INDUSTRY STRUCTURE & DEVELOPMENT: The Directors of the Company are making efforts to revive the business as the industry is not functioning properly.

PERFORMANCE & SEGMENT-WISE PERFORMANCE: The Company trades in a single business segment. The Company has passed through a very unusual phase, any worthwhile comparison of performance between two periods would be inconclusive. There is, yet, considerable scope for improvement.

OPPORTUNITIES AND THREATS: The threats to the segments in which the Company operates are volatility in exchange rates, pricing pressure arising due to competition from low-cost suppliers, technology up gradation, sever competition among competitor and newly emerging competitive nations and stricter environment laws. Further the Indian economy is now integrated with the world economy to a very large extent and therefore vulnerable to the direct impact of global slowdown; such an impact could adversely affect the Company's performance as well. Therefore, the Company has decided to close down the manufacturing activity and concentrate on the trading activities and exploring the possibilities of the merger of the Company with profit making and financially strong Company having good potentials for future growth.

STRENGTH: The existing management has a strong technical, finance and administrative expertise in various industries and corporate sectors including the business of the Company.

RISKS AND CONCERNS: Since the Company is into trading activity, it is attributed to all the risks and concerns attached with the trading industries as a whole. The Company has formulated a policy and process for risk Management.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY: The internal control system is looked after by Directors themselves, who also looked after the day today affairs to ensure compliances of guide lines and policies adhere to the management instructions and policies to ensure improvements in the system. The Internal Audit reports are regularly reviewed by the management. The Company has proper and adequate internal control system commensurate with the size of the business operations geared towards achieving efficiency in its various business operations, safeguarding assets, optimum utilization of resources and compliance with statutory regulations. Efforts for continued improvement of internal control system are being consistently made in this regard.

HUMAN RESOURCES VIS-À-VIS INDUSTRIAL RELATIONS:

The Company values and appreciates the dedication and drive with which its employees have contributed towards improved performance during the year under review. The relations with workers and staff are cordial during the year under review. All issues pertaining to staff matters are resolved inharmonious and cordial manner.

CAUTIONARY STATEMENT: Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Independent Auditor's Report

To the Members of
Muzali Arts Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **Muzali Arts Limited ("the company")** which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, the statement of changes in equity and the statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss and other comprehensive loss and the changes in equity of the year ended on that date.

Basis for opinion

- We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial statement.

Other Matter

- Attention is hereby drawn to Company had purchased 80% stake in Jalan & Jalan Collection Inc during FY 2020-21. During FY 2022-23, dispute arose between Company & minority shareholder & company filed a case against the minority shareholder alleging misfeasance, misrepresentation & misappropriation at District Mediation Center, Nagpur on 19-05-2022.

Company has been trying relentlessly to obtain sufficient data from Subsidiary in order to facilitate Consolidation of financials for reporting purposes. However, due to unavailability of subsidiary financial data, the company has not been able to present consolidated financial statements since June' 21 Quarter. It is also be noted company has no active operation since October 2022.

The management has represented that, to the best of its knowledge and belief, as disclosed in Note 29 Point no. 10, Company has during current year again made an assessment of its Control and power over subsidiary as per Ind AS 110 & management has determined that the company does not possess significant control and power over its subsidiary, Jalan Jalan Collection Inc., despite holding an 80% shareholding. Hence, Jalan & Jalan Collection Inc., does not qualify as a subsidiary.

Next step on evaluation done by Management was whether the investment qualifies as an Investment in Associate as per Ind AS 28. As per Ind AS 28, If an entity holds, directly or indirectly (eg through subsidiaries), 20 per cent or more of the voting power of the investee, it is presumed that the entity has significant influence, unless it can be clearly demonstrated that this is not the case. An entity loses significant influence over an

investee when it loses the power to participate in the financial and operating policy decisions of that investee. The loss of significant influence can occur with or without a change in absolute or relative ownership levels. Management is of the view that the Company has no role to play in any financial or operating decisions of Jalan & Jalan Collection Inc. as the same is under control of Minority shareholder & hence Company is unable to exercise significant influence by virtue of its shareholding.

On review, management also concluded that previous classification of Jalan & Jalan Collection Inc., as a subsidiary in previous financials was erroneous & it was never a subsidiary. As per Ind AS 8, retrospective effect needs to be given for Prior period error. However, since Company has not presented consolidated financial statements since June' 21, management concludes that restated results would be similar to standalone financials with the only exception being that Investments in Jalan & Jalan Collection Inc. would not be classified as Investment in Subsidiary under Schedule for Investments.

Consequently, the company has not prepared consolidated financial statements in accordance with Ind AS 110 & will account for investment in Jalan & Jalan Collection Inc. as per Ind AS 109 - Financial Instrument.

As per Ind AS 109, Company records Investments in equity instruments at Fair value through Profit and Loss account. Company has obtained a fair valuation report on 27th April, 2024 for its investment in Jalan & Jalan Collection Inc. Based on valuation report, fair value of the company is Rs. -76,736.87/- based on whatever past data was available with the company. Hence, management has recorded the Investment in Jalan & Jalan Collection Inc. at zero rupees in its books.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is no material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

These financial statements are the responsibility of the Company's management. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the financial statements that give a true and fair view of the financial position & financial performance of the Company in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the

Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Responsibilities for Audit of Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in the aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work in evaluating the results of our work, and (ii) evaluating the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) Further to our comments in Annexure A, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account, as required by law, have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in the paragraph 2(h)(v) below, on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
 - c) The Balance Sheet, the Statement of Profit and Loss including the statement of other comprehensive income, the Statement of changes in equity, and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements
 - g) With respect to the matter to be included in the Auditor's Report under section 197(16) as the company has not paid any remuneration to its Director during the current year, the said clause is not applicable.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations except disclosed in note 21 to the financial statement which would impact its financial position.
- ii. The company did not have any long-term contracts including derivative contracts for which there any material foreseeable losses.
- iii. The company has transferred to the Investor Education and Protection Fund which were required to be transferred as per the Act.
- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b)The management has represented, that, to the best of its knowledge and belief as mentioned in the notes to accounts, declares there are no funds being received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c)Based on audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to the notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

(d)The company has not declared and paid any dividends during the year which are in contravention of the provisions of section 123 of the Companies Act, 2013.
- v. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us, the company incorporated in India whose financial statements have been audited under the Act, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has not been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, the audit trail feature has not been implemented and operated therefore we are unable to comment on this matter.

Annexure - A to the Auditors' Report referred to in Paragraph 16 of the Independent Auditor's Report of even date to the members of Muzali Arts Limited on the financial statements for the year ended 31st March 2026

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of an audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) Fixed assets were not physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. Thereafter we cannot comment on any material discrepancies which may have arisen if the verification was carried out.

(c) The Company does not hold any immovable properties; hence no title is held in name of the Company.

(d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.

(e) There are no proceedings initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii) (a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.

(b) The Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) The Company has not made investments in Companies but the company has granted unsecured loans to other parties, during the year, in respect of which:

(a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has granted unsecured loans to firms and other parties, the aggregate amount during the year and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates amounts to Rs 63,00,000.00 and Rs 6,49,50,388.00 respectively.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the unsecured loans granted by the company are not prejudicial to the interest of the company.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the repayment schedule of principal and interest are not stipulated for the loans given by the company and hence the repayments or receipts if any are regular in nature cannot be determined.

(d) Since the terms of repayment are not stipulated, total amount overdue/recoverable for more than 90 days cannot be determined.

(e) The Company has not provided any loans or advance in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to

settle the overdues of existing loans given to the same parties hence reporting under clause 3(iii)(e) of the Order is not applicable.

(f) During the year, the Company has granted loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to other parties as stated below as defined in clause (76) of section 2 of the Companies Act, 2013.

Particulars	Amount
Aggregate amount of loans/ advances in nature of loans - Advances without agreements	63,00,000.00
Balance outstanding at the end of the year	6,49,50,388.00

(iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made. The Company has not provided any guarantees and security to the parties covered under Sections 185 and 186 of the Companies Act, 2013.

(v) According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

(vi) The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order does not apply to the Company.

Annexure - B to the Auditors' Report

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the financial statements of **Muzali Arts Limited** ('the Company') as at and for the year ended 31 March 2026, we have audited the internal financial controls with reference to the financial statements of the Company as at that date.

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI").

These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to the financial statements of the Company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to the financial statements of the Company.

Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail,

accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company is in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Muzali Arts Limited

Notes to Standalone Ind AS Financial Statements for the Year ended 31 March 2026

Overview and Notes to Financial Statements

1. Company overview

Muzali Arts Limited("the Company") is a Public Listed Limited Company incorporated in India having its registered office at Nagpur Maharashtra, India. The company is currently engaged in processing food industry. The financial statements for the year ended 31st March 2026 are approved for issue in accordance with resolution of the directors on 29th May, 2025

2 Basis of preparation of Financial Statements

(i) Compliance with Indian Accounting Standards (Ind AS)

The financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ("the Act") and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

(ii) Consistency of accounting policy

Accounting policies have been consistently applied, except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use .The material accounting policy information used in preparation of the audited financial statements have been discussed in the respective notes.

(iii) Functional currency and rounding of amounts

The financial statements are presented in Indian Rupees (INR), which is also the Company's functional and presentation currency. All values are rounded to nearest rupees in Lakhs except when otherwise stated and the currency of the primary economic environment in which the company operates.

(iv) Use of estimates and judgments

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates, which involve complex and subjective judgments and the use of assumptions in these financial statements. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates and judgments are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements. During the year Expected Credit loss, Inventory valuation, Grauity provision areas were esitmates and judgements have been made.

(v) Current vs. Non-Current classification

"The Company has ascertained its operating cycle* as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities

For the purpose of Balance Sheet, an asset is classified as current if:

- expected to be realized in the Company's normal operating cycle;
- the asset is intended for sale or consumption;
- the asset is held primarily for the purpose of trading;
- the asset is expected to be realized/settled within twelve months after the reporting period;
- the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;

All other assets are classified as non-current.

Similarly, a liability is classified as current if:

- expected to be settled in the Company's normal operating cycle
- the liability is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period;
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

*The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle."

Material accounting policies

2.1 Property, plant and equipment

(i) Recognition and measurement Accounting policy

"Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. The cost of an item of property, plant and equipment comprises:

- Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipments. Property, plant and equipment which are not ready to intended use as on the date of Balance sheet are disclosed as Capital work-in-progress (if any). The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. Any gain or loss on disposal of an item of PPE is recognized in statement of Profit and Loss. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method."

The estimated useful lives of assets are as follows:

Office equipment	5 years
Computer	3 years

Depreciation

i. a. Depreciation is systematic allocation of the depreciable amount of PPE over its useful life and is provided in a straight-line-basis over the useful lives as prescribed in Schedule II to the Act or as per technical assessment.

b. Depreciable amount for PPE is the cost of PPE less its estimates residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the company.

c. Where a significant component (in terms of cost) of an asset has an estimated economic useful life shorter than that of its corresponding assets, the component s depreciated over its shorter life.

d. The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property, plant and equipment over estimated useful lives which are

different from the useful life prescribed in schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

ii. Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production.

iii. Depreciation on assets sold, discarded or demolished during the year is being provided upto the month in which such assets are sold, discarded or demolished.

Impairment

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

2.2 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition

Financial assets (except Trade receivables) and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Statement of Profit and Loss.

Trade receivables not containing any significant financing component are measured at transaction price.

(ii) Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortized cost .

Amortized Cost:

A financial asset shall be classified and measured at amortized cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

- In case of financial assets at amortized costs, interest income, foreign exchange gain or loss and impairment are recognized in Statement of Profit and Loss.

(iii) Impairment of financial assets:

Financial assets, are assessed for indicators of impairment at the end of each reporting period. The Company recognized a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk.

(iv) Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as measured at amortized cost. A financial liability is classified as at FVPTL if it is classified as held for trading or it is a derivative or it is designated as such on initial recognition. Financial Liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gain and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

(v) Derecognition of financial assets and financial liabilities financial assets.

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial assets

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized

The Company de-recognizes financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognized and the consideration paid and payable is recognized in the statement of profit and loss.

2.3 Revenue recognition

i. Revenue from operation

In accordance with IND AS 115 (Revenue from Contracts with Customers), the company recognizes revenue when it transfers control of goods or services to customers in an amount that reflects the consideration to which it expects to be entitled in exchange for those goods or services.

ii. Commission income

Commission income is derived from acting as an agent in transactions where the company facilitates sales of products or services on behalf of another party.

ii. Interest income

Revenue is recognized on a time proportion basis taking into account the amount outstanding on effective interest rate.

iii. Other Income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

2.4 Income Tax

(i) Current tax

"Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted

or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income."

"Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity)

Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate."

(ii) Deferred Tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets and deferred tax liabilities are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax relating to items recognized outside profit or losses are recognized as a part of these items (either in other comprehensive income or in equity).

Deferred tax assets and liabilities are offset only if: a) The entity has a legally enforceable right to set off current tax assets against current tax liabilities; and b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

2.5 Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short-term,

highly liquid investments with original maturities of three months or less that are readily convertible to known

amounts of cash and which are subject to an insignificant risk of changes in value. Cash and cash equivalents consist

of balances with banks which are unrestricted for withdrawal and usage.

2.6 Provisions and Contingencies

General

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any.

Contingencies :

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

2.7 Cash flow statement

Cash flows are reported using the indirect method, whereby profit or loss before tax is adjusted for the effects of transaction of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.8 Earning per share

a) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to equity shareholders of the Company
- by the weighted average number of equity shares outstanding during the financial year

b) Diluted earnings per share

- Diluted earnings per share computed using the weighted average number of equity and dilutive equity equivalent share outstanding during the period.

2.9 Recent Pronouncement

The Ministry of Corporate Affairs ("MCA") notifies new standards / amendments under Companies (Indian Accounting Standards) Rules as issued from time to time. As of 31st March 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company that has not been applied.

23) Financial Risk Management

The Company's principal financial liabilities comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include trade and other receivables, investments and cash and cash equivalents and bank balances other than cash & cash equivalents that are derived directly from its operations.

The Company is exposed primarily to fluctuations in credit, liquidity and market risks, which may adversely impact the fair value of its financial instruments. The Company has a risk management policy which covers risks associated with the financial assets and financial liabilities. Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance of the company.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other risks, such as equity price risk and commodity price risk.

(i) Foreign Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company is not involved in foreign exchange transaction. Hence, There is no foreign currency risk involved.

(ii) Interest Rate Risk

Interest Rate risk is the risk that the fair value of future cashflows of a financial instrument will fluctuate because of changes in Market Interest Rates. The company's exposure to the risk of changes in Market Interest Rates relates primarily to the Company's short term debt obligations with floating interest rates. The Company manages its interest risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Interest rate sensitivity :

Borrowing	As at 31-Mar-26	Composition	As at 31-Mar-25	Composition
Borrowing - Fixed Rate	10.00	100.00%	1.00	100.00%
	10.00		1.00	

(iii) Commodity Price Risk

The Company is affected by the price volatility of its commodities. The company is engaging in service sector. Hence, no commodity risk exist

(iv) Credit Risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition.

Trade receivables:

Trade receivables are non-interest bearing and are generally on credit terms of 7 to 30 days. An impairment analysis is performed at each reporting date on an individual basis for major customers. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data of expected credit loss, actual credit loss and party-wise review of credit risk.

The ageing of Trade receivables is as follows (net of Expected Credit loss)

	As at 31st March 2026	As at 31st March 2025
Upto 6 months	53.20	-
More than 6 months	-	-
	53.20	-

(v) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted cash flows.

9. The Company has not been declared a wilful defaulter by any bank or financial institution or other lender (as defined under the Companies Act, 2013) or consortium thereof, in accordance with the guidelines on wilful defaulters issued by the Reserve Bank of India.

10. Company had purchased 80% stake in Jalan & Jalan Collection Inc during FY 2020-21. During FY 2022-23, dispute arose between Company & minority shareholder & company filed a case against the minority shareholder alleging misfeasance, misrepresentation & misappropriation at District Mediation Center, Nagpur on 19-05-2022.

Company has been trying relentlessly to obtain sufficient data from Subsidiary in order to facilitate Consolidation of financials for reporting purposes. However, due to unavailability of subsidiary financial data, the company has not been able to present consolidated financial statements since June' 21 quarter. It is also noted company has no active operation since October 2022.

Company has during current year again made an assessment of its Control and power over subsidiary as per Ind AS 110 & management has determined that the company does not possess significant control and power over its subsidiary, Jalan & Jalan Collection Inc., despite holding an 80% shareholding. Hence, Jalan & Jalan Collection Inc., does not qualify as a subsidiary.

Next step on evaluation done by Management was whether the investment qualifies as an Investment in Associate as per Ind AS 28. As per Ind AS 28, If an entity holds, directly or indirectly (eg through subsidiaries), 20 per cent or more of the voting power of the investee, it is presumed that the entity has significant influence, unless it can be clearly demonstrated that this is not the case. An entity loses significant influence over an investee when it loses the power to participate in the financial and operating policy decisions of that investee. The loss of significant influence can occur with or without a change in absolute or relative ownership levels. Management is of the view that the Company has no role to play in any financial or operating decisions of Jalan & Jalan Collection Inc. as the same is under control of Minority shareholder & hence Company is unable to exercise significant influence by virtue of its shareholding.

On review, management also concluded that previous classification of Jalan & Jalan Collection Inc., as a subsidiary in previous financials was erroneous & it was never a subsidiary. As per Ind AS 8, retrospective effect needs to be given for Prior period error. However, since Company has not presented consolidated financial statements since June' 21, management concludes that restated results would be similar to standalone financials with the only exception being that Investments in Jalan & Jalan Collection Inc. would not be classified as Investment in Subsidiary under Schedule for Investments.

Consequently, the company has not prepared consolidated financial statements in accordance with Ind AS 110 & will account for investment in Jalan & Jalan Collection Inc. as per Ind AS 109 - Financial Instrument.

As per Ind AS 109, Company records Investments in equity instruments at Fair value through Profit and Loss account. Company has obtained a fair valuation report on 27th April, 2024 for its investment in Jalan & Jalan Collection Inc. Based on valuation report, fair value of the company is Rs. - 76,736.87/- based on whatever past data was available with the company. Hence, management has recorded the Investment in Jalan & Jalan Collection Inc. at zero rupees in its books.
