Limited Review Report on the Unaudited Standalone Financial Results of IndiaNivesh Limited for the quarter and half year ended 30th September 2026 pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 as amended.

To,
The Board of Directors
IndiaNivesh Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **IndiaNivesh Limited** ('the Company') for the **quarter and half year ended 30th September 2026** together with the notes thereon ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. **Basis of Qualified Opinion**

   a) *The Company has an outstanding principal loan of Rs. 65.60 crores. Interest at the negotiated rate of 7.00% was provided for the full year up to 31st March 2026. However, interest for half year ended 30th September 2026 has not been provided as per the negotiated terms of the loan. Had the interest been provided on the outstanding principal at the negotiated rate, the finance cost, loss and liabilities would have been higher by Rs.1.17 crores and Rs. 2.30 crores, and reserves and surplus would have been lower by Rs. 1.17 crores and Rs. 2.30 crores for the quarter and half year ended 30th September 2026, respectively. In the absence of the corroborative audit evidence, we are not able to comment on the consequential impact on the financial statements*
