Commenting on the performance,

Mr. Ajay Kumar Bansal, Chairman and Managing Director, Hi-Tech Pipes Ltd.

"We are pleased to report a strong start to FY27, with our volumes increasing by 26% to 1,56,136 MT from 1,24,027 MT in Q1FY26, reflecting sustained demand and the successful ramp-up of our recently added capacities. Revenue grew by an impressive 79% to Rs.1,413 crore from Rs.791 crore, while profitability remained broadly stable at Rs.20.04 crore compared with Rs.20.92 crore in Q1FY26. EBITDA increased to Rs.49.37 crore from Rs.41.03 crore, supported by improved operating performance, with EBITDA per tonne also improving sequentially from Rs.3,148 to Rs.3,162. Our newly commissioned facilities are progressing well and are increasingly contributing to our growth momentum. We remain firmly committed to our roadmap of adding another 1 million tonnes of capacity, with execution progressing at a healthy pace. Going forward, we remain optimistic about the structural growth opportunities in the steel pipe industry, supported by infrastructure development, water and energy projects, and rising domestic demand. With our expanding capacity, strong execution capabilities and focus on operational efficiency, we are well positioned to deliver sustainable and profitable growth in the years ahead."
