commercial court is extended for a period of three months from 5th March 2024. And also directed to decide the objections preferred by HMDA under section 34 of A&C Act, 1996 expeditiously within an outer limit of four months.

The District Commercial Court decided the matter by allowing the section 34 application in favour of HGCL on 05.08.2024. REHRRL has filed an appeal under section 37 of the Arbitration and Conciliation Act, 1996, where in Concessionaire has assailed the validity of the order dated 5th August'2024 by which petition filed under section 34 of the A&C Act, 1996 has been allowed and the Hon'ble High court directed to issue notices to HGCL.

INDEPENDENT AUDITORS' REPORT

To the Members of Ramky Infrastructure Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of Ramky Infrastructure Limited (hereinafter referred to as “the Parent”) which includes 9 joint operations, its subsidiaries (the Parent and its subsidiaries together referred to as “the Group”) and its associates, comprising of the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, including material accounting policies and other explanatory information (hereinafter referred to as “the Consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, associates and joint operations referred in the Other Matters section below, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at March 31, 2026, their consolidated profit, including other comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the

Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we and other auditors, referred in the Other Matters section below have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Attention is invited to:

Note 14 to the consolidated financial statements wherein the Group has written off receivables amounting to ₹ 807.71 million and has written back liabilities totaling ₹ 438.82 million during the financial year 2025-26.

Emphasis of Matter:

- (a) In respect of Srinagar Banihal Expressway Limited, a subsidiary company, the Statutory Auditors of the said subsidiary have drawn attention in respect of the following:

Deductions were made in the earlier financial years and current year by NHAI of ₹ 2,509.46 million from the annuities towards substandard steel, deviation of high embankment and other deductions to the subsidiary company and against which the independent engineer has recommended for release of ₹ 1,872.75 million. The said subsidiary has initiated arbitration proceedings for all the recoveries from NHAI and is confident that the amount is fully recoverable. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial statements.

- (b) In respect of Hospet Chitradurga Tollways Limited, a subsidiary company, the Statutory Auditors of the said subsidiary have drawn attention in respect of the termination of the project by the subsidiary company and National Highways Authority of India (NHAI) “the Concessioneing Authority” with mutual consent in the financial year 2014-15. Since the subsidiary company is a project specific company, termination of project affects the Going Concern nature of the subsidiary company. The consequential financial impact was provided in the financial statement during the earlier year and was emphasized in the earlier year audit report also.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the financial year ended March 31, 2026. These matters were addressed in the context of our audit

of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditors' response
Foreseeable losses Management estimates the costs to complete the unexecuted portion of the contract and where it is probable that those costs exceed the revenue to be earned from such contracts, a provision for such probable loss is created.	Evidence and historical information are considered to decide on the rationale and appropriateness of the estimates with respect to costs to complete the project. The relevant covenants of the contract are verified to assess the unearned revenue from the project. Considering the historical information and evidence with respect to probability of incurring losses, an appropriate provision is arrived.
Revenue of the Parent Company is mainly from Construction Contracts. Revenue from these contracts is recognized over a period of time in accordance with the requirements of Ind AS 115, Revenue from Contracts with Customers. Due to the nature of the contracts, revenue recognition involves survey of work performed, which involves significant judgments, separating financing component from revenue from contracts, wherever applicable, identification of contractual obligations and the Parent Company’s rights to receive payments for performance completed till date, changes in scope and consequential revised contract price and recognition of the liability for loss making contracts/onerous obligations. Revenue recognition involves aforesaid significant judgement and estimation. We therefore determined this to be a key audit matter.	Our audit procedures included but were not limited to: - Reading the accounting policy for revenue recognition of the Parent Company. - Obtaining an understanding of the Parent Company’s processes and controls for revenue recognition process, evaluating the key controls around such process. - Performing tests of details, on a sample basis and inspecting the underlying customer contracts and relevant supporting documents. - Sample of revenue disaggregated by type and service offerings was tested with the performance obligation specified in the underlying contracts. - Considering the terms of the contracts to determine the transaction price, including any variable consideration, in order to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.

Information Other than the Consolidated financial statements and Auditor’s Report Thereon

The Parent’s Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements, consolidated financial statements and our auditor’s report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries and associates either audited by the other auditors or unaudited and furnished by the management, to the extent it relates

to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The Board's Report, including its annexures is expected to be made available to us after the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated financial statements

The Parent's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates in accordance with Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the Consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group and of its associates are also responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibility for the Audit of the Consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events

or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the Consolidated financial statements. We are responsible for the direction, supervision, and performance of the audit of the financial statements of such entities or business activities included in the Consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated financial statements, which have been audited by other auditors or furnished by the management, such other auditors and management remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Parent company and such other entities included in the Consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of 21 subsidiaries, 7 joint operations whose annual financial statements reflect total assets of ₹ 21,090.50 million as at March 31, 2026, total revenues of ₹ 6,388.89 million, net profit after tax of ₹ 382.99 million and total comprehensive income of ₹ 382.84 million for year ended March 31, 2026 and net cash inflows of ₹ 3.28 million for the year ended March 31, 2026 as considered in the consolidated financial statements, which have been audited by their respective independent auditors. The independent auditors report on financial statements and other financial information of these entities have been furnished to us by the Management and our opinion on the Consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint operations and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint operations is based solely on the reports of such auditors and procedures performed by us as stated in paragraph above. The above financial information are before giving effect to any consolidation adjustments.

The accompanying Consolidated financial statements include the Company's share of total assets of ₹ 116.32 million as at March 31, 2026, revenues of ₹ 219.54 million, net profit after tax of ₹ 68.90 million and total comprehensive income of ₹ 68.90 million for year ended on that date, and net cash inflows of ₹ 0.67 million for the year ended March 31, 2026 in respect of 2 joint operation, based on their annual financial information, which have not been audited by their auditors, and have been furnished to us by the Parent management. Our opinion on the Consolidated financial statements, in so far as it relates to the aforesaid joint operation and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint operation is based solely on such unaudited

management certified annual financial information. According to the information and explanations given to us by the management, such annual financial information is not material to the Group.

The consolidated financial statements also include the Group's share of net loss of ₹ 0.03 million for the quarter and year ended March 31, 2026, in respect of unaudited financial statements of 2 associates. These unaudited financial statements and other unaudited financial information have been furnished to us by the management. Our opinion, in so far as it relates to amounts and disclosures included in respect of these associates and our report in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid associates is based solely on such unaudited financial statement and other unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are not material to the Group.

Further, the Consolidated financial statements also does not include Parent's share of profit in respect of Gwalior Bypass Project Limited (associate) in which Parent has investment aggregating to ₹ 1.15 million without considering the impairment as at March 31, 2026. The financial statements have not been furnished to us by the Parent Company's management. According to the information and explanations given to us by the management, these financial statements are not material to the Group.

Our opinion on the Consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of other auditors on separate financial statements of subsidiary companies incorporated in India, referred in the Other Matters paragraph above we report, to the extent applicable, that:
 - (a) We/the other auditors whose report we relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated financial statements;

- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated financial statements;
- (d) In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under Section 133 of the Act;
- (e) On the basis of the written representations received from the directors of the Parent as on March 31, 2026 taken on record by the Board of Directors of the Parent Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Parent and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries incorporated in India, the managerial remuneration paid/provided by the parent and its subsidiaries incorporated in India to their directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act; and

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information subsidiaries, and joint operations, as noted in the 'Other matter' paragraph:
 - i. The Consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group (Refer Note 10 to the consolidated financial statements);
 - ii. The Parent has made provision as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
 - iii. No amounts were required to be transferred to the Investor Education and Protection Fund by the Group. However, the Company should separately evaluate compliance with Section 124(6) of the Companies Act, 2013 regarding transfer of applicable shares;
 - iv. (a) the respective managements of the parent and its subsidiaries which are incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the parent or its subsidiaries incorporated in India to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly

or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) the respective managements of the parent and its subsidiaries which are incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the parent, its subsidiaries incorporated in India from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the parent, its subsidiaries incorporated in India shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us to believe that the representations under above clauses iv (a) and iv (b) contain any material misstatement;
- v. The Parent has not declared or paid any dividend during the year. However, the Board of Directors has proposed a dividend for the financial year, which is subject to the approval of the shareholders at the ensuing Annual General Meeting; and

vi. Based on our examination which included test checks, and based on the other auditor's reports of its subsidiary companies incorporated in India whose financial statements have been audited under the Act, the Parent Company and its Subsidiary companies incorporated in India, have used accounting software systems for maintaining their respective books of account for the financial year ended March 31, 2026 which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except for 8 Joint operations whose operations are not material to the Group.

Further, where audit trail (edit log) facility was enabled and operated throughout the year for the accounting software(s) we did not come across any instance of the audit trail feature being tampered with.

Based on our audit procedures, management's representations, and the audit reports auditors of the subsidiary companies incorporated in India, we confirm that the Parent Company and its subsidiaries incorporated in India have preserved the audit trail in accordance with applicable statutory requirements.

the qualifications or adverse remarks are stated below except for financial statement and audit report of one associate which is not material to the Consolidated financial statements, have not been furnished to us by the Parent Company's management as on the date of this report.

2. With respect to the matters specified in paragraphs 3(xi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Parent Company and its subsidiaries included in the consolidated financial statements to which reporting under CARO is applicable, there have been qualifications or adverse remarks by the respective auditors in the CARO reports of the Companies included in the Consolidated financial statements. Details of the companies and the paragraph numbers of the CARO report containing

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated financial statements of Ramky Infrastructure Limited (“the Parent”) as of and for the year ended March 31, 2026, we have audited the internal financial controls reference to these Consolidated financial statements of Parent Company and its subsidiaries (the Parent and its subsidiaries together referred to as “the Group”) which are incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the parent and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to

error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of other auditors referred to in the Other Matters paragraph below, the Parent and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026 based on the criteria for internal control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting, insofar as it relates to 21 subsidiary companies, is based on the corresponding reports of the auditors of those companies.

In respect of two associate companies, which are not material to the consolidated financial statements, the unaudited financial statements and other unaudited financial information have been furnished to us by the management of the Parent Company. However, the independent auditor’s reports on such financial statements have not been furnished to us as on the date of this report. Accordingly, we are unable to comment on the reporting requirement under Section 143(3)(i) of the Act in respect of these two associate companies.

Further, the financial statements and independent auditor’s report of one associate company, which is also not material to the consolidated financial statements, have not been furnished to us by the Parent Company’s management as on the date of this report. Accordingly, we are unable to comment on the reporting requirement under Section 143(3)(i) of the Act in respect of this associate company.

Notes to the Consolidated Financial Statements

1. Company Overview

Ramky Infrastructure Limited (“the Company”) is an integrated construction, infrastructure development and management Company headquartered in Hyderabad, India. The Company is diversified in a range of construction and infrastructure projects in various sectors such as water and waste water, transportation, irrigation, industrial construction and parks (including SEZs), power transmission and distribution, and residential, commercial and retail property. Majority of the development projects of the Company are based on Public-Private Partnerships (PPP) and are operated by separate Special Purpose Vehicles (SPV) promoted by the Company and respective Governments. The Company is a public limited company domiciled and incorporated in India under the Indian Companies Act, 1956. The Company’s registered office is located at Ramky Grandiose, 15th Floor, Sy no. 136/2 & 4, Gachibowli, Hyderabad - 500 032, Telangana. The Company is listed on the Bombay Stock Exchange Limited (BSE) and the National Stock Exchange of India Limited (NSE).

These consolidated financial statements comprise the Company and its subsidiaries (referred to collectively as the “the Group”) and the Group’s interest in associates. The list is as follows:

S. No.	Name of the Entity	Country of incorporation	% Holding 2025-26	% Holding 2024-25
A Subsidiaries:				
1	MDDA-Ramky ISBus Terminal Limited	India	100%	100%
2	Ramky Towers Limited	India	51%	51%
3	Ramky Enclave Limited	India	100%	100%

2	GP-IR Project Private Limited	India	26.00%	---
3	DBL ERCP Bandh Baretha Private Limited	India	Stepdown Associate	---

1.1 Basis of preparation

(a) Statement of compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards (“Ind AS”) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended notified under Section 133 of the Companies Act, 2013, (the Act) and other relevant amendment rules issued there-after.

These consolidated financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial instruments and defined benefit plans that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

Notes to the Consolidated Financial Statements (contd.)

The consolidated financial statements were authorised for issue by the Board of Directors on 27th May 2026.

The details of the Group's material accounting policies are included in Note 1.2.

(b) Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (₹), which is also the Group's functional currency. Amounts have been rounded off to nearest million.

(c) Basis of measurement

The consolidated financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial instruments and defined benefit plans that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Present value of defined benefit obligations less fair value of plan assets.

(d) Current and non-current classification:

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the group as per the guidance set out in Schedule III to the Act. Operating cycle for the business activities of the group covers the duration of the project/contract/ service including the defect liability period, wherever applicable, and extends up to the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project. Other than project related assets and liabilities, 12 months period is considered as normal operating cycle.

(e) Use of estimates and judgements

In preparing these consolidated financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions / judgements are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

(i) Evaluation of satisfaction of performance obligation for the purpose of revenue recognition

Determination of revenue under the satisfaction of performance obligation necessarily involves making estimates, some of which are of a technical nature, concerning, where relevant, the timing of satisfaction of performance obligation, costs to completion for the project or activity and the foreseeable losses to completion. Estimates of project income, as well as project costs, are reviewed periodically. The effect of changes, if any, to estimates is recognized in the financial statements for the period in which such changes are determined.

(ii) Provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

(iii) Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become

Notes to the Consolidated Financial Statements (contd.)

deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the group will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

(iv) Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(v) Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting period. The management assessed that the useful lives represent the expected utility of the assets to the group. Further, there is no significant change in the useful lives as compared to previous year.

(vi) Impairment of investment in equity instruments of associate companies and jointly controlled entities

During the year, the group assessed the investment in equity instrument of associate companies and jointly

controlled entities carried at cost for impairment testing. Detailed analysis has been carried out on the future projections and wherever required; necessary impairment has been made.

1.2 Material accounting policies

(a) Basis of consolidation

(i) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

(ii) Non-controlling interests (NCI)

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

(iii) Equity accounted investees

The Group's interests in equity accounted investees comprise interests in joint controlled entities and associates.

An associate is an entity in which the Group has significant influence, but not control or joint control, over the financial and operating policies. A jointly controlled entity is an arrangement in which the Group has joint control and has rights to the net assets of the arrangement, rather than rights to its assets and obligations for its liabilities.

Interests in associates and jointly controlled entities are accounted for using the equity method. They are initially recognised at cost which includes transaction costs. Subsequent to initial recognition, the consolidated financial

Notes to the Consolidated Financial Statements (contd.)

statements include the Group's share of profit or loss and OCI of equity accounted investees until the date on which joint control ceases.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale. When the Group retains an interest in the former associate or joint venture and the retained interest is a financial asset, the Group measures the retained interest at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with Ind AS 109. The difference between the carrying amount of the associate or joint venture at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest in the associate or joint venture is included in the determination of the gain or loss on disposal of the associate or joint venture. In addition, the Group accounts for all amounts previously recognised in other comprehensive income in relation to that associate or joint venture on the same basis as would be required if that associate or joint venture had directly disposed of the related assets or liabilities. Therefore, if a gain or loss previously recognised in other comprehensive income by that associate or joint venture would be reclassified to profit or loss on the disposal of the related assets or liabilities, the Group reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) when the equity method is discontinued.

(iv) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

(v) Goodwill/Capital Reserve

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated losses, if any. For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash-generating units) that is expected to benefit from the synergies of the combination. A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods. On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

On the other hand, where the share of equity in subsidiaries as on the date of investment is in excess of cost of investments of the Group, it is recognised as 'Capital Reserve'.

(b) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets (unless it is a trade receivable without a significant financing component) and liabilities are initially measured at fair value. Trade receivables are initially measured at transaction value. Transaction costs that are directly attributable to the acquisition or

Notes to the Consolidated Financial Statements (contd.)

issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Financial Assets

Classification and subsequent measurement

On initial recognition, a financial asset is classified as subsequently measured at:

- (i) amortised cost.
- (ii) fair value through other comprehensive income (FVOCI) – equity investment; or
- (iii) fair value through profit or loss (FVTPL).

Financial assets are not reclassified subsequent to their initial recognition unless the Group changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

De-recognition of Financial Assets

The Group de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers

the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the assets and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments recognised by the Group are measured at the proceeds received net of direct issue cost.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis, to realise the assets and settle the liabilities simultaneously.

Notes to the Consolidated Financial Statements (contd.)

(c) Measurement of fair values

A number of the Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Significant valuation issues are reported to the Company's audit committee.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- _Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- _Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- _Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(d) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is carried at cost and is not depreciated.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its

intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Items of property, plant and equipment are derecognized from the Consolidated Financial Statements, either on disposal or when no economic benefits are expected from its use or disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognised net within other income in the statement of profit and loss.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Capital work-in-progress comprises the cost of property, plant and equipment that are not ready to use at the balance sheet date and are stated at historical cost and impairment, if any.

(ii) Subsequent expenditure

The cost of replacing a part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit and loss as incurred.

(iii) Depreciation

The Group provides depreciation on the straight-line method. The Group believes that straight line method reflects

Notes to the Consolidated Financial Statements (contd.)

the pattern in which the asset's future economic benefits are expected to be consumed by the Group.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset Category	Management estimate of useful life	Useful life as per Schedule II
Office equipment	5 years	5 years
Furniture and fixtures	10 years	10 years
Vibrator and needles	5 years	5 years
Vehicles – cars	8 years	8 years
Buildings	30 years	30 years
Temporary structures	3 years	3 years
Roads and water supply	10 years	10 years
Computer equipment	3 years	3 years
Lab equipment	10 years	10 years
Shuttering materials	5 years	5 years
Vehicles - two wheelers	10 years	10 years
Pump sets	5 years	5 years

Project specific assets are depreciated over life of the project or useful life as per Schedule II of Companies Act, 2013 whichever is lower.

Depreciation is calculated on a pro-rata basis from/up to the date the assets are purchased/sold. Leasehold improvements are amortized over the primary period of the lease or estimated useful life of the assets, whichever is lower. The useful life of assets and residual values are reviewed at each financial year end and adjusted if appropriate.

(e) Other intangible assets

Research and development: Expenditures on research activities undertaken with the prospect of gaining new scientific or technical knowledge and understanding are recognised in the statement of profit and loss when incurred.

Development activities involve a plan or design for the production of new or substantially improved products and processes. Development expenditures are capitalised only if

- a) development costs can be measured reliably

- b) the product or process is technically and commercially feasible
- c) future economic benefits are probable and
- d) the Group intends to and has sufficient resources to complete development and to use or sell the asset.

The expenditures to be capitalised include the cost of materials and other costs directly attributable to preparing the asset for its intended use.

Research and development intangible assets that are under development are recognised as R&D under development or Intangible assets under development. R&D under development assets are not amortised, but evaluated for potential impairment on an annual basis or when there are indications that the carrying value may not be recoverable. Any impairment charge on such assets is recorded in the statement of profit and loss

Service concession arrangements

The Group recognises an intangible asset arising from a service concession arrangement to the extent it has a right to charge for use of the concession infrastructure. At the time of initial recognition, the intangible asset is recognised at the fair value of the consideration to be received for providing construction of upgrade services in a service concession arrangement. Subsequent to initial recognition the intangible asset is measured at cost, less any accumulated amortisation and accumulated impairment losses.

Computer software

Computer software is recorded at the consideration paid for acquisition. Computer software is amortised over their estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Group for its use.

(i) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

Notes to the Consolidated Financial Statements (contd.)

(ii) Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortisation in Statement of Profit and Loss. Intangibles are amortised over their estimated useful lives. The estimated useful lives for computer software are taken as 3 years.

The Group has followed revenue-based amortization for intangible assets which are recognised under service concession arrangements for toll road projects, by taking proportionate of actual revenue earned for a year over total projected revenue from project to cost of intangible assets i.e. proportionate of actual revenue earned for the year over total projected revenue from intangible assets expected to be earned over the balance concession period as estimated by the management. Total projected revenue shall be reviewed at the end of each financial year and the total projected revenue shall be adjusted to reflect any changes in the estimates which lead to actual collection at the end of the concession. For other service concession projects, intangible assets are amortised based on straight line basis.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if appropriate.

(f) Inventories

- (i) Inventories are valued at lower of cost or net realisable value.
- (ii) Cost of inventories comprises of all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The method of determination of cost is as follows:
- Raw materials and components: on a weighted average method.
 - Properties under development: In case of the real estate activity, the inventories comprise of lands, development of lands, plots, houses

and flats. It is valued at direct development cost including related incidental expenditure attributable to the said property to bring it to the marketable stage.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimate costs of completion and selling expenses.

The comparison of cost and net realisable value is made on item-by- item basis.

(g) Impairment of assets

(i) Financial assets

Financial assets (other than at fair value)

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

Notes to the Consolidated Financial Statements (contd.)

(ii) Non-financial assets

The carrying value of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If, any such indication exists, the entities in the Group estimate their recoverable amount and impairment is recognised if, the carrying amount of these assets/cash generating units exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit & Loss.

The Group's corporate assets (e.g., central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

(h) Employee benefits

(i) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

(ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards Government administered provident fund, employee insurance scheme, superannuation fund and National pension scheme. Obligations

for contributions to defined contribution plans are recognised as an employee benefit expense in the statement of profit and loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(iii) Defined benefit plans

In accordance with the Payment of Gratuity Act 1972, applicable for Indian companies, the Group provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Group. The Group's obligation in respect of the gratuity plan, which is a Defined Benefit Plan, is provided for based on actuarial valuation using the Projected Unit Credit Method. The Group recognizes actuarial gains and losses immediately in other comprehensive income, net of taxes. Provision for other retirement / long term compensated absences (Leave Encashment) is made on the basis of actuarial valuation.

(i) Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- the Group has the contract involves the use of an identified asset – this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and

Notes to the Consolidated Financial Statements (contd.)

- the Group has the right to direct the use of the asset. The Group has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used.

In rare cases where the decision about how and for what purpose the asset is used is predetermined, the Group has the right to direct the use of the asset if either:

- the Group has the right to operate the asset; or
- the Group designed the asset in a way that predetermines how and for what purpose it will be used.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets:

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, deferred lease components of security deposits and lease payments made at or before the commencement date less any lease incentives received. Unless the Group is reasonably certain to obtain ownership of the leased asset at the end of the lease term, the recognised right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment, refer to the accounting policies in section (g) Impairment of non-financial assets.

Lease liabilities:

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to

be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating a lease, if the lease term reflects the Group exercising the option to terminate. The variable lease payments that do not depend on an index or a rate are recognised as expense in the period on which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the in substance fixed lease payments or a change in the assessment to purchase the underlying asset.

Short-term leases and leases of low-value assets:

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low value assets recognition exemption to leases of office equipment's that are low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense in statement of profit and loss on straight line basis.

(j) Revenue recognition

Construction contracts

Revenue from contract with customers is recognised when the Group satisfies performance obligation by transferring promised goods or services to the customer in an amount that reflects the transaction price

Notes to the Consolidated Financial Statements (contd.)

to which the Group expects to be entitled in exchange for those goods or services. In determining the transaction price, the promised amount of consideration is adjusted for the effects of the time value of money if the timing of payments agreed in the contract provides the customer or the Group with significant benefit of financing the transfer of goods or services to the customer.

With respect to the satisfaction of a performance obligation, the Group chosen output method to measure the value of goods or services for which control is transferred to the customer over time based on the performance / measured unit of work completed to date. Accordingly, which revenue is recognised corresponding to the units of work performed and on the basis of the price allocated thereto.

In cases where the work performed till the reporting date has not reached the milestone specified in the contract, the Group recognises revenue only to the extent that it is highly probable that the customer will acknowledge the same. This method is applied as the progress of the work performed can be measured during its performance on the basis of the contract. Under this method, on a regular basis, the work completed under each contract is measured and the corresponding output is recognised as revenue.

Real estate

Revenue is recognized upon transfer of control of residential units to customers, in an amount that reflects the consideration the Group expects to receive in exchange for those residential units. The Group shall determine the performance obligations associated with the contract with customers at contract inception and determine whether they satisfy the performance obligation over time or at a point in time. In case of residential units, the Group satisfies the performance obligation and recognizes revenue at a point in time.

The Group receives maintenance amount from the customers and utilizes the same towards the maintenance of the respective projects. Revenue is recognized to the extent of maintenance expenses incurred by the Group towards maintenance of respective projects.

Balance amount of maintenance expenses to be incurred is reflected as liability under the head other current liabilities.

Consulting services

Revenue from consulting services is recognised in the accounting period in which the services are rendered. Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

Service concession arrangement

The Group has determined that Appendix D to Ind AS 115 on “Service Concession Arrangements (SCA)” is applicable to the concession agreement and hence has applied it in accounting for the same.

Under Appendix D to Ind AS 115, concession arrangements are accounted for based on the nature of the consideration. The intangible asset model is used to the extent that the Group receives a right to charge users of the public service. The financial asset model is used when the Group has an unconditional contractual right to receive cash or another financial asset from or at the direction of the grantor for the construction services.

Contract revenue includes the initial amount agreed in the contract plus any variations in contract work, claims and incentive payments, to the extent that it is probable that they will result in revenue and can be measured reliably.

Contract costs are recognised as expenses as incurred unless they create an asset related to future contract activity. An expected loss on a contract is recognised immediately in profit or loss.

Revenue related to construction or upgrade services provided under a service concession arrangement is recognised based on the stage of completion where the performance obligations are satisfied over time. Operation or service revenue is recognised in the period in which the services are provided by the Group.

Notes to the Consolidated Financial Statements (contd.)

Other income

(i) Interest income:

Interest on bank deposits is recognised on the effective interest rate (EIR method) using the underlying interest rates. Income from interest on deposits and interest-bearing securities is recognised on the time proportionate method taking into account the amount outstanding and the rate applicable.

(ii) Dividend income:

Dividend income is recognised when the unconditional right to receive the dividend is established.

(iii) Rental income:

Rental income from short term leases/ low value assets are generally recognised over the term of the relevant lease.

(iv) Insurance Claims:

Insurance claims are accounted for on the basis of claims admitted and to the extent that there is no uncertainty in receiving the claims.

(v) Sub-contractor recoveries:

The supply of goods or rendering of services by the Group to its sub-contractors at project sites are recognised as sub-contractor recoveries.

(k) Government grants

Government grants are recognised only when it is reasonably certain that the related entity will comply with the attached conditions and the ultimate collection is not in doubt.

Government grants are recognised initially as deferred income at fair value when there is reasonable assurance that they will be received and the Group will comply with the conditions associated with the grant; they are then recognised in profit or loss as other income on a systematic basis.

Where the government grants relates to specific assets are treated as deferred government grants, which is recognised in the statement of profit and loss in proportion to

the depreciation charge over the useful life of the related asset.

(l) Income-taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date. Excess / short provision of tax relating to earlier years is separately disclosed. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and

Notes to the Consolidated Financial Statements (contd.)

- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

(iii) Minimum Alternate Tax (MAT) Credit entitlement

Minimum Alternative Tax ("MAT") under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(m) Dividend

The Group recognises a liability to pay a dividend when the distribution is authorised, and the distribution is no longer at the discretion of the Group.

In the case of interim dividends to equity shareholders, this is when declared by the Board of Directors. In the case of final dividends, this is when approved by the shareholders at the Annual General Meeting of the Group.

(n) Segment reporting

(i) Business Segment:

Operating segments are identified in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM has identified two major segments a) Construction business and b) Developer business. For the detailed disclosure of segments refer Note 3.

(ii) Geographical Segment:

During the year under report, the Group has engaged in its business primarily within India. The conditions prevailing in India being uniform, no separate geographical disclosure is considered necessary.

(o) Earnings per share

The basic earnings per share ("EPS") for the year is computed by dividing the net profit/(loss) after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

(p) Provisions, Contingent liabilities and assets

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Notes to the Consolidated Financial Statements (contd.)

(i) Onerous contracts

A contract is considered to be onerous when the expected economic benefits to be derived by the Group from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Group recognises any impairment loss on the assets associated with that contract.

(ii) Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

(iii) Provision for major maintenance

Provisions are taken for contractual obligations to maintain the condition of infrastructure under concession, principally to cover the expense of major road repairs (surface courses, restructuring of slow lanes, etc.), bridges, tunnels etc. Provision for major maintenance is determined by discounting the expected maintenance expense spanning several years at a pre-tax rate that reflects the current market assessment of the time value and the risks specific to the liability, and is updated annually. Provisions are also taken whenever recognised signs of defects are encountered on identified infrastructure.

(q) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial

period of time to get ready for their intended use are capitalise as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(r) Non-current assets held for sale

Non-current assets and disposal group are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

When the Group is committed to a sale plan involving disposal of an investment, the investment that will be disposed of is classified as held for sale when the criteria described above are met.

Non-current assets (and disposal group) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

(s) Cash and Cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise of cash and cheques in hand, bank balances, demand deposits with banks where original maturity period is three months or less and other short term highly liquid investments.

1.3 Recent Accounting Pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact on its financial statements.

Notes to the Consolidated Financial Statements (contd.)

In August 2025, MCA notified amendments to:

Ind AS 1 - Presentation of Financial Statements:

Applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance.

The amendment also introduces guidance on classification of liabilities with covenants. The Group has no impact of these amendments in its classification criteria of current and non-current liabilities.

Ind AS 7 - Statement of Cash Flows and Ind AS 107-Financial Instruments: Disclosures

Applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

Ind AS 12 - Income Taxes:

International Tax Reform – Pillar Two Model Rules applicable immediately. The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact on its financial statements.

Other payables	17.38	19.62
Salary payable	21.40	36.08
	187.27	366.11

Note 2.26 : Other current liabilities

Particulars	As at	As at
	31 March 2026	31 March 2025
Advance from customers	225.36	298.05
Statutory dues payable	363.48	386.07
Expenses payable	37.68	34.40
Other liabilities	20.20	42.03
Deferred interest payable	263.90	155.48
Mobilisation and other advances	1,969.68	2,140.12
	2,880.31	3,056.16

Note 2.27 : Provisions (Current)

Particulars	As at	As at
	31 March 2026	31 March 2025
Provision for employee benefits		
Gratuity	9.30	6.88
Compensated absences	22.36	10.40
Others		
Provision for foreseeable loss	227.31	227.31
Provision for major maintenance expenses	567.37	347.99
Provision for expenses	11.06	2.69
	837.40	595.27

Note 2.28 : Current tax liabilities (net)

Particulars	As at	As at
	31 March 2026	31 March 2025
Provision for income tax	104.71	237.54
	104.71	237.54

Note 2.29 : Revenue from operations

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Contract revenue	12,445.40	15,808.51
Contract revenue - SCA	715.10	59.26
Revenue from sale of flats and industrial plots	237.61	43.28
Operating and maintenance charges	5,036.77	4,451.05
Sale of trading products	29.91	83.27
	18,464.78	20,445.38

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

(i) Disaggregation of revenues

A. Based on nature of product or service

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Construction business	12,125.75	13,723.18
Developer business	6,339.03	6,722.19
	18,464.78	20,445.38

B. Based on geography

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Within India	18,464.78	20,445.38
	18,464.78	20,445.38

(ii) Contract balances

The following table provides information about contract assets and contract liabilities from contracts with customers

Particulars	As at	As at
	31 March 2026	31 March 2025
Contract assets (Note 2.14)	4,022.92	3,761.62
Contract liabilities (Note 2.22 & 2.26)	3,793.47	4,088.61

The contract liabilities primarily relate to the advance consideration received from customer, for which revenue is recognised on completion of contract terms.

(iii) The aggregate amount of transaction price allocated to performance obligations that are unsatisfied as at the end of reporting period is ₹ 91,497.26 Million (as at March 31, 2025 ₹ 71,062.24 Million). Most of the Group's contracts have a life cycle of three to five years, except ₹32,291.13 which will be performed in six to twelve years as per agreement. Management expects that around 30%-35% of the transaction price allocated to unsatisfied contracts as of 31 March 2026 will be recognised as revenue during next reporting period depending upon the progress on each contracts. The remaining amounts are expected to be recognised over the next two to four years. The amount disclosed above does not include variable consideration.

Note 2.30 : Other income

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Interest income	404.98	422.46
Interest income (receivable on SCA)	701.58	787.50
Liabilities no longer required, written back	438.82	124.87
Profit on sale of property, plant and equipment, net	45.14	15.85
Sub-contractor recoveries	74.67	74.67
Insurance claim	20.81	0.68
Miscellaneous income	264.62	233.07
	1,950.62	1,659.10

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Note 2.31 : Operating expenses

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Contract materials consumed	3,718.79	4,170.65
Sub-contractor expenses	6,860.48	7,801.87
Operations and maintenance	238.45	56.43
Labour contract charges	565.49	471.85
Rates and taxes	0.28	226.01
Consultancy charges	1.29	0.73
Asset lease rentals and hire charges	80.06	123.67
Power and fuel	691.99	705.05
Contract recoveries	27.31	21.32
Transport charges	188.33	34.48
Repairs and maintenance - plant and machinery	91.29	81.06
Other project costs	641.01	635.44
	13,104.78	14,328.54

Note 2.32 : Purchase of stock in trade

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Purchase of traded goods	25.81	54.41
	25.81	54.41

Note 2.33 : Employee benefits expense

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Salaries, wages and bonus	1,062.99	906.72
Contribution to provident fund and other funds	32.85	22.86
Workmen and staff welfare expenses	18.36	20.12
	1,114.20	949.70

Note 2.34 : Finance costs

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Interest expenses	676.95	971.75
Other interest	6.26	8.42
Other borrowing costs	50.22	220.52
	733.43	1,200.69

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Note 2.35 : Other expenses

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Rent	64.76	68.74
Security charges	115.39	103.56
Travelling and conveyance	22.61	18.29
Insurance	73.61	57.86
Legal and professional charges	509.49	595.26
Operation and maintenance expense	0.35	0.02
Electricity charges	4.15	10.90
Rates and taxes	104.62	173.29
Communication	7.24	6.68
Printing and stationery	4.30	5.33
Maintenance, repairs and others	88.82	59.27
CSR expenses	71.08	72.74
Foreign exchange loss	3.62	-
Business promotion expenses	2.40	2.52
Provision for diminution of investment	-	0.34
Receivables and advances written off	807.71	336.98
Commission	-	204.35
Goodwill impairment	21.30	-
Miscellaneous expenses	16.04	34.14
	1,917.49	1,750.27

Note 3 : Operating segments

A Basis for segmentation

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Chief Operating Decision Maker (CODM) to make decisions about resources to be allocated to the segments and assess their performance.

The Group operates primarily in Construction and Developer divisions, as described below, which are the Group's strategic business units. These business units offer different services, and are managed separately because they require different technology and marketing strategies. For each of the business units, the Company's CODM reviews internal management reports on at least a quarterly basis.

The following summary describes the operations in each of the Group's reportable segments:

Reportable segments	Operations
Construction business	Engaged in Engineering, Procurement, and Construction Contracts
Developer business	Engaged in Construction and development of real estate properties

B Information about reportable segments

Information regarding the results of each reportable segment is included below. Performance is measured based on segment profit (before tax), as included in the internal management reports that are reviewed by the Company's CODM. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries. Inter-segment pricing is determined on an arm's length basis.

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Period ended 31 March 2026				
Particulars	Construction business	Developer business	Other segments	Total

Note 5 : Capital management

The Group's policy is to maintain a strong capital base so as to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders and for the future development of the Group. In order to maintain or achieve an optimal capital structure, the Group may adjust the amount of dividend payment, return on capital to shareholders or issue of new shares.

The Group's net debt to equity ratio was as follows:

Particulars	31 March 2026	31 March 2025
Total Borrowings including interest	6,060.32	6,016.91
Less: Cash and cash equivalents	1,488.93	670.36
Net debt	4,571.40	5,346.55
Total equity attributable to the shareholders of the Company	21,624.13	18,955.88
Net debt to equity ratio	0.21	0.28

Note 6 : Earnings per share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the group
- by the weighted average number of equity shares outstanding during the financial year.

The calculations of profit attributable to equity shareholders and weighted average number of equity shares outstanding for purposes of basic earnings per share calculation are as follows:

Particulars	31 March 2026	31 March 2025
i. Profit attributable to equity shareholders (basic)	2,710.61	1,887.53
ii. Weighted average number of equity shares (basic)	69,197,791	69,197,791
Basic EPS (in ₹)	39.17	27.28
i. Profit attributable to equity shareholders (diluted)	2,710.61	1,887.53
ii. Weighted average number of equity shares (diluted)	69,197,791	69,197,791
Diluted EPS (in ₹)	39.17	27.28

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Note 7 : Assets and liabilities relating to employee benefits

i. Defined contribution plans

The group makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and employee state insurance, which are defined contribution plans. The group has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue. The amount recognised as an expense towards contribution to provident fund and employee state insurance for the year aggregated to ₹ 32.85 Millions (previous year: ₹ 22.86 Millions) and is included in “Contribution to provident fund and other funds” (refer note 2.33).

ii. Defined benefit plans

The group operates the following post-employment defined benefit plan:

In accordance with the ‘The Payment of Gratuity Act, 1972’ of India, the group provides for Gratuity, Defined Retirement Benefit Scheme (the Gratuity Plan), covering eligible employees. Liabilities with regard to such Gratuity Plan are determined by an actuarial valuation as at the end of the year and are charged to the statement of profit and loss. This defined benefit plans expose the group to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

The group also has Compensated absences policy (Plan B). Liabilities with regard to such Compensated absence plan are determined by an actuarial valuation as at the end of the year and are charged to the statement of profit and loss. This defined benefit plans expose the group to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

A. Funding

Plan A

The gratuity plan is partly funded by the group. The funding requirements are based on the gratuity fund's actuarial measurement framework set out in the funding policies of the plan. The funding is based on a separate actuarial valuation for funding purposes for which the assumptions may differ from the assumptions set out in (E). Employees do not contribute to the plan.

The group has determined that, in accordance with the terms and conditions of the gratuity plan, and in accordance with statutory requirements (including minimum funding requirements) of the plan of the relevant jurisdiction, the present value of refund or reduction in future contributions is not lower than the balance of the total fair value of the plan assets less the total present value of obligations.

Plan B

Compensated absences plan is unfunded.

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

B. Reconciliation of the net defined benefit (asset) liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset) liability and its components.

Reconciliation of present value of defined benefit obligation

Plan A		
Particulars	As at 31 March 2026	As at 31 March 2025
Balance at the beginning of the year	114.59	102.90
Current service cost	11.78	15.51
Past service cost	-	-
Interest cost	7.82	6.68
Benefits paid	(5.07)	(12.74)
Left employee dues	-	-
Actuarial (gains)/ losses	-	-
- changes in demographic assumptions	-	-
- changes in financial assumptions	(2.54)	2.48
- experience adjustments	(2.07)	(0.24)
Balance at the end of the year *	124.50	114.59

Plan B		
Particulars	As at 31 March 2026	As at 31 March 2025
Balance at the beginning of the year	68.61	69.54
Current service cost	14.44	11.14
Past service cost	-	-
Interest cost	4.65	3.62
Benefits paid	(4.15)	(26.05)
Actuarial (gains)/ losses	-	-
- changes in demographic assumptions	-	-
- changes in financial assumptions	(2.33)	0.61
- experience adjustments	(3.97)	9.76
Balance at the end of the year*	77.25	68.61

Reconciliation of the present value of plan assets

Plan A		
Particulars	As at 31 March 2026	As at 31 March 2025
Fair value of plan assets at the beginning of the year	1.02	6.69
Expected return on plan assets	0.07	0.07
Actuarial gains / (loss)	-	-
Contributions by employer	-	-
Benefits paid	-	(5.73)
Balance at the end of the year	1.09	1.02

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

C. i. Expense recognised in statement of profit and loss

Plan A		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Service cost	11.78	15.51
Interest cost	7.82	6.68
Expected return on plan assets	(0.07)	(0.07)
	19.52	22.12

Plan B		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Service cost	14.44	11.14
Interest cost	4.74	3.62
Expected return on plan assets	-	-
	19.18	14.76

ii. Remeasurements recognised in other comprehensive income

Plan A		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Actuarial (gain) loss on defined benefit obligation	(4.61)	2.39
Return on plan assets excluding interest income	-	(0.02)
	(4.61)	2.37

Plan B		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Actuarial (gain) loss on defined benefit obligation	(6.30)	10.37
Return on plan assets excluding interest income	-	-
	(6.30)	10.37

D. Plan assets

Plan assets comprise of the following:

Plan A		
Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Equity securities	-	-
Government bonds	-	-
Insurance company products	1.09	1.02
Term deposits of banks	-	-
	1.09	1.02

All equity securities and government bonds have quoted prices in active markets. All government bonds are issued by Indian governments and are rated AAA or AA, based on CRISIL ratings

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

E. Defined benefit obligation

i. Actuarial assumptions

Principal actuarial assumptions at the reporting date (expressed as weighted averages):

Plan A

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Expected rate of salary increase	1.00%-6.00%	1.00%-8.00%
Discount rate	6.93%-7.75%	6.79%-6.99%
Mortality Rate (as % of IALM (2012-14) Ult. Mortality Table)	100.00%	100.00%

Plan B

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Expected rate of salary increase	1.00%-6.00%	1.00%-8.00%
Discount rate	7.51%-7.75%	6.79%-6.99%
Mortality Rate (as % of IALM (2012-14) Ult. Mortality Table)	100%	100%
Disability Rate (as % of above mortality rate)	0.00%	0.00%
Withdrawal Rate	2%-5.50%	1%-5.50%
Normal Retirement Age	60 years	60 years

ii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Plan A

Particulars	For the year ended 31 March 2026	
	Increase	Decrease
Gratuity Plan		
Discount rate (1% movement)	111.30	133.72
Future salary growth (1% movement)	132.55	111.73
Withdrawal rate (1% movement)	123.26	119.81

Plan B

Particulars	For the year ended 31 March 2026	
	Increase	Decrease
Leave Encashment Plan		
Discount rate (1% movement)	64.49	70.51
Future salary growth (1% movement)	70.92	64.06
Attrition rate (1% movement)	67.62	67.07

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Note 8 : Financial instruments - Fair values and risk management

A. Accounting classifications and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

31 March 2026

Particulars	Carrying amount			Fair value	
	Measured at FVTPL	Other financial assets -amortised cost	Other financial assets - cost	Financial liabilities - amortised cost	Level 1 Level 3
Financial assets

(All amounts are ₹ in Million, unless otherwise stated)

B. Financial risk management

The group has exposure to the following risks arising from financial instruments:

- a) credit risk
- b) liquidity risk
- c) market risk

Risk management framework

The group's board of directors has overall responsibility for the establishment and oversight of the group's risk management framework. The group's risk management policies are established to identify and analyse the risks faced by the group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the group's activities. The group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's audit committee oversees how management monitors compliance with the group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the group. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

a) Credit risk

Credit risk is the risk of financial loss to the group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the group's receivables from customers, contract assets and loans.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade receivables, contract assets and Loans

The group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry and country in which customers operate.

The group limits its exposure to credit risk from trade receivables and contract assets by establishing reasonable credit period for payment.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are individuals or legal entities, whether they are a wholesale, retail or end-user customers, their geographic location, industry, trading history with the group and existence of previous financial difficulties.

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

A summary of the group's exposure to credit risk for trade receivables, contract assets and loans is as follows:

Particulars	31 March 2026		31 March 2025	
	Not Credit - Impaired	Credit - Impaired	Not Credit - Impaired	Credit - Impaired
Gross carrying amount				
Loans	1,499.50	-	106.54	-
Trade receivables	7,669.45	134.51	3,766.01	134.51
Contract assets	4,022.92	-	3,761.62	-
Loss allowance				
Loans	-	-	-	-
Trade receivables	-	(134.51)	-	(134.51)
Contract assets	-	-	-	-
Net carrying amount	13,191.87	-	7,634.16	-

Expected credit loss (ECL) assessment for corporate customers as at 31 March 2026 and 31 March 2025.

The Group allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to external ratings, management accounts and cash flow projections and available information about customers) and applying experienced credit judgement.

The Group uses an allowance matrix to measure the expected credit loss of trade receivables and loans from customers, which comprise a very large number of small balances.

Loss rates are based on actual credit loss experience over the past five years. These rates are multiplied by scalar factors to reflect differences between current and historical economic conditions and the Group's view of economic conditions over the expected lives of the receivables.

The movement in the allowance for impairment in respect of trade receivables, contract assets and loans is as follows:

Particulars	31 March 2026	31 March 2025
Balance at the beginning of the year	134.51	221.86
Allowance for impairment made during the year	-	-
Amounts written-off during the year	-	(87.35)
Balance at the end of the year	134.51	134.51

Cash and cash equivalents

The group holds cash and cash equivalents of ₹ 1,488.93 Millions at 31 March 2026 (31 March 2025: ₹ 670.36 Millions). The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

b) Liquidity risk

Liquidity risk is the risk that the group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's reputation.

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

31 March 2026						
Particulars	Carrying amount	Contractual cash flows				
		Total	Upto 1 Year	1-2 Years	2-5 Years	More than 5 years
Non-derivative financial liabilities						
Borrowings	5,911.83	5,911.83	2,429.33	578.07	2,904.43	-
Trade payables	7,304.75	7,304.75	7,304.75	-	-	-
Other financial liabilities	190.30	190.30	187.27	3.03	-	-
	13,406.88	13,406.88	9,921.34	581.10	2,904.43	-

31 March 2025						
Particulars	Carrying amount	Contractual cash flows				More than 5 years
		Total	Upto 1 Year	1-2 Years	2-5 Years	
Non-derivative financial liabilities						
Borrowings	5,702.98	5,702.98	4,486.98	500.00	716.00	-
Trade payables	6,794.03	6,794.03	6,794.03	-	-	-
Other financial liabilities	383.78	383.78	366.11	17.67	-	-
	12,880.79	12,880.79	11,647.12	517.67	716.00	-

c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Currency risk

The group is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchases and borrowings are denominated and the functional currency of the group. The functional currency for the group is Indian Rupees (₹).

Exposure to currency risk

The summary quantitative data about the group's exposure to currency risk (based on notional amounts) as reported to the management is Nil .

Interest rate risk

The group adopts a policy of ensuring that its major interest rate risk exposure is at a fixed rate. This is achieved partly by entering into fixed-rate instruments and partly by borrowing at a floating rate.

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Exposure to interest rate risk

The interest rate profile of the group's interest-bearing financial instruments as reported to management is as follows:

Particulars	Note	31 March 2026	31 March 2025
Interest bearing instruments			
Financial assets	2.4 & 2.10	2,119.20	1,404.36
Financial liabilities	2.18 & 2.23	5,911.83	5,702.98
		8,031.03	7,107.33

Fair value sensitivity analysis for interest-bearing financial instruments

A reasonably possible change of 100 basis points in interest rates of working capital lonas repayable on demand from banks at the reporting date would have increased or decreased profit or loss by ₹ 21.27 Millions (2024-25: ₹ 13.70 Millions). This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

Note 9 : Leases

Long term lease in the capacity of lessee

The Right of use assets and Lease liabilities as on March 31, 2026 and March 31, 2025 are as follows:

Particulars	31-Mar-26	31-Mar-25
Opening Balance	-	49.77
Additions	-	-
Amortisation	-	1.58
Closing Balance (refer note 2.15)	-	48.19

The lease payments of ₹ 48.56 million for the lease term of 33 years is paid at the commencement of the lease and hence there is no lease liability as at the end of the Balance Sheet date.

Short term lease in the capacity of lessee

The Group is obligated under cancellable operating lease agreements. Total rental expense for the period under cancellable leases of ₹ 64.76 million (31 March 2025: ₹ 68.74 million) included under "Rent" in Other expenses (Note 2.35)

Note 10 : Contingent liabilities and commitments

Particulars	As at 31 March 2026	As at 31 March 2025
Claims against the Group not acknowledged as debts in respect of:		
(i) Indirect tax and other matters*	2,204.88	1,517.52
(ii) Direct tax matters	4.75	9.83
(iii) Disputed claims from customers and vendors#	1,036.15	970.80
Guarantees		
(i) Bank guarantees and letter of credits	3,431.48	4,314.89
Commitments		
(i) Estimated amount of contracts remaining to be executed on capital account and net off advances	80.54	134.52

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

* The Group has deposited an amount of ₹ 79.86 million (as on March 31, 2025 ₹ 79.20 million) towards indirect tax dispute matters under protest with various statutory authorities and the same is included under other non current assets in Note 2.7 to the financial statements.

Also the Group has deposited ₹ 323.21 million towards disputed vendor and the same is included under Other non current financial assets in Note 2.4 to the financial statements.

Impact of pending litigations

The Group is party to several legal suits on construction contract terms related disputes with vendors and contractee/clients, pending before various forums including arbitration proceedings. It is not possible to make a fair assessment of the likely financial impact of these pending disputes / litigations until the cases are decided by the appropriate authorities.

E) Ramky Enclave Limited

Unsecured borrowings from related parties:

Unsecured borrowings from related parties aggregating to ₹ 22.29 million (rate of interest 8% per annum) shall repayable within 12 months from balance sheet date.

Note 13 : Service Concession Arrangements

Revenue related to construction or upgrade services provided under a service concession arrangement is recognised based on the stage of completion of the work performed, consistent with the Group's accounting policy on recognising revenue on construction contracts. Operation or service revenue is recognised in the period in which the services are provided by the Group.

Description of the arrangements:

The following subsidiary and jointly controlled entities ("the Concessionaire") of the Parent Company have entered into a service concession arrangement (s) (SCA) with NHAI ("the Grantor") for Design, Construction, Development, Finance, Operation and Maintenance of Road Project on Build, Operate and Transfer (BOT) basis. As per SCA, the Concessionaire is required to construct the road, required to operate and maintain the road and is required to resurface the road, at its cost and during the period in the manner so defined in the SCA. At the end of the concession period the Concessionaire will hand over the Road to the Grantor for no consideration. The premature termination is permitted only upon the happening of force majeure events or upon the parties defaulting on their respective obligations.

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Srinagar Banihal Expressway Limited (SBEL):

The project of the subsidiary company consists of Design, Construction, Development, Finance, Operation and maintenance of four laning of a section on the Srinagar-Banihal National Highway 1A in the state of Jammu and Kashmir on design, build, finance, operate and transfer (DBFOT) annuity basis for a period of 20 years.

Hyderabad STPS' Limited : (HSTP)

HSTP has entered into a service concession arrangement with Hyderabad Metropolitan Water Supply and Sewerage Board for construction, operation and management of 6 STPs of 480.50 MLD capacity (Decentralized) along South of Musi under Sewerage Improvement Project of Sewerage Master Plan of Hyderabad Urban Agglomeration and allied works under Hybrid Annuity Mode of contract including O&M for 15 years.

Note 14 :

- a) Exceptional item of ₹ 594.60 million for the quarter and year ended March 31, 2026 pertains to the gain arising on sale of 51% equity stake in the subsidiary, Visakha Pharmacity Limited.
- b) During the financial year end March 31, 2026, National Company Law Tribunal (NCLT) approved the scheme of amalgamation for the merger of two wholly owned subsidiaries, namely Sehore Kosmi Tollways Limited and Ramky Elsamex Hyderabad Ring Road Limited, with the appointed date as April 01, 2024.
- c) During the financial year end March 31, 2026, the parent has written off certain receivables and advances aggregating to ₹ 807.71 million, based on the assessment of recoverability of certain long-outstanding dues. The management continues to engage and negotiate with the respective contractees/clients for recovery of such amounts. Further, during the quarter ended March 31, 2026, the parent has reviewed and written back certain liabilities and provisions amounting to ₹ 438.82 million which are no longer considered payable.
- d) In respect of Srinagar Banihal Expressway Limited, a subsidiary company, deductions were made by NHAI during the previous years for ₹ 2,509.46 million from the annuities towards substandard steel, deviation of high embankment and other deductions against which the independent engineer had recommended for the release of ₹ 1,872.75 million. The subsidiary company has initiated arbitration proceedings for all the recoveries from NHAI and is confident that the entire amount is fully recoverable.
- e) Hospet Chitradurga Tollways Limited, a subsidiary company, ceased to be a going concern as the project was terminated on mutual consent during the financial year 2014-15 by the subsidiary and National Highways Authority of India (NHAI), “the Concessioneing Authority”. The consequential financial impact was provided in the financial statements during the earlier financial year.

Note 15 : Additional regulatory information

- (i) The Group does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- (ii) The Group does not have any transactions with struck off companies.
- (iii) The Group has not traded or invested in Crypto currency or Virtual Currency during the financial year.

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

- (iv) The Group has not entered in to any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- (v) The Group has not been declared as wilful defaulter by any bank or financial institution or other lender.
- (vi) The Group has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.
- (vii) The parent company obtained working capital limits from banks on the basis of security against inventories and book debts (refer note 12) wherein the quarterly returns for June 2025, September 2025 and December 2025 as filed with the banks are in agreement with books of accounts. Quarterly returns for March 2026 are yet to be filed.

(viii) Details of charges where satisfaction is yet to be filed by the Company :

Charge holder Name	SRN No.	Charge ID	Date of Creation	Amount
State Bank of Hyderabad	B96173281	10474784	1/4/2014	3,160.00
State Bank of India	B87957247	10456063	9/30/2013	14,290.00
State Bank of India	B41161209	10355197	5/10/2012	46,000.00
IDBI Bank Limited	A52150729	10132948	11/28/2008	1,000.00
IDBI Bank Limited	B08202442	10081224	11/22/2007	4,500.00
Punjab National Bank	A38981924	10075017	9/28/2007	160.00
State Bank of Hyderabad	A06828594	10026202	11/30/2006	50.00
State Bank of Hyderabad	Y10228599	90135794	7/2/1998	5.00

The Company has successfully exited the Master Restructuring Regime, accordingly executed the exit agreement on 11th July, 2025. Pursuant to this, company is now out from TRA Mechanism.

Further, release of collateral securities including promoter shareholding and filing for satisfaction of the charges registered with the Registrar of Companies (ROC) is under process with banks.

Note 16 : Specific notes pertaining to group entities

(i) Hospet Chitradurga Tollways Limited (HCTL):

HCTL has entered into a service concession arrangement with National Highways Authority of India (NHAI) for a period of twenty five (25) years from commencement date including construction period of two years and six months. SCA entered by the entity on 19 January 2012. The SCA does not provide for any renewal of this arrangement.

However, HCTL has served a termination notice to NHAI on 5 December 2013 due to delay in availability of land and other statutory clearances, which resulted in increase in the project cost against bid provisions. In turn, NHAI, also served termination notice on 31 December 2013, citing reasons of default on part of HCTL.

The Subsidiary company and NHAI have mutually agreed to terminate the Concession Agreement dated January 19, 2012 and signed settlement and close out agreement dated October 31, 2014 and which interalia provides that the concessionaire agrees and undertake and herby forgoes any and all claims against the

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

Authority on any account whatsoever related to this Concession Agreement. Similarly the Authority Agrees not to raise any other Claims against the Concessionaire under the Concession Agreement.

Since the company is a project specific company, termination of the project affects the Going Concern nature of the company. The financial impact on the Accounts of the same has been provided in the earlier Financial Statements.

(ii) Concession Agreement with M.P. Road Development Corporation Limited (MPRDC):

The erstwhile wholly owned Sehore Kosmi Tollways Limited issued termination notice dated March 12, 2021, to the M.P. Road Development Corporation Limited (MPRDC) in terms of Article 37 of the Concession Agreement and calling upon MPRDC to release the aggregate amount of ₹ 968.60 million due, which is based on its internal assessment and legal advice, management is confident that it will be able to recover the entire amount from MPRDC. The Concession Agreement being the sole agreement executed by SKTL, termination of the same has now resulted into liquidation basis accounting which has been adopted in preparation of these financial statements. Under the liquidation basis of accounting, all assets and liabilities are measured at their net realisable value. However, on a prudent basis, SKTL has accounted for receivable from MPRDC to the extent of ₹ 582.00 million only i.e. Intangible and Financial asset in books as on termination date of the project. During the financial year 2021-22, SKTL has received the sum of ₹ 346.35 million form MPRDC towards full and final settlement of all dues. However, SKTL has not agreed for that and initiated arbitration proceedings against MPRDC. However, Arbitration proceedings have been dismissed by the High Court and SKTL is evaluating further legal options against MPRDC.

(iii) Hyderabad Metropolitan Development Authority (HMDA) Project:

The erstwhile wholly owned subsidiary Ramky Elsamex Hyderabad Ring Road Limited (REHRRL) has executed the project for Hyderabad Metropolitan Development Authority (HMDA). As at 31 March 2026, the trade receivable includes the following amounts from HMDA towards various retentions:

Particulars	Amount
1. Bonus Annuity	315.00
2. Retention in First annuity	197.75
3. Retention in Fourth annuity	161.63

During the year 2013-14 the Company had sent Arbitration Notice to HMDA for recovery of the receivables and both the company and HMDA appointed Arbitrators. Arbitral Award is pronounced on 18.06.2018 in favour of the company. HMDA filed application before District Commercial Court under section 34 & 36 of Arbitration and Conciliation Act seeking set aside of the award pronounced by Arbitral Tribunal and for a stay on the award respectively. The company filed reply for the same and argued on their application seeking stay on the award. Hon'ble Court was convinced with the arguments of the company and allowed the application and granted conditional stay on the award subject to HMDA depositing 50% of the award value in the Court. With in 60 days from the date of the order i.e., 18.03.2019. HMDA did not deposit the sum as ordered and instead preferred the Order of the District court by filing an appeal in the Hon'ble High Court. Now the matter is pending before Hon'ble High Court for the state of Telangana, Hyderabad.

Challenging the Arbitral Award, Hyderabad Growth Corridor Limited (HGCL) filed an application under section 34 of the Arbitration and Conciliation Act, 1996 (A&C Act) before the District Commercial Court at Hyderabad seeking setting aside of the Award along with an application u/s 36 of the A&C Act seeking a stay on the award.

The company has filed an Execution Petition before the District Commercial Court at Hyderabad seeking attachment of the moveable properties and bank accounts of the HGCL for recovery of the decretal amount. HGCL filed CRP before Hon'ble High Court and got a stay on execution proceedings. Both parties

Notes to the Consolidated Financial Statements (contd.)

(All amounts are ₹ in Million, unless otherwise stated)

argued the matter before Hon'ble Court and Hon'ble High Court disposed the matter, directing that time for payment of the amount as per the impugned order dated 18.03.2019 passed by commercial court is extended for a period of three months from 5th March 2024. And also directed to decide the objections preferred by HMDA under section 34 of A&C Act, 1996 expeditiously within an outer limit of four months.

The District Commercial Court decided the matter by allowing the section 34 application in favour of HGCL on 05.08.2024. The company has filed an appeal under section 37 of the Arbitration and Conciliation Act, 1996, wherein Concessionaire has assailed the validity of the order dated 5th August'2024 by which petition filed under section 34 of the A&C Act, 1996 has been allowed and the Hon'ble High court directed to issue notices to HGCL.
