NIIT Learning Systems Limited Enters a Strategic Partnership with Visier

Atlanta, GA, May 19, 2026: NIIT Learning Systems Limited (Ticker Symbol: NIITMTS), a global leader in managed learning services announced today that it has entered a strategic partnership with Visier, the globally recognized leader in workforce intelligence. The company's Visier Workforce AI platform gives leaders, business executives, and managers, the trusted insights and contextual guidance to make confident workforce decisions and lead workforce transformation at scale.

The two companies will collaborate in the areas of implementation, business consulting, technical and content consulting, and outsourced administration. As part of the agreement, NIIT Learning Systems has added certified Visier resources to its implementation and support teams across the globe, with initial implementations in the United Kingdom and Europe.

"NIIT's partnership with Visier will combine the best of both worlds – our world-class managed learning and strategic consulting services with Visier's powerful AI platform. We look forward to providing our global customers an enhanced customer experience and improved business outcomes through the AI-powered, business-aligned services enabled by this partnership," said **DJ Chadha**, Chief Customer Officer at NIIT Learning Systems.

"NIIT is a powerful addition to Visier's global ecosystem of implementation and consulting alliances. As organizations across the UK and Europe race to harness AI, the ability to connect people data to real business outcomes has never been more urgent. Together, Visier and NIIT will help customers move beyond gut instinct to workforce intelligence — turning strategic training investments into measurable productivity gains and immediate business results," said **Tim Quan**, Global Vice President, Partnerships at Visier.
